III) ANALYSIS OF THE CHART OF --- SRI SP. BALASUBRAMANYAM- (Playback singer) ---
Before proceeding with the analysis of the chart on the celebrity I want to mention here few lines about the celebrity. Sri Sripathi Pandithaaraadhyula Balasubramanyam, popularly known as SPB and Balu in the media, is a prolific Indian singer and actor.
He was born into an orthodox Telugu Brahmin family in Konetammapeta Neloore, Andhra Pradesh. His father Sri S.P. Samabamurthy was a well- known exponent of Harikatha and his sister Smt S.P.Sailaja is a former actor – singer in Telugu cinema field.
His birth details are- DOB- 04JUNE1946/ TOB- 12-04-43/ POB- NELLORE.
Sri S.P. Balu took singing as hobby during his childhood. He developed interest in music notations and learnt to play harmonium and flute on his own. Sri S.P. Balu while studying in Madras in 1964- Madras based Telugu Cultural Organization organized a music competition for amateur singers. Balu won the first prize and that proved a turning point in his life. Sri S.P. Kodandapani the then famous music director took him under his wing and Sri S.P. Balu from then on never looked back.
I (A) -- ANALYSIS OF THE FIFTH CUSP—
(AS PER ABOVE KP RULE NO.I)--
Sagittarius-18.46.41 degrees- JUP (SGL)- VRNUS-(STL)- RAHU (SBL).
A).SGL JUPITER- is the lord of 5 and 8 placed in 2nd Virgo with Neptune. Jupiter is associated with fiery sign-Sagittarius and watery and emotional sign- Pisces. Pisces indicates cinema field. It is aspected by its own lord Jupiter from Virgo- 2nd house in the chart signifying fine arts- vocal music and singing.
Neptune a karaka for fine arts and music is though deposited in 1st cusp (but very closely associated with 2nd cusp within 5 degrees orb) confirms the music specially – vocal and cinema field. Jupiter aspects 6th- service and 10 th – profession and earnings connected with cinema field.
B). STAR LORD- VENUS— indicates good taste for good music and melody. Venus is the lord of Taurus and Libra (2nd and 7th by natural zodiac) placed in an airy sign Gemini gave him singing talents by birth. Such a Venus is aspecting 5th cusp directly by being in 11th cusp. Third sign Libra an airy sign also gave him very good imaginative and creative skills (essential for music) and intelligence to understand the intricacies of music and cinema field. Libra being a 7th in natural zodiac gave him a cinema profession as a playback singer.

C). SUB LORD-- RAHU—Rahu is placed in 10th which decides the profession of the native to take up. Rahu is connected to (Virgo) 2nd – earnings is placed in 10th (Taurus) confirms the native's profession as a vocalist / playback singer in cinema field. Such a Rahu is conjoined with Mercury (lord of 2 and 11) which is significators of rhythm and beat a skill required for singing, intelligence and perception necessary for becoming a play back singer and a composer too. The exchange of Mercury and Venus in (Taurus-10th) and Gemini (11th) gave him "parivarthana yoga" for the planets which in turn gave the native supreme intelligence even to to compose music in the cinema field as a music director. Rahu is not only conjoined with Mercury – a planet of intelligence but also with Uranus – a planet of spark of exceptional and rational intelligence and courage to experiment with music and singing. Again these three planets are conjoined with Sun lagna lord (in 10th house) gave the native popularity, name and fame in the field of cinema field and music as a great play back singer even in his seventies.

Sun in Taurus- as per Alan Leo-is a favorable position for acquisition of money and prosperity. The NATIVE with such a placement of Sun is his chart will be endowed with qualities like firmness, patience, obstinate, and will be set upon achieving his goals; pursue his object with great determination. He is rather ambitious, and desirous of assuming prominent position. Taurus being a Venus sign, Sun in it will give a great inclination for fine arts like music, drama and theatre or like.

Rahu usually functions best when placed in a strong house like the 9th or 10th. Here in the native's chart it is placed in the 10th – an angle- can give fame, name, status and prestige (Raja Yoga). Rahu gains strength being in the 10th and there by has the power to boost up the effects of the strong planets (Sun in 10th is strong) with which it is conjoined. This strong Rahu has given the native worldly powers and success, the fulfillment of his desires.

I-(B) ANLYSIS OF THE 5TH CUSP SUB LORD—

A) 5th cusp sub lord is Rahu+. No planet is deposited in Rahu stars and hence Rahu strongly signifies 1(native) and 9(bhagya sthana) as co ruler. Rahu + is placed in 10th house-(Taurus-venus sign) with Mercury (in4 degrees orb), Uranus (in 4 degrees orb), Sun (lagana lord) with Venus as sign lord.

Thus Rahu represents Mercury, Uranus, Sun, Venus and Jupiter (by 9th aspect). Rahu is placed in Venus –SGL, Mars -STL and Saturn –Sub lord.

The sign lord Venus is the lord of 3 and 10 placed in 11th house with Saturn lord of 6 and 7.

The star lord Mars is the lord of 4 and 9 placed in 12 th Cancer sign with Moon.

The sub lord Saturn is the lord of 6 and 7 placed in 11th house.

Thus Rahu the 5th cusp sub lord signifies-

1-native, 5th-house of fine arts indicating music, 9th- bhagya sthana as co ruler, 10- profession, name and fame and popularity, at Star level, and 6th- success over counter parts in the field of cinema (field) as playback singer, 7th- indicating cinema field, audience, public at large, and the honors and reputation achieved there through his profession and 11th-accomplishment of desired goal as a play back singer, at Sub lord level.

Rahu through its representatives that is –by Mercury lord of 2 and 11 in 10th- (name and fame through his profession of playback singing), by Uranus-in 10 (rational thinking and experiments in his field of music), Sun lord of lagna in 10th (name and fame, popularity), Jupiter-lord of 5 and 8 in 2nd (earnings by vocal music), and Venus-lord of 3 and 10 in 11th (success through his profession) are indicated clearly.

Mars aspect on 6th cusp – service-made him a leader in his field of cinema, with courage and success and without stage fear.

II. ANALYSIS OF THE CHART as per KP rules—

2 A- the star lord of the 5th cusp sub lord (Rahu), which is MARS is placed in CANCER – with its lord Moon made the native to improve his talents in his field of music with his intellect.

B.-Mars the star lord is placed in Mercury star made the native supremely intelligent to compose music for cinema field.

C.-The star lord being itself is MARS made the native bold and fearless to face the audience and on the silver screen and stage.
D. - Mars the star lord is placed in Mercury star gave the native a very good sense of rhythm and beat (talam).
E. Moon in its own sign Cancer with yoga karaka planet Mars (being 4 and 9th lord for Leo sign) with debilitation weakened by being in retro motion, acquired the abilities of acting, mimicking, expressing the thoughts and emotions of others ,also for music and other fine arts.
III.ANALYSIS OF THE SIXTH CUSP— 6th cusp sub lord is Mercury is the lord of 2 and 11 placed in 10th cusp. It is in Mars star and Rahu sub.
The star lord Mars is the lord of 4 and 9 placed in 12th . The sub lord Rahu is placed in 10th house. Thus the sub lord of the 6th cusp Mercury signifies 2,6,8,10 and 12 as co ruler, at star level it signifies house-earnings by his vocal music/singing, 10- singing as his job/ profession, 9- extreme traveling on account of nature of his profession as a playback singer, and 11- accomplishment of his goal to become a playback singer. At its sub lord level it signifies 2, 5- through cinema field, 10- through cinema as his profession, and 11- fulfillment of his desire.
IV. ANALYSIS OF THE TENTH – 10th cusp sub lord is also Mercury which I have discussed above.
V.ANALYSIS OF THE ELEVENTH CUSP- 11th cusp sub lord is MOON. It is the lord of 12th – CANCER – an emotional and watery sign responsible for cinema profession and music. Moon is placed in Mercury star and Venus sub. Mercury is the lord of 2 and 11 in 10th house and the sub lord Venus is the lord of 3 and 10 in 11th with Mercury. Mercury is the karaka for rhythm and thaala (beat) and Venus is the karaka for music by singing. Moon is 12th cusp gave him voyage to foreign countries. Thus Moon at its star level- signifies 2- earnings by play back singing, 10- by cinema field as his professional career, 11- accomplishment of desire to become a singer, 12- extensive traveling to foreign places on account of his profession as a playback singer and profound service rendered. Moon at its sub lord level signifies 3- courage (Moon conjoined with Mars) and short travels on account of his nature of professional requirements as playback singer, 10- profession and 11- fulfillment of his desire to become a singer and success in his field.
VI. SOME NOATABLE POINTS IN THE CHART OF THIS NATIVE connected with 5th cusp —
5th cusp falls in Sagittarius sign 9th sign in natural zodiac- with Jupiter as its lord blessed this native with divine knowledge music by birth. Being a fiery sign gave him boldness and courage with self push. Jupiter which is placed in Virgo aspects Pisces – (8th) its own sign- as an emotional sign indicates cinema field.
Neptune –karaka for fine arts and cinema field is conjoined with lord of 5th house Jupiter in the 2nd sign Virgo gave him divine talent in music and singing. Neptune in association of Jupiter refines and purifies the nature of the native. It improves the artistic, poetic, aesthetic side of the native, and gives a touch of genius in matters pertaining to poetry, music and art and stage. It gives a fertile imagination necessary for composing music.
Uranus in 10th house in conjunction with Mercury gave the native very active, original, quick, fertile, inventive and intuitive mind necessary for his music filed and compositions of music. Uranus increases the intellectual power and there may be success and good luck in following Mercurial or Uranian occupations, studies or activities.

Question: Will Congress come into power in the Punjab assembly elections, 2017?
Number: 29 (out of 249)
Date of Judgment: 18-01-2017, Wednesday; Time of Judgment: 11:14:58 AM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'
Aynamsha: 24^0.00'.18" Dasa days: 365.25

Note: Elections in Punjab were declared to be held on 04-02-2017. The star campaigner, Mr. Siddhu, joined the Congress party. Let us see how effective does he prove for the Congress.

I have delivered 95 advance predictions by using my rules given below and, out of all the predictions given, I have been correct in 66 analyses. This shows an accuracy of 69.48% and not just a 50-50 chance prediction of election outcomes at all, as some KP astrologers have said about this rule. This is the first time in the history of KP astrology that some Astrologer has made 95 advance predictions by using any one rule.

Hint:
If the 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner), then in the DBA of the significators of 3, 10, 11, success is assured.

Cuspal Sub lord for Congress:
10th Cusp (Capricorn 26^0.15'.03"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Mars and sub of Saturn. Jupiter is occupant of 5 owner of 8-9. Star lord Mars is occupant of 11 owner of 7-12. Sub lord Saturn is occupant of 7 owner of 10-11. Thus, the 10th cusp sub lord, Jupiter, is the significator of houses 5-8-9-11-12-7-10. Hence, winning in the election is certain.

Cuspal Sub lord for opponent:
10th Cusp (Cancer 13^0.21'.32"): The sub lord of the 10th cusp is Jupiter. Jupiter is in the star of Mars and sub of Saturn. Jupiter is occupant of 11 owner of 2-3. Star lord Mars is occupant of 5 owner of 1-6. Sub lord Saturn is occupant of 1 owner of 4-5. Thus, the 10th cusp sub lord, Jupiter, is the significator of houses 11-2-3-5-6-1-4. Hence, winning in the election is certain.

Joint dasa period for Congress:
On the day of the election, (04-02-2017), the running joint period dasa is Moon-Jupiter-Rahu-Moon.

Dasa lord, Moon, is in its own star and sub of Jupiter. Moon is occupant of 5 owner of 4. Sub lord Jupiter is occupant of 5 owner of 8-9. Thus, the dasa lord, Moon, is the significator of houses 4-5-8-9. Dasa lord does not indicate houses 3-10-11 at all. Hence, there is no chance of winning in this election.

Joint dasa period for the opponent:
On the day of election (04-02-2017), the running joint period dasa is Moon-Jupiter-Rahu-Moon.

Dasa lord Moon is in its own star and sub of Jupiter. Moon is occupant of 11 owner of 10. Sub lord Jupiter is occupant of 11 owner of 2-3. Thus, the Dasa lord, Moon, is the significator of houses 10-11-2-3. Hence, wining in the election is certain.

My opinion: Dasa lord does not support Congress. Thus, in my opinion, the opponent/ opposition has a chance to win in this election.

Sanjay Gandhi, son of India's then Prime Minister Indira Gandhi, died in an air crash on June 23, 1980 at 08-10-00 AM near Safdarjung Airport in New Delhi. He was flying a new aircraft of the Delhi Flying club, and, while performing a loop over his Office, lost control and crashed.

The only passenger in the plane, Captain Subhas Saxena was also killed in the plane crash. Sanjay Gandhi went up in his Pitts S-2A aerobatic biplane despite an explicit prohibition by the Directorate General of Civil Aviation mere weeks before the crash. Note:- I have corrected the time of accident(8-10) by applying the method of Sri. Kanak ji which are mentioned in his book "EASY WAY TO LEARN KP...BIRTH TIME RECTIFICATION".

We have Saturn, Moon, Jupiter, Rahu and Ketu as Moon RPs. Moon, Mars and Rahu are seen as sublord of Saturn star. Both Moon and Rahu are in Moon RPs. Due to purarphoo yoga, Rahu is selected as last planet. In addition to it, Rahu is a node which is a powerful than any other. So the selection of Rahu is correct.

We have Saturn, Moon, Jupiter, Rahu and Ketu as Moon RPs. It is correct if we select Jupiter as Sub-Sublord because it comes first in VMD after Rahu.

08:10:48 AM Mo Sa Ra Sa Sa

We have Saturn, Moon, Jupiter, Rahu and Ketu as Moon RPs. Now the selection of Ketu is appropriate because it is a node as well as it will be very nearer to the given time of accident.

We have Saturn, Moon, Jupiter, Rahu and Ketu as Moon RPs. So far we have selected Saturn, Rahu, Jupiter and Ketu as lagna Star, Sub, Sub-sub and Sub-ssub-sub. Only Moon is left over in Moon RPs. So it should be selected as Lagna Sub-Sub-Sub-Sub-Sublord. *Astrologically corrected accidental time is 08-10-05 AM.*

Death comes during the conjoined dasa period of significtors of primarily Badhaka (11 or 9 or 7), Maraka (2,7), Moksha (12), along with terminal or trigonal houses 4 = end of everything including life, 8 = accident, danger to life, and 12= end of lie especially in serious accidents or unnatural death and in some cases also 10 = retirement from this world or life and 6 = injury in accident). Badhaka house is 11th for moving sign Asc., 9th for fixed sign and 7th for common sign according to the cusp position in the Placidus bhava chart, not rasi chart.

1) Ascendant falls in Capricorn (01-05-23)=Saturn-Sun-Rahu as sign, star and sublord in the natal chart of Late. Sanjay Gandhi ji.

2) Badhasthana is stronger than Marakasthanas. So first priority should be given to this house. Capricorn is a movable sign. So 11th house will become the Badhkasthana. Sun and

Ketu are the occupants of 11th. No planet in Sun stars. Moon and Mars are placed in Ketu stars. Rahu is the 11th CSL having no planets in its stars. So it is a strong significator for 11th. Therefore totally Moon, Mars, Ketu and Rahu are strong significators for Badhaka sthana.

3) Next we have to consider Marakasthanas(2-7) after Badhaka sthana. Aquarius (2) and Cancer(7) are Maraka sthanas. Saturn is the lord of 2nd. Nobody is in 2nd house. Saturn and Mercury are placed in Saturn stars. So Saturn and Mercury are strong significators for 2nd. Moon is the lord of 7th. Rahu is in Moon star. Saturn is the occupant of 8th. Mercury and Saturn are placed in Saturn stars. So Mercury, Saturn, Rahu and Moon are the significators of 7th.

4) As we are now discussing about the accident, special importance should be given to the 8th house. It signifies danger to life and accidents. Leo falls as 8th house. It's lord is Sun. None in his stars. Moon is the occupant of 8th. Rahu is placed in Moon star. So Rahu, Sun and Moon are the significators of 8th.

5) 12th is known as Moksha sthana. It is a negation for Ascendant (Birth). So it is also the house of death. Jupiter is the owner of 12th house. Jupiter and Venus are placed in the star of Jupiter. Mars is the occupant of 12th. No planets in his stars. So Mars, Jupiter and Venus are significators of 12th house.

6) Accidents with vehicles should be considered from the 4th house as it indicates vehicles what- ever they may be. If a planet who is afflicted from longevity point of view, related to the 4th house or 4th cusp when the 4th house is afflicted, such an accident takes place. In this natal chart, 4th cusp falls in Aries. It is aspected by Jupiter and Venus. Jupiter is the lord of 3(tours, short movements) and 12 (one of the accidental trigons). Venus is the karaka for vehicles. Venus is the lord of 10(retirement from this world). Both Jupiter and Venus are in the star of Jupiter and in the sub of Mercury(6th lord=Injuries in accidents).

7) As per the points given by Sri. Kudandhainathan (on Trigons) in Astro-Secrets Part II published by Sri. K.Subramaniam, Chennai, we have to consider the sub of the house 4-8-12 for accidents. When any one of the sublords of these 3 is transiting in the sign where all these 3 sublords are connected.(vide Signlord, Starlord and sublord). So the sublords of 4-8 -12 houses indicate danger/accident. Checkup with the birth chart, whether the accident time lagna lord, lagna starlord, and lagna sublord are the sublords of the 4-8-12.
In this natal chart, 4th CSL is Mars, 8th CSL is Saturn and 12th CSL is Rahu. When any one of the sublords of these 3 is transiting in the sign where all these 3 sublords are connected. (vide Signlord, Starlord and sublord). In Mars sign (Aries), there is no Saturn star and Rahu sub & no Rahu star and Saturn sub. In Mars Sigh (Scorpio), there is Saturn star and Mars sub(12-53-20 to 14-53-20). In Saturn Sign (Capricorn), there is no Mars star and Rahu sub as well as Rahu star and Mars sub). In another Saturn Sign (Aquarius) there is Rahu star and Mars sub(19-13-20 to 20-00-00). No signs for Rahu. So only in Scorpio and Aquarius there is possibility of transiting 4-8-12 sublords as Signlord, Star lord and Sublord. All these three planets should appear as Lagna co-rulers as sign, star and sublords at the time of death or accident. Neither Scorpio nor Aquarius found in the death/accident time chart. It is found that the lagna falls in Cancer(13-18-21)= Moon as Signlord, Saturn as Star lord and Rahu as Sublord (see the Accidental chart of Sanjay; 23-06-1980; at 08-10-05 AM in Safdarjung Airport, New Delhi.). From this it is clearly visible that we must and should consider 6-8-12 cuspal sublords as accidental/unnatural death trigon. Then only it is OK.
You see the natal chart of Sanjay Gandhi, 6th CSL is Moon, 8th CSL is Saturn and 12th CSL is Rahu. In Saturn sign (Aquarius only), there is Saturn sign, Rahu star and Moon sub(18-06-40 to 19-13-20). In CANCER SIGN, there is Moon Sign, Saturn star and Rahu sub(12-53 -20 to 14-53-20). Exactly, the Ascendant falls in Cancer Sign(13-18-21)=Moon as signlord, Saturn as starlord and Rahu as sublord in the Accidental chart of Sanjay Gandhi. *As 6th house indicates injuries in accidents, it should be included in accidental trigons.*

8) Generally, Death comes during the conjoined dasa period of significators of primarily Badhaka (11 or 9 or 7), Maraka (2,7), Moksha (12), along with terminal or trigonal houses 4 = end of everything including life, 8 = accident, danger to life, and 12= end of lie especially in serious accidents or unnatural death and in some cases also 10 = retirement from this world or life and 6 = injury in accident).
11th badhaka significators in natal chart are Moon, Mars, Sun and Ketu.
2nd & 7th Maraka significators are Saturn, Mercury, Rahu and Moon. Mars is also a strong self-strong significator of 7th because no planets in Mars stars as he holds the Cuspal sub-lordship of 7th cusp.
12th Moksha sthana significators are Mars, Jupiter and Venus. Rahu is also a strong self-strong significator for 12th cusp because there are no planets in Rahu stars and he holds the cuspal sublordship of 12th cusp.
4th (end of everything including life) significator is Mars.
8th (accident danger to life) significators are Rahu, Moon and Sun.
10th (retirement from this world or life) significators are Sun, Ketu, Jupiter, Venus and Mercury.
6th (injuries in accident) significators are Sun, Ketu and Mercury.

NOTE:- Carefully observe the Planetary position of 9 planets in natal chart of Sanjay:-
Moon, Jupiter, Venus, Rahu and Ketu are placed in the sub of Mercury which is appeared as Bhukthinatha at the time of accident/death.
Sun is in the sub of Saturn which is appeared as Anthranatha at the time of accident/death.
Mars is in the sub of Moon which is appeared as Dasanatha at the time of accident/death.
Mercury is in the sub of Venus which is appeared as Sookshmanatha at the time of accident/death.
At the time of death/accident, Moon dasa/Mercury bhukthi/Saturn anthra/Venus sookshma was running to this native. Thus as explained all the D/B/A/S are tallied well. So it is OK.

Respected Tin Win JI says in KP house grouping as follows:-

12th cusp	Accident	8,12 (6)	8,12 (6,4)	Also check 1st and 8th sublords. If Badhakas and Marakas are involved, it can be fatal. 4=end of life.

In the natal chart of Late Sanjay, 12th CSL & 1st CSL is Rahu having no planets in his stars and holding cuspal sublordship for the cusps of 1-5-11-12. Thus Rahu became a strong-self significator for the above mentioned 1-5-11-12 cusps. Rahu is the occupant of 5. He is in the star of Moon and in the sub of Mercury. Star lord Moon is the occupant of 8(danger/accident) and the lord of 7(Maraka). Sublord Mercury is the occupant of 10(exit from this world) and the lord of 6(injuries in accident) & 9.

8th CSL Saturn(7-1,2) is in its own Star Saturn(7-1,2) and in the sub of Jupiter(10-3,12).
4th CSL Mars(12-4,11) is in the star of Ketu(11) and in the sub of Moon(8-7). Ketu is conjoined in 11 with Sun(11-8).
6th CSL Moon(8-7) is in the star of Ketu(11) and in the sub of Mercury(10-6,9).
Every reader of this magazine can see all the K.P. Rules are tallied very well and exactly.

Returning time of the husband

On May 22nd, 2014 when 'the class' was in progress, a student queried thus : my husband had gone to the Capital, to meet a very important personality to know the fate of selection to a particular job, quite early in this morning; when is he likely to reach home ?
The answer given was : " before we disperse the class at 04:30 hours, he would" .
The cuspal and planetary positions at the time of analysis, 12:27 noon at Lat 09*14' and Long 76*33', with KP ayanamsa of 23*58'04" is given below.

The ascendant was rising in Leo, at 06*27'34". This zone is under the rulership of the group of planets: Sun – Ketu –Rahu, while the Moon was transiting in the sign Aquarius at 16*57'18" and ruled by Saturn – Rahu – Venus group of planets. The day, being a Thursday, was ruled by Jupiter.

The node, Rahu represents Venus, by sign occupied by it, Mars, by star occupation and Saturn by association, beside Jupiter by aspect. As a node positioned in a sign owned by Venus, Libra, Rahu acquires the power to represent any planet that has occupation in the other sign owned by Venus that is Taurus, as well. Here in this horary, at the time of analysis, Taurus has occupation by the Sun and Mercury. Thus Rahu would represent these two planets as well.

Ketu represented Mars by sign as well as aspect.
The Moon, that has got a bearing on the query, is posited in the house that represents life partner and lord of house of service/job to the 7th. Its star lord is Rahu placed in 3rd, a house that shows travel as well as being away from home. Moon is in the sub of Venus who is in the 2nd house to the 7th. Rahu is associated with Saturn, who is lord of 6 & 7. Both these planets, Saturn and Rahu, are under the aspect of Jupiter, from the 11th, as lord of 2 and 11 to 7.

Rahu, owns the cuspal sublord ship for the lagna rising, and has appeared as the star lord for the Moon, in this horary. The sub-portion for the Moon is held by Venus, the planet who too is represented by the same node. These give the clear indication of the time of the expected event: arrival of the concerned person will be conjointly ruled by these two planets: Rahu and Venus.

At the time of analysis, the lagna is rising in Leo, the star being that of Ketu, who has appeared in the ruling time as the star lord. The sub-portion is ruled by Rahu and this node represents Venus as well. Rahu gets representation of four planets: Venus/Sun/Mercury/ Saturn; majority of them are fast moving ones. The question can be raised as to why not the person come when the lagna is passing through the zone ruled by these planets , since the Sun, lord of the rising lagna is another Ruling Planet.
The right question is: Will he?

The answer is: No! Because, Rahu is associated with a planet which though represents the 7th, is retrograde, and thus will cause delay *in the immediate realization of the ambition*. So, let us move on to the next star available.

In Leo, the next star is Venus that has appeared as the sublord for the RP Moon and there is a zone in this star the sub portion of which is ruled by Rahu. Will he come at this time? No is the answer again, because the rising Lagna too is under the aspect of a retrograde

Saturn. Moreover, the sublord for the rising point as well as that of Moon are represented by the node who is associated with a retro planet.

Then there is the star of the Sun, in Leo. The Rahu sub portion in this star is split in two signs. Rahu strongly represents Venus, being in the star as well as sub of Venus, besides being posited in the sign owned by this planet. The event may not happen before the lagna point reaches this position, for the reasons already explained.

The next sign for the lagna to travel is through Virgo, owner of which is Mercury. This planet has no direct presence in the Ruling Planets. Hence his arrival during this period is negated.

Next is the sign owned by Venus and there is a star owned by Rahu in this sign. Rahu represents multiple fast moving planets and hence when this subportion is transited by lagna point the person will arrive.

The longitude of this portion to be touched by the transiting lagna is 186*40' to 188*40'. This means the ascendant has to travel another 60*13' forward from its original position (Leo 06*27'34").

It takes for the lagna ~ 4' to travel 1* longitude. Thus we have 240'42" to be covered, from the time of analysis, to arrive to the time of event.

By adding this 4 hours to the 12:27 noon time, we get his time of arrival as 16 hours 27 minutes.

Students were impatient when this is crossed; the expected personality stepped into the premises of the home where the class was being conducted, by 16:28 minutes.

Short history:
There is a fight going on within the Samajwadi party. Further Mulayam Singh and son, Akhilesh Yadav, are fighting for control over the party. In this situation, I was curious to know whether there is any chance for Akhilesh Yadav to come into power again in this upcoming election?
Election first phase starts from 11-02-2017.

Question: Is there any chance for Akhilesh Yadav to come into power again in 2017 election?

Hint:
If the 10^{th} (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner), then in the DBA of the significators of houses 3-10-11, success is assured.

Cuspal Sub lord for Akhilesh Yadav:
10^{th} Cusp (Aries $16^0.51'.12"$): The sub lord of the 10^{th} cusp is Moon. Moon is in its own star and sub of Rahu. Moon is occupant of 10, owner of 1. Sub lord Rahu is occupant of 1. Rahu is aspected by Saturn. Saturn is occupant of 5, owner of 7-8. Thus, the 10^{th} cusp sub lord, Moon, is a significator of houses 10-1-5-7-8. Hence, victory in the election is certain.

Cuspal Sub lord for Opponent:
10^{th} Cusp (Libra $16^0.51'.12"$): The sub lord of the 10 cusp is Venus. Venus is in the star of Rahu and sub of Saturn. Venus is occupant of 8, owner of 4-11. Star lord Rahu is occupant of 1. Rahu is aspected by Saturn. Saturn is occupant of 5, owner of 7-8. Thus, the 10^{th} cusp sub lord, Moon, is a significator of houses 10-1-5-7-8. Hence, wining in the election is certain.

occupant of 5, owner of 3-12. Antra lord, Saturn, thus signifies houses 5-7-8-3-12. Hence, Antara lord indicates victory in the election.

Joint dasa period for Opponent:
On the day of the election (11 February 2017), the running joint dasa is Venus-Jupiter-Saturn-Jupiter.

Dasa lord, Venus, is in the star of Rahu and sub of Saturn. Venus is occupant of 2, owner of 10-5, Star lord Rahu is occupant of 7. Rahu is aspected by Saturn. Saturn is occupant of 11, owner of 1-2. Sub lord Saturn is occupant of 11, owner of 1-2. Dasa lord signifies bhavas 2-10-5-7-11-1. Hence, this dasa lord indicates wining in the election.

Bhukti-Sookshma lord, Jupiter, is in the star of Mars and sub of Saturn. Jupiter is occupant of 9, owner of 12-3. Star lord Mars is occupant of 2, owner of 11-4. Sub lord Saturn is occupant of 11, owner of 1-2. Bhukti-Sookshma lord, Jupiter, signifies houses 9-12-3-2-11-4-1. Hence, Bhukti-Sookshma lord indicates victory in the election.

Antra lord, Saturn, is in the star of Mercury and in its own sub. Saturn is occupant of 11, owner of 1-2. Star lord Mercury is occupant of 11, owner of 9, 6. Sub lord Mercury is occupant of 11, owner of 9-6. Antra lord Saturn signifies houses 11-1-2-9-6. Hence, Antra lord indicates wining in the election.

My opinion: Dasa lord indicates bhava 11 for Akhilesh, and for the opponent it indicates houses 10-11. Bhukit-Sookshma lord indicates houses 3-10, and for the opponent it indicates 3-11. Antra lord indicates the 3rd, and for the opponent it signifies the 11th. Thus, it is clearly seen that there is no chance for Akhilesh to become the CM for second time.

"Chandrashekarendra Saraswati was born on 20 May 1894, under Anuradha nakshatra according to the Hindu calendar, into a Kannadiga Smartha Hoysala Karnataka Brahmin family in Viluppuram, South Arcot District, Tamil Nadu as Swaminatha."

MAJOR EVENTS:-

1) He was given Sanyasa Asramam at the early age of 13 and was named Chandrasekharendra Saraswati. On 9 May 1907, his "Pattabishekam" as the 68th Peetathipathi of Kanchi Kamakoti Peetam was performed at the Kumbakonam Math
2) He died at Kancheepuram on 8 January 1994 (Dhanur, Krishna Dwadasi) in his Centenary year.

Note:- Moon is in the sub of Saturn. Both Saturn and Moon are in Scorpio sign. So, Punar-phoo is formed.

Rahu is aspected by Saturn. Saturn is both in the Lagna and Moon RPs. Rahu is in his own sub. That is in total 9 RPs. So, consider Rahu also. Therefore, Moon RPs are Mars, Mercury, Saturn, Saturn and Rahu.
Lagna RPs are Mercury, Rahu, Saturn, Ketu and Rahu.

Ketu is in the sign of Saturn, who is in both Lagna and Moon RPs. But, he is in the sub of Moon who is not visible among any of the 9 RPs. So, do not consider Ketu.

Mercury is selected as per Vimsottari dasa system serially. (01-14-21 Sun-Venus-Saturn-Rahu-Mercury 01-14-32).
Astrologically corrected birth time is 01-14-26 PM.

(1) He was given Sanyasa Asramam at the early age of 13 and was named Chandrasekharendra Saraswati. On 9 May 1907 his "Pattabishekam" as the 68th Peetathipathi of Kanchi Kamakoti Peetam was performed at the Kumbakonam Math.

Swamy ji was crowned on 9th May, 1907 as the 68th Peetathipathi of Kanch Kamakoti Peetam which was performed at the Kumbakonam Math during the period of the D/B/A/S of Mercury/Mars/Venus/Mercury.

Mercury Dasa/Mars Bhukthi/Venus Anthra/Mercury Sookshma:- from 03-05-1907 to 11-05-1907

Note:- Swamy ji was Pattabhishekamed (crowned), which means he became a Sanyasi to look after the Kanchi Kamakoti peetam. For this event, Krishnamurthy Paddhathi says as follows:-

K.P.Rule:- One to become a Sanyasi, Lagna cuspal sublord should signify 9th (tapasthana), 10th (Karmasthana) and 12th (Mokshasthana) during the conjoint period of the significators of 9-10 & 12.

Dasa Lord & Sookshma Lord Mercury (9-2, 11) is in the star of Sun (9-1) and in the sub of Mercury (9-2, 11).

Bhukthi lord Mars (6-4, 9) is in the star of Rahu (7) and in the sub of Ketu (1). Rahu is conjoined with Venus (8-3, 10) and in the sign of Jupiter (9-5, 8).

Anthralord Venus (8-3, 10) is in the star of Mercury (9-2, 11) and in the sub of Moon (3-12). Thus, the event of Pattabhishekam is tallied. OK.

(2) He died on 08-01-1994 during the period of Jupiter/Sun/Saturn/Rahu.

Jupiter Dasa:- 04-01-1983 to 04-01-1999.
Jupiter Dasa/Sun Bhukthi:- 18-07-1993 to 06-05-1994.
Jupiter Dasa/Sun Bhukthi/Saturn Anthra:- 04-12-1993 to 19-01-1994.
Jupiter Dasa/Sun Bhukthi/Saturn Anthra/ Rahu Sookshma:- 06-01-1994 to 13-01-1994.

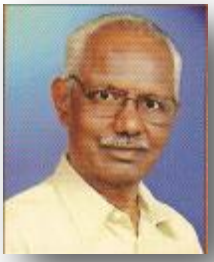
Dasalord Jupiter (9-5, 8) is in the star of Moon (3-12) and in the sub of Mercury (9-2, 11).

Bhukthi lord Sun (9-1) is in the star of Sun (9-1) and in the sub of Mercury (9-2, 11).

Anthra lord Saturn (2-6, 7) is in the star of Mars (6-4, 9) and in the sub of Jupiter (9-5, 8).

Sookshma lord Rahu (7) is in the star of Saturn (2-6, 7) and in the sub of Jupiter (9-5, 8). Rahu represents Venus (8-3, 10).

Note:- 2-7 are Marakasthanas; 9 is badhakasthana; 4 is end of everything; 10 is exit from the world. Thus, all the period lords are tallied, as shown above, at the time of his death. It is OK.



Will PM Modi come out successfully from present crisis of demonetisation?

This was the question raised in my mind and bothering me quite for some time. On 18 Dec 2106 evening @19-02-02 hours at my place I erected a horary chart for my horary number 100 (took at random).

As per K.P. rules getting good position, success and retaining it in politics— "if 10 th cusp (one's position in politics) sub lord signifies 10- one's reputation,3-one's ability and 11 – success with reputation and as a winner is assured during conjoined period of the significators of 3,10 and 11 houses. (Sri Kanak ji article in KP Ezine of Nov 2010 page 36)
As per the chart for the time 11th cusp sub lord is Mercury. It is in Venus star and Jupiter sub, and signifies 10 and 11 at its star level promising success.

10 th cusp sub lord is Rahu. Rahu is placed in 12th cusp. Rahu is in Kethu star placed in 6th and in the sub of Mercury lord f 2 and 11 placed in 4th cusp (but with in 3 degrees orb to 5th cusp). Rahu represents Sun lord of 1 in 4th, Moon lord of 12 in 12th, Mars lord of 4 and 9 in 6th and Saturn lord of 6 and 7 in 4th.

Kethu as star lord represents Moon, Mars and Saturn which are already discussed above.
Thus 10th cusp sub lord Rahu signifies 6 and 12 at its star level and 2, 4 and 11 at its sub lord level. The significations of 6- negative to opposition parties, and 11- one's reputation as winner clearly indicate that he would come out of the crisis successfully as a winner.

The ruling planets at TOJ are as follows---
ASC=MERCUSRY-JUP-JUP/
RASI= SUN-KETHU-SUN/
DAY LORD= SUN.
Rahu is in Leo sign and represents Sun. Kethu is in Saturn sign with Mars and thus represents Saturn and Mars. Venus is aspected by Jupiter RP.
So effective ruling planets at TOJ are = SUN (3)-JUP (2)-MERC-VENUS-RAHU-KETHU.

DASA PERIOD ANALYSIS— period running at the time of Judgment is---
KETHU DL x SUN BL x VENUS AL x RAHU SL.
Dasa lord Kethu signifies 6 at its star level and 11 at its sub level: is O.K.
Bukthi lord Sun + signifies 6 at its star level (loss to opposition): is O.K.
Anthra lord Venus signifies 10 and 11: is O.K.
Sookshma lord Rahu signifies 11 at its star level: is O.K.

So I feel our PM Sri Modi will come out of the present crisis of demonetization successfully.
I express my sincere thanks to Sri Kanak Ji for his valuable guidance in this regard through his rule.

Planetary causes for ADHD

ADHD stands for Attention Deficit Hyperactivity Disorder. Mainly this is a brain disorder. The brain is an organ inside the head that controls thought, memory, feelings, and activity and it is the main controlling system of a creature.

Attention means act of attending, Notice, Care, Courtesy etc. Attention deficit or Inattention is lack of persistence, ignore or disregard due to disorganized mentality, but not due to defiance or lack of comprehension. In other words, it is called Absent Minded, which comes under MIND. Overlook, carelessness, forgetfulness, poor in listening, fail to follow instructions are some of the symptoms of inattention due to confusion of mind or flightiness.

Hyperactivity means over or above the normal condition of one's process of doing something or a deed or a thing done. In other words it is Over Activity, a physic condition pertaining to the MIND. Persons with this abnormal seem to move about constantly, including in situations in which it is not appropriate; or excessively fidgets, taps, or talks.
Mental traits are largely rule over by Neptune. Neptune is said to be enhance these powers in its owned sign Pisces owned by Jupiter. The physic constitution and vitality with physically benefits are under the rule of Uranus. Hyperactivity is caused by the affliction of Neptune (Nervous system, Brain & Motor Nervous) or Uranus (Nervous system, Cerebral-spinal fluid, Physic ability, mental disturbances, derangement of brain, Insanity). If Neptune is afflicted or opposite to Mercury tends to absent minded. Also confusion of mind indicates when Mercury is in a sign of Jupiter (Sagittarius or Pisces) or Mercury afflicted by Jupiter or Neptune.

Since the principle organ of the human body related to this disease is Mind, in examining this through the planets, the points to ponder can be listed as below.

1) This is a disease. Hence the 6th cusp should be scrutinized.
2) The planet Mercury is the principle ruler of the mind and the brain. If afflicted, Mercury tends to disturbances of the Mind, Brain & Nerves disorders.
3) Although Mercury is the ruler of mind, Mercury alone cannot do any obstructions to the mind, since mind is intangible and the brain, controlling organ of the mind must be afflicted by its rulers. Jupiter is the planet for Congestion or abnormal accumulation of the brain.
4) The degree on the Ascendant strongly rules and influences the mind. The brain substance is ruled by the Moon and Mercury. The relation between these three bodies at birth, determine the mentality.
5) The 3rd and 9th houses are the houses of mind and malefics in these houses tend to disturb and unbalance the mind.
6) The outer planets Neptune rules Cerebral Ventricles while Uranus rules brain coverings, the Dura Mater.

As a trial to look for a planetary combination, in accordance with the Sub Lord Theory propounded by Sri KSK ji, for this mind disease, I have selected 12 natal charts of natives who were found to be affected with ADHD and analyzed the above said pointers.
Also please note, to avoid the using of more room in the magazine, only three charts have been discussed here in lengthy and a table of summary of analyzing of all charts is attached herewith, which are based on the system of analyzing those three charts using KPAstro 4.1

(Diseases), 8 (Terminal/Physic ability/Chronic Illnesses/Danger to Life), 12 (Terminal/ Untreatable). Mercury is the sub lord for this 12th house.

2) As above Mercury+ the principle ruler of the mind is afflicted. P
3) Relation of Moon, Mercury and Ascendant : Moon being the lord of 12 in 7 (Maraka), is the Lagna sub lord. Also Moon is the sub lord for Mercury. Lagna lord Sun is conjoined with Mercury in the 9th house (Badhaka), resulting afflicted mentality.
4) House 3 is under the rule of Mercury, Mars and Saturn. It is occupied by none. As discussed above sign lord Mercury is afflicted. Star lord Mars is the lord of Badhaka, while sub lord Saturn is holding the lord ship of 6 (Disease), 7 (Maraka) & 8 (Terminal/ Physic ability/Chronic Illnesses/Danger to Life). Saturn is in the star and sub of Moon, the lord of 12 in 6 and Saturn is in Virgo, where the 3rd cusp is.
House 9 is the Badhakasthana of this chart in the sign of Aries (Head). The owner of the same is Mars and deposited in the same sign and cusp. Star lord of 9 is Mercury and sub lord is Saturn as described above. In addition to Mars,the 9th cusp is occupied by Sun, Mercury and Venus. The Sun is the lord of Ascendant and 2 (Maraka), is also the sub lord of 8th cusp. Naughty Mercury is omnipresent. Venus is the lord of 10 (Health & Diseases) and sub of 7 (Maraka)
Thus ruling houses of Mind, 3 and 9 are severely afflicted by malefic resulting the unbalance of the mind.
5) Uranus® is in the 4th house, Scorpio owned by Badhakasthanadpathi Mars.. Uranus is aspected by Moon (7,12), Mars (9) and Saturn (2, 6, 7, 8 & 12). Uranus aspects 10th cusp.
Neptune ® too is in the 4th house, Sagittarius. Neptune aspects 11th cusp owned by Mercury

Chart 02

1) 6th Cusp of this chart is under the rule of Saturn, Jupiter and Venus. Sub lord Venus, lord of 2 (Maraka) & 9 (Mind), in 4 is in the star of Sun and in the sub of Jupiter. Sun is the lord of 12 and posited in 2 (Maraka) in association with Saturn the lord of 6. Sub Jupiter the lord of 4 and 7, is in the Lagna house, Libra sign owned by Venus. Moon is in the star of Saturn the lord of 6 (Disease) & 5 (Mind & Intelligence) and in the sub of Venus 6th Sub lord.

2) Mercury is the lord of Lagna and 10 (Health & Diseases) located in 3 (Mind). It is in the star of Kethu and in the sub of Mars. Kethu is in 7 (Maraka), Aries (Head) and connected with Mars, the sub of Mercury. Mars, the lord of 8 (Terminal/Physic ability/Chronic Illnesses/Danger to Life) and 3 (Mind) is in the star of Jupiter (4,7) and in the sub of Saturn.

3) Relation of Moon, Mercury and Ascendant: Lagna cusp is under the rule of Mercury, Mars and Rahu. Both Mercury and Mars are already discussed above. Sub lord Rahu in Lagna house is in its own star and in the sub of Venus the 6th sub lord. Rahu represents Mars, Jupiter and Venus. All these co-rulers are malefic in this chart. The Moon in 6 is in the star of Saturn and in the sub of Venus. Star lord Saturn, the lord of 6 (Diseae) & 5 (Mind) in 2 (Maraka) is connected with Lagna. Moon is opposite to Lagna cusp. Thus the relation of Lagna, Mercury and Moon are found to be afflicted for the mentality.

4) House 3 is under the rule of Mars, Mercury and Mars. As discussed above these lords are in inauspicious state in this chart.
House 9 is under the co-rulers of Mars, Mercury and Mars. The sign and sub lord Mars in 2 (Maraka) is in the star of Jupiter, lord of 4 & 7 (Maraka) in Lagna and in the sub of Saturn lord of 5 (Minad) and 6 (Disease) in 3 (Mind). Accordingly houses 3 and 9 are badly afflicted with malefics.

Conclusion

The above study indicate the common planetary patterns for ADHD disease.

If Jupiter is retrograded or connected with retrograded planet or nodes; 6th cusp co -rulers, Uranus and Neptune are connected with above Jupiter, and Moon and Mercury are afflicted, the native will be susceptible to ADHD.

Now-a -days Sports and Games are a very big source of earning. All most all the renowned, successful, talented professional cricketers are Karodpathis. Let us know the basic rules of cricket. They are as follows:-

Cricket is played with two teams of 11 players on an oval-shaped field. Each team has at least one inning to bat. The team that is not batting bowls and fields the ball. Most of the action takes place on a 18-meter-long pitch situated in the middle of the oval ground. The team that scores the most runs is the winner.

At any instant, there are two batsmen present on the field of play. The fielding team can use all of its players, although there is always one bowler and one wicketkeeper, leaving nine players to field the ball. The batting team scores runs when the two batsmen complete one length of the pitch. The batsman can run as many times as they like. Runs can also be scored if the ball is hit along the ground to the boundary, which counts as four runs, or over the boundary on the full, which counts as six runs.

The main objective of the fielding team is to dismiss 10 of the opposition players. The most common way to get a batsman out is to catch the ball in the air, but other methods include bowling or running a batsman out. Once a player is out, he is replaced by another player from the batting side. The length of batting innings may be fixed.

The above mentioned birth particulars are collected with the courteousy of Astro-databank, Astrosage.com and also from old magazines.

Next let us know astrologically, the following mentioned bhavas, planets and their significations (Karakatwas).

MARS:- He is a chief Karaka (significator) for sports and games. He governs muscular system, left ear, face and head, Boldness, activeness, stamina and energy, frankness and enthusiasm, fast decision taking capacity, braveness and courage to fight in the play-field with the opponents to conquer them are all indicated by Mars only. Many pioneers, leaders, heroes, warriors, and explorers are the sons of Mars.

3rd House:- Movements, courage; firmness;, valor; prowess and heroism; One's ability, Hands; arms and nervous system ;Brave, courageous persons can achieve success in games and sports by taking necessary quick and correct decisions on the spot in the play-ground is also comes under this house only. To strike the cricket ball successfully to get the runs, a cricket player (batsman) must and should use the strength of his hands and arms. So 3rd house must and should be considered. *The 3rd house is the 6th house reckoned from the 10th house.*

5th House is the main house of sports and games. It presides over pleasure, society and social inclinations. The type of recreation, entertainment, amusements, sports and games, romance and similar interests that appeal to a person is denoted by this house.

6th house:- Lagna indicates self(native), whereas the 7th indicates the opponents. 6th is the 12th to 7th. It indicates gains to the native and loss to his opponent. So this house is to be considered while judging the horoscopes of the sportsmen compulsorily.

10th House:- Lordship, honor, dignity and public esteem, name and fame, power and prestige, credit and conduct, success and status, rank and renown, respect and reputation, ambition and authority, worldly activities, responsibilities, Permanency, promotion, advancement , appointment, employer, superior, master, judge and the Government, Honor from the Government, honorable living, athletics, service, sacrifice and the like, all these are come under the control of the 10th house. The chief influence of the 10th house is profession, occupation or business. This house is one among the "Material Trinity" of houses. It shows how one acquires superiority or affluence—whether by being engaged in independent pursuits or business or in professional service, or by occupying an exalted elective office/ appointment.

12th House:- secret plots and schemes, conspiracy and cunningness, intrigue and deception, fraud and treachery etc. all are indicated by this house only. Feet also indicated by the 12th house. To make a run in the cricket ground or to catch the ball or to bowl the cricket ball, the cricketer must and should use his feet (12th house signification) and hands(3rd house signification). With the involvement of feet only a player can run, catch or bowl successfully. *12th house is the 10th house reckoned from the 3rd house.*

Let us recollect some important K.P. rules which are mentioned below:-

"If the sub lord of the two cusps is the same, then they are deemed to be connected."

"When a Planet holds the sub lordship on certain cusps, having no planets in it's stars, that planet can be deemed to be a strong significator for the cusp concerned."

Logic:- (1) Every one of us knows pretty well that without applying concentration on any activity, we cannot get success in it. Astrologically Punarphoo gives concentration of mind. (I have observed the same (Punarphoo) point in majority of the horoscopes of Avadhanies

birth charts which is published in K.P. E-zine magazine March 2013). Therefore we can frame a rule as follows:-

RULE (1) :- Punarphoo is seen mostly in the horoscopes of the Cricketers.

Cricket consists of majorly only the four activities. They are (i) Bowling; (ii) Batting; (iii) Running and (iv) Catching. It is a well-known fact that without using the hands and feet, no one can get success in the above mentioned four activities. While bowling the bowler uses both feet(12) and hands(3). While batting, batsman uses his arms and hands(3) to strike the ball and uses his feet(12) to get the runs. While running one must and should use the hands(3) and feet(12). At the time of Catching also both hands(3) and feet(12) are used. Astrologically, hands and feet are governed by the 3rd cusp and 12th cusp respectively. So, we can create here an equation regarding the play of Cricket as follows:-

Cricket(5th) = Hands & arms(3rd) + Feet(12th).

We can say boldly without the involvement of 3rd, 12th and 5th there is no cricket. Therefore we can frame a rule in this regard as mentioned below:-

RULE(2) :- Inter-Connectivity of 3rd, 5th, and 12th Cuspal sublords; and their siginification of 2,6,10 or 11.

After careful observation of the above mentioned planets and bhavas, I came to a conclusion firmly to declare a rule for detecting the cricketer on seeing the horoscope as follows:-

RULE (3): - Both the 5th CSL(main house for sports) and Mars (Karaka for Sports) should signify 3, 5, 6, 10 or 12 in the horoscopes of the cricketers.

1) Ashish Nehra:- Rule (1):- P.P.:- Saturn is in the sub of Moon.

Rule (2):- 3rd CSL is Rahu. 5th & 12th CSL is Saturn. Rahu is in the sub of Jupiter(6-2,12). Saturn is the Cuspal sublord of 4-5-6-10-11 & 12 having no planets in its stars. Thus 3rd, 5th &12th CSL are signifying 2-6-10 11.

Education in KP astrology

The modern astrologer is very often faced with questions from parents relating to educational prospects, field of education, level of education, inclination to study particular subjects, etc, from clients who are desirous of giving good education to their children.

Luckily for us with the advent of Krishnamurthy Padhdhathi, answering these questions is no longer a baffling problem because our respected Guruji has analyzed the question from various angles and has provided us with a set of reliable rules with the help of which we can confidently predict the issues involved.

Second house refers to child education- (age2 to7) educating a child by speech at home, usually by members of the family like parents, brothers sisters, etc.

Next step is basic education usually from school and similar educational institution. If the 4th sublord is Mars or Saturn and the same is connected to 8/12, then there may be no school education for the concerned native. If the 4th sublord is linked through star and sub to 8 &12, then education suffers and there will be obstacles preventing successful completion of education.

If on the other hand planets connected with education signify 3,6, and 8, then it is a clear indication that the native has no interest at all in acquiring education.

Of the several significations of the fourth house, education is also an important one. Studies up to school and college level require regular attendance and study in the particular educational institution and this is shown by the fourth house. If one is to have higher education, ninth house also becomes relevant.

So if one is to have higher education the sublord of the fourth house should be well connected to 4-9-11. It is also to be ensured that there should be no link to the negative houses of 8/12. Another essential condition is that the 4th sublord should not receive aspects from malefic planets like Mars or Saturn (except where these planets themselves figure as sub lords of the 4th cusp. The aspect of Jupiter is a favorable factor for advancement of education. 4th house basically refers to what you study and 9th to your field of higher studies and research.

Education is successful if the lord of the 4th and 9th are in the significators of 11. Success in examination is also to be judged by examining houses 4,9 and their link to 11. Education ends during the periods or sub periods of the significators of 3,5 or 8.

If the sublord of the 4th cusp is linked with 9th cusp, then the person would be in a profession not connected to his higher education. On the other hand if the sublord of the 9th cusp is linked with 9 and 10, then he would be in a profession related to his field of study.

Regarding the field of education. The following significations will apply with regard to the connected planets:
Sun: Medicine, Chemicals, Political science, Administration
Moon: Home science, Nursing, Navy, Music and dancing, catering, Hotel management Psychology and Psychiatry, Water management, Travel, Import, export

Mars: Military engineering, Physics, Mechanical and civil engineering, surgery, Structural design

Mercury: Mathematics, Accounts, Journalism, Banking, Printing Technology, Advertising, Public speaking
Jupiter: Teaching, Preaching, Law, Education, Philosophy, religion, banking, financial management
Venus: Music, Cinema, acting, fashion designing, modeling, Photography, Art, electronics, sexology, chemistry
Saturn: agriculture, real estate, mining, geology, Petrochemicals, Labor laws.
Rahu and kethu: Radiology, space science and the studies indicated by the planets they represent.

In addition to the above it is also possible to foretell the field of study by closely analyzing the houses involved. Some guidelines are given below:
1. Politics, Military science Psychology, Brain Psychiatry
2. Economies, Mathematics, Accounts, Investments. Ophthalmology
3. Communication, advertisement. Sales, writing, printing Publishing
4. Home science, Agriculture. Architecture, civil engineering, Automobile engg, Animal husbandry, Dairy, Architecture
5, Education, teaching, training bynercology, writing, authorship, arts, music, film technology
6; Chemistry, Biology, Nursing, food related, Law, medicine, radiology
7. Business management, foreign business, Public Administration
8 History, Geology, occult sciences, Archeology, Insurance, Mortality
9 Aeronautical engineering, law, teaching, higher studies, religious studies, study about foreign countries, travel study, philosophy
10Business management, public relations, training for govt. jobs, Politics
11. Commerce, finance,
12. Foreign languages, study of hospitals, prisons, travel related etc research , Criminology

I have attempted to summarize the various rules in K.P relating to educational aspects for the benefit of astrologers and students. Readers may analyse and study the horoscopes of their relatives and friends to appreciate the reliable concepts so thoughtfully presented by Late K.S.Krishnamurthy.

I take this opportunity to thank Kanak Bosmia for allowing me some space in his prestigious e-magazine.

I received an urgent e-mail message on the evening hours of 24th Decemebr-2016, which reads as follows :

"Hope u r doing well. Myself and my wife are doing well in Edinburgh (UK). The purpose of this message is to seek an urgent help from u. My daughter and family tried to join with us in UK from 25th instant making use of their X-mas holidays. Though they applied for Visa sufficiently early, and In anticipation, they made advance booking for stay in London, return journey by train etc as well , the Visa could not be obtained so far (24th December-2016) .. Now that they cannot make it on 25th, many alternatives are being thought of.

1) If they get Visa during early next week, they can join us at UK ;
2) If they don't get Visa during next week, we shall try to visit them for a week.

Please use KP system to find out which one will materialize.
Number selected : 75.

V shall await ur immediate answer in this regard ".

Rgds.
RK IYER/camp: Edinburgh.

I invoked the ever helpful guides: the Ruling Planets, soon after reading the message. This was a Saturday, the 24th Dec-2016 and time was 17:21 hours, @ Palakkad (Palghat)-Kerala.
The Ascendant was rising in Cancer at $16^0.40'.00"$, while the Moon was transiting in Libra: $16^0.30'.41"$.

The lagna cuspal sublord itself is a retrograde planet: Mercury. The horary number ascendant lord, Moon, is occupying the 3rd house, in the star of the node in lagna receiving aspect from 8th lord. This node, Rahu, in turn, is occupying the star of the other node Ketu, placed himself close to the 8th cusp, representing Saturn the 8th lord , conjunct Mars, who casts his aspect on the 11th , house of realization of ambition, as owner of 10th, negating the 11th house results. Saturn, the 8th lord too is aspecting the 11th. All these do not help in promoting either of his desire bearing fruit.

Lagna is occupied by the node Rahu, who is under aspect from Saturn, as lord of 7 & 8, and with occupation in the star of a planet who is in retrograde motion. This immediately alerts *to expect of the not-so-smooth an affair to unfold.*
The 11th cuspal sublord is Mercury in retro motion, as star lord & sublord for the chosen number too.

Ruling planets were, Lagan: $29^0.10'.41"$ in Taurus, ruled by Venus –Moon-Mercury
Moon: $16^0.30'.36"$ in Libra, ruled by Venus –Rahu –Venus.
Day lord: Saturn.....node Rahu represents Sun, by sign /Saturn, by aspect, while Ketu represents Mars/Venus/Saturn.
The horary number gets ruled by the combination of planets:
Moon-Mercury –Mercury.

Mercury is retrograding in motion as on this time/date of analysis.
A look at the array of ruling planets will convince that the Moon is the lone planet that has found a place in ruling the horary number, confirming that neither of his desire is going to bear fruit.....
Note: the star lord as well as sublord of the selected number is ruled by the dual planet: Mercury, substantiating the multiple purpose of his query.

Thus, I have to answer him in negative. After he came back to India, on the 7th January-2017, he informed that his daughter could get the visa only on the 5th of this month, the day of his reaching India, thus effectively robbing off the opportunity to be with them .

Question: Will BJP come into power in Uttarakhand assembly election in 2017?
Number: 165 (out of 249)
Date of Judgment: 17-01-2017, Tuesday; Time of Judgment: 09:55:03 AM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'
Aynamsha: 24^0.00'.17" Dasa days: 365.25

Note: Elections in Uttarakhand are declared to be held on 15-02-2017. In the last election, held in 2012, Congress had won that election.

I have delivered 95 advance predictions using my rules given below, and I have got 66 predictions correct. This shows that the rules have demonstrated an accuracy of at least 69.48% and not just a 50-50 chance in predicting election outcomes at all, as some KP astrologers have said about this rule. This is first time in the history of KP astrology that some KP Astrologer has made 95 advance predictions by using any one rule.

Hint:
If the 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner), then in the DBA of the significators of houses 3, 10, 11, success is assured.

Cuspal Sub lord for BJP:
10th Cusp (Virgo 05^0.37'.28"): The sub lord of the 10th cusp is Mercury. Mercury is in the star of Ketu and sub of Jupiter. Mercury is occupant of 1 owner of 8-10. Star lord Ketu is occupant of 3. Ketu is conjoined with Mars and Venus. Mars is occupant of 3 owner of 1-5-12. Venus is occupant of 3 owner of 6-7-11. No planet is in the stars of Venus, and Venus is the CSL of 8-9. Sub lord Jupiter is occupant of 10 owner of 2-4. Thus, the 10th cusp sub lord, Mercury, is the significator of houses 1-8-10-3-1-5-12-6-7-11-9-2-4. Hence, winning in the election is certain.

Cuspal Sub lord for opponent:
10th Cusp (Pisces 05^0.37'.28"): The sub lord of the 10th cusp is Mercury. Mercury is in the star of Ketu and sub of Jupiter. Mercury is occupant of 7 owner of 2-4. Star lord Ketu is occupant of 9. Ketu is conjoined with Mars and Venus. Mars is occupant of 9 owner of 7-11 -6. Venus is occupant of 9 owner of 12-1-5. No planet is in the stars of Venus, and Venus is the CSL of 2-3. Sub lord Jupiter is occupant of 4 owner of 8-2. Thus, the 10th cusp sub lord, Mercury, is the significator of houses 7-2-4-9-11-6-12-1-5-3-8-10. Hence, winning in the election is sure.

Joint dasa period for BJP:
On the day of the election (15-02-2017), the running joint dasa period is that of Sun-Jupiter -Moon-Ketu.

Dasa lord Sun is in its own star, and sub of Saturn. Sun is occupant of 2 owner of 9. Sub lord Saturn is occupant of 1 owner of 3. Thus, the dasa lord, Moon, is the significator of houses 2-9-1-3. Hence, wining in the election is sure.

Bhukti lord Jupiter is in the star of Mars and sub of Saturn. Jupiter is occupant of 10 owner of 2-4. Star lord Mars is occupant of 3 owner of 1-5-12. Sub lord Saturn is occupant

of 1 owner of 3. Thus, the bhukti lord, Jupiter, is the significator of houses 10-2-4-3-1-5-12. Hence, wining in the election is sure.

Antra lord Moon is in the star of Sun and sub of Jupiter. Moon is occupant of 10. No planet is in the stars of Moon, and Moon is the CSL of 2-11. Star lord Sun is occupant of 2, owner of 9. Sub lord Jupiter is occupant of 10, owner of 2-4. Thus, the antra lord, Moon, is the significator of houses 10-2-11-9-4. Hence, wining in the election is sure.

Sookshma lord Ketu is in the star of Rahu and sub of Saturn. Ketu is occupant of 9. Ketu is conjoined with Mars and Venus. Mars is occupant of 9 owner of 7-11-6. Venus is occupant of 9 owner of 12-1-5. No planet is in the stars of Venus, and Venus is the CSL of 2-3. Star lord Rahu is occupant of 9. Rahu is aspected by Saturn. Saturn is occupant of 1 owner of 3. Sub lord Saturn is occupant of 1 owner of 3. Thus, Sookshma dasa lord, Ketu, is the significator of houses 9-7-11-6-12-1-5-2-3. Hence, wining in the election is sure.

Joint dasa period for opponent:

On the day of the election (15-02-2017), the running joint dasa period is that of Sun-Jupiter -Moon-Ketu.

Dasa lord Sun is in the star of own and sub of Saturn. Sun is occupant of 8 owner of 3. Sub lord Saturn is occupant of 7 owner of 9. Thus, dasa lord, Moon, is the significator of houses 8-3-7-9. Hence, wining in the election is sure.

Bhukti lord Jupiter is in the star of Mars and sub of Saturn. Jupiter is occupant of 4 owner of 8-10. Star lord Mars is occupant of 9 owner of 7-11-6. Sub lord Saturn is occupant of 7 owner of 9. Thus, the bhukti lord, Jupiter, is the significator of houses 4-8-10-9-7-11-6. Hence, wining in the election is sure.

Antra lord Moon is in the star of Sun and sub of Jupiter. Moon is occupant of 4. No planet is in the stars of Moon, and Moon is the CSL of 8-5. Star lord Sun is occupant of 8, owner of 3. Sub lord Jupiter is occupant of 4, owner of 8-10. Thus, the antra lord, Moon, is the significator of houses 4-8-5-3-10. Hence, wining in the election is sure.

Sookshma lord Ketu is in the star of Rahu and sub of Saturn. Ketu is occupant of 3. Ketu is conjoined with Mars and Venus. Mars is occupant of 3 owner of 1-5-12. Venus is occupant of 3 owner of 6-7-11. No planet is in the stars of Venus, and Venus is the CSL of 8-9. Star lord Rahu is occupant of 3. Rahu is aspected by Saturn. Saturn is occupant of 7 owner of 9. Sub lord Saturn is occupant of 7 owner of 9. Thus, the Sookshma dasa lord, Ketu, is the significator of houses 3-1-5-12-6-7-11-8-9. Hence, wining in the election is sure.

My opinion: The 10th cusp sub lord for both sides indicates the relevant houses 3-10-11. The antra dasa for BJP indicates houses 10-11, and for the opponent it signifies only 3-10. Therefore, this is going to be a very close fight. But BJP will win this election.

In a well-known published astrological magazine it is mentioned about BTR that if a person doesn't know birth time completely, with known birth date, month and year only, it is not possible to get rectified time.

By following the rules prescribed in "EASY WAY TO LEARN KP – BIRTH TIME RECTIFICATION" authored by Sri. Kanakkumar B. Bosmia ji of Ahmedabad, I have rectified the birth time as shown below:-

BTR of above case:-
The birth particulars are given as follows:-
Date of Birth:- 29th May 1957; Time of Birth:- Not known; Place of Birth:- Bally, Kolkata;
Major events:- Marriage on 10-11-1985; Son born on 05-08-1986;

Ruling Planets worked out for BTR are :- Date:-23-12-2016; Friday; Time:-03-30-20 PM; Place:- Kurnool.(AP);

Note:- There is no Punarphoo yoga in this Ruling Planets chart. Both nodes are not qualified for including additionally in to Lagna RPs or Moon RPs because they are in the sub of Mercury which is not seen in total 9 RPs.
So Lagan RPs are Venus-Sun-Saturn-Rahu;
and Moon RPs are Venus-Mars-Venus-Rahu;

Astrologically corrected birth time is 12-09-10 AM.

Major events are given:-
1) *Marriage on 10th November 1985:-* during the conjoint period of Rahu/Mercury/Mars/Rahu.

KP.Rule:- If the 7th cusp sublord signifies 2-7-or11, marriage is promised to the native.

In this natal chart 7th Cuspal sublord Sun(3-7) is in the star of Moon(3-6) and in the sub of Jupiter(7-2,11). So marriage is promised for this native.

Dasanatha and Sookshmanatha Rahu(9) is in the star of Jupiter(7-2,11) and in the sub of Mercury(2-5,8).
Bhukthinatha Mercury(2-5,8) is in the star of Venus(4-4,9) and in the sub of Jupiter(7-2,11).
Anthranatha Mars(5-3,10) is in the star of Jupiter(7-2,11) and in the sub of Saturn(9-1,12). Mars aspects 11th also.

2) *Son born on 5th August 1986:-* during the conjoint period of Rahu-Mercury-Jupiter-Venus as D/B/A/S.

KP. Rule:- If the 5th CSL signifies 2-5 or 11, progeny is promised to the native.

In this natal chart 5th CSLVenus(4-4,9) is in the star of Mars(5-3,10) and in the sub of Rahu (9).Rahu represents Mercury(2-5,8). So son is born to this native during the period of Rahu/Mercury/Jupiter/Venus.

Dasanatha Rahu(9) is in the star of Juupiter(7-2,11) and in the sub of Mercury(2-5,8).
Bhukthinatha Mercury(2-5,8) is in the star of Venus(4-4,9) and in the sub of Jupiter(7-2,11).
Anthranatha Jupiter(7-2,11) is in the star of Sun(3-7) and in the sub of Mars(5-3,10).
Sookshmanatha Venus(4-4,9) is in the star of Mars(5-3,10) and in the sub of Rahu(9). Rahu represents Mercury(2-5,8).

"At what time Mr. Dhyani my cousin who has started by his car at Bangalore in the morning hours of 24-12-2016, will reach my home at Tarnaka Secundrabad?"—
This is the horary question raised in my mind on 24-12-2016 at 12-05-00pm, when my cousin Mr. Dhyani informed me over phone that he has started by his car in the morning hours from his home at Bangalore to reach my home today. Immediately I arrived at the ruling planets for 24-12-2016 at 12-05-08 hours.
Since the event is expected to take place within 24 hours I have to take the movement of lagna on the sensitive points of R Ps.
The ruling planets at the time of query would be the ruling planets at the time of fructification of the event. (See page no.36 of "Stellar astrology" by Sri K Punneswra Rao).

It is a well known principle in K.P system that "those planets, which are ruling at time of query and contribute for the fructification of the event, are called "Ruling Planets".

RPs--Date: - 24-12-2016; / RP.Time:- 12-05-08 PM; / RP. Place: - Secunderabad;

Lagna (PISCES) :- Jupiter-Saturn-Mercury.
MoonRasi-(LIBRA):- Venus –Rahu - Mercury.
Day lord:- Saturn.

The following principles are involved in the selection of the Ruling Planets;
1) The ruling planets at the time of query would be the ruling planets at the time of fructification of the event. (see page no.36 of "Stellar astrology" by Sri K Punneswra rao).
NOTE:- while selecting the ruling planets as per the stipulated rules of the K.P system

1) If the sub lord himself is retrograde then the event will materialize with delay. But if it is posited in the constellation of the retrograde planet since the event will not be materialized reject such planets, and accept the remaining. (see page 131-KP reader 6 and pages 3-para no.8 and 7-para no.19of the book " Horary" by Sri Kuppu Ganapathi).
2) Since the K P system is mainly associated with Sub lord, K P stalwarts and researchers at a later period found the importance of sub-lord of both Moon and Lagna, and started using the sub lord also as RP, the same principle of retro motion was extended to sub lord also.

1. Mercury is in retro but it is in Venus star and Rahu sub which are nor in retro. So Mercury is taken as R .P.

2. Saturn is in the star of Mercury®. So it is rejected.
3. Moon, Rahu and Ketu are in the sub of Mercury®. So they are also rejected as R.Ps.

4. Then remaining planets from RPs are only Jupiter, Venus and Mercury.

5. Jupiter is aspected by Mars with his special aspect (8th). So consider MARS also as an additional RP. Now total Ruling Planets are Venus, Jupiter, Mercury and Mars.

We have to consider these Four (Mars, Jupiter, Mercury and Venus) planets at the time of checking the Lagna Transition for arriving at the correct time of fructification of the event.

1. CHECKING FOR Lagna and its star lord
Location: SECUNDERABAD, ANDHRA PRADESH, India

04:36:55 PM Ve Ma
05:33:49 PM Me Ra
06:32:40 PM Me Ju
07:32:13 PM Mo Sa

Note:- We have only Mars, Jupiter, Mercury and Venus as RPs as shown in the above note. Jupiter appears as Sign lord of Lagna. It is OK. But Saturn is deleted from RPs and though Mercury has appeared as Lagan Star lord it is also not considered for the reason that logically it is practically not possible to reach 575 K.Ms, even if one starts at 8-30 AM. So 12-05-08 PM and 12-36-57 PM ranges of lagna timings are not useful for us.
From 01-20-00 PM to 03-42-55 PM Mars will be the lagna lord. But during this period also, one cannot reach from Bangalore to Secundrabad. (Nobody can reach within 7hours). For the same reason of logical impracticality. So Mars as lagna Sign lord is also not considered.
Next is Venus lagna. Under the Venus lagna there are two star lords namely Moon and Mars. Moon is not in RPs. So it need not be considered. The remaining one is Mars as star lord and Venus sign lord (from 04-36-55 PM to 05-33-49 PM) can be selected without any hesitation.
Now with in this Venus lagna and Mars star I will have to proceed further for narrowing down the time of arrival.

2. Checking for Asc sub lord under Mars star lord

05:16:30 PM Me Ma Ve
05:26:06 PM Me Ma Su
05:29:00 PM Me Ma Mo
05:33:49 PM Me Ra Ra

We have Mars, Venus, Mercury and Jupiter as RPs. We have already selected Venus and Mars as sign and star lord of lagna. Now only Mercury and Jupiter are left. Since Jupiter is reflected first in the list, it should be selected as Sub-lord of lagna.

3. Checking for sub sub lord under Jupiter sub lord---
Location: SECUNDERABAD, ANDHRA PRADESH, India
Date: 24/Dec/2016
Start Time: 04:48:34 PM *End Time:* 04:56:04 PM

04:53:53 PM Ve Ma Ju Mo
04:54:30 PM Ve Ma Ju Ma
04:54:57 PM Ve Ma Ju Ra
04:56:04 PM Ve Ma Sa Sa

We are now left with only Venus in RPs and so Venus is selected as sub sub lord @04-52-15 P.M as final time of arrival...
Now with the help of the above position of the lagna- star- sub- and sub sub position, I have come to conclusion that my cousin Mr. Dhyani would be reaching my home at 04-52.00p.m.

Actual fact: - Yes, Mr. Dhyani- my cousin has reached my home exactly at 04-52-15 PM.

Question: Will Congress come into power again in Manipur in the assembly elections 2017?
Number: 216 (out of 249)
Date of Judgment: 17-01-2017, Tuesday; Time of Judgment: 12:04:19 PM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'

Note: Elections in Manipur were declared to be held on 04-03-2017.

I have delivered 95 advance predictions by using my rules given below and, out of all the predictions given, I have been correct in 66 analyses. This shows an accuracy of 69.48% and not just a 50-50 chance prediction of election outcomes at all, as some KP astrologers have said about this rule. This is the first time in the history of KP astrology that some Astrologer has made 95 advance predictions by using any one rule.

Hint:
If the 10^{th} (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner), then in the DBA of the significators of 3, 10, 11, success is assured.

Cuspal Sub lord for Congress:
10^{th} Cusp (Scorpio 19^0.35'.19"): The sub lord of the 10^{th} cusp is Venus. Venus is in the star and sub of Jupiter. Venus is occupant of 1 owner of 4-9. No planet is in the star of Venus, and Venus is CSL of houses 2-6-8-10-11. Star and Sub lord Jupiter is occupant of 8 owner of 2-11. Thus, the 10^{th} cusp sub lord, Venus, is the significator of houses 1-4-9-2-6-8-10-11. Hence, wining in the election is certain.

Cuspal Sub lord for opponent:
10^{th} Cusp (Taurus 19^0.35'.19"): The sub lord of the 10^{th} cusp is Mercury. Mercury is in the star of Ketu and sub of Saturn. Mercury is occupant of 10 owner of 5-8. Star lord Ketu is occupant of 1. Ketu is conjoined with Mars and Venus. Mars is occupant of 1 owner of 3-10. Venus is occupant of 1 owner of 4-9. No planet is in the stars of Venus, and Venus is the CSL of houses 2-6-8-10-11. Thus, the 10^{th} cusp sub lord, Mercury, is the significator of houses 10-5-1-3-4-9-2-6-8-10-11. Hence, wining in the election is certain.

Joint dasa period for Congress:
On the day of election (04-03-2017), the running joint period dasa is Sun-Saturn-Venus-Sun.

Dasa-Sookshma lord, Sun, is in its own star and sub of Saturn. Sun is occupant of 11 owner of 7. Sub lord Saturn is occupant of 10 owner of 1-12. No planet is in the stars of Saturn, and Saturn is the CSL of houses 3-9. Thus, the Dasa lord, Sun, is the significator of houses 11-7-10-1-12-3-9. Hence, wining in the election is certain.

Bhukti lord, Saturn, is in the star of Mercury, and in its own sub. Saturn is occupant of 10 owner of 1-12. No planet is in the stars of Saturn, and Saturn is CSL of houses 3-9. Star lord Mercury is occupant of 10 owner of 5-8. Sub lord Saturn is occupant of 10 owner of 1-12. No planet is in the stars of Saturn, and Saturn is the CSL of houses 3-9. Thus, the

Bhukti lord, Saturn, is the significator of houses 10-1-12-3-9-5-8. Hence, wining in the election is certain.

Antra lord, Venus, is in the star and sub of Jupiter. Venus is occupant of 1 owner of 4-9. No planet is in the stars of Venus, and Venus is CSL of houses 2-6-8-10-11. Star and Sub lord, Jupiter, is occupant of 8 owner of 2-11. Thus, the Antra lord, Venus, is the significator of houses 1-4-9-2-6-8-10-11. Hence, wining in the election is certain.

Joint dasa period for the opponent:

On the day of election (04-03-2017), the running joint period dasa is Sun-Saturn-Venus-Sun.

Dasa-Sookshma lord, Sun, is in its own star and sub of Saturn. Sun is occupant of 5 owner of 1. Sub lord Saturn is occupant of 4 owner of 7-6. No planet is in the stars of Saturn, and Saturn is the CSL of houses 3-9. Thus, the Dasa lord, Sun, is the significator of houses 5-1-4-7-6-3-9. Hence, wining in the election is certain.

Bhukti lord, Saturn, is in the star of Mercury and in its own sub. Saturn is occupant of 4 owner of 7-6. No planet is in the stars of Saturn, and Saturn is the CSL of houses 3-9. Star lord Mercury is occupant of 4 owner of 11-2. Sub lord Saturn is occupant of 4 owner of 7-6. No planet is in the stars of Saturn, and Saturn is the CSL of houses 3-9. Thus, the Bhukti lord, Saturn, is the significator of houses 4-7-6-9-3-11-2. Hence, wining in the election is certain.

Antra lord, Venus, is in the star and sub of Jupiter. Venus is occupant of 7 owner of 10-3. No planet is in the stars of Venus, and Venus is CSL of houses 8-12-2-4-5. Star and Sub lord, Jupiter, is occupant of 2 owner of 8-5. Thus, the Antra lord, Venus, is the significator of houses 7-10-3-8-12-2-4-5. Hence, wining in the election is certain.

My opinion: For Congress, the 10th cusp sub lord indicates houses 10-11, and for the opponent/opposition, it signifies houses 3-10-11. In all, the joint period is mostly equal for both sides. Thus, in my opinion, the Congress will not come back in Manipur.

Exact moment of receipt of VPP parcel, when? K P Reveals

On the 3rd of December 2016, one of my students asked me 'when will you, sir, receive the VPP parcel of book'? (The book has been ordered over phone while this student was present with me, with a book-publisher in the neighbouring state of Tamil Nadu on 30th November 2016). To answer him I took a 'time horary' and the findings are given under.

At this time of analysis, 11:35:01 hrs, and date 03/12/2016, at my place at Palakkad-Kerala, the ascendant was rising at 301*-37'-40" and the Moon was transiting at 298*-57'-56" , while the day was ruled by Saturn, being a Saturday.

KP New Ayanamsa: 24*-00'-11". Thus the planets that were ruling 'that moment':
Lagna: Saturn-Mars-Mercury;
Moon: Jupiter-Sun-Mars;
Day lord: Saturn.

The node Rahu was in Leo, representing Sun by sign occupation, Saturn and Mars by aspect and Venus by star occupation, while the other node Ketu represented Saturn by occupation in Aquarius and Rahu by constellation. Jupiter the 11th lord and the lagna lord, with 11th house signification, are aspecting Mars, lord of 3rd, who is the sublord for Saturn ; Mars signify 11th through his star lord. This indicates that the day of receipt will be influenced by Saturn and Mars.

Since I have already ordered the books and the publisher has agreed to send it, it is a foregone conclusion that the packet will be sent to me at the earliest. Since neither the 11th cuspal sublord Mars, nor its star lord where it is deposited, are in retro motion, and also, since Mars is signifying houses 3 & 11, receipt is assured. The question is when ?

The answer I seek, as per principles of K.P, will be when the significators of 3rd and 11th operate conjointly.

The cuspal sublord of the house of dispatch of the material , 3rd , is Saturn . It occupies 10th and is in the star of Mercury who is in 11. It is in the sub of Mars, who owns 3rd , and is in Capricorn aspecting the 3rd. The 11th lord, Jupiter is aspecting the 3rd lord, placed in 12th. Jupiter owns 2nd cusp, which denotes 'possession of any movable article/liquid cash' etc, here in this horary, 'the parcel which I expect' . Mercury is the cuspal sublord for the 2nd house and is placed in 11th . Mercury is in the star of the node Ketu, who represents the 3rd lord .
Destination for the article is my home, represented by 4th cusp . Its sublord is Venus, who finds occupation in 11th bhava . Venus being in Capricorn, with Ketu's occupation in Aquarius, as a node, Ketu acquires the 4th house signification of Venus as well .

Ketu is connected to Saturn, being in Aquarius, representing the owner who signifies 11th . Thus the speculum reveals that total significators for 3 &11, besides that of the other relevant houses connected to the query, of 2nd and 4th, are all the nine planets.
We have seen that Saturn, Mars, Jupiter and Sun, besides the two nodes are the ruling planets ; and these are the common ones as well .

Currently, the horary dasa of Sun is in operation; it is a strong ruling planet who is signifying 11th , both at its star level as well as sub level.

Bukthi lord is Mars , in own star and sub, who is owning the cuspal point of 11th house, and thus, a strong indicator of realization of the desire.

Anthara lord, till 7th December 2016, is the node Ketu . Ketu is the star lord for cusps 3 & 11 . Through its star lord, Rahu who represents Venus, signification of 11th is again attained by this node.

Next, is to fix the sookshma time of the event expected.
We have both Jupiter as well as Saturn for the 'Sookshma time', among the ruling planets. Of these, Jupiter period will operate till 5/12/2016 and Saturn rules till 11:06 hours on 6/12/2016.

Among these, as ruling lagna sign lord, and an untenanted planet, holding 3rd cusp and signifying through the node Ketu the 11th as well, Saturn is stronger to effect the event.
Since horary ascendant cusp is held by the fast moving Mercury, the event should materialize within a short period.

All these planets have appeared as ruling planets as well.

Since the Sun is transiting in Mars sign Scorpio, in Mercury star, at the time of this horary analysis, we can expect the effect within a week's time.

The Sun will be in Mercury sub during 6th/7th of December-2016.

The Moon will be transiting in Saturn sign, Mars star till 11:25 hours of 6th December. This day is ruled by Mars and hence it is concluded that the parcel will be received by me on this date.

Now to fix the exact time of receipt :
On this day, (6th Dec 2016), the ascendant at my place of residence will transit Saturn sign , Capricorn, in the star of Mars, Dhanista, and when Mars sub would be ruling between 10:55 AM to 10:57 AM. *This would be the time when I will get the parcel in my hand.* The student noted this ; and he came early on that expected day of receipt.....

And we waited expectantly for the event and the moment.
The post-woman rang my door bell on the 6th December 2016 at 10:48 AM. And after completing the formalities of informing of a parcel and signing the paper of receipt, when she handed over the packet to me, the time was exactly 10:55 AM.

This precision on prediction could not have been possible by any method of Astro prediction, other than that of Krishnamurthy Padhdhathi.

With Pranaams to the inventor of this system and the Lord.....

Important key points to be remembered when matching the horoscopes for marriage

Marriage is a life-long association and must be taken seriously. So we should never satisfy with Dasa Porutham/Ashtagan kootam, it is better to check the horoscopes of both bride and bride-groom individually basing on the following important points.

If we do not provide a clean and neat wall to an artist/ painter, how can he draw a beautiful picture on it? He cannot draw. We being the astrologers should check whether the life span is promised to both of them or not. If anyone among them is having short life span, it is a foolish thing if we select such a horoscope for marriage. So we must give top most priority to Longevity of the individuals.

(ii) K.P. Rules regarding Longevity is given hereunder:-
(a):- If the sublord of the Ascendant be the significator(in the star of the occupant or owner) of the house 6 or 8 or 12, the life is short (about 33 years).
(b) If the cuspal sublord of the Ascendant be the significator (in the star of the occupant or owner) of the house 1 or 5 or 9 or 10, the life is long (more than 66 years).
(c) If the sublord of the Ascendant be the significator (in the star of the occupant or owner) of the house 6 or 8 or 12 and 1 or 5 or 9 or 10, the life is medium (about 66 years).
(d) But if the cuspal sublord of the Ascendant be the significator (in the star of the occupant or owner) of the Badhaka and Maraka houses with the above mentioned houses, it is not good for the life. It is an indication of short life.
(e) If the cuspal Joint Rulers(the signlord, starlord and sublord) of the Ascendant or the 8th cusp be the significators (in the star of the occupant or owner) of the Badhaka and Maraka houses, their joint period is very critical for life. (In the short life case with in 33 years, in the medium life case with in 66 years and in the long life case above 66 years, also check the 3rd and 8th cusps too). Badhaka bhava is more danger than Maraka bhava. So when we are checking about longevity first check the Badhaka bhava and then Maraka bhava.

(II) Is there any use if we invite a patient who is suffering from severe stomach-ache to a feast? No, he cannot enjoy. Similarly if we arrange marriage for a girl to an unhealthy boy is not correct on our part. How can they enjoy and lead a pleasant life? It is impossible. So we as astrologers should check about the health individually. K.P. Health, Disease and Cure rules are given hereunder:-

HEALTH:-
If the sublord of the Ascendant be in the star of the occupant or owner of the house 1 or 11, health of the native is normal.
If the sublord of the Ascendant be the significator(in the star of the occupant or owner) of the house 6(sickness) or 8(danger to life) or 12(hospitalization), it is not good for health.
The native may suffer from sickness or disease, during the joint period of the significators of 1 and 6, or 1 and 8, or 1 and 12.

DISEASE:-
If the sublord of the 6th cusp be the significator of 6 or 8 or 12 and connected with 1, the native may suffer from disease during the sub period of this cuspal sublord of 6. If the sublord of the 6th cusp be connected with Saturn, disease becomes chronic; if with Mars; disease is acute, sudden and painful and causes operations; if with Mercury, disease becomes complicated; and if with Rahu or Ketu the disease remains undiagnosed. Rahu is similar to Saturn and Ketu is similar to Mars in giving effects. If the sublord of the 8th or

12th cusp be the significator of 6 or 8 or 12, then the native suffers from the disease and permanent defect, which related to sign and house of 6th cusp sublord and its starlord. Similarly, if the sublord of the 8th or 12th be the significator of 6 or 8 or 12 then the native suffers from serious illness or chronic disease or the disease which might bring some permanent defect, related to sign and house of 6th cusp sublord and its starlord. Disease is cured during the joint period of the significators of 1, 5 or 11.

CURE:- If the sublord of the 6th or 8thor 12th or 11th cusp be the significator of 1, 5 or 11 disease is cured or the native is saved from danger. Disease is cured during the joint period of the significators of 1, 5 or 11.

(III) Every one of us knows pretty well that money makes many things. If we have sufficient bank balance, we can please and satisfy our partner. It is better to remain unmarried than to spoil the life of the partner without minimum income to run a family. Therefore, we as astrologers must and should check the income of individual in their birth chart.

INCOME (Self-acquisition):- If the 2nd cusp sublord should signifies 2(income) or 6(service) or 7(business) or 10 (profession) or 11(fulfillment of desire), then the income is promised to the native.

(IV) Whether the marriage is promised in the horoscopes or not is to be examined carefully.
Marriage:- If the sublord of the 7th cusp signifies 2 or 7 or 11, marriage is promised.

(V) Next let us check whether the native is promised second marriage or multiple marriages. When does second marriage occur in general? When the spouse dies or divorce then only second marriage takes place generally. Second marriage indications should be seen in the horoscopes of both.

K.P.Second marriage Rule:- Second marriage is indicated if the following two conditions are satisfied simultaneously:-
(i) The sublord of the 7th cusp is deposited in a dual sign or in the constellation of a planet in or owning a dualsign or if the sublord of the 7th cusp is Mercury; and
(ii) The sublord of the 7th cusp is also a significator of either of the houses 2 or 11.
If any one of the above two conditions is not satisfied then second marriage is denied.
Kanak Ji's Second Marriage Rule:- If the 9th cusp sublord signifies 2 or 9 or 11, second marriage is promised.

(VI) Next let us check whether the happy married life is promised or not.
K.P. Rule for happy married life:- If the 11th Cuspal sublord signifies 2, 5, 7 or 11, then happy and harmony in married life is promised.

(VII) Main intention of marriage is expansion of one's dynasty/family lineage/vamsam. For it, we should check whether progeny is promised or not individually.

K.P.Progeny Rule:- If the 5th cusp sublord signifies 2 or 5 or 11 then progeny is promised.

NOTE:- Every astrologer knows well about Dasavidha Ponthanam and Ashtaguna kootam. So I do not like to write them elaborately here.

Question: Will AAP form government in Goa?

Date of Judgment: 10-01-2017, Tuesday; Time of Judgment: 11:02:13 AM; IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'

Note: Elections in Goa were declared on 04-02-2017. In the last election, held in 2012, BJP had won that election.

I have delivered 95 advance predictions using my rules given below, and I have got 66 predictions correct. This shows that the rules have demonstrated an accuracy of at least 69.48% and not just a 50-50 chance in predicting election outcomes at all, as some KP astrologers have said about this rule. This is first time in the history of KP astrology that some KP Astrologer has made 95 advance predictions by using any one rule.

Hint:
If the 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner), then in the DBA of the significators of houses 3-10-11, success is assured.

Cuspal Sub lord for AAP:
10th Cusp (Leo 13^0.30'.12"): The sub lord of the 10 cusp is Venus. Venus is in the star of Rahu and sub of Mercury. Venus is occupant of 4, owner of 7-12. Sub lord Rahu is occupant of 10. Rahu is aspected by Saturn. Saturn is occupant of 1, owner of 3-4. Sub lord Mercury is occupant of 2, owner of 8-11. Thus, the 10th cusp sub lord, Venus, is the significator of houses 4-7-12-10-1-3-4-2-8-11. Hence, winning the election is sure.

Cuspal Sub lord for Opponent:
10th Cusp (Aquarius 13^0.30'.12"): The sub lord of the 10th cusp is Mercury. Mercury is in the star of Ketu and sub of Mars. Mercury is occupant of 2, owner of 8-11. Star lord Ketu is occupant of 4. Ketu is conjoined with Mars and Venus. Mars is occupant of 4, owner of 1-6. Venus is occupant of 4, owner of 7-12. Sub lord Mars is occupant of 4, owner of 1-6. Thus, the 10th cusp sub lord, Mercury, is the significator of bhavas 2-8-11-4-1-6-7-12. Hence, victory in the election is sure.

Joint dasa period for AAP :
On the day of the election (4 February 2017), the running dasa is Mars-Rahu-Venus-Moon.

Dasa lord Mars is in the star of Jupiter and sub of Saturn. Mars is occupant of 4, owner of 1-6, Star lord Jupiter is occupant of 11, owner of 2-5. Sub of Saturn is occupant of 1, owner of 3-4. Dasa lord signifies houses 4-1-6-11-2-5-3. Hence, the dasa lord indicates wining in the election.

Bhukti lord Rahu is in the star of Ketu and sub of Mercury. Rahu is occupant of 10. Rahu is aspected by Saturn. Saturn is occupant of 1, owner of 3-4. Star lord Ketu is occupant of 4. Ketu is conjoined with Mars and Venus. Mars is occupant of 4, owner of 1-6. Venus is occupant of 4, owner of 7-12. Sub lord Mercury is occupant of 2, owner of 8-11. Bhukti

On the day of the election (4 February 2017), the running dasa is Mars-Rahu-Venus-Moon.

Dasa lord Mars is in the star of Jupiter and sub of Saturn. Mars is occupant of 10, owner of 7-12, Star lord Jupiter is occupant of 5, owner of 8-11. Sub of Saturn is occupant of 7, owner of 9-10. Dasa lord signifies houses 10-2-8-5-8-11-9. Hence, dasa lord indicates winning the election.

Bhukti lord Rahu is in the star of Ketu and sub of Mercury. Rahu is occupant of 4. Rahu is aspected by Saturn. Saturn is occupant of 7, owner of 9-10. Star lord Ketu is occupant of 10. Ketu is conjoined with Mars and Venus. Mars is occupant of 10, owner of 7-12. Venus is occupant of 10, owner of 1-6. Sub lord Mercury is occupant of 8, owner of 2-5. The Bhukti lord, Rahu, signifies houses 4-9-10-7-12-1-6-2-8-5. Hence, the Bhukti lord indicates winning the election.

Antra lord Venus is in the star of Rahu and sub of Mercury. Venus is occupant of 4, owner of 7-12. Sub lord Rahu is occupant of 10. Rahu is aspected by Saturn. Saturn is occupant of 1, owner of 3-4. Sub lord Mercury is occupant of 2, owner of 8-11. Thus, the Antra lord, Venus, is the significator of bhavas 10-1-6-4-7-9-10-2-8-5. Hence, the Antra lord indicates victory in the election.

Sookshma lord Moon is in the star of Mars and sub of Rahu. Moon is occupant of 1, owner of 3. No planet in the star of Moon and Moon is CSL of 9. Star lord Mars is occupant of 10, owner of 7-12. Sub lord Rahu is occupant of 4. Rahu is aspected by Saturn. Saturn is occupant of 7, owner of 9-10. Sookshma lord, Moon, signifies houses 1-9-3-4-7-12-10. Hence, the Sookshma lord indicates winning the election.

My opinion: The 10th cusp sub lord indicates houses 3-10-11 for AAP, and for the opponent it indicates the 11th only. All the DBAS also indicate that AAP is strong. Thus, AAP will form the government in Goa.

Dear Sri Kanak Bosmia ji,

Question 1: Timing of Marriage

I am going through your article "A Horoscope with all 9 planets signifying 12th house" in KPEZine-Jan-2017.
How Moon Dsa will give marriage? Moon is not at all signifying marriage house 7.
Of course, star lord of Mercury is signifying 2 and 11 without 7. Then it is only a companion, lover or friendship.
As d/b/a/s lords form a cabinet, without Dasa lord permission for marriage, 7th house, how Bhukti lord gives the marriage? Of course, Bhukti lord can give the marriage after the Dasa lord signifies the marriage.
Without 7th signification, only 11th signification of Dasa lord used to provide the relation.(lover,companion,living together etc).
--AS GIVEN IN NAVARATNAMALA-2, PAGE-66, SUB HEADING-9.
I request for your kind clarification.

Question 1- a:

In KPEzine- Feb-2016, Page-47,
Marriage of Gina Lollobrigida.
The marriage could not takes place as Dasa lord did not signify the legal marriage 7th house, even though Bhukthi lord signify the 7th house.

In the book "Theory and practice of stellar astrology " by Sri PVK Punneswararao, Page-72,
3. Rahu Dasa, Moon Bhukti who is a strong significator of 7th house, marriage is predicted. Here Rahu signifies only 11th house but not 7th house. Marriage took place in Rahu-Moon period only.

I request for your kind opinion, for my knowledge, as I am still a learner in KP system of astrology.

Question 1- b:

I am a learner in KP System of astrology.
I am reading your lessons: KP for beginners part-10- d/b/a/ lords in KPEzine-Jan-2009. In page-43 . . .
In KP it is not a necessary condition for each D/B/A lords to signify at least one of the required houses i.e. 2, 7, 11 for marriage.
THAT IS THE REASON FOR THE FAILURE OF THE PREDICTIONS GENERALLY BASED ON THE HOUSES WHICH ARE COMMONLY SIGNIFIED BY ALL DASA LORDS.
I request you to elaborate the above statement/sentence.
Here I understand that:
1. AS D/B/A/S lords form a cabinet, the Dasa lord must signify at least one of the required marriage houses.
2. The above statement may be applied for the other B/A/S lords.
3. D/B/A/S lords must signify at least one of the required houses either at planet/star/ sub levels. Is it not necessary to signify at sub level?
4. Is it not necessary to signify the marriage house 7, for the bondage of marriage by any one of the d/b/a/s lords. (Otherwise it will be only lover, companion or living together etc.)
I request you to correct me where ever it is required.

Question 1- c:

The 7th CSL should signify the marriage houses either 2, 7 or 11 at any level, either planet, star or sub of the sub lord.

Is it the similar way for the marriage to take place in a particular Dasa:
the Dasa lord should signify the marriage houses either 2, 7 or 11 at any level of either planet (dasa lord), star (star of dasa lord) or sub (sub of dasa lord)?

OR

Is it necessary that dasa lord should signify the marriage houses at all the three levels/ two levels (star and sub level of dasa lord)?

Then, the same rule follows for the other dasa lords also?

Answer 1: General Rule for Marriage
MARRIAGE: - If the sub lord of the 7th cusp signifies house 2,7 or 11 (at any level of planet, its star & sub), one's marriage is promised, and marriage will be fructified during the joint dasa period of significators of house 2,7 or 11.

In fixing timing of marriage, the DBAS of significators of any of marriage houses 2,7,11 are generally chosen. In practice the Dasa lord may not be significator of house 7, or all DBAS may not be significator of house 2,7 or 11, as found in the following horoscope of George W Bush:

George W Bush, former US President, 06 July 1946, 07:26 am, Hr 4 West, New Haven, Connecticut, USA, 41n18, 72e56, KP new ayanamsa, 23:01:13, Ascc. Cn 14:04:59, Dasa balance Mars: 6Y:9M:23D, married on 05 Nov 1977 (Ju-Me-Sa DBA). (AA-rated, BC/BR in hand)

Dasa lord Ju:3,6; in star Ma:25-11; in sub Ra:2, Aspt Ju:3,6' Sgl Ve:1,4-11.
Bhuktu lord Me:1,12; in own star & sub Me:1,12.
Antra lord Sa;12,7-8-9; in own star & sub Sa:12,7-8-9.

In a case of having a long term affair, timing of the 7th signification may be required.

Question 2: 1st or 2nd Marriage
Pl. guide me to proceed the matter mentioned below.
A lady "x" had married to person, and lived together for more than 3 years and had a child. Later on that person found to be a legally married man to another lady and the second unmarried lady "X" gave up him due to the illegal bond.

Now "x" needs to get marry.
In this issue, what is the astrological back ground to see for her marriage?
If she get married is it first marriage or second?
Pl. guide me in this issue.

Answer 2:
Such case appears to be considered as 2nd marriage.

Question 3: House for Registration
For registration of a house, a legal document to be executed between the seller and the buyer in presence of a Govt. official (Sub Registrar), what are all the houses to be seen to analyse astrologically for the period the registration takes place?

Would it be correct if 11th CSL be the significator of 3 (agreement, communication), 9 (agreement) and 11th (fulfillment of desire) to take place during the joint period of significators of houses 3,9 and 11. I would be obliged to have your guidance in this aspect.
As the transaction may take place shortly (may be during last week of Jan/1st week of Feb, kindly advise me at an early date.

Answer 3: If 3rd CSL be the significator of 3 (registration, communication), 9 (agreement)

and 11th (fulfillment of desire), registration will take place during the joint dasa period of significators of houses 3,9 and 11.

Question 4: Hindu and Western Aspetcs
In Western aspects 90 deg, 150, 180 deg. etc are bad aspects and 60 120 etc are good aspects.

In KP System, we follow the aspects by SIGN wise.

All planets have 7th house aspect.(180 deg)- Is it good or bad?.
Jupiter have aspect of additional on 5 and 9th houses. Which is good and which is bad?.
Mars have additional on 4 and 8th houses. which is good?.
Saturn have additional on 3 and 10 th houses. which is bad?.

Answer
Hindu Aspects
The Hindu aspects (Drishtis) are counted 'from rasi to rasi', irrespective of the positions of the planets in the rasis and the relative distance between the two planets i.e. not 'from degree to degree' like in the Western aspects. Planets aspect the entire rasis with or without any planet or cusp there, and the closer an aspect on any located planet or cusp is, the stronger the result would be.
All planets, Sun to Saturn, aspect the 7th (180°) from the rasi occupied by them. In addition Mars, Jupiter, and Saturn have special aspects as below:

1) Mars aspects the 4th (90°) and 8th (210°) from the rasi occupied by it.
2) Jupiter aspects the 5th (120°) and 9th (240°) from the rasi occupied by it.
3) Saturn aspects the 3rd (60°) and 10th (270°) from the rasi occupied by it.

In KP the shadowy planets Rahu and Ketu (Nodes) do not aspect any planet or any house since they are only the sensitive and powerful intersecting points in the pathway of Sun and Moon and they are not having any physical body which can be seen through a telescope as we can see all the other planets.

Western Aspects
The Western aspects are counted 'from degree to degree', not from rasi to rasi as in the Hindus aspects.

There are five basic, most important aspects, used already by Ptolemy:
1) Conjunction, 0°
2) Sextile, 60°
3) Square, 90°
4) Trine, 120°
5) Opposition, 180°

Main Differences between Hindu and Western Aspects
1) The Hindu aspects are counted from rasi to rasi but in the Western aspects, the aspect is reckoned from degree to degree.
2) The magnitude of Hindu aspects between two planets is different whereas in the Western aspects it is the same. The Western five basic aspects are the same for all planets, e.g. sextile (60° / Hindu 3rd aspect) is for all planets, not for Saturn only as in the Hindu aspects; square (90° / 4th Hindu aspect) is also for all planets, not for Mars only like in the Hindu aspects; trine (120° / 5th Hindu aspect) is also for all planets, not for Jupiter only similar to the Hindu aspects.
3) The Western sextile and trine aspects are clearly marked as beneficial and square and opposition as evil. Whereas in the Hindu aspects there is no such classification and they are generally based on the signification of aspecting and aspected planets.

The Rulership Book - A Directory of Astrological Correspondences

This is a reference book for astrologers, for instance, rulers of "*accounts, accountants – mercury, virgo, gemini, Saturn, 8*" in 'Dictionary of Significators in Astrology" with compared to "*accounts, accountants – mercury, virgo* (gemini, Saturn, 8) by symbols in "The Rulership Book", here '*mercury, virgo*' *are commonly used and* 'gemini, Saturn, 8' in bracket are used by some.

Election 1st phase starts from 11/3/17.

Hints: If the 10th CSL signifies houses 3/10/11, success is assured.

For BJP, the 10th CSL is Rahu placed in the 8th. It represents the Sun 2 (9) and is in the star of Ketu in 2. Ketu represents the Sun 2 (9) and is in the sub of Saturn 12 (2, 3). This is 3 ok for success.

DBAS

Dasha of Sun 2 (9);is in the star of Mars 3 (5, 12); in the sub of Mer 2 (7, 10). This signifies 3,10 and is ok.

Bhukti of Sat 12 (2, 3); in the star of Ket in 2; representing Sun 2 (9); in the sub of Ven+ 3 (6, 11) {1} .This signifies houses 3,11 and is ok.

Antara of Mer 2 (7, 10); in the star of Moon 9 (8); in the sub of Jup+ 10 (1, 4) {3 8 9}. This signifies houses 3 and 10 and is ok.

Sookshma of Rah in 8; representing Sun 2 (9); in the star of Ket 2; representing Sun 2 (9); in the sub of Sat 12 (2, 3). This signifies house 3 and this is ok.

For the Opponent:

The 10th CSL is Rahu in the 2nd; representing Sun 8 (3); is in the star of Ket in 8; representing Sun 8 (3); in the sub of Sat 6 (8, 9) .This signifies house 3 and this is ok.

DBAS

Dasha of Sun 8 (3); is in the star of Mars 9 (11, 6); in the sub of Mer 8 (1, 4).This signifies houses 3 and 11 and is ok.

Bhukti of Sat 6 (8, 9); in the star of Ket 8; representing Sun 8 (3); in the sub of Ven+ 9 (12, 5){7} .This signifies house 3 and is ok.

Antara of Mer 8 (1, 4); in the star of Moon 3 (2); in the sub of Jup+ 4 (7, 10) {9 2 3}. This signifies houses 3 and 10, and is ok.

Sookshma of Rah in 2; representing Sun 8 (3); in the star of Ket 8; representing Sun 8 (3); in the sub of Sat 6 (8, 9) .This signifies house 3 and is ok.

My Opinion: BJP's Bhukti lord Saturn favours 3 and 11, while for the Opponent it favours only 3.

Therefore, BJP will win the election and come into power.

Long Live KP , special thanks to my teacher Shree Kanak Bosmia Sir for his wonderful Teaching.

An astrological friend of mine came with a xeroxed paper (which is published in KP-Ezine September 2012 Page No. 49) in his hand and, showing it to me, he asked me "Murthy Garu, Can you justify the matter which is Xeroxed and copied here from the famous Astrology & Athrishta- September 1967 issue. In it the following matter is published as follows:-

Note:- Readers are requested to see the paper in KP Ezine September 2012 Page no. 49 for details.

Sir,

What is the correct time of my birth? I should know the correct position of all the cusps and the planets. I am told that I was born on 5-4-1920 at about 4 PM at 20-42N/71-01 1E.

Sd/-Ratilal Thaker

Question put and answered at 2-00 PM Sunday, 9-7-1967 at Bombay.

Lastly, the following para is also published in it which is given within brackets.

(Students should carry out the research and confirm: The position of Lagna in a sign at the moment of judgment is the position of the Moon in that sign. In the case of Mr. Ratilal Thaker, the position of Lagna at 2-00 PM on 9-7-1967, the time of judgment, agree with the position of Moon in his horoscope for 3-59 PM IST on 5-4-1920)

My analysis is done strictly by following the rules and regulations framed by Sri. Kanakji, in the book **"EASY WAY TO LEARN KP BIRTH TIME RECTIFICATION".**

(Astrology & Athrishta-September 1967 issue which is published in KP.Ezine Page no.49)

First part

This is the horary question posed by Mr. P. R. Visa from the UK who has been residing there for the last few years. He gave number 157 on 15 Dec 2016 at 20-23-00 hours over the phone. I have plotted a horary chart at 20-24-10 hours and the same is attached.
This is the case of a native who is already residing in the UK, and he now wishes to settle in that country on a permanent basis (11th house – desire).
To settle abroad means to consider the present place of his stay as his permanent residence (4th house).
1. MOON speaks the querent's mind- Moon is the owner of 9th (abroad), aspected directly by the lord of the 11th house, Mercury. Moon is in the star of Jupiter being the lord of 2 and 5 and posited in the 11th (accomplishment of desire). Moon is in the sub of Saturn, lord of 3 and 4 placed in the 1st.
Thus, Moon signifies all the relevant houses i.e. 3- obtaining visa, PR card; 4- place of residence/ stay; and 11- accomplishment of desire.
2. Whether the event is promised—11th house speaks of one's accomplishments and fulfillment of his desires.
As per the chart, the 11th cusp sub lord is Venus. Venus is the lord of 12- stay abroad, 7- visits to various places including foreign countries, and is placed in the 2nd cusp (but within 1 degree orb to the 3rd cusp).
Venus is in Moon star, lord of 9 posited in the 8th, and in the sub of Jupiter, lord of 2 and 5, placed in the 11th house.
Thus, the 11th cusp sub lord, Venus, at its star level signifies houses 9- abroad, 3- visa or PR document, 12- stay abroad, and at its sub lord level it signifies the 11th thereby clearly indicating the fulfillment of his desire to get the PR card.
3. Ascendant cusp speaks about his efforts towards getting the PR card-- as per the chart, the Ascendant cusp sub lord is Jupiter which co-rules the 9th also. Jupiter is in Mars star, lord of 1 and 6 placed in the 3rd house, and in the sub of Rahu placed in the 9th house. Rahu represents Sun - lord of 10 in the 1st; Mars lord of 1 and 6 in the 3rd; and Saturn lord of 3 and 4 in the 1st.
Thus, the Ascendant cusp sub lord, Jupiter, signifies house 11 at the star level, and 4 at its sub lord level during the conjoined period of the significators of houses 3-4-11. This indicates clearly that there will be success in the efforts of this native in getting the PR card.
NOTE- since Moon is in Saturn sub it causes delay but not denial due to punarphoo yoga.

4. Ruling planets at TOJ--@20-24-10 hours on 15-12-2016 @ secundrabad—
ASC=MOON-SAT-MERC/ RASI= MERC- JUP- SAT. / DAY LORD- JUP.
5. Analysis of significators --- houses under consideration are- 3-4-11.
3rd house = SUN-SAT-MERC-RAHU-JUP-KETHU-MARS- VENUS-MOON.
4th house = MOON-SATURN.
11th house = VENUS-MOON-JUP-RAHU-KETHU-MERC.

Common fruitful significators are = jup-sat-moon-merc.
-----Dasa lord running is Jupiter up to 22 Nov 2029. Jupiter is in the RPs and is reflected twice. Jupiter signifies houses 11 and 4, and this is OK.
----Bukthi lord is Saturn + running from 10-01-2016 to 23-7-2018. Saturn is reflected twice in the RPs. Saturn + signifies houses 3rd- document of PR card, 4th and 11th at its star level, and 4th at its sub level which promises the result. So it is OK.
---Under Saturn + bhukti, the available anthra periods are---
Saturn is already over, Mercury is also over, and Kethu is over.
Anthra lord Venus and Sun are not in the CFS...
Next AL is Moon from 25-6-2017 to 10-9-2017. Moon is in the CFS. Moon signifies the 11th at its star level, and 1 and 4 at its sub level. Sun transits in Moon sign in Saturn star from 22/7 to 3/8 agree.
Under Moon anthra period—Moon is already taken, Mars and Rahu are not in the CFS.

Next available is Mercury sookshma from 9/8/2017 to 20/8/2017. Mercury signifies houses 3 and 11 at star level, and 3 and 4 at sub level.
So, I feel he is likely to get his PR card around the second week of August 2017.

As per the natal chart of this native---
12th cusp sub lord and the 1st cusp sub lord should signify 3, 9 or 12 to indicate settlement abroad.
As per the chart, the 12th cusp sub lord is Saturn + and it signifies 12 at its star level and 9 at its sub level. This assures permanent settlement abroad.
The Ascendant cusp sub lord is Venus who co-rules the 11th also. Venus signifies houses 9 and 12 at its star level, and 12 at its sub level, and this also promises the fulfillment of the event of settlement abroad.

Second part

Why I failed in my prediction? –a re-examination of my analysis
Facts of the case--- the native informed me by mail that he got his PR visa card on 17 Jan 2017 as against my prediction of second week of August 2017.
On a re-examination of my analysis, to know where exactly I have gone wrong, the following points are observed---

1) The 11th cusp falls in Virgo sign- with MERC (sgl)—MOON (stl)—VENUS (sbl). All the three planets are fast moving planets, and so the 11th cusp sub lord, Venus, should give the results rapidly, that is within a short period of time. This aspect should have been taken into consideration while arriving at the result.
2) In my opinion, I have gone wrong in selecting the "Effective Ruling Planets at the time of judgment".
   The following are the ruling planets at the TOJ---
   DATE-15-12-2016 @20-24-10 HOURS @ SECUNDRABAD—
   ASC- MOON-SAT-MERC.
   RASI- MERC-JUP-SAT.
   DAY LORD—JUP.

On the day of judgment- A) Mercury and Sun are conjoined. So take Sun also.
B) Saturn is aspecting Venus by its 3rd aspect, Rahu by its 10th aspect and Jupiter is aspecting Venus by its 5th aspect. So I have to take Rahu and Venus also as RPs.

So the effective ruling planets are =
SAT (2)-MERC (2)-JUP (2)-MOON-VENUS-RAHU-KETHU- SUN.

As against my earlier selection of RPs –MERC-SAT-JUP-MOON.
Due to my wrong selection of ruling planets at the time of judgment - since Venus was not chosen in the RPs as per the rules for the selection of RPs, I have not taken VENUS, RAHU, KETHU AND SUN in the list of common fruitful significators.

Had I selected these four planets, the mistake of rejecting antara lord Venus due to its not being in the list of common fruitful significators, would not have occurred.
Actually, it is during VENUS antara period only (from 6-12-2016 to 9-5-2017) that the event has materialized. Venus signifies the 3rd at star level, and 11 at the sub level. Sun transits in Jupiter sign (Sagittarius) in Venus star from 29/12 to 11/1. Jupiter is the D/L and Venus is the A/L agrees.

Under Venus antara –
Venus is already selected as A/L so it is dropped.

Next come Sun and Moon sookshma lords.
Sun signifies house 3 at its star level, and 3 and 4 at its sub level.
Whereas Moon S/L signifies, as sub lord of 4th, – 11 at its star level, and 3 and 4 at its sub lord level, thereby completing the circuit of all the three houses.

Moon sookshma period runs from 9/1/2017 to 21/1/2017.
The event took place only during Moon sookshma period that is on 17 Jan 2017.
From the above introspective analysis, I have learnt a lesson that every aspect of KP rules plays a vital role in giving the correct result, and I cannot afford to over look any of them in any manner.

Part III--- tackling the same through Sri KanaK ji's Rule---

Hints getting PR VISA CARD---(as per sri Kanak Ji)

If the 10th (which presides over preferment or one's inclination for permanency) (Matter depending on others) cusp sub lord signifies the 5th (one's self interest (things done in)), 9 (Legal action/success in venture/Making something legal/Passport), 11 (one's reputation as a winner (success to get passport/PR/Green card in this case)), then in the DBA of the significators of houses 5, 9, and 11 success is assured.

3. 10th cusp- 10th cusp sub lord in the horary chart is Rahu. Rahu is in the 9th cusp but is placed in the 10th house (6 degrees orb). Rahu is in Kethu star placed in the 3rd cusp, but placed in 4th house. It is in Mercury sub, lord of houses 8 and 11 placed in the 2nd house.
Rahu represents Sun, Mars, and Saturn, and Kethu represents Mars and Saturn.
Sun, lord of the 10th is in the 1st cusp, Mars lord of 1 and 6 is in the 3rd cusp, and Saturn, lord of 3 and 4 is placed in the 1st cusp.
Thus, the 10th cusp sub lord, Rahu, signifies house 9 at its star level, and 11 at its sub level. It also signifies house 10 through its representative, Mercury. Thus, the event of getting PR Visa card is promised.
4. Ruling planets at TOJ--@20-24-10 hours on 15-12-2016 @ secundrabad—
DATE-15-12-2016 @20-24-10 HOURS @ SECUNDRABAD—
ASC- MOON-SAT-MERC. / RASI- MERC-JUP-SAT./ DAY LORD—JUP.
On the day of judgment- A) Mercury and Sun are conjoined. So take Sun also.
B) Saturn is aspecting Venus by its 3rd aspect, Rahu by its 10th aspect and Jupiter is aspecting Venus by its 5th aspect. So I have to take Rahu and Venus also as RPs.
SO the effective ruling planets are = MOON-SANI-MERC-JUP-SAT-VENUS-RAHU-KETHU-SUN.
5. Analysis of significators of houses under consideration are- 5-9-11.
5th house = VENUS-JUPI-MOON.
9th house = MERC-JUP-SAT-KETHU- RAHU-VENUS- MOON..
11th house = VENUS-JUP-MOON.

C**ommon fruitful significators are= JUP-SAT-MOON-MERC.**
-----Dasa lord running is Jupiter up to 22 Nov 2029. Jupiter is in the CFS. Jupiter signifies 5 &11 @ STL and 9 @SBL, and this is OK.
----Bhukti lord is Saturn + and this is from 10-01-2016 to 23-7-2018. Saturn is reflected twice in the RPs. Saturn + signifies house 11 @its star level, and 9 at its sub level, and this promises the event. So it is OK.
---Under Saturn + bhukthi, the available anthra periods are---
Saturn, Mercury, and Kethu anthra periods have already lapsed.
Next comes anthra lord Venus. It is in the CFS. It runs from 06/12/2016 to 09/05/2017.
Venus signifies house 9 at star level, and 5 and 11 at its sub lord level.
Under Venus anthra period Venus S/L is already taken as A/L, next comes Sun S/L which is not among the CFS, and is also not taken.
Next comes sookshma lord Moon who is among the CFS and runs from 09/01/2017 to 21/01/2017. Moon signifies houses 5, 9, and 11 at its star level.

So, I could have boldly said that the event will fructify before 21/Jan/ 2017.

Facts of the case – this native got the PR Visa card on 17 Jan 2017.
I salute our astrology guru Sri K S Krishnamurthy whole heartedly for his great system. My sincere thanks to Sri Kanak ji for giving me unstinted support.

Cuspal Sub lord for Reunion with spouse:
7th Cusp (Aries 23^0.02'.15"): The sub lord of the 7th cusp is Saturn. Saturn is in the star of Ketu and sub of Jupiter. Saturn is occupant of 2 and owner of 4-5. Star lord Ketu is occupant of 10. Ketu is in Leo sign, hence represents Sun. Sun is occupant of 1, owner of 11. Sub lord Jupiter is occupant of 7, owner of 3-6. No planet is in the stars of Jupiter, and Jupiter is the CSL of houses 3-9. Thus the 7th cusp sub lord, Saturn, is a significator of houses 10-1-11 and is connected with houses 2-4-5-7-3-6-9. Hence, the reunion with wife is sure.

Joint Period
Running dasa is Rahu up to 31-12-203. The joint period of Rahu-Venus-Sun is up to 14-03-2016.

Dasa lord Rahu is in its own star and sub of Venus. Rahu is occupant of 4. Rahu is aspected by Saturn. Saturn is occupant of 2 and owner of 4-5. Sub lord Venus is occupant of 12, owner of 1-8. Thus, the dasa lord Rahu signifies houses 4-2-5, and is connected with houses 2-4-5-12-1-8. Hence, during this period reunion is promised.

Bhukti lord, Venus, is in the star and sub of Rahu. Venus is occupant of 12, owner of 1-8. Star and sub lord, Rahu, is occupant of 4. Rahu is aspected by Saturn. Saturn is occupant of 2 and owner of 4-5. Thus, the bhukti lord, Venus, signifies houses 4-2-5, and is connected with 2-4-5-12-1-8. Hence, during this period reunion is promised.

Antra is that of Sun who is in the star of Saturn and sub of Venus. Sun is occupant of 1, owner of 11. Star lord Saturn is occupant of 2 and owner of 4-5. Sub lord Venus is occupant of 12, owner of 1-8. Thus, Antra lord Sun signifies houses 2-4-5, and is connected with houses 1-11-12-1-8. Hence, during this period reunion is promised.

My opinion: Reunion is possible up to 14-03-2016.

Outcome: Prediction comes out correct.

Iron Deficiency Disorder (IDA) - a live example of Retrograded Jupiter

By: Sumanadasa Namarathna (Sunaparantha Kalyan)
Ex-Accountant, Justice of Peace

SRI LANKA Email: sumana1946@gmail.com

The parents of a baby girl once sought my astrological advice regarding their daughter who seemed not to be in a normal health condition. She was feeling weak and getting tired easily, and was quite inactive compared with others. What I found, and my conclusions thereof, was a great chance for me to discuss about RETROGRADED JUPITER again, an issue that I have repeatedly discussed in this journal KP-EZine.

Birth Details:
Name: Gayani, Female, Date: Tuesday, 09/Oct/2012, Time: 01:45:00 AM. SID: 02:46:51, Place: Wathupitiwela Hospital, Western, Sri Lanka, Lat: 07:07 N, Lon: 80:06 E, Ayanamsa: 23° 56' 42", Lagna: Cancer, Star: Punarvasu-Pada 3, Bal. Dasa: Jupiter 06 Y, 05 M, 14 D, (SW used KPAstro 4.1)

Analysis
The Lagna falls in Cancer, the fourth sign of the Zodiac, which, in general, rules the Albumen (Blood), Blood Serum, Brain covering, Breast, Chest, stomach and digestive organs. The Lord of the sign Cancer, the Moon, is a Karaka planet for blood and blood circulation, and the prevailing fluids of the body. It rules the breasts, intestines, Lymph, Eye sight, Throat, Nervous debility, Chest, Mind and Kidneys. The sign, Cancer, being the fourth sign of the natural Zodiac, rules the Heart, Lungs, chest, and Blood of the Kaala Purusha.

The Lagna Lord is posited in the 12th (Hospitalization/Moksha or salvation/Renunciation/ Untreatable and Terminal), and this house falls in the sign Gemini which is owned by Mercury. The Lagna's Star and Sub Lord, Mercury+, is the lord of houses 12 (Hospitalization, Renunciation, Direct towards Moksha) and 3 (Mind, Away from Home), and is posited in the 3rd, in the star of Rahu that is in the 4th (Heart/End of Life) in conjunction with Mars. Mercury aspects houses 7 (Maraka) 10 & 11 (Badhaka). All these significations and connections of the Lagna Sub lord indicate the poor health condition of this little girl.

The 6th cusp of disease is under the rule of Jupiter(R), Venus and Rahu, these being the Sign Lord, Star Lord and Sub Lord, respectively. Jupiter(R), also being the lord of 9 (Fate), which is the 12th sign of the natural Zodiac, represents hospitals, and it is placed in the 11th cusp, which is the Badhakasthana for Cancer Lagna. Venus is Marakasthanadhipati. Out of the two representatives of Rahu, i.e. Mars and Jupiter(R), the most detrimental indicator is Jupiter(R), the lord of house 6 placed in 11 (Badhakasthana). The significations of the 8th cusp sub, Venus+, of the 12th, and 12th sub Moon of the houses 6 and 12 with 1 (Lagna), indicate that the native suffers from serious and chronic disease. Furthermore, the chief ruler of the blood, the Sun, being the lord of the 2nd cusp (Maraka) is placed in the 3rd, afflicting Virgo sign, the ruling house of Blood, and is badly afflicted by being placed in a star owned by Moon that is in the 12th, and in the sub of Venus (Badhaka), connecting with the 4th (Heart/Blood).

In the formation system of the blood, Mars has to do the special job of making Haemoglobin, a protein in the Red Blood Cells that carries oxygen throughout the body, in the liver, which is under the rule of Jupiter. Hence, I conclude that the native is suffering from deficiency of Red Blood Cells due to affliction of Jupiter(R), and as a result, lack of Iron in the blood. My astrological diagnosis is that the little girl is suffering from **Iron deficiency Anaemia (IDA).**

The native was born during the DBAS of Jupiter, Venus, Jupiter, and Rahu respectively, and all of them are found to be the significators of illness in this chart.

After my astrological advice to see a physician in this connection, they first suspected that it might be Thalassemia. Later, however, the medical personnel advised the parents to give her plenty of nutritional foods. They also informed them that the blood was at a low weight.

In the course of my study of Medical Astrology, I have found that Jupiter(R), when connected with a Node or any other retrograded planet in any natal chart, makes the native sick by means of blood related diseases.

May this little baby get well soon!

My sincere Pranams to Sri KSK ji and my Guru Sri Tin Win ji for showering me the knowledge.

Interview latter

By: Er. V.K Sharma
#104, City Enclave, Zirakpur, Mohali (Chandigarh).
Cell – 09417117370, E-mail: nick0885@gmail.com

A querent from Australia who has applied for some job was eagerly waiting for correspondence from the reputed multinational company since December 2016. He contacted me and asked me to check if there was any possibility for him to receive an interview letter and when?

Name of Querent	.Male
Horary number given by querent	123 [Between 1 to 249]
Date of judgement	4-1-2017
Time of judgement	12:38 P.M [Australia]
Place of judgement	Adelaide [Australia]

Moon, the indicator of Mind

Moon, lord of 11 in 6, is conjoined with Mars in 6, lord of 3. Moon is in the constellation of Jupiter who is placed in 1 and the lord of 9 and 7. Further, Moon is in the sub of Venus placed in 6 and the lord of 8. Hence, Moon is significator of 3 [correspondence / letter], 11 [fulfillment of desire], 6 [job/ service], 8 [tension/difficulty] which shows the querent's mind filled with tension about interview letter for the job.

Ruling Planets on 4-1-2017 at 12:38 PM at Adelaide, Australia

ASC SIGN LORD	JUP
MOON STAR LORD	JUP
MOON SIGN LORD	SAT
DAY LORD	MERC

Analysis

All kinds of correspondence, letters, papers, writings, means of communication, tickets, Certificates, Visa, Work Permits, etc. belong to the 3rd house. If the sub lord of the 3rd cusp is significator of houses 3 or 11, one gets the desired result or document. And the 11th cusp sub lord should also signify houses 3 or 11 for positive results.

3rd CUSP SUB LORD

Here the 3rd sub lord is Rahu who is placed in 11 and it is in the star of Ketu who is in 5. It is in the sub of Mercury placed in 3 and the lord of 1 and 10. In this case 3rd cusp sub lord is deposited in the sub of Mercury which is retrograde [Mercury is retrograde from 20-12-2016 to 9-1-2017].

As per Guru ji, K.S.KRISHNAMURTI JI, If the sub lord of a cusp is retrograde then event will materialise after the day when planet becomes direct. But, if the constellation of a planet and its sub, when either of them is retrograde, then the event will not materialize.

In the case under reference, 3rd cusp sub lord is deposited in the sub of Mercury which is retrograde on the day of judgement, that is on 4-1-2017. Further, 3rd cup sub lord, Rahu [Leo sign], and it star lord, Ketu [Acquaris sign], are both deposited in fixed signs. So I politely told the querent that chances of him receiving the interview letter are not indicated.

Facts of the case

Querent, who has applied for another better job in the first week of December 2016, was waiting for correspondence and an interview letter. He has not received any interview letter till date that is up to 18-2-2017.

Question: When I will get trasfet?
Date and place of Judgment: 16.08.16 Time 22.49.20, Gopalpura, Jaipur, Rajasthan

Hint: If the 10th cusp sub lord signifies 3,9,10 and 12, then transfer will occur during the DBA of significators of 3,9,10 and 12.

Analysis of 10th cusp: Jupiter is sub lord of the 10th cusp. Jupiter is in the star of Sun and sub of Rahu. There is no planet in the stars of Jupiter. Jupiter is posited in 3 and owns 6 and 10, and is connected with 2, 4, 8 and 10 by sublordship. Sun occupies 2 and owns 3. Rahu is posited in 2. Rahu represents Sun, Venus, and Mars. Venus is posited in 2 and owns 11. Mars is posited in 5 and owns 5.

Thus the 10th cusp sub lord is signifying houses 3 &10. This means that the transfer is sure. But house 8 is also being signified and that shows delay in transfer.

Significators of 3, 9 10 and 12

Cusp	Planet in occupant star	Occupant of house	Planets in owner star	owner
3	-	Mercury, Jupiter	Mercury, Jupiter, Moon	Sun
9	-	-	Mars, Saturn	Saturn
10	-	-	-	Jupiter
12	-	-	-	Mercury

Significator planets are Mercury, Jupiter, Moon, Sun, Mars and Saturn.

Rahu represents Sun which is in the RPs. So Rahu will be considered as a RP. Ketu represents Mars, and Mars is included in the RPs. Ketu will also be considered as a RP. So, the Ruling Planets are Mars, Venus, Moon, Saturn, Sun, Rahu and Ketu.

Common planets among RPs and significators are Jupiter, Mars, Saturn, Moon and Sun.

Running Dasha Sun: (23.1.2011 to 23.1.17)
Sun is a common significator, so transfer is sure before 23.01.17.
Running Bhukti Venus: (24.1.16 to 23.1.17)
Venus is not a common significator but it is the last Bhukti in the Dasha of Sun. So trans-

fer is certain before 23.1.17. Venus is also the cuspal sub lord of the 12th cusp and is included in the RPs which appear twice. So, Venus is also selected.

The interesting fact is that sometimes, despite not being a common planet, the cuspal sub lord and significator planet may be considered if the Dasha supports the materialization of an event. Venus is posited in 2 with Sun, and Sun is dashanath.

Antara: There are 4 antaras left during the Bhukti of Venus.

Running Antara of Jupiter (27.7.16 to 14.9.16): Antara of Jupiter is left out because it is not among the common planets and transfer is expected to be delayed, as well as the fact that three antaras are also there in the Bhukti of Venus.

Next antara is of Saturn (14.9.16 to 19.11.16). Antara of Saturn is also left out although it is a common planet. Transfer is expected to be delayed, so we can see the next Antara.

Now there are two Antaras left i.e. Mercury (11.11.16 to 2.1.2017) and Ketu (2.1.2017 to 23.1.17). We can evaluate them both and select accordingly. The fact is that both these planets are also not among the common planets. Mercury is significator of 3 and 12, and Mercury is also sub lord of cusps 3, 9 and 12. Ketu is not a significator of 3, 9, 10 and 12, but represents Mars which is a common planet. So Ketu is a better planet to get the job done.

Prediction: Transfer will happen during the Antara of Ketu i.e. during 2.1.2017 to 23.1.2017.

Outcome: Transfer orders came in month of December 2016, but the native joined his new post in another place, far from the present post, on 9 January 2017.

When transfer orders came in December 2016 I re-checked and found the above facts, and observed that there are two things in the event. First thing is the order of transfer, and the second is the native joining his new post. So I suggested that the native cannot join before 2 January 2017.

This example showed the role of the cuspal sub lord and the node ketu towards materialization of an event .

I am thankful to Sh Kanak Bosmia sir for his constant support to his students like us that despite our failure in predictions he always suggests that we re-check the reasons for failure. Thus, it really helps us to understand that astrology is a science based on rules and certain principles, and needs continuous practice.

Voting for the office of the Mayor of Mumbai will be held on 8/3/2017.

For BJP, the 10th CSL is Jupiter +3 (6 9) {10}, and is in thes. star of Mars 9 (5 10). It is in the sub of Saturn+ 5 (7 8) {6 12}. Thus, the 10th CSL signifies houses 3 and10. This is Ok for success.

For Shiv Sena, the 10th CSL is Rahu placed in house 2. It represents Sun+ 8 (2) { 1},and is in the star of Ketu placed in 8. Ketu represents the Sun+ 8 (2) { 1} & Mercury 8 (3 12), and Rahu is in the sub of Jupiter+3 (6 9) {10}. Thus, it signifies houses3 and10. This is ok.

DBA for BJP on 8/3/17

Dasha Mars 9 (5 10).Mars is in the star of Mercury 8 (3 12) and in the sub of Jupiter+ 3 (6 9) {10}. Thus, it signifies houses3 and10.

Bhukti Jupiter+ 3 (6 9) {10}.It is in the star of Mars 9 (5 10) and in the sub of Saturn+ 5 (7 8) {6 12}. Thus, it signifies houses 3 and10. This is ok.

Antara Venus+ 9 (4 11) {5}. Venus is in the star and sub of Mercury 8 (3 12. Thus, it signifies houses 3 and 11. This is ok.

DBAS for Shiv Sena on 8/3/17

Dasha Mars 3 (11 4). Mars is in the star of Mercury 2 (9 6), and in the sub of Jupiter+ 9 (12 3) {4}.Thus, it signifies houses 3 and 11.

Bhukti Jupiter+ 9 (12 3) {4}. Jupiter is in the star of Mars 3 (11 4), and in the sub of Saturn+ 11 (1 2) {6 12}. Thus, it signifies houses 3 and 11. This is ok.

Antara Ven+ 3(10 5){11} in star of Mer2(9 6)in sub of Mer 2(9 6), signifying 3,10,11, ok.

If we compare the above Antara favors iShiv sena as signify 3,10,11 compared to BJP antara favoring 3,11 only

My Opinion : BMC Mumbai mayor will be from Shiv Sena.

Today (5/3/17) prediction comes true as BJP has withdrawn nomination for mayor and ready to support Shiv Sena.

Long Live KP and special thanks to Kanak Sir for his wonderful teaching.

A Re-look on my Horary Analysis

By: VSN. Murthy, (K.P. Astro Consultant)

KURNOOL- 4. (AP) Mobile:- 09440220874.
E-mail:- vsnm_vdl@yahoo.co.in; Vsnm.vdl@gmail.com

One of my long time clients came to me and asked the following question by giving a horary number 196/249.

Question:- I am badly in need of money. Shall I get help from my close friend?
Horary No.196/249; DOJ:-28-06-2016; TOJ:-02-54-11 PM; POJ:- Kurnool.(AP).
MOON indicates the mind of the querent. Moon (3-7) is in the star of Mercury (5-6, 9), and in the sub of Venus (6-5, 10). 6 indicates loan. So, the question raised by the querent is a genuine one. So, we can proceed to further analyse the horary chart.
Fulfillment of the desire is indicated by the 11th house. 11th cusp sub lord in this horary chart is Mercury.
Mercury (5-6, 9) is in the star of Mars (10-4, 11), and in the sub of Venus (6-5, 10). Here, the 11th CSL Mercury's star lord, Mars, is in retrogate motion.

"Planet in direct motion if deposited in the constellation of a retrograde planet, one cannot have success". (Horary Astrology-Reader VI – Page no. 146).

Hence I declared that this querent will never get any sort of financial help from his close and intimate friend.
Actual fact:- My client got financial help from his friend on 20-08-2016 and received cash Rs.80,000/-

Re-look of my analysis is as follows:-
My client received Rs. 80,000/- on 20-08-2016 (during the period of Mercury/Venus/Ketu/Mars which was running from 18-08-2016 to 22-08-2016).
From this, it clearly reveals that **RETROGRESSION SHOULD NOT BE CONSIDERED in horary also.**

" Planet is the source, constellation indicates nature of the results, and the SUB is the deciding factor whether the matter is favourable or not."
Based on this rule, it is proved beyond doubt that the sub is a decider even when the star lord does not favour the result.
Here, in this chart, Mars the star lord of the 6th sub lord (Mercury), though it is in retrograde motion, since the sub lord Venus (sub lord of the 6th sub lord Mercury) as a decider signified 6th, it has given favourable results.
I have overlooked one more important point that –
"even though the star lord is in retrograde motion, if it signifies one of the relevant houses of judgment (Mars-11 as sign lord), it will give the positive result when the retrograde motion turns in to direct motion and comes on to the original longitude position from where it became retrograde in motion."
Here, in the chart, Mars, the star lord of the 6th cusp sub lord at the time of judgment, was in retrograde motion, and became direct on 01 July 2016 (and came to the original retrograde longitude position (14-49 degrees) on (original retro date18-4-2016) on 22-8-2016. So, it has given the positive result on 20/8/2016.

K.P. Rule for getting financial help:- In horary charts, sub lord of the 11th cusp should not be retrograde and should not be deposited in the constellation of retrograde planets, and it should be the significator of houses 2,6 or 11, then one will get financial help from a particular person (his friend) during the conjoined dasa period of 2-6-11.

1st cusp denotes the querent. 7th cusp indicates the opponent/financier. 8th house indicates financial status (money) of the financier (7th cusp). 8th is the 2nd from the 7th. Hence, when the 8th cusp sub lord signifies 8-12 or 5, one will get monetary help from a particular person.

In this horary chart, the 11th CSL Mercury (5-**6**, 9) is in the star of Mars (10-4, **11**) and in the sub of Venus (**6**-5, 10).
[In the signification of Mercury (11th CSL), improving houses can be seen in total 5 where as non-improving houses can be seen only 4]. So we can say yes to the querent. In this horary map, 8th CSL SUN (6-8) is in the star of Rahu (8) and in the sub of Mercury (5-6, 9). Rahu is conjoined with Jupiter (8-3, 12); aspected by Saturn (11-1, 2) and in the sign of Sun (6-8).

Actually as per bhava system, Sun is in the 5th bhava, but it is a custom now- a- days that every astrologer is applying the ORB theory. As per Orb theory, Sun signifies the 6th.

Horary time Ruling Planets:- Lagna = Venus-Rahu-Mars; Moon = Jupiter-Mercury-Venus; Daylord=Mars. Both nodes represent Jupiter, which is in Moon sign lord as RP. So Rahu and Ketu should be included in the RPs. Then the total RPs are Venus, Rahu, Mars, Jupiter, Mercury and Ketu.

COMMON PLANETS from significator & RPs are Mars, Mercury, Jupiter, Venus, Rahu and Ketu.

At the time of judgment, Mercury/Venus/Mercury joint period was running from 03-03-2016 to 27-07-2016. As Mercury has already appeared as Dasanatha, it may not be taken into consideration as Anthranatha. Next to him, Ketu can be selected as it is in the common planets. Next, Mars can be selected as sookshmanatha because it is also in the common planets. On 20-08-2016 my client received Rs. 80,000/- from his friend.
Dasanatha Mercury (5-**6**, 9) is in the star of Mars (10-4, **11**) and in the sub of (**6**-5, 10).
Bhukthinatha Venus (**6**-5, 10) is in the star of Rahu (8) and in the sub of Moon (3-7). Rahu is conjoined with Jupiter (8-3, 12); aspected by Saturn (**11**-1, **2**) and in the sign of Sun (**6**-8).
Anthranatha Ketu (**2**) is in the star of Jupiter (8-3, 12) and in the sub of Saturn (**11**-1, **2**).
Sookshmanatha Rahu (8) is in the star of Venus (**6**-5, 10) and in the sub of Saturn (**11**-1, **2**).

Will bharatiya janatha party win up elections in 2017?

Out of sheer curiosity to know the winning chances of BJP in the UP assembly elections to be held in 2017 (Feb-March), a horary question suddenly arose in my mind on 28 Jan 2017 @my residence @04-39-00 PM hours, and I plotted the chart immediately. The chart for horary no. I89 plotted @ 04-40-07 P.M. is attached.

KP rules (refer Sri Kanak Ji article in K P E zine of Dec 2011)

If the 10th cusp (one's position in politics) sub lord signifies 10- one's position, 3- one's ability, and 11- success of one's reputation. I have also additionally taken account of these houses from the opposition's perspective to make sure of the loss of the opposition which is a gain for the native in question, and then success is promised.

As per the chart—10th cusp sub lord is Mercury+. No planets are placed in Mercury stars, and it signifies 10 strongly as cuspal sub lord. Mercury is the lord of 2 and 11 placed in the 5th. Mercury is in Venus star, who is lord of 3 and 10, and placed in the 7th, and it is in the sub of Saturn, lord of 6 and 7, placed in the 4th house.

Thus, the 10th cusp sub lord Mercury + signifies houses 3, 10, and 11 at star level, and 6 at its sub level, thereby assuring success in the elections.

As per the conventional rules on Elections—

Sub lords of 1, 6, & 11 cusps should be strong significators of Upachaya (progressing) houses (1, 2, 3,6,10 & 11) for predicting the success of BJP.

Similarly the Sub lords of 7, 12 & 5 cusps should be strong significators of non-improving houses (4, 5,7,8,9 &12) to favor the victory of the opponents.

For BJP: - In this chart, 1st CSL Rahu (1) is in the star of Ketu (7). 6th CSL Mercury (5-2, 11) is in the star of Venus (8-3, 10). 11th CSL Moon (6-12) is in the star of Moon (6-12).

For Opposition Party: - In this chart, 7th CSL Moon (6-12) is in the star of Moon (6-12). 12th CSL Mercury (5-2, 11) is in the star of Venus (8-3, 10). 5thCSL Rahu (1) is in the star of Ketu (7).

From the above, it can be construed that the improving houses (1, 2, 3, 6, 10 &11) appeared 7 times in favor of BJP and non-improving houses (4, 5, 7, 8, 9 & 12) appeared 5 times in favor of Opposition Party. This analysis indicates that BJP has fair chances of winning over the Opposition Party.

Significators of 3-6-10-11 houses are—
3= Mercury- Venus/ 6=Sun- Moon- Merc- Jup- Rahu- Kethu- Mars- Sat.
10=Mercury- Venus. / 11= Mars- Merc.

PERIOD ANALYSIS—let me check this with running period and how far it supports the issue under question.

UP Assembly Elections 2017 Dates

The present dasa lord is Moon up to 2019. Moon is a RP, and is significator of 6. This is Ok.

The bhukthi lord under Moon dasa is Kethu (up to April 2107). Ketu is in the RPs and is a significator of the 6th. And Kethu signifies 6 at sub level. This is OK.

Jupiter, antara lord, is up to 2/2/2017, in the RPs and significators.

Saturn, antara lord up to 7/3/2017 is in the RPs and significators.

Both antara lords cannot be taken as the election dates do not fall during its periods.

Mercury antara lord runs from 7 March 2017 to 7 April 2017. Mercury is in the RPs twice reflected. Mercury is a significator of all the relevant houses 3-6-10-11.

Mercury signifies 3, 6, and 10 at its star level, and 11 at its sub lord level, and this assures success.

Venus, sookahma lord, runs from 13 March 2017 to 19 March 2017. Venus, a significator of 3 and 10, and signifies, at its star level, houses 3 and 10. This clearly indicates success.

Based on the above analysis, I feel BJP is likely to have success in the 2017 elections.

Will my Mother get ZP election ticket?

Will my Mother get ZP election ticket on 27/1/2017 or 1/2/2017 ?
Question was asked by my friend for his mother on 15/1/2017. Horary number was received from his mother.

Rule 1 - If Asc cusp sub lord signifies ...6,10,11
Rule 2 - If 3rd CSL signifies 6,10,11

For Opponent favourable houses ...12,4,5

Rule 1... Asc cusp sub lord Sat+ {1}, 2 (4, 5) is in the star of Mer 2 (9, 12), and in sub of Sat+ {1}, 2 (4, 5). Thus it signifies for the opponent i e 12, 4, and 5

Rule 2....3rd CSL Jup 12 (3, 6) is in the star of Mars 5 (2, 7) and in sub of Sat+ {1}, 2 (4, 5). Thus it signifies only 6 and is ok. But it is favouring the opponent i.e. 12, 4, and 5.

Running DBAS Ket-Jup-Mer-Mars
Dasha of Ketu: Ketu in 4 Conj with Mars 5 (2, 7) and Ven+ 4 (1, 8) {2 8}. It is in the star of Rah in 10 conj with Moon + 10 (10) {10} signifying 4,5 and 10 also.

Bhukti Jup: Jup 12 (3, 6) is in the star of Mars 5 (2, 7) and in the sub of Sat+ {1}, 2 (4, 5). Thus, it is signifying 6, and also 4 and 5.

Antara Mer: Mer 2 (9 12) in the star of Ketu in 4 Conj with Mars 5 (2, 7) and Ven+ 4 (1, 8) {2, 8} and in the sub of Jup 12 (3, 6). Thus it is signifying 12, 4, and 5.

Sookshma Mars: Mars 5 (2, 7) in the star of Jup 12 (3, 6) and in the sub of Ketu in 4 Conj with Mars 5 (2, 7) and Ven+ 4 (1, 8) {2 8}. Thus it is signifying 12, 4, and 5.

So, the Asc and 3rd CSLs and the DBAS lords do not favour positive results for the native but are, in fact, favouring the opponent.

Prediction .... Your mother will not get ZP election ticket.

Actual Outcome ... on 1st Feb 2017, my friend informed me that his mother did not get the election ticket.

Long live KP and special thanks to my teacher Shri Kanak Bosmia Sir for his wonderful teaching.

Question 1: A planet having no planet in its stars

I request you to clarify the below for my knowledge.

1. Suppose the CSL of 6, Venus, a planet, is not having not having any planets in its all the three stars. So venus become strong significators for 6th house, where it is a sub lord. At the same time Venus signifies other houses also under A, B, C and D significators. Under ABCD significators, 6th house is not there.

My doubt is whether Venus signification for 6th house is stronger than significators under A categery OR where it will stand ?.

Answer 1

A planet having no planet in its stars is the strong significator of houses for which it is the cuspal sub lord. (KP Reader III, pp 309/316)

So here Venus' signification for 6th house is stronger than significators under A category.

Question 2. Maraka and Bhadhaka houses

For a Mesha/ aries born people, 2 and 7 are marakas and 11th is Bhadhaka . My doubt is, is it 2 , 7 and 11 houses or Rasis?.

Due to displacement of houses, some Rasis may not have any house. For example, one cusp is at 28 deg in Aries and the next house is at 2 deg in Gemini, leaving Taurus without any cusp i.e. without owning any house.

Answer 2

The Jataka Parijata originated Badhaka and well known 2,7 Maraka concepts are originally Rasi-sign based. But in the Placidus unequal bhava applied KP, the Badhaka and Maraka are Placidus-Bhava- based, for instance:
(1) KP Reader VI (any Edition) pp 156-157;
(2) C.R. Bhatt: Further Light of Nakshatra Chinttamani pp 31, 158;hava
(3) K. Hariharan: How to Judge Longevity? pp 32, 68, 82;
(4) K.P. & Astrology 2005 p 16 (Vijay Kumar: Father's Sickness, A KP Appraisal)

It is to be careful in application of rasi based Hindu aspects in the Placidus unequal bhava -based KP chart when two or four rasis are intercepted (any cusp is not falling in two or four rasis).

Is Saturn in 8th house good or bad for longevity?

By: Tin Win

Email: tw853@yahoo.com

There is a general saying by some that Saturn in 8th house indicates long life by being the karaka of the 8th house and longevity. But the following empirical study of 21 charts with Saturn in 8th houses shows the opposite result. Out of 21 charts under study, only 4 charts survive over 70 years of age.

In this study longevity is found generally shortened by the Ascendant cuspal sub lord (CSL)'s connection to Badhaka (11th house for moving, 9th for fixed and 7th for common sign Ascendants), Maraka (2,7 houses) and 6 (sickness),8 (serious ailment, danger to life),12 (Moksha) houses, without getting significant help from live saving 1,5,11 signification.

The Dasa/Bhukti/Antra/Sookshama lords at the time of death are generally satisfied the KP death rule of signifying Badhaka, Maraka, Moksha, 6,8,12 houses, along with 4 (end of everything), and 10 (retirement from this world).

Saturn in 8th house in President Donald Trump's swearing-in chart and its Asc. CSL's signification may not indicate full term of presidency.

President Donald Trump's swearing-in chart, January 20, 2017, 12:00:13 p.m. , hr 5w, Washington D.C., US Capitol, 38 N 53, 77 W 01, KP Ayanamsa: 24° 0' 18", Aries Lagna 20:13:00, Scorpio Sa 29:30:14, Bal. Dasa: Rahu 0 Y, 2 M, 15 D
Asc. cuspal sub lord CSL) Ju:6,9-12/ is in star Ma:11Badhaka,1-8/ in sub Sa+:8,10-11Badhaka, + CSL of 3,5,6,9,11Badhaka,12 having no planet in its stars. Ju also as 10th (power) CSL also indicates 5,8,12 houses of loosing power.

Good luck!

For rectification of birth time, the following birth particulars of a boy are given by his parents saying that there may be five minutes difference in birth time.
Name:- Chi. Pagidyala Vasudeva; DOB = 28-03-2005; TOB = 07-34-00 AM; POB = Kurnool (AP)
RP. Date = 13-03-2016; RP. Time = 06-25-10 PM; RP. Place = Kurnool (AP)
Lagna = 149-37-57=Sun-Sun-Rahu-Jupiter;
Moon= 031-08-56=Venus-Sun-Rahu-Mars;
Daylord= Sun;

Note:- Saturn aspects Moon. So, Punarphoo yoga is formed.
Ketu is conjoined with Sun who is among the Moon's 4 RPs. Ketu is in the sub of Venus which is seen among the total 9 RPs. So, Ketu should be included as part of Moon RPs additionally.

Then **total Moon RPs are Venus-Sun-Rahu-Mars and Ketu.**

NOTE: Lagna should be checked for the given date (28-03-2005), and place (Kurnool, AP) from 07-29 AM to 07-39 AM.

We have Venus-Sun-Rahu-Mars and Ketu as Moon RPs. Mars and Ketu are in the list of Moon RPs. So, both of them are selected, Mars as Signlord, and Ketu as Star lord of the lagna.

07:38:37 AM Ma Ke Ju

We have Venus-Sun-Rahu-Mars and Ketu as Moon RPs. (1) Rahu is a node, which is more powerful than any other planet. (2) Due to punarphoo yoga, Rahu is selected being the last one.

Location: KURNOOL, ANDHRA PRADESH, India

We have Venus-Sun-Rahu-Mars-Ketu as Moon RPs. Already, Mars, Ketu and Rahu have been selected as the Sign, Star and Sub lords of the lagna. The remaining planets in the list of Moon's RPs are only Sun and Venus. Among them, one should be selected. As Venus comes first among these two as per VMD, it is selected as Sub-Sub lord of lagna. It will be nearer to the given birth time.

07:37:05 AM Ma Ke Ra Ve Me
07:37:15 AM Ma Ke Ra Ve Ke
07:37:19 AM Ma Ke Ra Su Su

We have Venus-Sun-Rahu – Mars and Ketu as Moon RPs. We have already selected Mars, Ketu, Rahu and Venus as Sign, Star, Sub and Sub-Sub lords of the lagna. Now only Sun remains in the list of Moon's RPs. So it should be selected.

Astrologically, the corrected birth time is 07-36-24 AM.

Rule of Origin:- Lagna cusp starlord/sublord should be related in any way to the 9th cusp starlord/sublord.

In this natal chart, the sub lord of the Lagna cusp is Rahu, and the star lord of the 9th cusp is Ketu. Both of them are in the sub of Saturn. Thus, the Lagna sub lord Rahu, and the 9th cusp sub lord Ketu, are related through a third planet Saturn. So, the birth time is correct.

RULE:- 10th Cusp Sub lord of the native should be tallied with the Star lord or sub lord or sub-sub lord of Moon of the R.Ps at the time of judgment.

In this natal chart, the 10th CSL Rahu has appeared as the sub lord of Moon in the RPs at the time of judgment. Moon RPs at the time of judgement are Venus-Sun-Rahu-Mars.

RULE:- Lagna Sub should have connection with 4th and 9th Cuspal sublords.

In this natal chart, 4th & 9th CSL is Moon. Lagna CSL is Rahu. Rahu can be seen as Moon's star lord. Thus Lagna sub lord has connection with 4th and 9th cuspal sub lords.

Nakshatra (Birth star) of the native should be tallied with the relatives:-

This native's mother's birth star is **Poorvabhadra (Jupiter's star)** and his father's birth star is **Uttarashadha (Sun's star**). His 4th & 9th CSL, Moon, is in the star of Rahu. Rahu represents **Sun**, Mercury, **Jupiter**, Venus, and Saturn. Thus, his 4th (mother's) & 9th (father's) cuspal sub lord's star lord tallies with the birth stars of his mother and father.

KP RULE:- Sacred Thread Ceremony is celebrated during the conjoined period of the significators of 1(Self) -9 (Brahmopadesam) and 11(Siddhi).
Sacred Thread Ceremony was celebrated on 05-05-2014 during Rahu dasa-Venus Bhukthi - Mercury Anthra-Sun Sookshma.

Rahu =26-05-2000 to 26-03-2018.
Venus =12-10-2011 to 12-10-2014
Mercury=07-03-2014 to 09-08-2014
Sun =03-05-2014 to 10-05-2014

1st house indicates the native.
9th house indicates father. Even, now-a-days also, father is invariably the spiritual preceptor or Guru of the children to whom he initiates Brahmopadesam and transmits his "Siddhis" or psychic powers.

11th house :- Labha (profit or gain); Aya (income of all kinds of receipts); Agamana (acquisition); Apti(gain); Prapthi (What is unto one); Kama (desire, passion); Siddhi (fulfillment of one's desire); success in all undertakings.

1) Dasa Lord Rahu (12) is in the star of Mercury (12-3,4,6) and in the sub of Saturn (4-**11**). Rahu represents Jupiter (6-**9**,10,12), and Saturn(4-**11**).Thus, Dasa lord Rahu signifies houses **11 & 9.** OK.
2) Bhukthi Lord Venus (12-2,7) is in the star of Saturn (4-**11**), and in the sub of Mars (10-**1**,8). Thus, Bhukthi Lord Venus signifies houses **11 & 1**. OK.
3) Anthra lord Mercury (12-3,4,6) is in the star of Saturn (4-**11**), and in the sub of Jupiter (6-**9**-10-12). Thus, Anthra lord Mercury signifies houses **11 & 9**. OK.
4) Sookshma lord Sun(12) is in the star of Saturn (4-**11**), and in the sub of Rahu (12). Rahu represents Jupiter (6-**9**,10,12), and Saturn (4-**11**). Thus, Sookshma lord Sun signifies houses **9 & 11**. OK.

If the sub lord of the Asc. be the significator (i.e. in the star of the occupant or owner) of the houses 6 (sickness) or 8 (danger to life) or 12 (hospitalization), it is not good for health.

In this natal chart, the sub lord of the Ascendant is Rahu. He strongly signifies house 12, and house 6 feebly. So it is not good for health.

The native may suffer from sickness or disease, during the joint period of the significators of houses 1 and 6, or 1 and 8, or 1 and 12.

1) If the sub lord of the 8th or 12th cusp be the significator of houses 6 or 8 or 12, then the native suffers from serious illness or chronic disease, or a disease which might bring some permanent defect that is related to the Sign and House of the 6th cusp sub lord and its star lord.
   In this birth chart, the 8th CSL, Ketu, signifies houses 6 & 8. The 12th CSL, Moon, signifies the 12th house strongly. The 6th CSL, Rahu, and its star lord, Mercury, are in Pisces sign. So, this native may have a permanent defect/disease which relates to Pisces sign (Watery sign). So, this native is suffering from obesity.

2) During the joint period of the significators of houses 1, 5 or 11, the disease is cured

KP RULE:- For one to have good education, the sub lord of the fourth should be well connected to houses 4-9-11, and with no connection at all to houses 8-12. At the same time, the fourth sub lord should not be subjected to aspects from Saturn and Mars.

In this natal chart, the fourth cuspal sub lord Moon (7-5) is in the star of Rahu (**12**), and in the sub of Jupiter (6-**9**,10,**12**). Both Saturn and Mars are not aspecting the 4th CSL Moon at all. Signification of house 12 is not good for higher education.

Illegitimate Birth

The word "Illegitimate" stands for illegal, unlawful, illicit, against the law etc. In case of child birth, when the parents are not lawfully married to each other, the child is known as Illegitimate or a Bastard person.

There is no argument that each and everything in this universe is under the purview of planets and hence there should be Astrological reasons for this type of births. When we go through the classical astrological treatises, we can see two comments delivered by great sages with some astrological behavior of the planets in a natal chart of so called bastard births.

A) Varaha Mihira, who is highly praised as the father of Hindu Astrology, has said in his Brihat Jathaka, Chapter 5, Stanza 4 as below.

If Jupiter aspects neither the Lagna nor the Moon, or if there is no aspect of Jupiter on Sun and Moon located in one sign, the birth should be declared without doubt as BASTARD. It is also a bastard birth if Sun and Moon are in the company of the malefics. (Brihat Jathaka translated by Prof. P.S.Sastri)

Prof. P.S. Sastri had shared his experience in support of the above mentioned sloka in the commentary of his translated Brihat Jatak that a Jupiter under heavy affliction could not prevent a bastard birth by giving an example birth chart of a boy born from a man other than the legitimate husband of the mother. (Ibid page 58)

B) King Kalyanavarma says in his Saravali, chapter 9, stanza 32 & 33,

Moon, or Lagna sans Jupiter's aspect; Luminaries being together without Jupiter's aspect; Luminaries along with malefics not receiving the aspect of Jupiter; Sun, Moon and Jupiter simultaneously in fall, while Saturn is in Lagna, and Lagna, Moon and Venus not being in aspect to Jupiter, lead to birth outside wedlock.

However in 2009, one KP follower from India, has gone through some bastard natal charts, using these two rules, to find out the validityof the rules but in vain and posed a conundrum to arrive at a KP rule for illegitimate births. At that time, no rule for bastard births was available in KP, and no KP astrologer has undertaken any studies in this regard. Even today, according to my knowledge, no KP rule for bastard births has been adopted by anyone.

As a researcher of KP, I hope and trust that the below study of illegitimate birth will fill the gap in KP. For this study, I have examined 10 bastard charts.

Bastard child is born as a result of living together with a male out of wedlock by the mother of the native. In other words, it is a love affair that goes beyond ethics to have enjoyment in the form of extra-marital sexual relations. Secret or open love and sexuality is under the rule of the 5th cusp in KP.

KP rule for extra marital sex:

If the sub lord of the 2nd cusp is connected with the 11th house, one will keep a keep. (KP Reader 4, 1984/2002 Edition, page 146)

All matters of physical pleasure, including Pursuit of pleasure, Rape, Sensuous enjoyments, Sex instincts, Sexual involvement, Social intercourse between sexes prior to wedlock, Extra marital sex are ruled by the 5th cusp.

Let's see the rule as per "KP House Grouping- Part 1" of Sri Tin win ji, in the KP-EZine October 2007 issue.

"***The scandalous love affairs are indicated if the 5th cuspal sub lord signifies the 5th house (love affair, sex for fun), 8th house (secrecy, sexuality, issues of manipulation, insults, licentious, and scandals) and 12th house (secrets, bed pleasure, loss of reputation, self-undoing, enemies) during the joint dasa period of the significators of 5,8,12 houses."***

At the same time we have to look for the planet Venus, that makes a person crave for the opposite sex. Venus' (pleasure, sex, indulgence, relationships, fun, female energy) connection with Mars (sexual energy, drives, lust especially in conjunction with Venus, action, male energy).

Generally, all extra-marital matters of a person are called "licentiousness". (In Sinhalese "Anaacharaya", In Hindi "Duraachaar", in Tamil "Kaamaveri"), ruled out by the 8th house.

Below are the rules for Pre & Extra Marital relations as per the KP House Grouping of Sri Tin Win ji.

1) Enjoying pre-marital sex (having a love affair with sexual relations): if the 5th cusp sub lord signifies houses 5 & 12 or 5 & 8 or 11 & 8, then it occurs in the DBA of the significators of houses 5,8,12,11.
2) Scandalous love affair: if the 5th cusp sub lord signifies houses 5,8,12, then it occurs in the DBA of the significators of houses 5,8,12 .
3) Having an affair with one's partner: if the 5th cusp sub lord signifies houses 8,5,11, then it occurs in the DBA of the significators of houses 8,5,11.
4) Keeping a keep/ mistress: if the 5th cusp sub lord signifies houses 7,11,2, then it occurs in the DBA of the significators of houses 11 and 2 (without 7).
5) Keeping a keep: if the 2nd cusp sub lord signifies house 11 (without 7), then it occurs in the DBA of the significators of houses 2,11,5.

In this study, the chart of the bastard native is to be scrutinized to see the *licentiousness* of his mother. To delineate the planetary reasons, as per the above rules, from the chart of the bastard native, the 4th house (Mother) is to be taken as the Ascendant of the mother. The 2nd house of the mother is the 5th house of the bastard native, and the 8th house of the mother is the 11th house of the bastard native. In other words, the 5th and 11th houses of the bastard native are to be examined to obtain the expected facts.

The table below is provides the summary of my study.

1) Looking for the 5th cuspal sub lord

2) To have a bastard child out of wedlock for a woman, clear significations of sexuality are to be indicated in the horoscope. As said above, Venus plays a vital role in connection with this issue. Below is the summary of the connections of Venus for the above charts.

Chart ID	Behavior of Venus
Bstd 01 David	5th Lord, connected with Mars -Sex force
Bstd 02 Jesse	Ve+ 5th Lord, connected with Mars -Sex force, aspected by Ju for enhancing of desire and satisfaction
Bstd 03 Ted	Ve+ 4th Lord connected with Mars - Sex force, mutual connection with Ju for enhancing of desire and satisfaction

Notes: In the above table, the 4th is the Lagna and 5th is the 2nd, 8th is the 5th and 11th is the 8th of the mother.

3) Nodes

Astrologically, Nodes Rahu and Kethu are not considered as retrograding planets. But, their actual transition is backwards, and in most of my studies I have found, and repeatedly discussed in this journal about nodes, who act similar to planets in retrogression. Even in this study, Rahu or Kethu presents Saturn, the chief indicator of illegitimacy (as in table 1), and Venus, in all the charts under study.

Findings

1) Saturn presents for 5th house in almost all charts (100%).
2) Retrograded Saturn presents as the sub lord of the 5th house in 5 charts out of 10 (50%).
3) Venus signifies cusps 4 or 5 or 8 or 11.
4) Nodes are representing both Saturn and Venus.

Conclusion

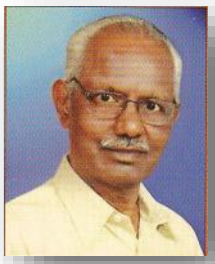
If Saturn be the star or sub or any type of significator for the 5th cusp, and Venus is connected with cusps 4 or 5 or 8 or 11, and Saturn, and/or Venus, is represented by Rahu or Kethu, the native is an illegitimate birth.

Author's note

Due to difficulties of collecting the correct natal charts of illegitimate births, I have selected 10 of the most accurate charts from known sources. Hence, this conclusion will not be the final rule for the issue. But I request all KPEZine readers to test this gear with personally known births of bastards and to contribute towards framing a final KP rule for Illegitimacy, in order for us to fulfill the ambitions of our great Guru Sri K S Krishnamurthy and for the sake of KP followers.

My sincere thanks to the Astro Data Bank (http://www.astro.com), and Sri Dhirendra Nath Misra ji of India, for their assistance in collecting the data.

I bow down my head at the Lotus feet of Guruji Sri KSK ji and my KP Guru Sri Tin Win ji!



Will our cousins get their money from their uncle?

My wife and her brother were trying to help their cousins in getting their legitimate share of money from their uncle. They were worried about their efforts in settling the matters by mediation process as elders and well-wishers of both the families. This process was going on for more than two or three months. When I saw my wife was worried about the outcome of her efforts in helping the children, I, too, got curious about it, and suddenly it struck my mind that I should know the result with the help of astrology and that too through our favorite KP system applying its horary methods.

On 2nd Feb 2017, at 12:18:17 pm, I plotted a time chart for the query "whether our cousins will get their money from their uncle? If so, when?"

What do the KP rules say in this regard?

If the sub lord of the 8th cusp (sudden monetary gains) signifies houses 2- money income, 11- accomplishment of the efforts and fulfillment of desire, 8- sudden monetary gains / windfall/ unexpected income, then the matter in question will be materialized.

Analysis as per the chart—

The sub lord of the 8th cusp is RAHU. Rahu is placed in the 4th. Rahu is in Kethu star who is placed in the 10th, and in the sub of Saturn, lord of the 10th and 11th and placed in the 8th.

Rahu represents Sun, lord of the 5th placed in the 10th, and Sun, through its sub lord Mercury, signifies the 6th also.

Kethu, the star lord, represents Saturn who is lord of the 10th and 11th, placed in the 8th.

Thus, the sub lord of the 8th cusp, Rahu, signifies houses 4 and 10 at the star level, and houses 8 and 11 at its sub lord level. It shows that the event of getting money is promised.

The 11th cusp indicates my cousin's uncle (11th is the 3rd house from the 9th house), and its sub lord is Venus +. No planets are placed in Venus stars and, therefore, Venus strongly signifies at its star and sub lord levels- Saturn—10, 8, 11. Thus, the 11th cusp promises the receipt of money by way of sudden gains from their uncle.

Since Rahu signifies the 6th also through Sun (Sun being in Mercury sub), it indicates the receipt of money by way of cheque. (If the 8th cusp sub lord signifies houses 6 & 11, one will receive money by cheques, and the opponent loses.)

Normally, the 7th house indicates with whom the native transacts, and the 6th house indicates negation of the 7th due to which it causes a loss to the 7th, which also consequently, indicates profit to the native.

The sub lord of the 6th cusp, Venus +, influences houses 2 and 11 as a co-ruler and signifies the 11th and 7th houses.

The 3rd house indicates appeal by the cousins to their uncle for payment of their share of money.

The sub lord of the 3rd cusp is Jupiter+. No planet is placed in Jupiter stars and so Jupiter strongly signifies the 3rd house and its representative matters – appeal with their cousin – uncle.

Jupiter is in the star of Mars, who is lord of the 1st and 8th and posited in the 11th. It is in the sub of Saturn who is the lord of the 10th and 11th and is placed in the 8th. Thus, Jupiter + strongly signifies the 11th at both levels, and assures success of our appeal and efforts.

Ruling Planets at the time of judgment are—

Mars and Venus are conjoined. Sun and Merc are conjoined.

Whether BJP will win Uttar Pradesh State elections 2017?

By: Anil Kumar Sehgal
(K.P. Astrologer & Civil Engineer)

One of my office friends asked from me whether BJP will win Uttar Pradesh State elections. I asked him to give a number between 1 and 249. He gave 249 as the number. So I calculated horary chart and did analysis as per the rules of K.P. astrology which is as under:-

"As per Kanak Bosmia's rule, check the third cuspal sub lord. If it signifies houses ten & eleven, then the victory is sure."

So, based on the above rule, the chart was framed on date: 5.3.2017, Time 4:47 PM, Place Delhi and Horary Number 249. The analysis is as under:

The 3rd cuspal sub lord is Jupiter(R), which is lord of the1st house & 10th house, posted in the 7th house. It is aspecting the 11th house and the first house. Jupiter is in the star of Mars which is posted in the 1st house, and Jupter is in the sub of Saturn, which is lord of the eleventh placed in the ninth house. Saturn is in the star of Ketu which is in the eleventh house.

So, the third cuspal sub,lord signifies the houses 1, 10, and 11 which gives the indications of victory for the BJP party in the 2017election.

Now, here I also calculated how many seats BJP will get. For this purpose, I took houses (1, 6 &11). First house Lagna (Party BJP), sixth house competition, & eleventh house fulfillment of desires or achievements.

a) Take the cuspal sub lord of the first house which is the planet Saturn. It is in the star of Ketu. The positional Degree of Saturn is 2^0 -53' in Dhanu Rasi, and star of Ketu is up to 13^0-20'. So, the remaining degree (duration) is 13^0 -20' minus 20 – 53' = 10^0 – 27' i.e. 627 minutes.

b) Take the cuspal sub lord of the sixth house which is Mars. It is in Mesha Rashi, and in the star of Ketu. Mars' positional Degree is 2^0 – 37' and Ketu star ends at 13^0 – 20'. So, the remaining (duration) degree is 13^0 – 20' minus 2^0 – 37' = 10 – 57 i.e. 657 minutes.

c) Take the cuspal sub lord of the 11th house which is again Saturn, as explained above, the remaining duration is 627 minutes

Now total (sum up) the remaining minutes (9) + (b) + (c) = 627 + 657 + 627 minutes = 1911

And, total minutes are 2400.
So, total seats are 403 in election.
The number of seats which BJP will get is 403x1911/2400 = 320.88, say 321 seats.
This was my opinion that BJP will get more than 320 seats
Thanks to my Guru ji N.Mohan & K.P. Astrology.

Horary No: 27/249
Query: When will my husband come home from jail on bail?
Time and date of judgment: 11.24.13 am, 22 October2016
Place of Judgment: Gopalpura, Jaipur, Rajasthan

Hints: If the 12th cusp signifies houses 2, 4 and 11, then bail is sure during the DBA of the significators of houses 2, 4 and 11.

Analysis of the 12th cusp: Saturn is the cuspal sub lord of the 12th house and it occupies house 7 and owns the 10th and 11th. Saturn is in the star of Mercury, and in the sub of Venus. Mercury occupies the 6th and owns houses 2, 3 and 6. Venus occupies the 7th and owns the 1st. Thus, the 12th cuspal sub lord is signifying houses 2 and 11. This means getting bail or being released from jail is assured.

The significators of houses 2, 4 and 11 (as per software KP Astro 4.1)
House 2: Saturn and Mercury
House 4: Ketu, Rahu, Jupiter and Moon
House 11: Venus and Saturn
Significator plants are Ketu, Rahu, Saturn, Mercury, Jupiter, Moon and Venus.

Ruling planets at 11.24.13 am on 22.10.16 at Gopalpura Jaipur:
Asc sign lord: Jupiter
Asc star lord: Ketu
Asc sub lord: Jupiter
Moon sign lord: Mercury
Moon star lord: Jupiter
Moon sub lord: Venus
Day lord: Saturn
Ruling planets are Jupiter, Ketu, Mercury, Venus and Saturn.

Common planets among the significators and ruling planets are Jupiter, Saturn, Mercury, Ketu and Venus.

Running dasha analysis:
Jupiter dasha (24.12.2006 to 24.10.2022)
Venus bhukti (16.9.14 to 7.5.17)
Saturn antara (23.5.16 to 24.10.16)
Next Mercury antara (24.10.16 to 11.3.17)
Dashanath and Bhuktinath are among the common significators.Sonu, getting bail is sure before 7.5.17. Antara of Saturn is left out because the date of judgment in the court was the 3rd of November, 2016, and the date of the astrological analysis was 22.10.16. So, it was not practical to think of the antara of Saturn. Therefore, I took the next antara of Mercury that was to last up to 11.3.17. I, therefore, suggested her that her husband will come home before 11.3.17 because Mercury was also among the common planets.

Actual outcome: Her husband got bail on 30th January 2017 during the antara of Mercury.

Post analysis: When an event has occurred as per astrological prediction made, more often than not I have found a seventy percent, approximately, accuracy in the selection of the antara period that is generally based on selection from within the common significator planets.

Selection of sookshkma is still a subject of research. In this case, the common planets have been considered in the selection of the dasha, bhukti and antara. The remaining planet was Ketu, that could have been considered to find the exact period of the event. But, in this case, the bail was actually granted during the sookshama of Rahu . Rahu is not among the common planets, but Rahu is a significator of the fourth house. In conclusion, we can say that selection of sookhshma is not based on some strictly laid down guidelines. Only intuition and logical reasoning on the part of an astrologer works in its selection. That is why astrology is considered as a divine science.

I am thankful to my first teacher of KP astrology for inspiring me to keep on doing practice and study.

Rah is in the sign of Sun; Rah is in the sub of Jup. Jup is not among the RPs. We cannot, therefore, take Rah in the list of RPs of Moon, but we can take it in the list of RPs of the Asc. when checking the Day/Month /Year.
Ket is conjoined with Sun & Mer. Ket is in the sub of Jup. Jup is not in the list of RPs. We cannot, therefore, take Ket in the list of RPs of Moon, but we can take it in the list of RPs of the Asc. while checking the Day/Month /Year.

Checking Year
Now we have RP Asc. as Sun, Ven, Mer, Moon, Rah & Ket.

The Day given in birth details is Thursday and the Transition information for Jup on 9/9/1971 at Shirdi, Time from 8.00 pm to 10.00 pm (Thursday)
8.00 pm ….. Sign Mars Star Sat Sub Mer
Sub is Mer and Mer is in the list of RPs of the Asc. So, I will select the Date/Year as 9/9/1971.

Transition information of Sun to confirm the Month
We have RPs from the Asc. which are: Sun, Ven, Mer, Moon, Rah, & Ket.

Transition Information of Sun to confirm the Month to be Sept or Oct 1971, and the Date
Transition information of Sun for 9/9/1971 at Shirdi, Time from 8.00 pm to 10.00 pm
8.00 pm ….. Sign Sun Star Ven Sub Sat
Transition information of Sun for 2/10/71 at Shirdi, Time from 8.00 pm to 10.00 pm
8.00 pm ….. Sign Mer Star Moon Sub Jup
If we compare the above, on date 9/9/71 the Sub is Sat which is the RP day Lord, and on date 2/10/71 the Sub is Jup which is not in the list of RPs of the Asc.
So, the Month of September is confirmed, and the date of the 9th is also confirmed. So, we get 9/9/1971 as the date of birth.
Checking the Time, which is between 8.00 pm to 10.00 pm
We have RPs from Moon which are: Ven, Sun, Ven, and Ven

Checking Star of Asc.
On 9/9/1971

9.17.12 pm Sign Mars Star Ven Sub Ven
9.24.45 pm Sign Mars Star Ven Sub Sun
9.27.02 pm Sign Mars Star Ven Sub Moon

9.17.12 pm Sign Mars Star Ven Sub Ven Sub Sub Ven
9.18.28 pm Sign Mars Star Ven Sub Ven Sub Sub Sup

Checking Sub-Sub-Sub of Asc.
Here, I will select SSS as Ven. So, the time is 9.18.46 pm.

My Opinion: The Date and Time of birth has to be 9/9/1971 at 9.18.46 pm.

Will Mrs Shashi Kala acquire any pivotal position in the ADMK party or in the ADMK government?

By: Gunti Nagaraju KP astrologer (M.com CAIIB, Retired Bank officer)
12-13-668/5/2, Second floor, Nagarjuna Nagar, Tarnaka,
Secunderabad- 500 017; Tel: 040-27172206; 9490752371;
Email: gunti.nagaraju@gmail.com

This is the horary question raised in my mind after observing the ongoing controversies on the T.V. At random, I got the horary number 59 from an astrology book lying on my table and I plotted a horary chart on 30-12-2016 @13-29-58 hours at my residence in Secundrabad. The chart is attached.

What do the KP rules say in this regard--- (reader no.3 pages-390 to-398)—
Planets connected with becoming MLA/ MP/ councilor/Mayor/Minister---
-Mercury should be well placed.
-Mars is for power, courage to face the public, and to acquire authority, and it should be well placed.
-Saturn is for holding positions of trust.
-Jupiter is for becoming a good orator.
Main houses to be judged---1-6-9-10 and 11—
1st house-to enjoy power and benefits out of it.
6th house- loss to opponents and victory over enemies.
9th house-bhagya sthana- bank position of meritorious karma of previous birth and providential help.
10- house- name, fame, status, power, popularity and position.
11th house- success in elections and accomplishment of one's desire.
For defeat in politics----5-8-12 houses-(negative houses for success).
What is the rule—(Tin Win—house grouping-page 11)—if the sub lord of the 10th cusp signifies houses 1-6-9-10-and 11, one will acquire a pivotal position in politics.

CHART ANALYSIS--
The sub lord of the 10th cusp is Venus, lord of houses 5 and 12 and placed in the 8th.
Venus is in the star of Mars and sub of Mercury. The star lord Mars is the lord of houses 6 and 11 and placed in the 8th, and the sub lord Mercury is the lord of houses 1 and 4 and placed in the 6th.
Thus, Venus, the sub lord of the 10th, signifies houses 5, 6, 8, 11 and 12 at its star level, and houses 1, 4 and 6 at its sub level. Here, houses 5-8-12 clearly indicate failure and houses 1, 6 and 11 at the star level, and the 6th at the sub level, indicate partial success. This is the picture with more negative shades than positive colors in the outcome.

In view of this confusion, I wanted to check the rule for failure also.
Significators of houses 5-8 and 12 OR houses 6-8-12 OR houses 7-8-12, if signified jointly, one would face only failures. -
The 5th house-SUN-SUN-VENUS / 8TH house-SUN-SUN-MERC-JUP-VEN-RAHU-MARS-KEHU- SAT.
12TH house- SUN-SUN-VEN. /
SUN-houses 6,8,12 at STL and houses 8 and 1 at SBL/ VENUS-houses 6,8,12 at STL, and 6th at SBL./
MERCURY-houses 6 AND 8 at both levels./ JUPITER+- houses 6&12 as SBL, houses 6 and 8 at STL./ RAHU_ house 8 at STL, and 6th at SBL./ MARS-houses 6 and 8 at STL / KETHU - house 8 at both levels, and SATURN_houses 6 and 8 at STL.
AS PER KANAK JI's RULE ON ELECTIONS—
10TH HOUSE- one's position in politics, 3rd house- one's ability, and 11th house –success of one's reputation as winner.
If the 10th cuspal sub lord signifies houses 3 or, 10 or 11, one will win his /her elections.

As per the chart – the 10th cuspal sub lord is VENUS- lord of houses 5 and 12 placed in the 8th. Venus is in Mars star, and Mars is the lord of houses 6 and 11 placed in the 8th, and in the sub of Mercury who is lord of houses 1 and 4 placed in the 6th.
Thus, Venus signifies houses 5,6,8,11,12 at star level, and houses 1,4,6 at sub level. Here only the 11th at its star level is indicated but not any other houses at its sub lord – a decider- level.
Significators of ---3rd house=Moon- Sun/

10th house-Jup- Sat- Venus/ *11th house- Jup-Venus- Mars*

Dasa analysis—Sun dasa X Sun bhukthi is now running. Sun signifies-houses 6-8-12 at the star level and houses 8 and 12 at its sub level. This does not give any positive results except providing the ability to contest.

So, as per sri Kanak Ji's rule also it does not favor any positive results.

The present Dasa lord and Bhukthi lord is SUN which signifies houses 5,8,12 at both levels up to March 2017 and will not give any favorable results for her.
****
FACTS OF THE CASE—on 14 FEB 2017, in view of the supreme court judgment of the conviction of Shashikala in the corruption case, she is barred from participating from any sort of contest for acquiring any position for the public/government position.

Question 1: Rule for dethronement

1. 1. A person is elected as a President of a country. Some people are disliking him. One among them asks, "When will the newly elected President be dethroned?"
What is K.P Rule for the above mentioned question? Please let me know it clearly Sir.
My Opinion:- Padaprapti/ Highest Position is indicated by the 7th house. If the 7th cusp sub-lord signifies 5 and 12, One will be dethroned during the conjoined period of the significators of 5 & 12.
Do you agree with my opinion? Or disagree? If so what is specific rule for it?

1.2 Please tell me the rule below is correct.
If the 10th CSL signifies 5, 8, 12 the king will be dethroned during the DBA of 5, 8, 12.

Answer 1:

I agree with the rule:
If the 10th CSL signifies 5, 8, 12 the king will be dethroned during the DBA of 5, 8, 12.

KP Reader III pp 390-398
Main houses to be judged---1-6-9-10 and 11—
1st house-to enjoy power and benefits out of it.
6th house- loss to opponents and victory over enemies.
9th house-bhagya sthana- bank position of meritorious karma of previous birth and providential help.
10- house- name, fame, status, power, popularity and position.
11th house- success in elections and accomplishment of one's desire.
For defeat in politics----5-8-12 houses-(negative houses for success).

Question 2: Married Life

By KPDP rules and KP ASTRO 4.1 software, we can predict the future of married life for any no. of years as per requirement. Of course this is with birth details.
If a married couple approach for the future for their married life for the next 5/10 years, how we should proceed? They do not have birth details. Is it possible by HORARY? If so, how to proceed. I request you for your kind advice for this.

Answer 2:

TABLE OF THE KP HOUSE GROUPING – PART 4-5

CUP	SNO	Event	Houses to be signified by cusp Sublord (Sbl)	DBA jointly signifying houses	Remark
11	1	Happy married life with mutual understanding	2,5,7,11	2,5,7,11	7,11= a good wife, a good life 7th Sblord indicates marital life, 11th the nature of marital life
	2	Unhappy married life	4,6,8,10,12	4,6,8,10,12	Also it incicates misunderstanding, difference of opinion, quarrelling, manhandling, frequent separations etc.

Pl see KP Reader IV: pages 152-53 “LIFE WITH WIFE” and pages 154-55 “MARRIED LIFE”

Question 3:
I have seen so many articles in KPEZine, that birth time is rectified and predictions are given even though the querent does not express his doubt about the birth time.
MR. Kanak Bosmia has written a book on " BTR".

In view of this, Is it necessary to rectify the birth time, before analysis as per the Ruling planets. If so, the corrected birth time may vary even up to 6 to 7 minutes on either side.Is it acceptable. With the corrected birth time, the sub lords of many houses may change from the original and so the predictions.

I request for your valuable suggestions on this subject.

Answer 3:
It is advisable to do birth time rectification if and only if the birth time rectification is doubtful by the native himself or herself.

Because the rectified birth time may differ from astrologer to astrologer, method to method, time to time and so it is rated as “C” rank.

The bottom line is that no body knows what is the correct birth time and there is no agreement even what is the birth time.

Question 4: Conjunction/ Aspects
If a planet, say, SUN aspects KETU, ketu gives the result of sun. Sun will not give the result of Ketu, as it is a shadow planet.

If SUN aspects say MOON, can MOON give the results SUN and/or vice versa, by 7th aspect?.

By 5th aspect, Ju aspects say SUN. Then JU will give the result of SUN or su will give the result of JU?.

If two planets are in co-joined , say mars and venus, in a house.
Can we say that mars will give the result of venus and venus will give the result of mars?

Answer 4:
The KP grade “E” significator by conjunction/ aspects is the planet which is conjoined or aspected “by grade “A,B,C,D” significators”.

It is correct that “If a planet, say, SUN aspects KETU, ketu gives the result of sun. Sun will not give the result of Ketu, as it is a shadow planet.” Conjunction/ aspect with Rahu/ Ketu is one way effect and two ways effect is generally taken for other planets. Both 7th and special aspects re generally taken. Regarding “If two planets are in co-joined , say mars and venus, in a house.” Hindu conjunction/ aspect is by Rasi sign not by house.

Question 5: Choice of DBAS
In selection of DBA lords, Once we select Dasa lord, we will select the bhukti lord as per the sequence of Vimsottari dasa lords.
Some times, I have seen in some examples, that the same dasa lord is selected as bhukti lord and also some times as the antara lord also.

I request you for your kind clarification for the criteria of the selection of
1. Bhukti lord also as dasa lord. and
2. Bhukti lord and antara lord also as dasa lord.

Answer 5:
It can happen in practical materialization of events. But it is very hard to do so in prediction.

Question 6: Effects Of Bhadhaka/ Maraka
I understand that MARAKA AND BHADHAKA houses are to used only for longevity.
But some people are using for prediction for some other events, telling that the event failed due to signification of maraka/ bhadhaka house.
How far is it justified/ true?.
If that is the case, 2,7 and 11 for marriage. and at the same time 2, 7 and 11 houses are for maraka and bhadhaka for aries, cancer, libra and capricorn born.

How this is justified?

Answer 6:
Generally Badhaka/ Maraka is bad for health and longevity only. By sequence of time 2,7 Maraka generally indicates happy time with playmates in younger age, marriage in middle age and death at elder age.

Question 7:
I have lot of confusion over the selection of DASA LORD.

1. Some persons say it should be a common planet between fruitful significators and Ruling planets.
2. As per book by Sri CR Bhatt, "Jyotish Abhigyan " Page-100, , dasa lord can be selected from significators if it is connected to the houses of event eventhough it is not common significator between RP and fruitful significator. Not even in the list of significators.
3. Form the same book, Page- 124, says, Event will happen during the joint period of RPs. That means, the dasa lord should be , ONE from the RPs.
With all this I am in a confused mind.
So, Sir, I request you, to educate for a learner like me, with your valuable suggestions/ comments/ remarks.
Answer 7:
In this book "Jyotish Abhigyan " originally published in 2004, in choosing the BDAS lords without using the ruling planets in many solved examples, that example on page 100 solved in 2001 seems to show an exceptional possible case that the event happened during the Dasa lord which is not “a common significator” among the significators for the event and ruling planets. Here it is found that Dasa lord's sub lord played the role of significator in the context of the “double role of sub as a decider as well as significator”. It has been found in many cases that the event is promised or materialized by the sub's signification alone. (“Double Role of Sub as a Decider as well as Event Indicator, KP-Ezine Sept 2014)

It is a common practice to choose the common significator planets among grade A,B,C,D significators and ruling planets in choosing DBAS lords “by using ruling planets.”
In choosing the DBAS lords “without using ruling planets”, choosing the A,B,C,D significators planets in the sub of sigmificators of events (EF significators). So if the 6 fold (A,B,C,D,E,F) signfictors table is used, there will be no role of sub as a decider which is the corner stone of KP.

Question 8:
I am going through the question and answers in KPAZine old issues.
In May-2014 issue, Question No: 3, Under Para 14, it was mentioned that
" WHETHER A PLANET IS THE CSL OR DASA PERIOD LORD IT'S SIGNIFICATIONS ARE TO BE CONSIDERED AT THE PLANET, ITS STAR AND SUB LEVELS "
In case of marriage, if 7CSL signifies either at planet level or at star level or at sub level signi-

fies either 2 or 7 or 11, marriage is promised.
Similarly, in case of DASA LORD , I under stand that the dasa lord either at planet level or at star level or at sub level signifies either 2 or 7 or 11, marriage is promised in its dasa period. The same rule applies to bhukti lord, antara lord and sukshma lord also.

Answer 8: Negative Signification to Marriage by Sub of &th CSL and DBAS lords
It is the same to consider at all three levels of a planet. The difference is in the signification of negative 1,6,10 houses to marriage at the sub level. If it is signification of 7th cuspal sub lord, marriage is promised as long as 2 or 7 or 11 house is signified at any level of planet, star, sub. But such negative signification is indicated by the sub of DBAS lords, that DBAS lord may not be chosen as a fruitful significator.

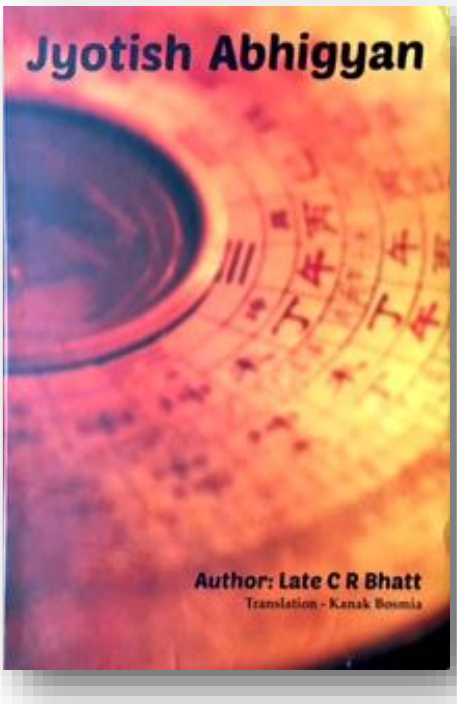
Book Review

Jyotish Abhigyan

By: Tin Win

Email: tw853@yahoo.com

Jyotish Abhigyan
by Late C.R.Bhatt (translated by Kanak Bosmia)
Publisher: Kanak Bosmia www.kpastrologer.com, 2017, 137 pages



This 'Jyotish Abhigyan' is the sixth book in English by Chandrakant R Bhatt, after Nakshatra Chintamani, Further Lights on Nakshatra Chintamani, Horoscopes and Diseases, Nirayan Horoscopes and Western Aspects and Prashna Jyotish.

This book clearly explains how to practically apply KP rules in a chart interpretation and prediction with support of 35 solved natal charts. It is easy to look up any subject in this book that is well organized by topics and cases.

It is worthy to note that timing of event is fixed in many solved examples without using the ruling planets. In one exceptional solved example the event happened during the Dasa lord which is not a common significator among the significators for the event and ruling planets. (p 100) That Dasa lord's sub lord played the role of significator in the context of the double role of sub as a decider as well as significator. It has been found in many cases that the event is promised and materialized by the sub's signification alone.

The usage of cusp and bhava/house is to be cleared here. The 1st bhava is from 1st cusp to 2nd cusp, 2nd bhava is from 2nd cusp to 3rd cusp and so on. The marriage significators are 2,7,11 'houses' but not 'cusps'. So the significators for any event are for concerned 'bhavas' like in the significators table on p 118 but not 'cusps' like in the significators tables on pages 52, 55, 94 etc. When a planet occupies a house, that planet is said to be in the 'house' but not 'cusp'.

The so-called general observation that when any planet is conjoined with or aspected by Saturn, it is under control of Saturn and does not give results (p 39-40), and the effects of Moon and solar eclipses (p 62) are not relevant in KP practice.

With these minor observations, this 'Jyotish Abhigyan' is a very helpful KP reference book for any KP learner like other three books: Nakshatra Chintamani, Further Lights on Nakshatra Chintamaniis and Prashna Jyotish..

Planetary Pattern to **become a Successful legendary Film Director**
5th (film art) cuspal sub lord (CSL) Saturn+ is in house 1 (self effort), lord of houses 10 (profession, name, fame, success) and 11 (success, fulfillment of desire), and is the strong significator of houses 1,5,7 (publicity) by cuspal sub-lordship without having any planet in its stars. Saturn is almost exactly conjoined with Mars+ (working ability, ambition) in house 1, lord of houses 1,8 (mystery), the CSL of 10, and also with Moon (imagination, expression). This Saturn is in the star of Sun in 5, lord of 10, and in sub of Rahu in 5, representing Sun in 5, lord of 10 by aspect and sign lordship. Again Sun is in the airy sign Aquarius for art. In addition the 5th cusp is placed in Leo, fifth sign for fine art. Moreover Neptune (film artistic endeavors/ geniuses) is also located in the 5th house.

Venus (artistic creative ability) and Mercury (efficiency and accuracy in art of presentation) are closely conjoined in the 10th house (profession, name, fame, success) as lord of 2 (money earning), 7 (publicity) and lord of 3 (ability) and 6 (efficiency in work) respectively.

Reaching Peak by Directing Iconic "Thingyan Moe" Film
In Rahu Dasa- Saturn Bhukti the native had reached his peak by directing "Thingyan Moe" in Myanmar (in English "Rain in the Water Festival") with many of the scenes and songs set against traditional Thingyan celebrations just before Myanmar New Year in April. This film had gained three 1985 Myanmar Motion Picture Academy Awards for Best Picture, Best Director as Maung Tin Oo and Best Cinematography. This was his third Academy Award after getting 1972 (Mars-Rah DB) and 1978 (Mars-Moon DB) Best Director Awards. He also got 4th time 1995 (Rahu-Moon) and 5th time 2001 (Jupiter-Saturn) Best Director Academy Awards. The classic Thingyan Moe film has been recast and its supreme Thingyan songs have been sung during Thingyan of every year all over the country.

Dasa lord Ra:5, Su (5,10) is in the star of Ve (10,2-7) and in sub of Ju (1,9,12).
Bhukti lord Sa+ (1,10-11,+5,7) is in the star of Su (5,10) and in sub of Ra (5,10).
Dasa lord Ma+ (1,8,+10) is in the star of Su (5,10) and in own sub Ma+ (1,8,+10).
Bhukti lord Mo (12,4) is in the star of Ve (10,2-7) and in own sub Mo (12,4).
Dasa lord Ju (1,9-12) is in the star of Mo (12,4) and in sub of Me+ (10,3-6).

The so-called malefic Rahu, Saturn and Mars had played a pivotal role in his success as legendary film director.

Death
Director Maung Tin Oo passed away at 9 a.m. on 24 Aug 2015 (Sa-Sa-Ra-Sa DBAS) in Mandalay., Myanmar.
Dasa, Bhukti and Sookshma lord Saturn is the death causing significator of 11 Badhaka, 7 Maraka and 10 retirement from this world. At the time of death Saturn @ 4° 39' Scorpio was transiting in the star and sub of own Saturn.
Antra lord Rahu is also the death causing significator of 2,7 Maraka, 10 retirement from this world, 12 Moksha/ end of life. Rahu at 7° 23' Virgo was transiting in the star of Sun and sub of Ketu representing Saturn.

Here the Academy Award winning Saturn and Rahu became death causing planets.
So no planet is fully benefic or malefic depending on occupation and ownership at three levels of planet, its star and sub.

May his soul rest in peace!

Will Congress win Delhi MCD Election 2017
Voting will be held on 22/4/2017

Hints If the 10th CSL signifies houses 3, 10, and 11, one can win an election.

The 10th CSL for Congress is Jupiter+ 10 (1 4) {10}. It is in the Star of Mars 5 (5 12), and is in the sub of Rahu 9. Rahu represents Sun+ 4 (9) {-}. This signifies house 10 and is ok.

DBAS for congress on 22/4/2107

Dasha of Mercury who is in 4 (7 10). Mercury is in the star of Ketu in 3. Ketu represents Saturn in 1 (2 3), and in the sub of Venus 3 (6 11). This signifies houses 3, 10, and 11 and is ok.

Bhukti of Venus who is in 3 (6 11). It is in the star of Saturn placed in 1 (2 3). Venus is in the sub of Venus 3 (6 11), thus signifying houses 3, and 11. This is ok.

Antara of Mercury 4 (7 10). Mercury is in the star of Ketu 3. Ketu represents Saturn placed in 1 (2 3). It is in the sub of Venus 3 (6 11). Thus, it signifies houses 3, 10, and11. This is ok.

Sookshma of Moon+ 4 (8) {6}, placed in the star of Mercury 4 (7 10). Moon is in the sub of Venus 3 (6 11). This signifies houses 3, 10, and 11, and is ok.

The 10th CSL for the opponent is Rahu 3. Rahu represents Sun+ 10 (3) {-}. Rahu is in the star of Ketu 9. Ketu represents Saturn 7 (8 9). Rahu is in the sub of Jupiter+ 4 (7 10) {4}. Thus, signifying houses 3, and 10. This is ok.

DBAS for Opponent on 22/4/2107

Dasha Mer 10 (1 4) in star of Ket 9 rep Sat 7 (8 9) in sub of Ven 9 (12 5) signify 10 ok
Bhukti Ven 9 (12 5) in star of Sat 7 (8 9) in sub of Ven 9 (12 5) does not signify 3/10/11
Antara Mer 10 (1 4) in star of Ket 9 rep Sat 7 (8 9) in sub of Ven 9 (12 5) signify 10 ok
Sookshma Moon+ 10(2){12} in star of Mer 10 (1 4) in sub of Ven 9 (12 5) signify 10 ok

If we compare both for Opponent Bhukti does not favor 3/10 or 11 and even Antra and Sookshma also signify 10 Vs 3,10,11 (Congress)

My Opinion : Congress is going to win Delhi MCD election 2017

Long Live KP and thanks to my teacher Shree Kanak Bosmia sir for his wonderful teaching

RPs in KP help us in selection of Bride-groom.

By: VSN. Murthy, (K.P. Astro Consultant)

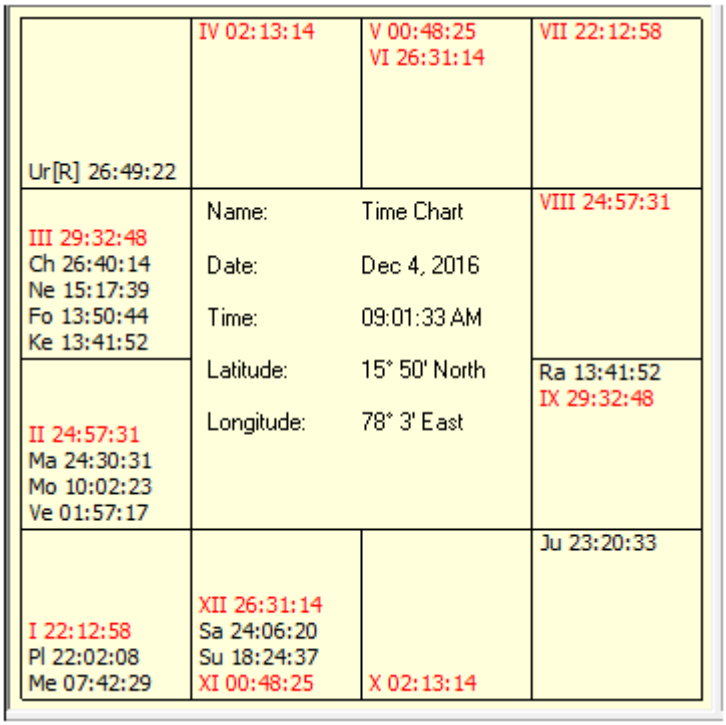
KURNOOL- 4. (AP) Mobile:- 09440220874.
E-mail:- vsnm_vdl@yahoo.co.in; Vsnm.vdl@gmail.com

The mother of a bride consulted me on 4th December, 2016 at 8-55 AM, at my residence without horoscopes to know, astrologically, who is a suitable and appropriate bridegroom for her daughter. Then, immediately, an idea flashed in my mind to know with the help of Ruling Planets. I asked her to give horary numbers within 249 for each bridegroom. Then, she gave the following numbers for each of them as shown in the following table:-

S.No & Name of the Bride-groom	Given Horary Number with in 249.	Sign, Star and Sub-lord of the given horary number
Krishnamurthy	96/249	Sun-Venus-Mars.
Kiran Kumar	45/249	Mercury-Mars-Sun.
Rama Govindu	164/249	Mars-Mercury-Rahu
Sathish Kumar.	220/249	Saturn-Rahu-Moon.

The Ruling Planets (TIME CHART) is also attached hereunder:-
DOJ:-04-12-2016; TOJ:- 09-01-33 AM. POJ:- Kurnool, A.P.



Lagna:-Jupiter (Sign lord)-Venus (Star lord)-Saturn (Sub lord).
MOON:- Saturn(Sign lord)-Moon (Star lord)-Moon (Sub lord);-
Daylord:- Sun; (Original RPs are Sun, Moon, Jupiter, Venus and Saturn. Additional RPs are Mars and Rahu)

NOTE:-As Rahu is aspected by Saturn (Lagna Sub lord & Moon Sign lord) and in the sign of

Sun (day lord), it should be included among the RPs. Mars is conjoined with Moon (Star lord and sub lord of Moon) and Venus (Star lord of lagna). Mars is also aspected by Saturn (Lagna sub lord and Moon sign lord) and Jupiter (Lagna Sign lord). So, it should be included among the RPs. Then, the total RPs are Sun, Moon, Mars, Jupiter, Venus, Saturn and Rahu.

NOTE:-Original Ruling Planets are Sun, Moon, Jupiter, Venus and Saturn. Additional Ruling Planets are Mars and Rahu)

In No.1, for Krishnamurthy, all the three planets Sun, Venus and Mars have appeared.
In No. 2, for Kiran Kurma, only two planets Sun and Mars have appeared from among the RPs.
In No. 3, for Rama Govindu, only two planets Mars and Rahu have appeared from among the RPs.
In No. 4, for Sathish Kumar, all the three planets Saturn, Rahu and Moon have appeared.

We can easily rule out No.2 and No.3 because only two planets have appeared, whereas in numbers 1 and 4 all three planets have appeared. Therefore, we must select the correct one from numbers 1 or 4 only.

In No.1, for Krishnamurthy, Sun and Venus are original RPs and Mars is an additional RP.
In No. 4, for Sathish Kurma, Saturn and Moon are original RPs and Rahu is an additional RP.

NOTE:- Rahu is stronger than Mars, because Node is more powerful than any other planet.

Astrologically, I have selected No.4 Sathish Kumar (220/249=Saturn/Rahu/Moon) as the correct and suitable bridegroom for her daughter.

RESULT:- I was invited for the marriage which was celebrated with Mr. Sathish Kumar on 17th February, 2016, Friday at 10-05 AM in Kurnool.

Eye Injury - Triggering point of planets

By: Sumanadasa Namarathna (Sunaparantha Kalyan)

Ex-Accountant, Justice of Peace
No.22/1, Udugampola Road, Marapola, Veyangoda,
SRI LANKA Email: sumana1946@gmail.com

As most of our KP friends are aware, my eye sight is poor for distance having had retinal hemorrhage in the right eye since 2002. According to the eye specialist, this is incurable. However, I have not given up any daily activities like using the computer, reading horoscopes, writing articles, and also continue to do all domestic work including gardening with sufficient physical and mental strength.

Nowadays, it is time for removing the branches that have grown excessively in the Albesia trees which provide support for pepper creepers to run in my small pepper crop. Last Saturday, the 22nd April, 2017, while I was removing the branches of the trees, suddenly a a conical shaped branch with sharp edges cut off from the tree and rushed towards my face and knocked me in the right eye. The eye began to bleed and I rushed home and while telling the incident to my wife, I asked her to note down the time. She tried with several channeling centers in the area to contact an eye surgeon, but in vain due to the week-end rush. Finally, she brought me to our family doctor, who gave me some eye drops and antibiotics and dressed the eye to protect it from dust. After a delay of two days, last evening, 24th April, I had a chance to consult an eye surgeon and he found a small cut in the eye ball, and slight abrasions on the eye lids. He treated these problems and the eye is still covered with plasters. Luckily, according to the doctor, there were no severe bruises to the eye ball, and no threats to the optic nerves.

I was amazed to see the time chart of this accident because, in my experience, KP System is the one and only way to identify the most reasonable planetary behavior for such incidents. In the morning of the 25th, with one-eyed vision, I plotted the time chart for 3.55 pm, 22 April, 2017, as noted by my wife.

In this time chart, the 8th cusp falls in Aries sign, which is sign of my natal Ascendant, the lord of which is Mars, the chief Karaka for accidents, and Mars was transiting in the 9th, (2nd of the natal Marakasthana), over the star of Krittika 4th Pada which is owned by Sun. This is the governing Naksastra over head, eyes, brain and Vision. At the time of accident, the Sun, being the lord of the 12th (hospitalization), was transiting over the 8th cusp (accidents), which is the natal Lagna cusp (head and athma). This Sun is the Sign, Star, and Sub lord, as well as the depositor of the 6th cusp in the natal chart. While in transition, it was in conjunction with Mercury, natal significator of the 6th cusp.

In the time chart, the natal 5th (recovery) cuspal sub lord, Rahu, was transiting in the same house as in the natal chart, representing the Sun, Moon and Mars. Among them, Moon is in Saturn's sign and indicated Punarphoo, which caused the delay in my ability to consult an eye surgeon.

General rule for accidents
If the Ascendant and 8th cuspal sub lords signify houses 6 (injury), 8 (accident) and 12 (hospitalization), and are connected with Mars, Saturn or Nodes, one may meet with an accident during the joint dasa period of the significators of houses 4, 6, 8 and 12. If Maraka and Badhaka houses are also involved, the accident may prove to be fatal.

11th is the Badakasthana for Aries Ascendant.
As per rule given above, the accident indicator, Mars, as in the natal chart, appears in the time chart, and in the rotated chart as well.

DBAS
On the date of this accident, the DBAS operating were Jupiter, Mercury, Mars and Moon (as per the rotated chart).

Dasa lord Jupiter (R), the owner of houses 12 & 9, is posited in the 6th (injury/disease). It is in the star of Moon, lord of the 4th in the 11th (Badhaka), and in the sub of Mercury, lord of the 3rd & 6th placed in the 1st in conjunction with Sun, the lord of the 5th (escape/recovery), in the star of Kethu in 11 (Badhaka) and in the sub of Mars, lord of the 1st & 8th placed in the 2nd.

Bukthi lord, Mercury, is as said above. Anthara lord, Mars, is in the 2nd (Maraka), in the star of Sun lord of the 5th, 1st (recovery), and in the sub of, Mercury, as explained above.
Shooksma lord, Moon, being the lord of the 4th is in the 11th, in the star of Rahu in the 5th (escape/recovery).

Thus, all the DBAS lords are individually, or commonly, connected with houses 4, 6, 8 & 12, while Mars, the karaka planet for accidents, is connecting with the Sun for the 1st & 5th (escape/recovery).

Accordingly, the triggering time and point of any matter, or incident, can be identified only through the marvelous KP system.

Cricket match competition by k. p. horary
Horary question-"Will India win the crucial 4th test against Australia which is played at Dharamasala in India?" (Astrologer's query is on behalf of INDIA).
This question was raised in my mind suddenly on 24th March 2017 at 21-36-41 hours withHorary number 55/249.
Time of judgment-9-36-41 p. m. on 24-3-2017, Friday.
Place of judgment—at my residence @ Taranaka, Secundrabad, and Telanagana.

K.P. rule for CRICKET COMPETITION—
By Kanak ji on winning cricket matCH- (kpezine March 2011)

In cases of competition and contest two rival parties in any walk of life viz. Cricket match etc., if the cuspal sub lords of the 11th (success) and that of the 6th (victory over the rival) occupy houses 1, 2, 3, 6, 10 or 11, and be in the star of the occupant of the houses 1, 2, 3, 6, 10 or 11, the team under query will win the cricket match. Final result will depend on the sub lord of the planet.

Indian criket team—
11th cusp (Aries 16:49:17) - sub lord is MOON+. No planet is placed in Moon's stars and so Moon strongly signifies the 11th cusp as sub lord.

Moon is placed in the 8th as lord of the 2nd. It is placed in the star of Mars, lord of houses 6 & 11 placed in the 10th house (but within one degree orb to 11th cusp). It is in the sub of Rahu who is placed in the 2nd house (but within 4 degrees orb to the 3rd cusp also). Rahu represents Sun, lord of the 3rd placed in the 9th.

Thus, the sub lord of the 11th cusp, Moon+, strongly signifies houses 2, 6, and 11 at the star level, and houses 2 & 3 at its sub lord level. Thus, it assures success for the Indian team.

6th cusp (Scorpio 19-09-16) - sub lord is Kethu who is placed in the 8th house. Kethu represents Saturn, lord of houses 8 & 9 and placed in the 6th house. Kethu is in the star and sun of Rahu, who placed in the 2nd house. Rahu represents Sun, lord of the 3rd placed in the 9th.

Thus, the 6th cusp sub lord Kethu signifies houses 2 & 8 at its star level, and houses 3 &9 at its sub lord level.

Australian team ---- (on rotation the Asc. falling in Sagittarius sign)
The 11th cusp (Libra 16-49-17)-sub lord is Venus. Venus is the lord of houses 6 & 11, and is placed in the 3rd (within 2 degrees orb to the 4th). Venus is in the star of Saturn, lord of the 2nd and 3rd, and placed in the 12th house. Venus is in the sub of Moon, lord of 8th posited in the 2nd.

Thus, the 11th cusp sub lord, Venus, signifies houses 2, 3, 6, 4, and 12 at its star level, and houses 2nd and 8th at its sub lord level.

6th cusp (in Taurus sign 19-09-16) - sub lord is Mercury, lord of houses 7 and 10 placed in the 4th. Mercury is in the star of Mercury, lord of houses 7 & 10 placed in the 4th, and in the sub of Jupiter, lord of houses 1 & 4 placed in the 10th.

Thus, Mercury signifies houses 4, 7 and10 at its star level, and houses 1, 4 and 10 at its sub lord level.

TO MAKE THINGS CLEAR I PRSENT THE ENTIRE POSITION IN A TABULATED FORM---

INDIAN TEAM			AUSTRALIAN TEAM		
Houses	Positive signfica-tions	Negative significa-tions	Houses	Positive signfica-tions	Negative significa-tions
11 sbl Moon	Stl 2,6,11	8	11 sbl Venus	Stl-2,6,3,11	12
	SBL-2,3	nil		SBL-2	8
6sbl Kethu	Stl-6	8	6sbl Mercury	Stl-10	nil
	SBL-2,3	nil		SBL-1,10	nil

When I look at the table, I feel that there are a little bit more positive significations towards the Indian team than that of the Australian team.

The present dasa operiod running at the time of judgment is –
DL MARS X BL RAHU X MARS AL X SL VENUS IS FROM 26/3/2017 TO 29/3/2017.
DL MARS signifies houses 6 and 11 at STL and nil at SBL levels.
BL RAHU signifies (through Sun in house 6 at stl and house 3)
Al MARS (same as above).
SL VENUS signifies 6 at the star level.

Since all the dasa period lords are favourable in giving the winning result, I feel that India will have great chances of victory over the opponent.

Purchase of vehicle

An Australian resident who was trying to purchase an old car of good condition asked me to check, astrologically, when he will purchase the vehicle as per his requirements and choice. I asked him to furnish a horary number between 1 and 249.
Accordingly, he intimated the horary number as 24

Horary number furnished 24[1 to 249]
Date of judgement 24-11-2016
Time of judgement 3:49 PM [Adelaide, South Australia]
Place of Judgement Adelaide [South Australia]

Moon reveals the nature of Query
Moon, lord of the 3rd, is deposited in the 4th; and it is in the star and sub of Moon, and the sub-sub of Venus who is in the 8th and is lord of houses 1 and 6. Moon aspects the 11th house. Hence, moon has linkage with houses 4[vehicle], 8 [2nd to the 7th], giving away money to the seller, and the 11th which is fulfillment of desire, and Venus karaka of vehicle. So, the Moon reveals the nature of the query in the mind of the querent.

KP Rule for Purchase of Vehicle
As per Horary Astrology Advanced Stellar System, Sixth Reader By Guru ji Sh K S Krishnamurti, page 186, purchase of vehicle is to be judged from houses 4,9,10 and 11, because the 4th house shows vehicle, houses 9 and 10 show enjoyment in this birth due to meritorious deeds done in the previous birth, and the 11th house indicates fulfillment of one's desires.

4th Cusp Sub lord
The 4th sub lord is Mercury placed in the 7th, and is the lord of houses 2 and 5. And, it is again in the star of Mercury. It is in the Sub of Mars placed in the 9th, lord of houses 7 and 12. Mars aspects the 4th house. Further, Mars is in the star of Moon placed in the 4th, lord of 3rd. Hence, the 4th sub lord signifies houses 4, 9 and 12 which fulfill the necessary condition for the purchase of a vehicle.

Fulfillment of desire
The 11th sub lord is Rahu posited in the 4th, and Rahu is aspected by Saturn placed in the 7th and is the lord of houses 9 and 10. Rahu is in the star and sub of Venus who is in the 8th, and is the lord of houses 1 and 6. Hence, the 11th sub lord signifies Houses 4, 9 and 10, which shows that the querent's desire will be fulfilled.

Moon starlord: Moon
Moon signlord: Merc
Day lord: Jup

On the day of judgement, Mahadasha of Moon and Bhukti of Moon was operating. Moon in the 4th, is the lord of the 3rd. It is in the star of Moon placed in the 4th and is the lord of the 3rd. Hence, Moon mahadasha, and the Bhukti of Moon signifies the 4th, which shows Mahadasha and Bhukt is favourable for the purchase of a vehicle.

Transits of Sun:
As the event is likely to happen in a few days and Moon star lord of the RP is also Moon. So the event is likely to happen shortly. Therefore, the transits of Sun may be considered.
On the day of judgement on 24-11-2016, the Sun transits in Scorpio sign [Mars] and Anuradha Nakshtara of Saturn. Generally, the Sun transits in scorpio sign of Mars and Anuradha nakshtara of Saturn from the 18th of November to the 30th of November every year. After that, the Sun transits in Scorpio sign of Mars and Jyeshta nakshtara of Mercury from 30th November onwards. As Mercury is a Ruling Planet, I opted for this and told the querent that the probable date of purchase of vehicle is Wednesday the 30th of November, 2016.
Facts of Case

It was intimated by the consultant that he purchased the vehicle of his choice on the 24th of November, 2016, after making many rounds of inspections and clarifications from different sellers.

When will I be in a position to acquire a flat?

By: Gunti Nagaraju KP astrologer (M.com CAIIB, Retired Bank officer)
12-13-668/5/2, Second floor, Nagarjuna Nagar, Tarnaka,
Secunderabad- 500 017; Tel: 040-27172206; 9490752371;
Email: gunti.nagaraju@gmail.com

This is the horary question raised by our colleague by telephoning with his horary no.3/249 on 21 Dec 2016 @02-40-00 P.M. Immediately I erected a horary chart for the said number at 02-45-01 PM hours and the same is attached.

Is the event is promised or not—As per the Gulbarga Theory, the sub lord of the horary number lagna is SUN. This Sun is the star lord of the Moon in the ruling planets at the time judgment. So, the answer is YES. With this positive indication, now I will proceed for further analysis of the query.

I - K.P. rule says in this regard (see KP reader no.6 page no.174) that— 4th house shows one's own house, landed property, estate etc. The 11th house shows one's accomplishment of desire, and the 12th house shows investment. Therefore, the houses to be judged for acquiring a house or for construction of a house, are 4, 11 and 12.

As per the horary chart, the 4th cusp sub lord is KETHU which is posited in the 11th. Kethu is in the star of Rahu that is posited in the 5th, and in the sub of Mercury, lord of houses 3 and 4, posited in the 8th.

Kethu represents Mars and Saturn. Mars is the lord of houses 1 & 8 and in the 11th, and Saturn is the lord of houses 11 & 12 placed in the 8th. Rahu represents Sun, Mars and Saturn. Sun is the lord of the 6th placed in the 9th. We have already discussed about Mars and Saturn above.

Thus, the 4th cusp sub lord KETHU signifies the 11th at star level, and the 4th at sub leve, and so promises the acquisition of the house/flat by the native. Through Kethu's representation of (Sat) 12 – investment, and Rahu's representation of (Sun) 6- borrowings are also indicated.

The 11th cusp sub lord, Mars, signifies the 11th at both its star and sub levels and assures the fructification of the event.

II. THE QUESTION IS WHEN? —
During the conjoined period of the significators of houses 4-11-12 -
4th house= RAHU-KETHU-SAT-MERC.
11TH house= MOON-VEN-SUN-MERC-RAHU-JUP-MARS-KETHU-SAT.
12TH house= SAT.

Ruling planets at T O J @02-45-01 P.M on 21/12/2016 @ Secundrabad—
ASC= MARS-VEN-JUP/ RASI= MERC-SUN-VENUS/ DL= MERCURY.
NOTE— 1) Jupiter and Moon are conjoined. 2) Rahu represents Sun. 3) Mars and Kethu are conjoined.

Common Fruitful Significators are= SUN-VENUS-MERC-MOON-MARS-JUP-RAHU-KETHU.

The period running at the time of judgment is ---SUN X VENUS x MERC.
SUN dasa (up to April 2017) signifies the 11th at both levels, and the 12th at its sub level. This is O.K.

VENUS bhukthi (April 2016 to April 2017) signifies the 11th at star level and is O.K.
MERCURY anthra (22/1/2017 to 14/3/2017) signifies houses 4 and 11 at its star level. This is O.K.

Under Mercury anthra period –
Sookshma lord, Kethu, signifies the 3rd at its sub lord level, and is not suitable for us.

Next comes Venus, which is already chosen as the bhukthi lord.

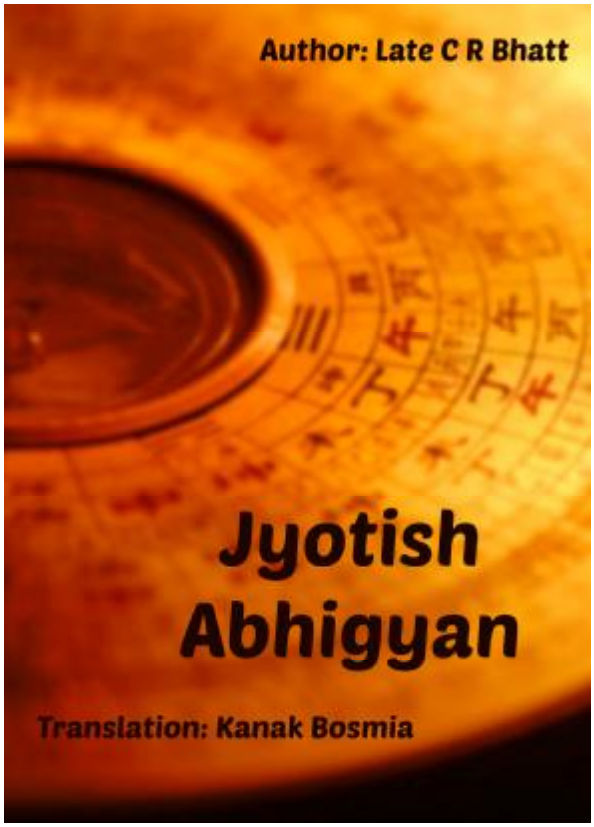
Next comes Sun which is from 10/2/2017 to 12/2/2017. Sun is the significator of the 11th and signifies the 11th at both levels, and the 12th at the sub level. Sun, however, is already chosen as the dasa lord. So, I am not taking it again.

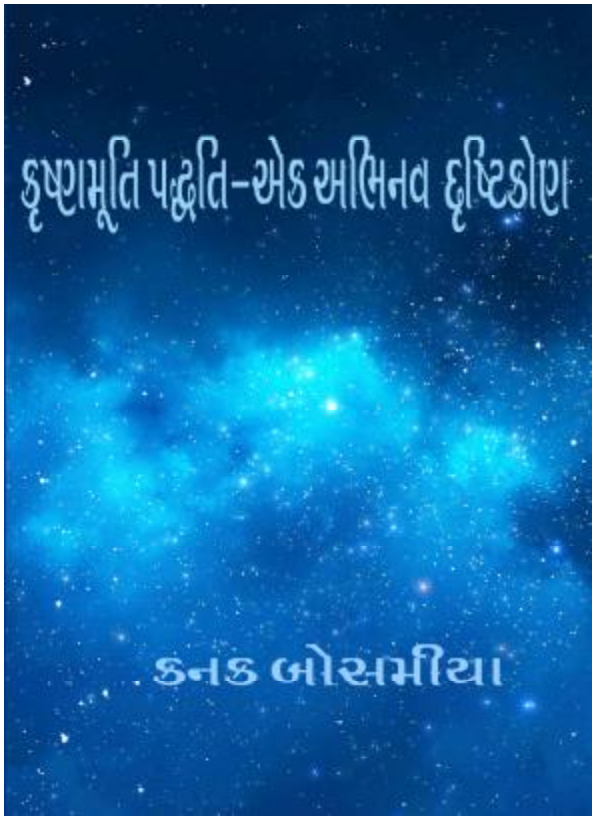
Next comes Moon, which does not signify houses 4-11-12 at any level.
Next comes Mars S/L from 17/2/2017 to 20/2/2017. Mars is the karaka for house and property, and signifies the 11th at both levels. It also signifies houses 6 and 12 at its sub level as supporting houses.

SO, I FEEL THAT THIS QUERENT IS LIKELY TO ACQUIRE A FLAT DURING 17/FEB TO 20/FEB/2017.

FACTS OF THE CASE--- the native informed me that he has paid advance on 8 Feb 2017 and got registered on 13 Feb 2017.

My regards to Sri KSK Ji and Sri Kanak Ji .





Birth time rectification

KURNOOL- 4. (AP) Mobile:- 09440220874.
E-mail:- vsnm_vdl@yahoo.co.in; Vsnm.vdl@gmail.com

Questioned by:- Mr. A. Ramesh Chander, Hyderabad;
Kindly rectify my eldest daughter's birth time.
DOB=16-09-1973;
TOB=10-20 AM (approximately);
POB=Hyderabad.
EVENTS:- Married on 14-12-2002 (Inte-rcaste marriage);
Daughter born on 21-08-2004.

Ruling Planets & Rectification of Birth Time:-
DOJ=25-04-2017; Tuesday;
TOJ=08-08-42 AM;
POJ=Pleasanton,(California State-USA)
RP. Lagna Starlord:- Moon;
RP. Lagna Signlord:-Venus;
RP. Moon Starlord:-Mercury;
RP. Moon Signlord:- Jupiter;
RP. Day lord:- Mars;
Rahu should be considered as RP because it is aspected by Mars which is in RPs.

K.P. RULE:- The ruling planets at the time of judgment correspond or agree or tally with the Signlord, Starlord, Sublord and Sub-Sublord of the Ascendant at the birth. The signlord, starlord, sublord and sub-sublord of the Ascendant at birth are found either in the star or sub of the ruling planet or planets at the time of judgment.
As per the above mentioned K.P. Rule, the birth time is adjusted to 10-22-25 AM. For this adjusted time, the Ascendant falls in Libra Sign 29-33-32:-Venus/Jupiter/Moon/Mars/Jupiter/Rahu as sign/star/sub/sub sub-lord/SSS lord/SSSS lords respectively.

Lagna Cusp C0-rulers as per RBT=10-22-25 A.M. of 16th September, 1973 @ Hyderabad. India	*Planets which are appeared in Ruling Planets at the time of judgment. (25-04-2017; 08-8-42 AM; Pleasanton, California State, USA.)*
Ascendant Cusp Signlord = Venus	Appeared as RP. Lagna Signlord = Venus.
Ascendant Cusp Starlord = Jupiter	Appeared as RP. Moon Signlord =Jupiter.
Ascendant Cusp Sublord = Moon	Appeared as RP. Lagna Starlord = Moon.
Ascendant Cusp Sub-Sublord =Mars	Appeared as RP. Day-lord = Mars
Ascendant Cusp Sub-Sub-Sublord= Jupiter	Appeared as RP. Moon Signlord = Jupiter
Ascendant Cusp Sub-Sub-Sub-Sublord=Rahu	Appeared as RP. Representative of Mars=Rahu.

Thus the joint rulers of the Ascendant at the birth correspond to the ruling planets at the time of judgment.

The given major events are also tallied with the corrected birth chart.
7th CSL Rahu indicates inter-caste marriage. 10-22-25 AM is correct birth time.

As per the rules enacted by Sri. Kanak ji's book of RBT, corrected birth time is arrived as 10-22-26 AM.

RULE:- Sun(Atma karaka), Jupiter(Putra karaka) and Venus(Kama karaka) are the three planets mainly responsible for human births. So any one of them is found as the starlord or sublord of the 9th cusp.(LATE M.P. Shanmugam's rule)
In this Jupiter and Sun are appeared as as 9th cusp starlord and sublord respectively.

RULE:- When the Ascendant sublord is connected with Moon Sign lord or Moon starlord of the native, then the erected birth chart is correct.
In this natal chart, the Signlord of the Moon is Mars. Ascendant CSL Moon and Mars are in the star of Venus. So the erected birth chart is correct.

RULE:- If the10th cusp sublord is connected well either directly or indirectly, however it may be, either to Ascendant Signlord or Ascendant Sublord, then the erected birth chart is correct one.(as per Late. C. Tyagarajan, Senior most K.P. exponent.)
In this birth chart, 10th Cuspal Sublord is Venus. This Venus is directly appeared as Ascendant Sign-lord. 10th CSL Venus is in the sub of Jupiter and Ascendant Starlord Jupiter is in the sub of Venus. Thus mutual exchange of Subs of Venus and Jupiter can be observed in this natal chart.

ROO:- (1)Ascendant cusp starlord is Jupiter and 9th cusp starlord is also Jupiter.
(2) Ascendant cusp sublord Moon and 9th cusp sublord Sun are placed in the sub-sub of Jupiter.
(3) Ascendant cusp sublord Moon and 9th cusp starlord Jupiter are placed in the sub of Venus.
(4)Both Ascendant cusp starlord Jupiter and 9th cusp sublord Sun are placed in the star of Sun.
Thus ROO is tallied well. Thus it is confirmed that the given birth time of the native stands corrected as 10-22-25 AM on 16-09-1973 at Hyderabad,

RBT Procedure:- as per the rules enacted by Sri. Kanak ji's book f RBT.
Ruling Planets worked out at the time of judgment are as follows:-
(RPD= 25-04-2017; Tuesday; RPT=08-08-42 AM; RPP= Pleasanton; California State-USA)
Lagna RPs = Venus/Moon/Jupiter/Venus; Moon RPs= Jupiter/Mercury/Saturn/Mars; DL=Mars;
Note:- Moon is in the sub of Saturn. So Punarphoo yoga is formed in this RP chart.
Ketu is in the sign of Saturn and it is aspected by Saturn which is in Moon 4 RPs and Ketu is in the sub of Moon which is in total 9 RPs. Rahu is unqualified. So Ketu is to be added as an additional RPs of Moon.
Then total Moon RPs are Jupiter, Mercury, Saturn, Mars and Ketu.

Checking for Starlord of Lagna:-

Checking for Sublord of Lagna:-
Location: HYDERABAD, ANDHRA PRADESH, India
Date: 16/Sep/1973
Start Time: 10:15:00 AM *End Time:* 10:25:00 AM
Transition Information for Lagna
10:15:00 AM Ve Ju Ve

10:21:55 AM Ve Ju Mo

We have Jupiter, Mercury, Saturn, Mars and Ketu as Moon RPs. Venus, Sun and Moon are appeared as sublords of lagna. None is seen in Moon RPs. Due to punarphoo yoga, Moon is selected as a last one even though it is not seen in Moon RPs.

Checking for Sub-Sublord of Lagna:-

We have Jupiter, Mercury, Saturn, Mars and Ketu as Moon RPs. As Ketu is seen in Moon RPs, it is selected. Due to Punarphoo Ketu is selected as a last one also.
So astrologically corrected birth time is 10-22-26 AM.

Checking of the given EVENTS:-
(1) Married on 14-12-2002; (Inte-rcaste marriage); (during the period of Moo/Sat/Sun/Mer)
(2) Daughter born on 21-08-2004. (During the period of Moo/Mer/Rah/Moo).

Checking of Marriage event:-

Note:- Both the events (Marriage & Child birth) happened during the Main period of Moon. Moon (Dasanatha) is not seen or appeared not only in four fold significator table but also in six fold significator table. But we can see Moon as a significator in E-grade list in 2nd & 7th house. Moon is aspected by Venus-Marriage Karaka. Moon is very closely conjoined with Mars who is the lord of 2nd & 7th. Mars also aspects 7th house with his 8th aspect. Even though Moon is not seen in A-B-C-D grades, we can consider him as Dasanatha for both

the events of marriage and child birth without any hesitation.

Saturn (bhukthinatha) for marriage:- Saturn is in the star of Rahu who is the occupant of 2nd house.
Saturn is the CSL of 2nd & 11th. None is in his stars. So he becomes a self-strong significator for 2 & 11.

SUN (Anthranatha) for marriage:- we can see him as A & B grade significator for 2nd .5th and 7th
Signification of Sun can be seen in E grade list.

Mercury(Sookshmanatha) for marriage:- we can see him in B grade significator for 11th and as 2nd, 5th, & 7th in E grade list.
As explained above all the D/B/A/S and Marriage Karaka Venus are signifying the required houses for marriage. So marriage of this native took place on 14-12-2002.

Next Checking of Child birth event:-

Moon (Dasanatha & Sookshmanatha) :- Already clearly explained in Note.

Mercury(Bhukthinatha):- B-Grade significator for 11th and E-grade significator for 2nd, 5th & 7th

Rahu(Anthranatha):- Rahu is appeared as B grade significator of 2nd house and he is the cusps susblord of 5th & 7th. Rahu acts as an agent for Jupiter and Sun. Both are the significators of 11th house.

Thus all the D/B/A/S are tallied. So the birth time of the native corrected by me is cent-per-cent correct.

Reaching home by car on the same day - KP horary analysis

By: Gunti Nagaraju KP astrologer (M.com CAIIB, Retired Bank officer)

"AT WHAT TIME MR DHYANI MY COUSIN WHO HAS STARTED BY HIS CAR AT BANGALORE IN THE MORNING ON 24-12-2016, REACHES MY HOME AT TARNAKA SECUNDRABAD?"—

This is the horary question raised in my mind on 24-12-2016 at 12-05-00 pm, when my cousin Mr. Dhyani informed me over phone that he has started by his car in the morning hours from his home from Bangalore to reach my home today. Immediately horary number 5 struck in my mind and erected a horary chart at 12-05-08 hours. The chart is attached. First let me check whether the event is promised –

The 11th cusp sub lord is Rahu which is placed in the 5th. Rahu is in the star of Kethu who is placed in the11th. It is in sub of Mercury, lord of houses 3 and 4, placed in the 9th. 11-fulfilment of the desire, 3- leaving his place of stay and journey, 9- long journey, and 4- meeting his kith and kin at home town. Thus the event is promised.

The question is 'at what time' --- since the event is expected to take place within 24 hours, I have to take the movement of lagna on the sensitive points of the RPs.

Ruling planets at the time of judgment---on 24-12-2016 @ 12-05-08 hours @ Secundrabad.
ASC= JUP-SAT-MERC/ RASI= VENUS –RAHU- MERC/ DAY LORD- SATURN.
Note-Rahu is aspected by Mars (within 3 .10 degrees of orb), and by Saturn. Rahu is in the sign of Sun. So, include Mars, Sun and Saturn as Rahu representatives also as RPs.

So ruling planets are arranged in the order of strength as---
MERC(2)-SAT(2)-RAHU-JUP-MARS- SUN-VENUS.

The details of the transition of Asc. are furnished below—

The distance between Bangalore and Hyderabad is 575 KM, and with normal driving skills, it takes 8 to 10 hours to cover. It is informed by my cousin that he has started from Bangalore at 8.30 am, and he is expected to reach Hyderabad between 04-00 pm and 05.00 pm even if he takes 8 hours journey time. Keeping this in my mind, I cannot expect him to reach within the Jupiter lagna time that is before 12-30 pm. So I have not selected Jupiter

lagna even though it is in the list of RPs. Next comes Mars lagna. Even though Mars is in the RPs, since my cousin cannot reach before 4.00 pm, I have not taken Mars lagna time using my commonsense.

Next comes Venus lagna at 3-42-55pm with Moon star which is not in the list of RPs. After Moon star, it is Mars star that starts @ 4-36-55 pm and ends at 05-33-49 pm. Since both are in the list of RPs, I have taken Venus lagna with Mars star as the lagna and star for my further calculations.

Venus and Mars combination is chosen from the above list, based on the order of strength of the RPs as SGL and STL between 04-36-55 to 05-33-49 p.m.

From the above list, Mercury is the first planet that has appeared in the list, and is chosen as SSSSBl from the available RPs.@04-41-36 p.m.

So I have come to the conclusion that Mr Dhyani, my cousin, has to come @ 04-41-36-pm as on date.

FACTS OF THE CASE---YES. He has reached home at 04-52-00 p.m. as against my prediction.

Questions & Answers

There are five common significator between effective significators and ruling planets.

Then , How to select DBA lords?.
If the present running dasa lord is one among them, then we can select that dasa lord provided sub lord agrees. Once dasa lord is selected.
Then, how to select, bhukti and antara lords,
Is it Vimsottati dasa sequence OR any other method is there?.

I request for your kind advice/suggestion on this.
The mother/father has given the horary no. for her son/ daughter.

For MOON 's position and prediction, some persons are of the opinion that the ORIGINAL CHART FOR THE HORARY NO. is to be used as mother/father wanted to know the result.

For predictions like marriage etc, the rotated chart is to be used as the rotated chart pertains to the concerned person.
I request for your valuable suggestion/comments on this.

Regards,

I am going through the question and answers in KPAZine old issues.
In May-2014 issue, Question No: 3, Under Para 14, it was mentioned that

" WHETHER A PLANET IS THE CSL OR DASA PERIOD LORD IT'S SIGNIFICATIONS ARE TO BE CONSIDERED AT THE PLANET, ITS STAR AND SUB LEVELS "

SIRS,
In case of marriage, if 7CSL signifies either at planet level or at star level or at sub level signifies either 2 or 7 or 11, marriage is promised.

Similarly,in case of DASA LORD , I under stand that the dasa lord either at planet level or at star level or at sub level signifies either 2 or 7 or 11, marriage is promised in its dasa period.
The same rule applies to bhukti lord, antara lord and sukshma lord also.

I am going through the Q&A sections of KPEZine of April 2017.
Under Question No:7,
Your answer is:

"So if the 6 fold (A,B,C,D,E,F) signficators table is used, there will be no role of sub as a decider which is the corner stone of KP'

In such cases Why Sri Kanak Bosmiaji is suggesting some times to use 6-fold significator table.

Youngest French President with 24 Yr. Older Wife

By: Tin Win

Email: tw853@yahoo.com

Short Background

The 39 year old Emmanuel Macron is the youngest President in French history and the youngest leader since Napoleon. He is certainly a political novice since he was a former investment banker and appointed as Minister of Economy, Industry and Digital Affairs in 2014. His wife Brigitte is 24 yr. and 8 months his senior. His personal life is interesting and attracts some criticism for a "torrid love affair" with his then teacher Brigitte. They met in 1992 when he was a 15 yr. old school student and she was 39 yr. old his drama teacher even though she was married at the time with three children, two of whom are older than he is. As a schoolboy, he vowed to marry her one day. He kept his promise, and married Brigitte on October 20th, 2007 after her previous marriage ended in divorce in 2006.

Brigitte played an active role in her husband's campaign for president as a coach and her children from previous marriage helped campaign for Macron.

Planetary Combination for Love Affair and Marriage with 24 yr. Older Woman

1. His earthy Capricorn Ascendant is ruled by Saturn, indicating an older, more mature mate for long term.

2. His 7th cuspal sub lord (CSL) is Saturn.

3. Saturn is placed in 7th house (bhava).

4. His 7th (relationship) lord Moon (emotion) and 11th (long term relationship) lord Mars (temper, drive, desire) are in mutual reception called Parivartan by exchange of Moon which owns Cancer in Aries (fire sign) and Mars which owns Aries in Cancer. This Moon is in exact opposition with Uranus (unconventional energy). More Uranus is aspected by Mars (temper, desire) and passionate Leo Saturn from house 7 and expansionary Jupiter from house 5 (love affair, passion). Such kind of planetary combination suggests no shortage of fireworks and his temper and passion in his highly unconventional and emotional relationships, which is counter checked by Saturn's discipline.

5. His 5th (love affair, children) house Jupiter in Mercury's Gemini in opposition to Sun-Mercury, lord of house 8 (sex scandal) in Jupiter's Sagittarius house 11 (long term relationship) suggests a love affair in the public eye, large family and healthy amount of sex.

6. The conjunction of Venus (love) and Neptune (dream) makes him a very much the true romantic idealist..

7. The KPDP matching total score is currently 71.667% (with 66.67% for criteria no. 10 for intimacy) on 27/May/2017 as attached.

Planetary Combination to Become President

1. His 10th (power, success, name, fame) cuspal sub lord (CSL) is Mercury in house 11 (gain, desire fulfillment), lord of houses 6 (win over opponent),8 (scandal, dejection), in the star of Ketu in 2, sign lord Jupiter+ in house 5 but closed to 6th cusp, lord of houses 2,12, CSL of 8 having no planet in its stars, and in sub of Rahu in house 8, sign lord Mercury in 11, lord of houses 6,8, indicating power gaining houses 6,10 and 11 against problematic houses 5,8,12 although 8,12 may suggest his previous profession of investment banker.

2. Mars is the planet that governs his career, because Mars is the lord of his Scorpio 10th house. And Mars is also lord of houses 3 (ability) and 11 (gain, desire fulfillment). Furthermore Mars is in his 7th house of relationships and other people. Mars is also generally about drive, action and 'doing'.As discussed above, Mars is also connected with Moon in house 3 (ability), lord of house 7.

3. Ascendant CSL is also Mercury, as discussed above, indicating favorable houses 6,11 against houses 5,8,12 for sufficient strength of Ascendant for leadership.

3. 6th lord Mercury and 12th lord Jupiter are also in mutual reception called Parivartan, i.e. Mercury in Jupiter's sign Sagittarius and Jupiter in Mercury's sign Gemini. So Mercury and Jupiter forms Viparita yoga for his success.

4. Sun (self and identity) is exactly conjoined with 6th lord Mercury (communication) in Sagittarius house 11. And being a Jupiter-ruled fire sign, Sagittarius denotes a 'visionary' of sorts. Furthermore this conjunction is aspected by expansive, confident and optimistic Jupiter from house 5 (intelligence). It enlarges and expands the scope of Macron's combination of identity and ability to communicate his vision. This is a valuable and appropriate aspect for a politician.

Marriage on 20 October 2007:

1. **Emmanuel Macron** was in Mars-Venus-Rahu-Jupiter joint dasa period on the day of marriage with Brigitte Trougneux.

Dasa lord Ma+ is in 7, lord of 3,10,11, in the star and sub of Me in 11, lord of 6,8, indicating marriage houses 7 (legal marriage) and 11 (long term partnership).

Bhukti lord Venus is in 11, lord of 4,5,9, in the star of Me in 11, lord of 6,8, and in sub of Sa+ in 7, lord of 1, CSL of 3,7,9 having no planet in its stars, indicating marriage houses 7 and 11.

Antra lord Ra is in 8, sign lord Me in 11, lord of 6,8, in the star of Mo in 3, lord of 7, and sub of Sa+ in 7, lord of 1, CSL of 7,10 having no planet in its stars, indicating marriage houses 7 and 11.

Sookshma lord Ju+ is in 5 but closed to 6th cusp, lord of 2,12, CSL of 8, in the star and sub of Ra in 8, sign lord Me in 11, lord of 6,8, indicating marriage house 11.

2. Brigitte Trougneux (Macron) was in Rahu-Rahu-Rahu-Venus joint dasa period on the day of marriage with Emmanuel Macron.

Dasa, Bhukti and Antra lord Ra+ is in 6, aspected by Ju in 9 but very close to 10th cusp, lord of 5,8,9, sign lord Sa in 3, lord of 6,7, CSL of 1,3,5,7,9,11 having no planet in its stars. Ra is in the star of Mo in 8 but very close to 9th cusp, lord of 12, in sub of Ju in very close to 10th cusp, lord of 5,8,9, indicating marriage houses 7,11.

Sookshma lord Venus is in 9, lord of 10, in the star of Me in 8, lord of 2,3,11, and in sub of Sa in 3, lord of 6,7, indicating marriage houses 2 (forming a family, addition of family member by marriage), 7 (legal marriage) and 11 (long term partnership).

Note: In Brigitte's natal chart the conjunction of Moon, Mercury and Venus in opposition to Neptune indicate her independent mind in her relationships. Her 7th CSL Saturn in sub of dual planet Mercury placed in dual sign Pisces indicates more than one marriage.

Winning election on May 7 and becoming President on May 14:

1. **Emmanuel Macron** was in Rahu-Saturn-Jupiter-Rahu joint dasa period during that time:

Dasa and Sookshma lord Ra is in 8, sign lord Me in 11, lord of 6,8, in the star of Mo in 3, lord of 7, and sub of Sa+ in 7, lord of 1, CSL of 3,7,9 having no planet in its stars, indicating winning houses 3 (ability), 6 (win over opponent), 10 (success, power, name, fame) and 11 (gain, desire fulfillment).

Bhukti lord Sa in 7, lord of of 1, CSL of 3,7,9, in the star of Ke in 2, sign lord Ju+ in 5 but closed to 6th cusp, lord of 2,12, CSL of 8 having no planet in its stars, and in sub of Ra in 8, sign lord Me in 11, lord of 6,8, indicating winning houses 3,6,10 and 11.

Antra lord Ju+ is in 5 but closed to 6th cusp, lord of 2,12, CSL of 8, in the star and sub of Ra in 8, sign lord Me in 11, lord of 6,8, indicating winning houses 6 and 11.

Note: The repeated signification of house 8 (scandal) at all dasa levels for both husband and wife indicate their torrid love affair in public which does not matter in French society.

Dasa and Sookshma lord Rahu was transiting in Leo (disposed by its 10th sign Sagittarian Sun), in very close conjunction with natal Saturn in the 7th house, opening the doors to a serious and important relationship and connection with the people.

Bhukti lord Saturn, the Ascendant lord, was transiting in Sagittarius in close conjunction with natal Sun and Moon in house 11 for gain and fulfillment of desire. Saturn also forms trine with the Sun (its disposition) and Mercury in the natal chart.

In turn, Antra lord Jupiter was transiting in Virgo in close conjunction with natal Rahu and Pluto placed in 8th house, activating Dasa lord Rahu and promising major changes and transformations in his life from being someone almost unknown until two years ago, to president of a country like France. Transit Uranus just entered Aries @1:45 in opposition to natal Uranus for a sudden change.

2. **His wife Brigitte Macron** was in Rahu-Mercury-Jupiter-Saturn joint dasa period during the time of her husband's winning election and becoming president:.

Dasa lord Ra+ is in 6, aspected by Ju in 9 but very close to 10th cusp, lord of 5,8,9, sign lord Sa in 3, lord of 6,7, CSL of 4,6,8,12 having no planet in its stars. Ra is in the star of Mo in 8 but very close to 9th cusp, lord of 12, in sub of Ju in very close to 10th cusp, lord of 5,8,9, indicating winning houses 3 (ability), 6 (win over opponent) and 10 (success, reputation). .

Change in Occupation

By: VSN. Murthy, (K.P. Astro Consultant)

Mr. Sunil said, "Sir, Now I am working in a Private Company in Hyderabad. Is there any change in my present occupation? If so when"? Then, I asked him to provide a horary number between 1 and 249. Immediately, he said 99/249. At once the horary chart is prepared for the given number. It is attached at the end of my analysis for the benefit of the readers.

Before proceeding to analyze the horary chart, we have to check the MOON, whether the querent is correctly reflected by the position of the Moon. Moon exactly indicates the mind of the querent. In this horary chart, Moon is occupant of the 9th (change of profession) and is the lord of the 12th (new surroundings). Moon is in the sub of Jupiter who owns the 5th (negation to service) and occupant of the 2nd (income-bank-balance etc.). Thus, the query is confirmed by the position of Moon.

For change in occupation, houses 2, 6, 10, 11, 3, 5, 9, & 12 are to be scrutinized.
The following fundamental points should be remembered before going to analyze.
2=INCOME;
6= Service;
10=Profession;
11=Gain in trade or profession;
3=negation to the present residence;
5= change one service to another (negation to 6);
9=negating to 10 change from one job at another;
12= change in working surroundings;

Is there any change of profession is to be diagnosed.
KP. Rule :- If the 10th CSL signifies houses 3-5 or 9 then change is indicated. For this, we have to examine the 10th cusp which fell in Taurus 22-35-04=Venus (Sign lord)-Moon (Star lord) and Venus (Sub lord).

The Sign lord of the 10th cusp and Sub lord Venus is occupant of the 5th, and the lord of houses 3 & 10. She is in the star of Moon who occupies the 9th and is the lord of the 12th. She is in the sub of Rahu who is the occupant of the 12th. Rahu is aspected by Saturn who owns the 6th house. About Moon, we have already discussed elaborately in the above paras. Thus, the co-rulers of the 10th cusp are indicating change of profession. (Note:- the 6th CSL is also Venus.).

K.P.Rule:-If the significators of 2-6-10-11 happen to be the significators of houses 3-5-9-12, change in profession will surely happen.
Significators of houses 2-6-10-11 and houses 3-5-9-12.

FRUCTIFICATION OF THE EVENT:- At the time of judgment, Moon dasa/Jupiter bhukthi/Mercury anthra is running. But Mercury is not seen among the Common Planets. So, during Mercury anthra the event will not fructify. So it is rejected. And, next comes Ketu which is taken as it is seen among the Common Planets. Moon/Jupiter/Ketu will be running from 10-02-2017 to 10-03-2017. I predicted that the change will surely occur during the conjoined period of Moon dasa/Jupiter bhukthi/Ketu anthra/Venus sookshma which runs from 11-02-2017 to 16-02-2017.

PHOBIA - Mental Disorder

By: Sumanadasa Namarathna (Sunaparantha Kalyan)

SRI LANKA Email: sumana1946@gmail.com

Once a lady visited me with a horoscope of her daughter and told me thus: "Sir, this is the horoscope of my only child. She is a bright case and having got through the 5th standard competitive exam with highest marks, she is attending a leading girl's school in the city. She has been changed in her general attitude of life for the last two years with some abnormal manners. She hates her father when he wears a sarong in red color. She never sits on a chair that is used by her father. She used to wash her hands several times a day and before her visit into the educational room, she used to burn incense powder and smoke all over the room and utensils therein. This is an insoluble question for us. Can you please read her horoscope and advise us"

Birth detail

Name: Piyumi Ishara, Female, Date: Monday, 31/Aug/1998, Time: 10:24:35 AM. SID: 08:20:43, Place: Castel Hospital, Colombo, Western, Sri Lanka, Lat: 06:54:00 N, Lon: 79:53:00 W, Ayanamsa: 23° 44' 54", Lagna: Libra, Star: Jyeshta, Pada 3, Bal. Dasa: Mercury 06 Y, 07 M, 21 D. (KPAstro 4.1)

Preface

If a person is having such strange attitudes as stated above, it is a mental disorder. These changes indicate that the girl is trying to avoid the irrational fear of specific object or activity or situation penetrated into her mind. If a person keeps on washing hands every now and then, that is also because of an irrational fear of dirt or germs or something else she dislikes. According to medical science, this type of behavior is known as Obsessive-Compulsive Disorder (OCD), a type of anxiety disorder. When suffering from such mental disorder the native is trying to control recurring and distressing thoughts or fear or images. In this type of cases the person believes in rituals and remedies or uses any type of cleansing agent to prevent the awakening of obsessive thoughts in the mind.

In brief, this is a mental disorder as a result of a combination of biological and environmental factors of life. Biologically, there may be some disorders of the functioning of the mental faculties, which directly influence the central nervous system and imbalances the mind. Also, if a person is impressed with unusual environmental factors as a result of being abused by a third party, fear, changing of day to day living style, illness, separating from a loved one, school related problems, he/ she may become prone to suffering from mental imbalance.

In this issue, what I could do is only to examine the natal chart for any mental disorder and environmental factors, if any, that should be obtained from the native. After making my conclusion as given below, I asked the mother to bring the daughter to meet me to discuss with her in order to discover any environmental reasons for the disorder of the mind.

KP Rules for the diseases of mind

1) The Moon governs the mind, intellect and other higher faculties of the central nervous system. If Moon is afflicted or adversely placed in a horoscope, the native will suffer from general moodiness or some type of mental excitement or depression. (Medical Astrology for All, by K.Subramaniam, page 67)
2) If the sub lord of the 6th cusp is in the 7th house from the Lagna and is connected to houses 3, 5 and 9, mental aberration is caused. (Ibid, page 68)
3) The sign Aries, the first house of the Zodiac, exercises control over the head. When in a chart Aries is afflicted, one naturally gets diseases of the head. When Sun is disposed adversely one gets afflictions of the head and mind. (Ibid, page 69)
4) If the sub lord of the 6th cusp is afflicted to Aries by the houses 6, 8, & 12, the native will have to suffer mental depression. (Ibid, page 69)
5) If the sub lord of the 6th cusp is either Moon or Mercury or Sun and it is afflicted in Aries, it will give rise to this disease. (Ibid, page 69)

6) If the sub lord of the 6th cusp is afflicted in the sign of Virgo a psychic owned by Mercury, which signifies the entire nervous system, memory, and mental activities, will also cause this disease. (Ibid, page 69)
7) If the sub lord of the 8th cusp is a significator of houses 6, 8, 12 and is connected with Moon (Mind), Mercury (Reason), Kethu (Insanity), and Saturn (Melancholia) madness or insanity is indicated. (KP House Grouping Part I, by Sri Tin Win ji)
8) If the 3rd cuspal sub lord is a significator of houses 6 or 8 or 12, mind imbalance is indicated.

Analyzing the Chart

Lagna falls in Libra and is under the rule of Venus, Rahu and Saturn. Lagna Lord Venus, also the lord of the 8th is deposited in the 10th, Cancer sign, in conjunction with Mercury, the lord of houses 9 and 12, and is in the star of the same Mercury. Venus is in the sub of Saturn who plays the role of sub lord for the 3rd (Mind) & 11th (Badhaka), and is the lord of the 4th (Education/Termination) and 5th (Buddhi - Intellect) and tenanted in the 7th (Maraka). Thus, Lagna lord has been badly afflicted by its significations of houses 8, 12 and Maraka and Badhaka.

In addition to the above, Lagna sub lord Saturn is posited at the end of the 6th cusp (Diseases), too closely connecting with the 7th cusp (Marakasthana) located in the sign of Aries (Head). It is in the star of Kethu in the 5th (Intellect) and in its own sub. Here, star lord Kethu represents Sun+, Mars+ and its sign lord Saturn.

The Sun is the lord of the 11th (Badhaka) and is posited in the same cusp connecting with Venus, and signifies houses 10, 11, 1, and 8. Mars+,the lord of houses 2 & 7 (Marakasthanas), and the sub of the 12th cusp, is in the star of Saturn and in the sub of Rahu in the 11th (Badhaka).

Thus, the sub lord of Lagna, Saturn, also the lord of the 5th – MIND - is a significator of houses 6, 8, 12 and Maraka and Badhaka, denoting bad health and also posing a threat to her life span.

Furthermore, Moon+, Mars+, Mercury, Jupiter(R), Rahu and Kethu are deposited in the Sub of Rahu (11-Badhaka), while Venus and Saturn are in the sub of Saturn (7-Maraka). Sun+, with no planets in its stars, stationed in its own sign Leo, where 11th (Badhaka) house is situated. Thus, all the nine planets are somehow connected with Maraka and/or Badhaka, indicating the bad luck of the native.

Applications of the rules

1) The governor of mind, Moon+, being the sub lord of the 6th (diseases) and the lord of the 10th (treatments not effective), is posited in the 2nd cusp (Maraka), in the star of Mercury, the lord of houses 9 and 12 placed in the 10th. That is intricately connected with Venus, the Lagna lord that signifies the 8th & 12th cusps. The Sub lord of Moon, Rahu is in the 11th (Badhaka). It is in the star of Kethu (Insanity) in the 5th (Buddhi). Also, Moon+ is aspected by Jupiter the lord of houses 3 & 6 from the 5th cusp. Hence, the Moon, as the governor of the mind, as well as disease indicator in this chart, is afflicted and adversely placed and is connected with houses 3, 5, 9 unveiling the disease of mind as in the rules 1 and 2 above.
2) 7th cusp Marakasthana is positioned in Aries sign (Head), where Saturn is posited. The Lord of which is Mars stationed in the 10th, and is connected with Saturn (5, 7) and Rahu (5, 11) as star and sub respectively. It is aspected by Jupiter, the lord of the 3rd (Mind) and 6th (Diseases) placed in the 5th. Accordingly, the controlling hub of the head is afflicted as in rule 3.
3) The 6th cusp, in addition to diseases, rules over mental faculties. The sub lord of the 6th, Moon, is in Scorpio and is connected with Mars, the lord of Aries and, at the same time, Moon has rule over cusps 8 & 12 by star lordship. And planet wise it is connected with Mercury that is the sub lord of the 7th, where the sign Aries is. Hence, Aries (Head) is afflicted by way of Moon and houses 6, 8, 12.
4) The 3rd house, governing the Mind, Mental trends, Mental faculties & Thinking, is under the rule of Jupiter(R), Kethu and Saturn. Sign Lord, Jupiter, also the lord of the 6th (Diseases), is in its own star, and is a significator of houses 3, 5, and 6. Star lord Kethu is in the 5th and is directly connected with the 11th (Badhaka). Saturn, as discussed above, is a significator of houses 4, 5, 7 & 11, and also is in the star, Aswini, owned by Kethu, and pathogenically affects the Head and causes Congestion in the brain.
5) Neptune, a planet that causes psychic disorders of all types, is in the 4th house owned by Saturn placed in the 7th and in the star of Sun (Badhaka). It is in the sub of Mercury (Reasoning), a significator of houses 9 and 12. Further, Neptune is aspected by the malefics Mars, Mercury, Venus and Saturn.

Conclusion
Since all the planets in the natal chart are adversely affecting the faculties of the mind, the native will suffer from mental disorder/imbalance. The parents were advised to take her to a Psychiatrist.

Post analysis
On my request the native was brought to me later on and I had a discussion with her to learn of any environmental background behind these changes of mind faculties. According to her statement, she had been taken to a fane (Devalaya*), a small temple dedicated to some Yakkha or Deity, to know about her future by her aunty and travelled by their own wagon driven by her father. The in-charge of the temple (Kapu*) wearing red robes had offered the pooja to the deity and started his fortune telling in brutalized manner and had told thus. (*Sinhalese)
" You are an idiot. You are a fool. You cannot complete your education at any level. You have no chance to be a scholar....." and with many more confused and negative thoughts had been penetrated into the unripe mind of this girl.
At once the girl had got angry, began to cry and had run away. From that day she had planted a feeling of hate in her mind towards all her family members, especially for her aunty, and she had refused all the things in red color. She had refused to use even a chair used by her father.
According to the facts that I have heard from her parents, there was no acceptable and justifiable reason to take this girl to a fortune teller for her educational matters. In her preliminary exam to qualify for a high school, she had had an easy win and had the chance to enter into a leading girls school in the city and in her Ordinary Level Examination, she had got nine distinctions ("A" passes), that is a hard fence to jump, and got selected for secondary education.
However, nobody can erase or cancel or postpone Karma, written in the athma at the time of birth. On the date of her visit to the so called fortune teller in January 2014, (exact date not known) she was running Venus Dasa, Venus Bukthi and Jupiter Anthar. Being the lord of Lagna and the 8th, Venus is posited in the 10th, Cancer, in conjunction with Mercury (Intellect & rational mind), the lord of the 9th (Higher Mind) and 12th (Mental working on unseen matters), in its own star, and in the sub of malefic Rahu placed in Badhakasthana. Anthara Lord Jupiter, being the lord of the 3rd (Mind) and 6th (Diseases) is posited in the 5th (Intellect/Buddhi), in its own star and in the sub of Rahu. The 6th sub lord, Moon, Mars the ruler of the head and mind, Mercury (Intellect & rational mind) and Dasa Lord Venus for houses 10, 9, 12, 1, and 8 were aspected by Anthara lord Jupiter. Thus, at the time of the incident, the houses for mind and Buddhi were severely afflicted.

Points to ponder
In the chart under study, *Retrograde Jupiter*, being the lord of the 3rd (Mind) and 6th (Diseases) is in the 5th (Excellent thinking power and wisdom). It is Pisces, the zodiacal sign of psychic, emotional[1] and sensitive2. When Jupiter is **retrograde** and connected with **Nodes**, what will happen to psychic and emotional routings of the native? According to my personal experience of KP, I have found retrograde Jupiter becomes a destructive planet for matters controlled by the bhava, where it is deposited. ([1]KP Reader II, Sep. 2009 Edition,Page 262/ [2]Medical Astrology for All, K.Subramaniam, page 72)

Medical Astrology Conclusion
"If a person is having such strange attitudes as stated above, it is a mental disorder. These changes indicate that the girl is trying to avoid the irrational fear of specific object or activity or situation engraved in her mind."- (Quoted from Para 2 above).
//Fearful mind, Anguish of mind, Veneration, Mind disturb by fear, Obsessions, Worry, Delusions, Superstition, Hallucinations - all these subjects have to do with FEAR in its different manifestations. Fears, Anguish of mind, Anxieties etc., are ruled principally by 8th and 12th house and also by Saturn and Neptune.
Spiritual and religious FEARS are ruled over largely by Neptune, while Saturn rules the fears arising from physical, wordly, material and earthy conditions.// - Encyclopedia of Medical Astrology by Dr. H.L.Cornell
The 8th and 12th Sub lord of the chart under study is Mars+. It is the lord of houses 2 & 7 (Marakasthanas) placed in the 10th (Cancer- the sign of Moon for Mind). Here the 7th cusp is situated in the sign of Aries (Head and Mind). Mars is in the star of Saturn, the lord of the 4th (Terminal) & 5th (Mind/Buddhi) located in the 7th, Aries sign. The Sub of Mars is Rahu posited in the 11th (Badhaka) and it is in the star of Kethu placed in the 5th and in its own sub. Neptune is in the 4th cusp under the co-rulership of Saturn - Sun – Mercury, as discussed above, and is aspected by the most dreaded planets Mars, Mercury, Venus & Saturn. Thus, according to Medical Astrology, this disease could be specified as a type of PHOBIA, a fear of specific objects or activity or situation that leads to a compelling desire to avoid it.

My whole hearted Pranams to Sri KSK ji and my KP Guru Sri Tin Win ji.

In this case, I wish to draw the attention of readers to my article, "**Retrograded planets and diseases**" appeared in KPEZine, Feb. 2016 issue, and wish to invite all KP writers to test the behavior of Retrograded Jupiter and its connections with Nodes to establish a new theory.

Come back to mother land

"When will my younger sister, who is presently staying in the UK, come back to India and settle permanently with us"?

This query is raised by my elder daughter, Jayanthi, on 18 March 2017 during the evening hours at my residence. Immediately, I plotted a Time chart @6.45.56 P.M at my residence Tarnaka Secundrabad and the same is attached.

Since the query is related to the matters of the querent's younger sister, the chart will be rotated to the 3rd house as lagna.

As per the original chart (before rotation) of the querent, let me first checkup *whether the Moon speaks of the mind of the querent. ---*
As per the chart, Moon is the lord of the 11th placed in the 3rd, which indicates the younger sister. The 11th house indicates about the joining of her kith and kin by her younger sister. Moon is in the star of Saturn, lord of houses 5 and 6 posited in the 3rd cusp (within 6 degrees of orb to the 4th cusp) indicating negative to the 4th (present stay and also one's home, residence, domestic environments and general conditions of the native in the later part of his/her life).
Moon as sub lord of the 11th cusp signifying the 3rd cusp, indicates that the desire of the querent will be fulfilled.
In view of the above, I am fully satisfied with the validity of the query and I now feel that I can safely proceed further with the query.

What does the K.P.rule say on the subject "coming back home and staying in the motherland" ?
I).If the 12th cusp sub lord signifies houses 3, 9,and 11, then one will come back from abroad and stay in the motherland during the conjoined period of the significators of houses 3, 9, and 11. It would be better to check up the sub of the 11th cusp simultaneously also. (See Navarathna mala page 8).

Analysis of the rotated chart--
As per the rule --
The 12th cusp falls in Libra and its sub lord is Jupiter+. No planets are placed in the star of Jupiter and so Jupiter strongly signifies the house indicated by it. Jupiter is the lord of the 2nd and 5th placed in the 11th.

Jupiter is in the star of Mars who is lord of houses 1 and 6 placed in the 6th and in the sub of Jupiter who is lord of the 2nd and 5th, placed in the 11th. Thus, Jupiter signifies the 11th and promises the event. It also signifies the 2nd as per the second group requirement along with the 11th.

DASA ANALYSIS--
Saturn, the present dasa lord, is in the CFS and signifies house 3 at star level, and this is ok.
Moon+, bhukthi lord, runs from February 2017 to September 2018, and signifies houses 3 and 9 at the star level, and the 9th at the sub level. This is o.k.

Under Moon bhukthi--
A/L Mars is too short a period to give any such result.
A/L Rahu is not in the RPs and CFS.
A/L Jupiter is not in the RPs and CFS.
A/L Saturn signifies only the 3rd at the star level, and houses 4 and 10, which are negative houses, are signified at its sub level. This is not favourable for giving the result.
A/L Mercury runs from 7/1/2018 to 30/3/2018 and it is in the CFS. Mercury signifies houses 3 and 11 at the star level, and house 11 at its sub-level.

Sun transits in Saturn (D/L) sign, Capricorn, on Moon (B/L) star from 24 Jan to 6 Feb agrees.

When Will Mr. M.S. Dhoni announce his retirement from active participation in sports-cricketing field /entertainment? – Natal chart analysis

DOB- 07 July 1981; TOB-11-15; POB-RANCHI. (I have taken the accurate time as given by "world data bank"). The natal chart is attached.
KP RULE— If the 5th / 3rd cusp sub lords signify houses 2, 4, 9 or 12 along with the 11th cusp, one will retire from active participation in sports/entertainment field.

AS PER THE NATIVE'S CHART---
The 5th cusp sub lord is Venus+. No planets are placed in the stars of Venus, and so Venus strongly signifies the 5th. Venus is the lord of houses 2 & 9 and is placed in the 11th. Venus is in Saturn star, lord of houses 2 & 9 placed in the 12th , and in the sub of Jupiter, lord of houses 4 & 7 placed in the 12th. Thus, Venus strongly signifies houses 2-9-12 & 11 at its star level, and houses 4 &12 at its sub lord level. This promises retirement from the active cricketing field.

The 3rd cusp sub lord is Mercury +. Mercury also co-rules the 4th cusp. No planets are placed in Mercury stars, and so Mercury strongly signifies the 3rd and 4th houses. Mercury is the lord of houses 1 &10 placed in the 9th. Mercury is placed in Mars star, lord of houses 3 & 8 posited in the 9th, and in the sub of Venus, lord of houses 2 & 9 placed in the 11th. Thus, Mercury+ strongly signifies the 9th at star level, and houses 2, 9 & 11 at its sub lord level. This promises retirement from active cricketing.
The 11th cusp sub lord Kethu+, which is placed in Sun star (L/O 12 in 10), and in the sub of Venus (L/O 2&9 in 11), signifies the 12th at its star level and houses 2,9, and 11 at its sub lord level. This promises the fulfillment of his desire.

COMMON FRUITFUL SIGNIFICATORS (CFS) = SUN-KETU-JUP-MERC-RAHU-SAT.

PERIOD LORD ANALYSIS—
Dasa lord Rahu runs up to Nov. 2020.
Rahu is in the CFS and signifies houses 11 &12 at its star (Saturn) level and houses 2,9, and 11 at its sub lord (Venus) level. This is O.K.
Bukthi lord Sun runs from – June2017 to May 2019.
Sun is in the CFS and signifies houses 4 & 12 at its star and sub (Jupiter) level. This is O.K.
Under Sun bukthi –
Sun as antra lord is already taken as bhukthi lord. Moon and Mars are not in the C F S. Rahu is already taken as dasa lord.
Next is Jupiter antra running from 02-10-2017 to 15-11-2017 and it is in the C F S. It signifies houses 4 & 12 at its star level (Sun) and houses 2, 9 & 11 at its sub lord level (Venus).
Sun transits in Venus sign (Libra) (Venus signfies houses 2,4,9,11 &12), in Jupiter star (A/L) from 6/11 to 16/11 which agrees.
So, from the above analysis, I feel Mr. M S Dhoni is likely to announce his retirement from active cricketing during Nov 2017.

Questions & Answers

Question 1: Sensitive Point
I am hearing /read about sensitive point/sensitive zone in KP astrology.
I have read it in KP-Astrosecrets 1 and 11.
Still it is not clear.
It was not mentioned anywhere in your lessons for KP Beginers, NAVARATNAMALA-2.
At least, I have not come across in the articles of KPEZine.

Please do not suggest to see this article or that article etc., for reference

I REQUEST YOU TO KINDLY EXPLAIN THE SAME, WITH AN EXAMPLE OF YOUR CHOICE OF , MARRIAGE AND TIME OF MARRIAGE.

I feel/ think , it will be highly helpful for me as well as for the readers of the KPEZine.

Answer 1: Sensitive Point
The sensitive zone is a point in the zodiac ruled by the fructifying significators of an event- especially the combinations of dasa lord and bhukti lord.
The transit of dasa period lords should be the first consideration. The transit of Jupiter over a sensitive point indicates the year of fructification of the event under consideration. The transit of luminaries Sun and Moon which are the exciting planets over the sensitive zones indicates the month and the day of the fructification of an event respectively. The transit of Ascendant over a sensitive point indicates the exact hour and minute of fructification of an event.
For the chosen common significators among the four fold significators of the required houses for an event to materialize and ruling planets, say conjoined period of dasa lord Sun, bhukti lord Venus and antra lord Mercury, then 1) Sun sign, Venus star, Mercury sub; 2) Venus sign, Sun star, Mercury sub, and 3) Mercury sign, Sun star, Venus sub are the three sensitive and fruitful zones, which will be transited by Ascendant, Luminaries, Jupiter and the planets ruling the dasa, bhukti and antra.

For the attached chart, Male, 01/Jun/1944, 02:58 AM, hr5:30east,16n57,82e15, KP new Ayanamsa: 22° 59' 27", Bal. Dasa: Sun 1 Y, 1 M, 26 D, the matter of promotion was judged at 10:14:00 AM on 17/Jan/1970, when Ascendant was rising in Saturn star and Jupiter sign. Moon was in Sun star, Venus sign, and the day was Saturday. Sun, Moon, Jupiter, Venus and Saturn are the ruling planets, and Rahu is also considered by virtue of Jupiter's aspect to Rahu.
Rahu dasa, Saturn bhukti, Jupita antra joint period was operating from 21/Feb/1970 to 10/July/1970. These joint dasa period lords Rahu, Saturn and Jupiter are found the common fruitful significtors among the four fold significators for houses 2,6,10 and 11 and ruling planets. In addition they are in the sub of fruitful significators to be the strong fruitful significators for promotion. Since Rahu is stronger than the planets the transit of the Sun in Arudhra must be chosen i.e. from 18/June to 4/July 1970. That coincides with Rahu dasa, Saturn Bhukti, Jupiter Antra and Rahu Sookshma.During that period the transit of the exciting planet Moon indicates the day. To pin-point the date, consider the transit of Moon every day. On Satabhisha star day, the area ruled by the bhukti lord Saturn, dasa lord Rahu and antra lord Jupiter, i.e. 24/June/1970 at sunrise time.

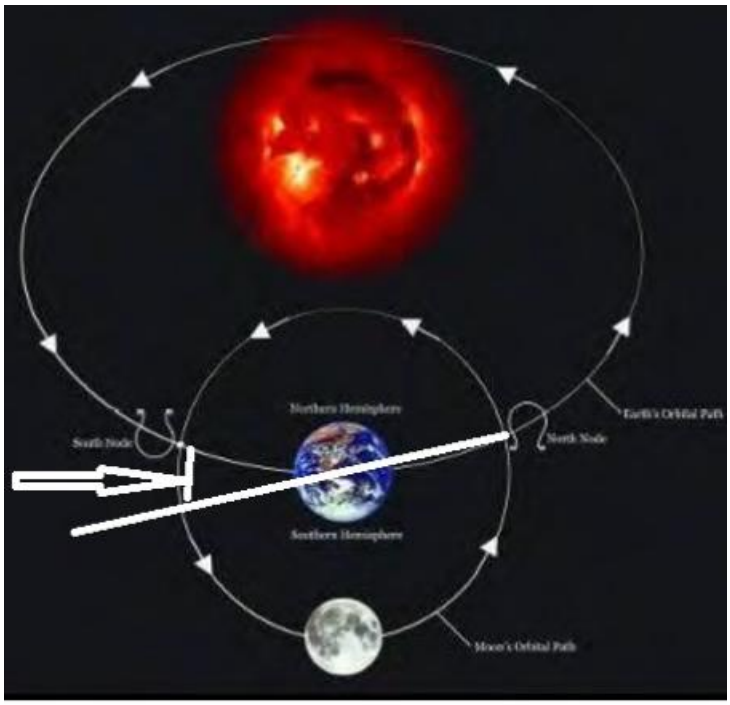
Question 2: Mean or True Node
I am an enthusiast amateur Astrology student of KP from Jamshedpur.

As per astrological calculations the nodal points Rahu and Ketu (north node and south node)are calculated always at exactly 180 degree apart in zodiac, But in my opinion basis of the calculation and 180 degree concept is wrong. As orbit of earth around sun is parabolic (or circular) then two meet points cannot be on a straight line. And if it is so then one nodal point must be inwards towards Sun (due to concave orbital path). I would like to know the scientific fact. If my thought is right then the whole Astrological world has to recalculate the nodal points. I was going through one of KPEZINE old issue (KP EZine_111_April_2016 , Page No- 41), there is a picture. To understand what I want to say, I have saved the pic from the magazine and highlighted the path. Please refer the edited picture I am enclosing herewith. I may be wrong. But somewhat I feel the sublord calculation of Rahu or Ketu will be different as they used to be earlier. For example - In particular horoscope when Rahu is in sub of Moon then Ketu is in sub of Venus (Pls refer page 30 and 38 of the above mentioned magazine). But if the orbit is parabolic then one of the sublord is going to be changed respective to other one. Then this fixed ratio may not work. Sublord of one or other node must change. I hope you may not assume an insane in me :D. Probably this is why prediction on the basis of Rahu and Ketu are always mysterious.
This evening I have posted the same query to NASA query page. But I did not post the picture there.



Answer 2:
This is the issue of using the mean nodes or true nodes as explained in the article "A Note on Mean Nodes vs True Nodes" in the KP-Ezine July 2008 issue.
The Nodes (Rahu and Ketu) are not planets. They are mathematical points in space indicating the intersection of the orbit of the Earth around the Sun and the orbit of the Moon which revolves around the Earth. The planes of these two orbits intersect each other at 5° 8′ 40″. The line of intersection is the Nodal axis formed by the Nodes.

In reality, the Nodes “wobble” a bit. They do not move at an entirely predictable speed and vary from day to day. They frequently turn, station, travel direct, station and return to a retrograde motion. Although the Nodes move around the Zodiac in a retrograde direction, the True Nodes may occasionally be direct and are stationary for several days at a time, as if they are wobbling. That's because the True Nodes take the gyroscopic relationship of the Sun/Moon into account. The Mean Node is always retrograde as assumed in the scriptures.

Prior to the mid-1970s astrologers only had access to the 'Mean Nodes" which is the average position of their wobbling or motions. The calculation of the Mean Nodes is easy by taking the average of motions and the True ones is complicated. However, with the advent of computers and the accuracy of ephemerides and diurnal tables increasing by leaps and bounds, astronomers began to plot its course of wobbling or motions and call this position the True Node. The American Ephemeris programmed and publicized by Neil Michelsen and published by Astro Computing Services (ACS) has listed both True and Mean Nodes ever since then. Most software programs now have the option of Mean or True Nodes whichever one is preferred.

The main reason of using the True Nodes is that they are the actual measurement of the exact positions of Nodes. However, this is somewhat illusory, since the "True" Nodes are true "only twice" a month when the Moon crosses the ecliptic. Other positions provided for the times in between those two points are just a hypothesis.That is why Robert Hand point out in "Horoscope Symbols" that the wobbling Nodes are no more "True" than the Mean Nodes, as they are in their own way just as abstract a concept. They should not be used until research has indicated which, if either, of the two sets of the Nodes is more valid.

The Mean Nodes have been used not only by most Vedic and KP astrologers but also by Western well known astrologers CA Jayne, Robert Hand, Noel Tyl, Dane Rudhya, Anthony Lewis, Don G. Borkowski etc. Vedic astrology uses Mean Nodes since ancient times, thus a vast experience and feedback are available on Mean Nodes.

In the KP-Ezine April 2016 issue, on page 38, for the chart of Horary no. 135/249, 18/March/2016, 12:42:46 PM IST, Ahmedabad, 23n00, 72e36, the Mean Rahu is 27Leo31:20 and the calculated True Rahu is 27Leo48:09, higher 16min:49sec. For both the Mean Rahu and True Rahu, the star lord Sun and the sub lord Moon are the same. Similarly for Ketu Jupiter star and Venus sub are the same for both the Mean and True value.

In the same KP-Ezine, on page 38, for the chart of Horary no. 135/249, 18/March/2016, 12:42:46 PM IST, Ahmedabad, 23n00, 72e36, the Mean Rahu is 27Leo31:20 and the calculated True Rahu is 27Leo48:09, higher 16min:49sec. However for both the Mean Rahu and True Rahu, the star lord Sun and the sub lord Moon are the same. Similarly for Ketu Jupiter star and Venus sub are the same for both the Mean and True value.

The True Nodes can differ from the Mean Nodes by up to 1 ¾ degrees, and the sub of nodes may change in border line or exceptional cases only.

Question 3: Marriage Prediction
Can we predict whether the marriage was over or not from the birth details of an individual?.
If so, how to proceed?.
I request you to kindly educate me in this regard.

One person has approached me to predict for his marriage and given his birth details. But , from the way, he was talking i suspect that the person has already got married and approached for testing me. So, how to tackle such kind of people.

Answer 3:
If the past joint dasa period lords and transit clearly indicates marriage, it can be said that the native is found already married.

Question 4: Friend/Enemy Relation between Dasa Period Lords
For an event to take place , we will to select DBA lords as per Vimshottari dasa.
Once we select DBA lords, for example the period of SU-VE-SA.

Some are of the opinion that , the event will not take place in this period due to the relation of Dasa and Bhukti lords. Here Sun is an enemy to Venus. We have to select the bhukti lord in such way as friend or equal to dasa lord. Same logic for Bhukti and antara lords also.

What is your opinion on this?.

Answer 4:
Such kind of friend/enemy relation between dasa period lords is not applied in KP.

Question 5: Good or Bad Dasa Period
In a natal chart, how to find out whether it is a good/bad period it a particular DBA period as per KP System.
It is not for predicting for a particular event.
Suppose a person approaches, and request us for his future, indifferent DBA periods, how we will proceed, as per KP System?.

Answer 5:
In KP no planet is wholly benefic or malefic, and it is the same with dasa period lords. Prediction is usually made for the matter asked by the consultant, for instance for marriage or promotion or business gain. Because parents' health may be in danger when a native is promoted since 10th significationfor the native is 2nd Maraka signification for father and 7th Maraka signification for mother.

Question 6: Moon Position and Transit
I am going through the old/ present articles in KPEzine magazine.

In a horary suppose the father asks the question for his son, giving a no by father himself, then the Moon position is to be checked from the original chart, and for prediction, the chart is to be rotated to 5th position for son for lagna.

But, in some of the articles, I found/read that,
1. The chart is directly rotated, and then the Moon position is checked, even though the question is asked by the father/ any relative .

2. In most of the articles, the date is predicted and the TRANSITION is not predicted and it was mentioned the event has taken place on the date predicted..
Is the author leaving the transition part to check for the reader?.
Transition is very important for the event to take place and is it not necessary to check and mention in the article by the author.

Answer 6:
Moon position should be checked from the original chart because this the Moon (mind) of a querist.

The joint dasa period lords of fruitful significators of required houses for the event under query indicate the timing of event when transit agrees. So it is required to check the transit.

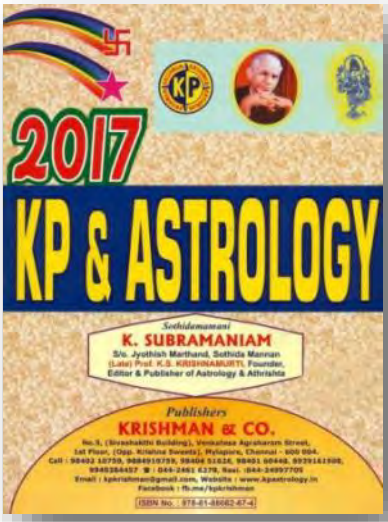
KP & Astrology 2017
Edt. K. Subramaniam
Krishman & Co., 2017, 244 pages



This 'KP & Astrology 2017' is the 2017 year book of KP articles published by K. Subramaniam as shown in the contents.

For food for thought for readers some noted rules and points in the articles are as follows:

If Lagna lord or Lagna sub lord is connected to houses 3 or 9 or 12 in any manner, then the native will be permanently settling in the foreign country where he is now living. (p 9) This is in line the tested foreign settlement rule by 100 charts that one will settle abroad if the Lagan cusp and 12th cusp sub lords signify houses 3, 9 or 12. It is more sure if the 3,9 and 12 significators are connected to each other.

In prediction of election result, if 6th and 11th cuspal sub lords' signification of houses 6 or 11 and also 1,2,9,10 (p 27)/ if their signification of houses 1,2,3,6,10 and 11, success is promised during the joint period (DBA) of the significators of 1,2,3,6,10 and 11. (p 81) Since power comes from 10th house, the 10th cuspal sub lord's signification of more important houses 6 (win over opponent), 10 (power, name, fame, success) and 11 (gain, desire
fulfillment) may be more reasonable.

Retrograde planets in the birth chart reverse the event. (p 93) Retrogression does not matter in natal charts as per common KP understanding.

Jupiter's connection in any manner with houses 6, 8 and 12 indicates the probability of cancer disease. (p 15)

If the 6th cuspal sub lord signifies houses 2,6,8,10 or 12 and is in connection with inter-related Moon, Mercury, Saturn, Ketu or Uranus, a native may be diagnosed for austim disease during the joint dasa period of significators of houses 2,6,810 or 12, (p 125) Austin is a complex developmental disability for achild.

Rules for assassination based on 12 assassinated charts of Benazir Bhutto to James A Garfield:
1) If the Ascendant CSL signifies 2,6,7,8,12, Badhaka, then unnatural death including assassination is indicated. (p 141)

2) If the 8th CSL signifies 2,7,8,12, then assassination is indicated. (p 142)
3) If the 12th cusp sub lord signifies 2,7,8 or 12 and is connected to Badhaka, the native will be assassinated during the conjoined period of the significators of 2,7,8,12 and Badhaka. (p 143)

In this regard, a tested rule of assassination (by Kanak Bosmia):

Rule-1: If 8 or 12th cusp sub lord signifies 8 or 12, one can be assassinated in the DBA of 8,12 significators

Rule-2: If 8 or 12th cusp sub lord signifies 1,5,11, one can escaped from fatal attack.
8th house: Infamy, accidental death, executions, misery.

12th house: Crimes, assassinations, anxieties, blackmail, cheating, clandestine associates, exiled persons, misery misfortune, moksha

Regarding signification, consideration of planet and its star lord only (p 32) and also up to sub's star level like in K.M. Subramanium's 'Sublord Speaks' (pp 20-22) has been noted.

6-fold significators table (A,B,C,D,E,F) is used in one article. (p 126) By extending significators from 4 to 6, almost all planets may become significators for most houses under consideration. More importantly the sub cannot be used as 'decider' in considering whether a planet is favorable or not for the matter under study and in choosing fruitful significators without using the ruling planets.

Unfortunately no chart details, DOB, TOB, POB, are not shown in the interpretation of Narendra Modiji's birth chart (p 98-99) in order to compare with his other birth times floated in circulation.

Assassination of Top Legal Advisor to the Myanmar Ruling Party NLD

By: *Tin Win*

Email: tw853@yahoo.com

Short Background

On 29 January 2017, U Ko Ni, a prominent lawyer, an expert on constitutional law and top legal advisor to the Aung Sun Su Kyi's ruling party NLD, was shot dead at close range in the head by a gunman as he was preparing to leave Yangon International Airport, having just returned from a government-organized visit to Indonesia.

Chart Details

U Ko Ni, Wednesday, 11/Feb/1953, 04:10 AM MST, Hr 6:30 East, Katha, Myanmar, 24N11, 96E20, KP Ayanamsa: 23° 6' 44", Star: P.Ashada, Pada 1, Lagna: Sagittarius 16:58:32, Bal. Dasa: Venus 17 Y, 1 M, 26 D.

Rules of Assassination or Unnatural Death

Cuspal Analysis: 1st cuspal sub lord (CSL) Moon is in house 12, lord of 8 (unnatural or violence death), in the star and sub of Venus in house 3, lord of houses 6,10,11. In addition Venus is closely conjoined with Mars (karaka for weapon) lord of 12. Further in Jathaka Chandrika houses 3,6,8,11 evil for one's longevity. (KP Reader V, page 125/ new edition page 131)

8th CSL Venus is in house 3, lord of houses 6,10,11, in the star of Saturn in house 10, lord of houses 2,3, and in sub of Jupiter+ in house 4, lord of house 1. Venus is closely conjoined with Mars lord of 12.

This indicates unnatural or violence death.

Rule of unnatural death: 8th house or/and 8th lord are found aspected or conjoined by Mars and Rahu in 39 (78%) charts, out of 50 unnatural death charts under study. In this chart Rahu is opposite to 8th house.

In addition 8th lord Moon is very closely conjoined with Ascendant cusp which is in close opposition to sudden, unexpected Uranus. Maraka 2nd lord Saturn aspects Ascendant, its lord Jupiter and Moon.This Saturn is aspected by Mars (violence).

Rule of assassination by Kanak Bosmia: If 8th or 12th CSL signifies house 8 (accidental death, execution) or 12 (Moksha, assassination), one can be assassinated during the DBAs of significators of houses 8,12.

12th CSL Moon is in house 12, lord of 8, in the star and sub of Venus in house 3, lord of houses 6,10,11. The above tested rule is found working in this case.

Analysis of Dasa at the Time of Death (29 January 2017)

Dasa lord Jupiter+ is in house 4, lord of house 1, in the star of Venus in house 3, lord of houses 6,10,11, and sub of Rahu+ in 1, conj. with Sun in house 2, lord of 9, CSL of 6 having no planet in its stars, sign lord Saturn in house 10, lord of houses 2,3, indicating 2 (Maraka), 6 (injury), 4 (end of everything) and 10 (retirement from this world). In addition star lord Venus is closely conjoined with Mars lord of 12 (Moksha, assassination).

Question. : When my run away wife will come back?
Number; 9 (out of 249).
Date of Judgment; 25-08-2016, Thursday; **Time of Judgment**; 11:41:24 AM IST
Place of Judgment. Kankariya-Ahmedabad **Lat/Long;** 23° N 00', 72° E 36',
Aynamsha: 23⁰.59'.57" **Dasa days:** 365.25

Short History: A Person, his wife and two brothers went to Katra. They got a room in a hotel in the morning at 5 AM and went to sleep. At 7 AM he woke up and found that his wife was not in the room. He tried to search the hotel and in nearby places, but she was not to be found anywhere. So, he lodged a police complaint about his missing wife.

Hints
If the cuspal sub lord of the 11th be the significator of houses 2, 8 or 11(reunion), a person returns home during the joint period of the significators of houses 2, 8 and 11.

Cuspal Sub lord
1st cusp (Aries 11⁰.26'.40''): The cuspal sub lord of the 1st is Mercury. Mercury is in the star of Sun and sub of Saturn. Mercury is occupant of house 6, owner of houses 3-6. No planet is in the star of Mercury and Mercury is the CSL of the 1st. Star lord, Sun, is occupant of the 5th. Sub lord Saturn is occupant of the 8th, owner of houses 10-11. So, the 1st cusp sub lord Mercury is significator of the 5th and is connected with houses 6-3-1-8-10-11. Mercury indicates Badhaka with significations of houses 6-8-10 and also 1-5, hence danger to life is seen.

11th cusp (Virgo 05⁰.15'.45'): The cuspal sub lord of the 11th is Saturn. Saturn is in its own star and sub of Jupiter. Saturn is occupant of the 8th, owner of houses 10-11. Sub lord, Jupiter, is occupant of the 6th, owner of houses 9-12. No planet is in the star of Jupiter and Jupiter is CSL of houses 6-10. So, the 11th cusp sub lord Saturn signifies houses 8-10-11 and is connected with 8-10-11-6-9-12. The 11th sub lord indicates 8-11, so in my opinion, she will come back for sure.

Ruling Planets:

	Day lord	Sign lord	Star lord	Sub lord
Day. Thursday	Jupiter	—	—	—
Asc. Libra 20°.44'.41"	—	Venus	Jupiter	Jupiter
Moon. Taurus 09°.51'.09"	—	Venus	Sun	Venus

Rahu is conjoined with Sun, hence represents Sun. Thus, the ruling planets are Jupiter, Venus, Sun and Rahu.
Note: Moon is aspected by Saturn, hence there is Punarphoo yoga.

Joint Period
At the time of judgment, Balance dasa is Sun up to 19-09-2016. At that time, the joint period running is that of Sun-Venus-Mercury up to 28-08-2016.

Dasa lord Sun, and Bhukti lord Venus, is in the RPs. But Antra lord Mercury is not in the RPs. Next Antra will be of Ketu who is also not in the RPs. This is the last antra in Venus

Bhukti, and this is the last Bhukti in Sun dasa. Thus, I will check the next dasa which is of Moon from 28-08-2016 to 28-08-2026. But, unfortunately, Moon is also not in the RPs.

My opinion: I think she is not well, and don't think she will come back home alive.

Outcome: As of 29-05-2017 she is still not back.

Premature death accidentally by falling in a well

By: VSN. Murthy, (K.P. Astro Consultant)

Name:- Manohar; DOB:-11-02-1959;Wednesday; TOB:-11-11-00 AM; POB:-Malliala village ---nearer to Dronachellam.(15-23N; 77-52E).
In this natal chart, the Ascendant Cusp falls in Aries 17-04-44. It's co-rulers are Mars-Venus-Moon as Sign-Star-Sub lord respectively. *The Lagna is hemmed in between two malefic planets Ketu and Mars.*
KP.Rule for Premature Death:- "If the Sub lord of the Ascendant is a significator of Marakasthana or Badhakasthana, the life of the native is very short."
Ascendant CSL Moon (12-4) is in the star of Saturn (9-10, **11**) and in the sub of Venus (**11-2,7**).
Note: 2 & 7 are Marakasthanas;
11 is Badhakasthana;
12 is Mokshasthana;
4 denotes end of everything;
10 indicates exit from world;

"IF ALL THE THREE HOUSES i.e MARAKA (2-7) & BADHAKA (11) CONJOINTLY OPERATE THEN ONLY ONE CAN LOSE HIS LIFE" (Astro-Secrets – Part I, Page No.110).

6-Fold Significators table.

H.No.	A	B	C	D	E	F
2nd Maraka	.....	.....	.....	Moon	.....	Venus
7th Maraka	Mercury, Venus	Venus	Jupiter	Moon	.....	Venus
11th badhaka	Moon	.....	Venus	Sun, Saturn	Moon, Jupiter	Saturn

He died on 12-03-1978 during the conjoined period of Mercury/Moon/Saturn/Venus.
In the above Significators table, Mercury (Dasanatha) appeared as the 7th Maraka; Moon (Bhukthinatha) appeared as the 2nd (Maraka) and 11th (badhaka);
Saturn (Anthranatha) appeared as the 11th (Badhaka).
Venus (Sookshmanatha) appeared as the 2nd & 7th (Maraka) and 11th (Badhaka).

Dasa Particulars at the time of death are as follows:-
Mercury dasa is up to 02-06-1987.
Mercury/Moon is from 03-07-1977 to 02-12-1978.
Mercury/Moon/Saturn is from07-02-1978 to 30-04-1978.
Mercury/Moon/Saturn/Venus is from 09-03-1978 to 22-03-78.
Thus, it is proved that all the three houses (2-7-11) conjointly operated at the time of death.

Prof. KSK ji said about Nodes that Rahu or Ketu in 6, 8,or 12 conjoined or aspected by the lords of these houses shows suffering accidents, suicides etc. in the sub-periods of these lords. Of course this rule is general.
In this natal chart, Ketu is in the 12th and it is aspected by the 12th lord, Jupiter, from the 8th sign (Scorpio).

Rahu is in the 6th and it is aspected by Saturn (badhakalord). So, it is proved that he is a victim of an accidental death.

"If the planets in Watery signs happen to be the significators of death, it can be said that one either drowned or died of over drinking."
In this natal chart, Moon and Ketu are placed in another watery sign (Pisces). These two are aspected by Jupiter which is placed in another Watery Sign (Scorpio). Ketu is an occupant of the 12th (Mokshasthana). Moon is the occupant of the 12th and she is a strong significator of the 2nd (Marakasthana) and 11th (Badhakasthana). Thus, it is proved that this native died by falling in a well.

NATURE OF DEATH can be known through the Sub lord of the 8th cusp and its connections with other houses and elements.
In this natal chart, the 8th CSL, Jupiter, is in the 8th sign (watery). It is aspecting the 12th, Moon & Ketu in Pisces sign (watery), Mars, the 8th lord, and the 4th cusp which falls in Cancer sign (watery sign).

Main conditions required for happening of accidents are as follows:-

6-Fold Significators table-House View.

H.No.	A	B	C	D	E	F
4th house.	.....	.....	.....	Ketu	Rahu	Moon
8th house.	.....	.....	.....	.....	Sun, Mercury.	Mars
12th house	Mars, Ketu.	Saturn, Rahu.	Moon, Ketu.	Mercury, Venus.	Venus	Jupiter

1) Cuspal sub lords of houses 4-8-12 should appear as the significators for houses 4 or 8 or 12.
Venus+ is the 4th CSL and it is a significator of the 12th house.
8th CSL Jupiter is a significator of the 12th house.
12th CSL Moon is a significator of the 4th & 12th houses.

2) Generally, the cuspal starlords of houses 4-8-12 should be the same planet.
Saturn is the Star lord of cusps 4-8-12. (See the cuspal Position table).

3) The cuspal sub lords of houses 4-8-12 should have their stars in each others' houses or signs.
4th CSL is Venus. His own signs are Taurus and Libra. Moon (12th CSL) Star Rohini is in Taurus. Jupiter (8th CSL) star Vishakha is in Libra.
8th CSL is Jupiter. His own signs are Sagittarius and Pisces. Venus (4th CSL) star Poorvashadha is in Sagittarius. Jupiter (8th CSL) star Poorvabhadra is in Pisces.
12th CSL is Moon. Her own sign is Cancer. Jupiter (8th CSL) star Punarvasu-4 is in Cancer.

4) All the D/B/A/S lords should become the significators of houses 4 or 8 or 12.
Mercury(dasa lord) is a significator of houses 8 & 12.
Moon (Bhukthilord) is a significator of houses 4 & 12.
Saturn (Anthra lord) is a significator of the 12th.
Venus (Sookshmalord) is a significator of the 12th.(See the significators table)

5) Planets that are primarily responsible for accidents are Mars and Saturn. These two should appear as the significators of houses 4 or 8 or 12.
Mars is a significator of houses 12 & 8.
Saturn is a significator of the 12th.

6) Rahu or Ketu should be connected, in any manner, with houses 4 or 8 or 12.
Both Rahu and Ketu are the significators of houses 4 and 12.
Ketu is in the 12th, Pisces sign, along with Moon, the significator of houses 4 & 12.
Ketu is aspected by Jupiter, the lord of the 12th.
Rahu is aspected by Saturn, the significator of the 12th.

The above mentioned 6 points proved that this native's death is an accidental one.

Blindness by Birth

By: Sumanadasa Namarathna (Sunaparantha Kalyan)

Ex-Accountant, Justice of Peace

SRI LANKA Email: sumana1946@gmail.com

The Natal chart or the Map of Birth is the figure of the heavens for the actual moment of the first cry of a baby. It is the stamp, which is put upon the native, and the temperament he will be apt to follow during his lifetime. This figure is like a flashlight picture or photograph of the Universe for that moment as seen from the place of birth. By studying this map of birth, and signs, houses and planets at birth, forecasts can be made about the health, the mind, and the diseases liable to, the temperament, the prospects of life and many more events up to the last breath.

In summing up, what we can see through a horoscope is limited from the time of birth to time of death. Astrologically, a fetus (of a person/native), lying in its mother's womb for about 270 days, is not considered as a BORN native. During this period, if any defect has happened to this fetus, it will not be focused in his natal chart, since the chart is calculated for the date, time and place of the birth.

The blindness by birth is such an incident occurred during its stay in the womb due to many medical reasons and as the results of his previous Karma. According to Medical Astrology, the actual planetary causes of this condition are not generally shown in the natal map. But in the parental conditions, the Lunar epoch and chart of descent indicate such type of causes for the deformation. Affliction to the Moon at each Lunar return during pregnancy, corresponding to the monthly period often shows the causes of congenital deformations, afflictions, blindness and malformations which exists at the birth.

In such a case, it is not so easy to collect all information of the parental epoch to examine the behavior of Moon during the time of pregnancy. However, I believe, living with total blindness, is a karmic effect of the native and hence astrological reasons for such karmic result should be indicated at least. In one of my researches in KP, I have observed the planetary pattern and their effects in the birth chart of a native born with a critical physical disorder, called **IMPERFORATE ANUS, an Anorectal Malformation,** where baby has no anal opening and it is totally closed and no outlet for stool. The planetary causes for this deformation were clearly indicated in his birth chart.

With this experienced practices in KP, since this study is of a baby born with blindness, my effort is to see the relevant planetary setup for the blindness with the birth chart.

(Terminal/ Untreatable/ Moksha/Renunciation/Hospitalization), that is occupying the 9th and is connected with Mercury by way of the star. The sub lord of the Lagna is Rahu *(Dark Plant).* It is posited in the 6th *(Diseases),* in the star of Venus *(Vision)* Lord of houses 3 & 8 placed in the 8th *(Danger to Life/ Critical Illnesses),* and in the sub of the above said Moon. As per the rules of Nodes, Rahu represents Sun+ and Saturn. This Saturn is the sub lord of Sun. it signifies houses 7, 9, 4, 7, 11, 12 and 6, 12 by way of its sub Kethu. The Sun is a significator of houses 10, 7, 2, 9. Thus, the Lagna sub lord is a significator of houses 6, 8 & 12 and Maraka & Badhaka, and satisfies the rule below.
If the sub lord of the Ascendant be the significator (ie in the star of the occupant or owner) of the houses 6 (Sickness) or 8 (Danger to life) or 12 (Hospitalization), it is not good for health. (Horoscope and Diseases by Sri C.R. Bhatt)

House of Diseases
The 6th cusp is situated in the sign of Leo owned by Sun+ *(Right Eye).* Also being the Sub lord of the 5th *(Good Health),* Sun is posited in the 7th (Maraka & Badhaka). It is in the star of Mars, lord and sub lord of the 2nd *(Maraka)* and 9th *(Fate)* posited in the 10th *(Treatments not effective).* Sub of Sun is Saturn (signifying houses 7-9-4, 7-11, 1) as per details given below. Also, this Saturn is the sub lord of Lagna. The star lord of the 6th is Kethu placed in the 12th, a sign owned by Saturn, connected with Rahu in the 6th, in conjunction with Neptune(R) that is connected with Rahu (Dark Planet) and Venus (Vision) in the 8th cusp. The sub lord of the 6th is Saturn the lord of houses 11 (Recovery), 12 *(Moksha/ Hospitalization/Renunciation/ Untreatable/Terminal),* in the star of Mercury, lord of houses 4 *(End of Life)* & 7 *(Maraka & Badhaka)* in the 7th, aspecting the Lagna cusp. Saturn is in the sub of Kethu *(Planet of mitigation & obstructions)* in the 12th *(Left Eye).* Saturn is aspected by Sun, the lord of the 6th from the 7th cusp. Thus, the 6th sub lord, Saturn, is a significator of houses 6, 8, 12 & 1 and the native may suffer from a critical illness. Since (a) the lord and star of the 6th ie Sun & Kethu are connected with Sub Saturn and (2) the planet of vision Venus is under the rule of Saturn, and (3) the Moon giver of vision, is connected with Kethu, that is a representative of Saturn, that has become as the sovereign of the houses of disease by playing a dreaded role in this natal chart afflicting the vision for total blindness. As per KP rule, during the DBAS period of the significators of houses 1, 6, 8, 12 the native may suffer from a critical and incurable disease and with the connection of Mars and Kethu, indicating surgery.
At the time of birth, the nati
ve was under the Dasa of Kethu (6, 12), Bukthi of Moon (1, 12) and Anthar and Sookshma of Saturn (12), thereby satisfying KP rules for sickness.

Note: At the time of birth this native had his head of an abnormal size, filled with a liquid and had undergone a surgical operation to make it normal.

Significations and connections of the planets for Vision
The **Sun** controls the Right eye and **Moon** controls the left eye, and **Venus** gives eyesight. **Mercury** governs the nervous system. Let's see how these four planets behave in the natal chart.

Sun : The Sun+ *(R/E)* is directly connected with Rahu *(Dark Planet),* the sub of the Lagna. Sun is the lord of the 6th *(diseases)* and deposited in the 7th *(Maraka & Badhaka),* in the star of Mars lord of the 2nd *(Maraka)* and 9th *(Fate/Karama)* and in the 10th *(Paraloka Sadhana/ Treatment not effective/Retirement from this world).* It is the sign Sagittarius owned by Lagna Lord Jupiter located in the 6th *(diseases).* Sun is in the Sub of Saturn, the lord of houses 11 & 12 placed in the 9th. Although Saturn is the lord of the 11th for recovery, it has no power to do so since it is in the star of Mercury located in the 7th, Maraka and Badhaka house, and connected with Venus, a significator of houses 8 & 12. The sub of Saturn is Kethu in the 12th, in the sign of Aquarius *(Sense of sight).* It is in the star of Rahu *(Dark Planet)* in the 6th *(diseases)* and in the sub of the above said Venus. This Kethu is in conjunction with Neptune(R), a significator of houses 6 & 12. Accordingly, the Sun+, being a

connected planet with the Lagna, is severely afflicted by obstructive planets Saturn, Rahu and Kethu.

Moon : Being the lord of the 5th and Star & Sub lord of the 11th, Moon is deposited in the Lagna cusp (Head/ Brian/ Mind), aspecting the 8th *(Danger to Life/ Critical Illnesses),* placed in its own sub and in the star of Kethu in the 12th connected with the 6th cusp (as discussed above). As per the "House Grouping" Part I, by Sri Tin win ji, if the sub lord of the 11th is a significator of houses 6 & 12, there is no cure. This rule is confirmed by the 5th Sub, Sun, and 6th sub, Saturn, with their significations of houses 6 and 12. Henc, Moon in this chart is not a good indicator for vision.

Also, all the above explanation of Moon can be applied in support of the rules for "DEFECTS" of the body as given in the Encyclopedia of Medical Astrology as below.

"Imperfection or Defects may occur in any part or organ of the body and may be congenital from birth or acquired. The Moon in the different signs, if afflicted, tends to cause organic and structural defects in the part or organ by such sign.

The afflicted Moon is in Aries sign that rules Eyes, and especially the conjunctiva of the eyes, and defect of the eyes is indicated by the Moon.
Venus : The giver of eye sight, Venus is the lord of houses 3 & 8 deposited in the 8th *(Danger to Life/ Critical Illnesses),* in the star and sub of Saturn the lord of houses 11 & 12 placed in the 9th. In every aspect, this Saturn is a malefic as in the above paragraph under Sun. Hence the ruler of the vision is a significator of houses 6, 8 & 12.

Mercury : Mercury is the chief ruler of the Optic Nerve. It is the lord of houses 3 & 7 tenanted in the 7th *(Maraka & Badhaka)* Virgo, its own sign, and in the star of Moon (a malefic for vision as discussed above), and in the sub of Venus, a significator of houses 6, 8, 12 as in the previous paragraph.

As per Medical Astrology, the ruling sign of the **Optic Nerve** is Aries. Aswini (Kethu), Bharani (Venus) and 1st Pada of Krittika (Sun) Naksastra are in the sign of Aries. The 2nd cusp (Maraka) is situated in Aries sign. Aswini is occupied by Moon, while Bharani is the star of the 2nd cusp in Aries sign. Mars, lord and sub lord of Aries, is connected with the above said Venus and the dark planet Rahu. Thus, the sign Aries is also multiple afflicted by various means resulting in the deformation of the Optic Nerve.

According to **Rex E. Bills, in his "The Rulership Book"**,
1) The causative planets for the blindness are Moon, Saturn and Uranus.
2) Sense of sight is ruled by Mars (Sun, Moon, Aquarius)

As we have already discussed about Moon and Saturn, let's look at Uranus.

(a) " Uranus rules the ether which is the medium by which the light rays are transmitted, hence he has considerable influence over the eyes and is responsible, when afflicting the Sun or Moon, for various diseases of the eyes, or even blindness." - (Message of the Star - pg 564, by Max Heindel)

(b) 1. Uranus rules Eyes

2. The diseases and complaints of Uranus are somewhat similar to the combined effects of Saturn, Venus & Mercury in the 12 signs. His diseases are usually of a nervous origin and difficult to understand and often incurable. (Encyclopedia of Medical Astrology - pg 892, by Dr. H.L.Cornell)

(c) Eyes are under the external rulership of the Aries sign. The eyes are also ruled by the Sun, Moon, Uranus and Neptune and the Aquarius sign, as Uranus and Aquarius rule the Ether thru which light is transmitted. (Ibid pg 219)

According to the literature given by various authors and Medical Astrologers, Uranus is also

a major culprit in this disease. In the chart under discussion, Uranus(R) is tenanted in the Ascendant in the star of Mercury *(Optic Nerve)* and in the sub of Saturn. Both Mercury and Sun *(Vision)* and Lagna and the 7th *(Maraka & Badhaka)* lord Jupiter are opposite to Uranus. As discussed above, Saturn is the lord of the 12th, Aquarius sign, which rules the Ether for transmitting the light. As such, both Uranus and sign Aquarius are deeply corrupted by their positioning causing blindness for the native.

KP Rule for Eye diseases

The important planets Sun, Moon and Venus happened to be the sign, star or sub lord of the 8th cusp and their cusps to the 2nd and 12th and their sub lords shall be the significator of the 12th house, and in any manner connected to that house, portray the defect or disease to eyes. (Medical Astrology for All by K. Subramaniam, page 86)

The 8th cusp sub lord is Venus and is the owner of the same. Venus is the star lord of the 2nd cusp and star lord of the Sub lord of the 2nd cusp. It is in the star and sub of Saturn the lord of the 12th cusp. Thus, the KP rule for this disease is satisfied.

Finally, I wish to again draw the attention of readers to the 3rd paragraph of this article.

Though I don't have sufficient information to check the transiting information of Moon during the exact period of pregnancy, I tried to see the transition information of Uranus during the pregnancy period. In the Zodiac, Uranus transited into Aries sign on the 24th of June 2016 and from that day it was traveling in the star, sub and sub sub of Kethu *(Obstructive/Mitigated),* that is in the sign of **Aquarius** *(sense of sight),* representing Saturn as the sign and its sub lord and was in conjunction with Neptune(R). On this day, the ruler of the Optic Nerve, Mercury, was transiting over the sub and sub sub of Rahu, while Sun (R/Eye) and Venus *(Vision)* were in the star of Rahu. The Moon *(L/Eye)* was transiting over the star of Mars that was opposite to Uranus. On the 30th of July, Uranus started its retrogression in the star and sub of Kethu. When considering the date of birth of this baby, above transiting period of Uranus in Aries (Head) ie from 24th June 2016 to 30th July 2016, the period of pregnancy was around its 7th month. As per KP Reader 4, page 220, this is the *period of developing the nervous system of the fetus,* under the purview of Mercury, that was in the star of Mars and sub and sub sub of Rahu at that time. Hence, I firmly believe that this planetary configuration should be one of the main causes for deformation of the eye sight of the native.

My conclusion

In addition to the above KP rule, If Uranus is any way connected with Saturn and sign Aries during the period of gestation or pregnancy there may be total blindness of the child.

Further studies should be conducted with more charts to make an exact conclusion and the author is interesting to do so for the benefit of readers and KP followers.

The natal chart of Sri Chiranjeevi (Konidela Siva Shankara Vara Prasad) is prepared by taking the data provided by www.astro.com/astro data bank-

Name	Chiranjeevi	Gender: M
Birthname	Konidela Siva Sankara Vara Prasad	
born on	22 August 1955 at 10:10 (= 10:10 AM)	
Place	Mogalthur, India, 16n25, 81e36

Analysis of the native's natal chart on two main aspects- of his life— stardom and Politics-

Part i- films as his profession and career--
A noted film star in the telugu cinema field—
HINTS FOR BECOMING A FILM ACTOR-
Cusps -5 (all kind of fine arts like acting, singing, painting, dancing etc.;) -6 (duty and service)-10 (profession)- and 11 (accomplishment of one's goals and desires).
Planets connected – MERC-VENUS-MARS-MOON AND NEPTUNE.
Signs connected – Aquarius (main)-Gemini- Libra and Leo as the 5th in the natural zodiac.

What does the K.P rule say ---if the 5th cusp sub lord signifies houses 5,6, or10 and be connected with Mercury, Venus, Neptune, along with airy signs and watery signs then the native will adopt a profession related to the fine arts. The events will fructify during the conjoined period of the significators of houses 2,6,10 and 11, and the native will earn not only money but also name, fame and success along with popularity in the society.
Native's chart analysis—
The 5th cusp falls in Aquarius (07-16-34-SAT-RAHU-RAHU). The 5th cusp sub lord is Rahu+. No planets are placed in Rahu's stars, and so Rahu strongly signifies as the 5th sub lord. Rahu is placed in the 2nd cusp.
Rahu is in Mercury star, lord of houses 9 & 12 placed in the 11th, and in the sub of Saturn, lord of houses 4 and 5 placed in the 1st cusp (Libra) in exaltation.
Rahu represents Mars lord of houses 2 and 7 posited in the 10th (Leo), and also Jupiter lord of houses 3 and 6 placed in the 10th.
Thus, Rahu +, as the 5th cusp sub lord, signifies houses 2 & 11 at its star level, and the 5th at its sub lord level. This made him a film actor.

Some highlighted points in the native's chart---
1)- The 5th cusp falls in Aquarius sign and the 5th lord, Saturn, is placed in Lagna in an exalted position. Mercury is the star lord of the 5thcusp sub lord which is Rahu. It is placed in Scorpio, a watery sign, with its sign lord being Mars. Mars has given enough courage and energy.

2)-Mars (lord of 2), Venus (lagna lord), Mercury (lord of 9), Moon(lord of 10) and Neptune, all the required planets are connected in the chart.

3)-Sun, lord of the labha sthana(Leo-own sign) and Mercury lord of the 9th (bhagyasthana) are deposited in Leo sign, giving rise to "Budha-Aditya Yoga" which blessed this native with a sharp mind, successful profession, good intelligence and analytical abilities, with high energy levels and mental strength, to project himself to the highest levels in his profession.
4)-The 5th lord, Saturn-Raja yoga karaka planet for Libra lagna, is placed in the lagna itself in exaltation, the lord of houses 6th (service and duty) and 3rd (lord of communications)-Jupiter is posited in the 10th(profession) in exaltation, and aspects the 2nd cusp, 9th house of finance and wealth). This gave the native all the riches, name, fame, popularity and high-level of recognition and status in society.
6)- As per the "MALIKA YOGAS" enunciated in "PHALADEEPIKA" –" if all the planets are posited in only six rasis-it causes "DAMAYOGA". Such a yoga is formed in the native's chart (from Taurus to Scorpio). This blessed the native with an emperorship in his field, helpfulness to society, virtuous and charitable qualities, courage, name, fame and red-lettered fame in society.
7)-The 10th sign, signifying profession, name and fame of the native, falls in the 5th natural zodiac sign of Leo, and is another additional strong point which made a mega star of the Telugu cine field.
8)Neptune, a planet of fine arts, place placed in Libra – a Venus Sign- signifies houses 2 and 10 at its star level and the 10th at its sub-level, which added its strength to the native's chart.

This celebrity acted in 150 films in his entire cinema life with major success, name, fame and awards.
Release of 150th film "Khaidi no.150" on 11-01-2017—
During the conjoined period of MERC-D/L X VENUS B/L (OCT2015-AUGUST2018) X RAHU A/L (11/10/2016-16/3/2107) AND MERCURY A/L (11/1/2017-07/6/20170 gave him thumping success with an approximate box office collection of Rs164/- crores.

Part ii—politics as his new career---
1. **Establishing a political party named" PRAJARAJYAM"—**

K.P rule says *"If the 10th (Ambitions and one's position in politics) sub lord signifies houses 10 (One's Reputation, wealth, power and popularity), 3 (One's ability to establish a political party), and 11 (One's success and reputation as a winner), then in the DBA of the significators of houses 3, 10, 11, one can get a good position in politics."*

For politics- (as per Late Sri C.R. Bhatt- see page 85 of "Jyotish Abigyan") signs Leo, Sagittarius, Capricorn and Aquarius, and cusps 3,10 and 11 and also the 9th,;movable signs, and the planets that are the occupant in quadrants are important. This indicates politics, public life, being well-known, and politics.
As per the above rule- Jupiter, lord of houses 3 and 6, is placed in the 10th- in a quadrant house in exaltation, Saturn, yoga karaka and lord of the 4th (another Quadrant-) for Libra, is placed in lagna- a quadrant. The 7th lord, Mars, is placed in the 11th,labhasthana, along with Venus, lord of Lagna.

In conformity with the above rule-

1.**As per the native's chart** – The 10th cusp sub lord is Mercury whi h signifies houses 10 and 11 at its star (Venus) level, and houses 3 and 10 at its sub lord (Jupiter) level. This gave him a good position in politics.

The native has established a political party named "Prajarajyam"---during the conjoined period of SAT+ D/L(signifies houses 3,10 &6) X RAHU+ B/L(house 3 as a SBL and house 11 at STL are signified) X KETHU A/L(signifies the 10th at STL and the 1st @ SBL) (23/8/2008-21/10/2008).

2. Became Rajyasabha M.P on 3-4-2012—

As per Sri Kanak Bosmia's rules on politics**— Getting a good Position in Politics---(refer K P Ezine NOV 2010)--**

--"If the 10th (One's position in politics) sub lord signifies houses 10 (One's Reputation), 3 (One's ability), and 11 (One's reputation as a winner), then in the DBA of the significators of houses 3, 10, and 11 one can get a good position in politics."

As per the chart—The 10th cusp sub lord (one's position in politics) in the native's chart is Mercury, lord of houses 9 and 12 placed in the 11th, signifies the 10th through its star Venus (lord of houses 1 & 8) and 11th, and through it sub lord, Jupiter (lord of houses 3 & 6) it signifies houses 3 and 10, giving him good position in politics in the form of becoming an M.P.

Significators of houses 3-10-11—

3RD HOUSE-MERC- SAT- JUP.

10TH HOUSE- SUN- MERC- VENUS- MOON- SAT- KETHU-MARS-JUP-VENUS.

11TH HOUSE-MARS – JUP – RAHU- SUN- MERC.

Period lords are-DL- SATURN+ (up to 2012) signifying houses 3 & 10 and this is O.K.

BL Jupiter (from October2009-May2012) signifies houses 3,10, and 11 at its star level and houses 10 and 11 at its sub lord level. These significations are O.K.

AL Rahu +(3,11) (25-12-2011-13-5-2012) signifies the 11th at both star level and is O.K.

Sun transits in Saturn sign (Aquarius) D/L on Rahu Star (A/L) from 19/2 to 4/3 and this agrees. SL Venus (25-3-2012-15-4-2012) signifies the 10th at both star and sub level and is O.k.

3. **The Native became central government minister for Tourism & development on 28/10/2012--**

As per KP rule-"If Jupiter/ Mercury/ Mars or Saturn in the native's chart signifies houses 1, 6, 9, 10, or 11, he will gain prosperity in his political career and also get a high position like the ministerial ship".

As per the native's chart-

Mercury –sub lord of houses 2 and 10 signifies houses -1, 10, and 11 at STL level and houses 6 and 11 at SBL level giving him the position of Central minister. Became a Central Govt. Minister for Tourism & Development on 28/10/2012—during MERCURY D/L X MERCURY B/L X KETHU A/L signifies houses 2 and 10 at Star level (8/9/2012-30/10/2012).

Part iii---other major events—awards and rewards—

KP RULE FOR GETTING AWADRS/PRIZES—(see Navaratnamala page no.10 of TIN WIN)

"If the 10th cusp sub lord signifies houses 10,6,2 and 11, one will be in a position to get an award/prize during the conjoined period of the significators of houses 10-6-11-2." (6th competition, 2nd- money, SUN/Moon FROM Govt.)

The honorary doctorate was awarded by A.P Govt in Nov 2006- during the conjoined period of SAT D/L X MARS B/L X SUN A/L (25/10/2006- 14/11/2006).

Awarded "Padma Bhushan" by Govt. Of India in Jan 2006—during SAT D/L X MARS B/L X RAHU A/L (1/12/2005-31/1/2016**).**

Part 4--.why this native lost his good position in politics after 26 may 2014?

K.P Rule-(refer for Kanak ji's rule in K.P.Ezine Dec 2017)—

If the 8th cusp sub lord (work of the opposition party) signifies the 5th (12th to the 6th – position /M.P and minister) -9th (12th to the 10th-those in power) and 12th-(loss), the ruler faces troubles and it will lead to the end of his power in the ruling party government.

AS per the native's chart--
The 8th cusp sub lord is Mercury (lord of houses 9 & 12) placed in the 11th. Mercury is in Venus star, lord of houses 1 & 8 placed in the 10th, and in the sub of Jupiter, lord of houses 3 & 6 posited in the 10th. Thus, the 8th cusp sub lord, Mercury, signifies houses 8- breaks in the power, troubles in the then govt. 9th-negative to power, status and position in the society, and 12th – to the then position of M.P and minister –All these significations made him lose his position in politics.

The *significators of houses 5-9-12—*
5th house- MOON- SAT- RAHU- KETHU- SAT.
9TH HOUSE- JUP- RAHU- MERC.
12TH HOUSE- MOON- JUP- RAHU- MERC.
Period lords are- DL and BL MERCURY lord (13 May 2012 to 9 Oct 2014) signifies houses 8, 9 and 12 at its star level and is O.K.

AL Saturn+ (23-5-2014 to 09-10-2014) signifies the 5th at its star level and sub level and is O.K. Sun transits in Venus sign (Taurus) on Rahu star (significator of houses 5,8, and12)) from 25/5 to 8/6 and this agrees.
S/L Saturn from 23-5-2014—15-6-2014 signifies the 5th at its star and sub level. This is O.K.
NOTE- the native was running seven-and a half years of Saturn period from October 2006 to 2-11-2014 for his Moon sign Virgo. Saturn as lord of houses 4 and 5 in his chart (both negative and positive lord) is deposited in the Lagna – Libra though in an exalted position. This gave the native both rise and fall in his position, as well as name and fame also.
The above analysis proves beyond doubt that K. P system of astrology is the best and scientific in the method of delineation of any astrological chart and its secrets.

My regards to astrology wizard Si KSK and my sincere thanks to Sri Kanak Ji for his encouragement.

Gold ear rings are missing - When will they be found?

I am practicing KP Astrology since 1996 and also giving astrology guidance for the past 20 years. I have written articles in Astrology for a local Marathi magazine. Currently my articles are being published in 'Grahankit', one of the leading Marathi Astrology magazines from Pune.

Gold ear rings are missing - When will they be found?

Native : Female
KP No. : 19
Date : 20.06.2012
Time : 07.30.00
Place : Mumbai

The Ruling planets, Planetary position and the KP Cusp chart are given below :

Lagna	: Mithun	Budh
Star	: Ardra	Rahu
Rasi	: Mithun	Budh
Day	: Wednesday	Budh

Rule :
If the sublord of the 11th house is a significator of the 2nd house then lost ornaments, cash, gold, silver etc. will be found.
The 11th house is Kumbh – 15-21-01 SL is Sukra
Sukra 1/ 2, 7 Chandra 2 / 4 (8)
Sukra is a significator of the 2nd house (gold ear rings will be found), 1st house (the native will locate the ear rings) and 4th house (the ear rings are in the house of the native).

The 3rd house of the chart is the house for getting information. When Moon/Sun transits the star of the strongest significator of the 3rd house the ear rings will be found. In the cusp chart Budh is in the 3rd house. When we see the planetary position we come to know that no planet is in the star of Budh. So Budh becomes a strong significator of the 3rd house.

At the time of query Moon is in Mithun rasi and Ardra star. When Moon transits Ashlesha star of Budh in Karka rasi ear rings will be found. Moon is in Karka rasi and Ashlesha star on 23.06.2012 from 05.31 am to 24.06.2012 up to 06.17 am. I told the native that the ear rings are in her house and she will find them on 23.05.2012.
I received a phone call from the native in the morning on 25.06.2012 that she found the ear rings on 23.06.2012.

Will Donald Trump be dethroned/ impeached from the president ship of USA by its people?

By: Gunti Nagaraju KP astrologer (M.com CAIIB, Retired Bank officer)

In view of recent political developments in the USA, this is the question that germinated in my mind. My opinion gained strength in view of the continued opposition faced by the president of America in recent days against various laws imposed by him, both in public and in the eyes of the judiciary. Immediately, I thought I should find an answer to my question with the help of astrology, and that too through our favored KP system.

On 25 March 2017, I erected a time chart @12-24-44 p. m at my residence @ Secundrabad, Telangana.

What does the K.P rule say on this—(as per Sri Kanak Bosmia)
If the ascendant (dangerous activity) sub lord signifies houses 1 (dangerous activity), 12 (treason, betrayal or breach of trust), 6 (distressing conditions), one is found guilty of treason and will be impeached by the highest judiciary of the country during the conjoined period of the significations of houses 1, 6 and 12.

Chart analysis—
Ascendant Cusp sub lord is Sun+. No planets are placed in Sun's stars and, hence, Sun strongly signifies the Ascendant. Sun is in the 9th cusp as 3rd lord.
It is in the star of Saturn who is lord of houses 8 & 9 and is placed in the 6th . And it is in the sub of Sun placed in the 9th. Thus, Sun as Ascendant Sub lord signifies the 6th at its star level and the 1st as sub lord. So, I feel he will be impeached/dethroned from the president's position.

Significators of houses 1-6-12—
1st HOUSE=MERC.
6TH HOUSE=SUN-VENUS-SAT-MOON-JUP-MARS.
12TH HOUSE=MOON-MARS-VENUS

Ruling planets at T O J (25-03-2017 @12-24-44 p. m.)—
ASC=MERC-RAHU-SUN/ / RASI=SAT-MARS-VENUS/ / DAY LORD-SATURN.
Note- Saturn and Moon are conjoined in the R.Ps. So, take Moon also. Rahu represents Sun, and Ketu represents Saturn. So, take Rahu and Kethu also as RPs.

Common fruitful significators-MERC--SUN-SAT-MARS-VENUS-MOON.
Dasa analysis—the present dasa lord is Mars up to July 2018. Mars is in the R Ps and is in the list of significators. Mars signifies houses 6 and 12 at its STL and is O.K.

Under Mars dasa –
Venus bhukthi runs from-June 2016 to August 2017.
Venus signifies @ STl-houses 6, 12(+) and @ SBL house 8(-) - this is not favorable.
Sun bhukthi runs from August 2017 to Dec 2017.
Sun bhukthi @ STL- house 6(+); @ SBl houses 3, 9(-) - this is not favorable.
Note- Saturn in the chart aspects Moon (which is in Saturn sign Capricorn), by its 3rd aspect and causes punarphoo dosha. This will surely cause delay in fructification of the event. As such, I feel that both lords may not be in a position to give the desired result though they are in the CFS group.

Next bhukthi lord, under Mars dasa, is Moon which runs from August 2017 to Dec 2017. It

signifies @ STL-house 6(+) and @ SBL-house12 (+), and it is among the CFS. So, I have selected Moon BL.
Under Moon bhukthi – Moon is already taken as BL, Mars as DL and Rahu is not a significator.

Next comes Jupiter which is not in the list of CFS.
Next comes Saturn anthra period from 8-3-2018 to 10-4-2018. Saturn is among the CFS and signifies the 6th at its star level. Also, since it is causing punarphoo dosha by its conjunction, it should give the result.
Sun transits in Jupiter sign (significator of the 6th) in Saturn star (A/L) from 17/3 to 30/3 which agrees.
So, I feel the President of the USA, Donald Trump, is likely to be impeached between 8-3-2018 to10-4-2018.

Will I win the election to be held on 3/5/17

History
Mr Chetan and his friend consulted me on 10/3/17 for their query "whether i I will regain the chairmanship post".

That time I predicted that you won't get chairmanship till 21/4/17 as DBAS are not in favor .
Luckily, the election date was postponed and declared on 3/5/17. This period fell in favorable DBAS as I mentioned already.

Now Mr Chetan wants to know whether he will win the election or not.
Horary No. obtained from Chetan is 19/249

Rule: The 10th csl should signify houses 3,10,11

For Chetan, the 10th csl is Jupiter+ 6 (9 12) {4 10}, placed in the star of Moon 12 (4), in the sub of Venus 11(2 7) ..This signifies housesy 10 and ,11 and is ok.
For the Oopponent, the 10th csl is Jupiter+ 12 (3 6) {10 4}, placed in the star of Moon 6 (10), in the sub of Venus 5 (8 1). This signifies housesy 3 and,10 and is ok.

DBAS for Chetan on 3/5/17
Dasha Venus 11(2 7), placed in the star of Saturn 8 (10 11), and in the sub of Saturn 8 (10 11). This signifies housesy 10 and,11 and is ok .

Bhukti of Venus 11(2 7), placed in the star of Saturn 8 (10 11), and in the sub of Saturn 8 (10 11). Thus signifying houses 10 and,11. This is ok.

Antara of Venus 11(2 7), placed in the star of Saturn 8 (10 11), and in the sub of Saturn 8 (10 11), thereby signifying houses 10 and,11. This is ok.

Sookshma Mercury +12 (3 6) {-}, placed in the star of Ketu 10. Ketu represents Sat Saurn 8 (10 11), placed in the sub of Venus 11(2 7). This signifies housesy 3,10, and 11. This is ok.

DBAS for Opponent on 3/5/17
Dasha of Venus 5 (8 1), placed in the star of Saturn 2 (4 5), and in the sub of Saturn 2 (4 5). This does not signify any of the relevant houses i.e. 3,10, or 11.

Bhukti of Venus 5(8 1), placed in the star of Saturn 2 (4 5), and in the sub of Saturn 2 (4 5). This does not signify houses 3,10, or 11.

Antara of Venus 5(8 1), placed in the star of Saturn 2 (4 5), and in the sub of Saturn 2 (4 5). This does not signify houses 3,10, or 11.

Sookshma of Mercury + 6 (9 12) {-}, placed in the star of Ketu in 4. Ketu represents Saturn

Question: I have watched a video of Sri Vishwa bandhu Gupta (Retired income tax commissioner) on YouTube (https://www.youtube.com/watch?v=s2mNTi-0ARY) about a possible new candidate for the position of the President of India . As per Vishwa bandhu Gupta's analysis, Sri Vaikaiah Naidu will be the next President of India. I am interested in checking if this is true that Sri Vaikaiah Naidu will be the next President of India?

Hints
If the cuspal sub lord of the 3rd (in the star of the occupant or owner) happens to be Saturn, the rumor is false. If it is Mars, then it is mischievous. If it is Jupiter, it is true. And, if the lord happens to be a planet connected with Saturn in any manner the report is false; but if connected with Jupiter, the report will be correct. This is the way to find out whether a rumor is believable or not.

Cusp 3rd. (Aquarius 25^0.22'.12"): The sub lord of the 3rd cusp is Mercury. Mercury is in the star of Mars and sub of Rahu. Here, the 3rd sub lord is connected with Mars; hence rumor/message is false.

My opinion: Yes, this rumor is false.

Outcome: Prediction come correct.

KP system of astrology unfolds the secrets of success of a super star of celluloid industry and thalaivar of tamil fan following –Mr Rajanikanth

Dear readers of this esteemed magazine,
The following analysis is only for professional study. This is not intended to blame, hurt, and disappoint any individual nor group nor party. This analysis is only meant to demonstrate how Krishnamurthy Paddhathi Astrology analyzes fate, performance of Mundane related aspect in the Society.

We may never know what it was that transformed the man once known as Shivaji Rao Gaekwad from his humble beginning as a bus conductor in Bangalore into the phenomenon that is Rajinikanth a *Super star*.
What accounts for the man's incredible presence across geographical boundaries? And what a journey it has been to superstardom.
That trademark walk. That flick of the hair. Those dialogues which have been reverentially copied by generations of fans. The tricks with the cigarettes and sunglasses. Many other actors, both in the North and the South, have tried to emulate him. All have failed. It is a charisma that has utterly charmed the South and inspired the rather puerile (trivial or immature) memes that most in the North seem to enjoy, but not truly understand.
It is a kind of celebrity that is almost unthinkable in this era, defined as it is by a cultural dependence on the next viral trend, and the next controversy. It is a cult status, the likes of which have never been seen before, and arguably, unlikely to be seen again.
With these few lines of introduction about the super star Mr Rajanikanth, I present the astrological details of the native.

Verification of past events :-

1) **Rajanikanth married Latha Rangachari on 26-02-1981** during the period of Rahu/Sun/Ketu=24-02-1981 to 15-03-1981.

7th CSL Venus (5-4, 11) is in the star of Ketu (2). Ketu represents Saturn (2-7,8) & Jupiter (7-6,9). So, marriage is promised to this native.

Dasa lord Rahu (8) is in the star of Jupiter (7-6,9), and in the sub of Mars (6-5,10). Rahu is aspected by Saturn (2-7,8). Thus, Dasa lord Rahu signifies houses 7-5-2 which are essential for marriage. It is OK.

Bhukthi lord Sun (5-2) is in the star of Mercury (5-3,12), and in the sub of Jupiter (7-6,9). Sun, the bhukthi lord aspects the 11th house. Thus, bhukthi lord Sun signifies houses 2-5-7 which are required for marriage. It is OK.

Anthra lord Ketu (2) is in the star of Sun (5-2), and in the sub of Rahu (8). Rahu represents Jupiter (7-6,9) and Saturn (2-7,8). Thus, Anthra lord Ketu signifies houses 2-5-7. So it is OK.

2) **His debut in K. Balachander's Tamil picture** *Apoorva Raagangal* **(1975**); his acting career commenced with a brief phase of portraying antagonistic characters in Tamil films.

The year 1975 falls in Rahu dasa/Mercury bhukthi.

Dasa lord Rahu (8) is in the star of Jupiter(7-6,9), and in the sub of Mars (6-5,10). OK.

(7th house=Public or the masses; 8th is the 2nd to the 7th. 8th indicates support from the masses. 6th is loss to the opponent and gain to the native; 5th indicates the film industry; 9th denotes luck; 10th indicates profession, name and fame, awards and rewards, etc.)

Bhukthi lord Mercury (5-3,12) is in the star of Venus (5-4,11), and in the sub of Moon (6-1). (houses 5-3,12 show acting in the film industry; 3rd denotes hands, movements; 12th denotes feet. While doing action houses 3 & 12 are definitely involved. House 11 shows fulfilment of desire; 1st indicates the native).

My astrological analysis is as follows:-

*** Good delivery of dialogues**:-Ketu, Saturn and Fortuna points are in the star of Sun (lord of 2nd speech). So, there is some speciality in his speech (vakku). Venus is the chief karaka for glamour (film industry). Mercury is the chief karaka for communication and also the lord of the 3rd house. Sun is the lord of the 2nd (speech). All these three are posited in the 5th bhava (Film industry). This combination made him unique in the delivery of dialogues.

***Dynamic & Super star:-** MARS:- this is a planet that gives no stage fear. It makes him a good hero and actor. He is the lord of the 5th (Arts & Cinema) & 10th (profession, name and fame, success in film industry), placed in the 6th (the effort of a person to give good quality of out put). Mars aspects the 10th , 1st and 2nd houses. Thus, Mars signifies houses 1-2-5-6-10. So, he became a dynamic hero and a super star in the celluloid industry.

***Popularity in public as a good actor**:- the10th cusp is co-ruled by Mars (heroism & action; No fear)-Venus (chief ruler of the cine industry)-Jupiter (wisdom & wealth) as sign-star-sub lords respectively. The 10th cusp sub lord, Jupiter, is in the star and sub of Rahu. Jupiter is the occupant of the 7th (Public-masses) and the lord of the 6th (service in films) & 9th (luck). Rahu is the occupant of the 8th (public support). Rahu represents Saturn who is occupant of the 2nd (income in the form of money) and lord of the 7th (Public) & 8th (support of the masses). Nakshatra Parivartana of Rahu and Jupiter is seen in this natal chart. Rahu is in the star of Jupiter and Jupiter is in the star of Rahu. Jupiter is a planet of expansion, wealth and wisdom, direction, cinematography, choreography. Rahu alone is responsible for deciding the destiny of an individual concerned with the film industry/Television industry and other electronic media also.

***K.P.Rule:- If the 11th CSL signifies the 5th (manthrasthana), 10th (for regular practice ie. Saadhana) and 11th (success and fulfilment of desire), then one can get initiation of manthra.**

In the natal chart of Sri. Rajanikanth, the 11th CSL Venus (5-4,11), and in the star of Ketu (a planet of spirituality)(2), and in the sub of Moon (manah karaka)(6-1). Here, we can see only Venus signifies 5 & 11 at the planet level only. There is no connection with the 10th house (regularity in the practice of manthra). So, it is very difficult to get successfull

initiaton of manthra and its practice, for this native.
Note:- He went to the Himalayas to meet his Guruji there to obtain manthra siddhi. But in vain.

***K.P.Rule :-To become a politician, the 10th sub lord should signify the 1st, 6th, 9th, 10th and the 11th houses.**

The planets Jupiter, Mars, Mercury and Saturn, and Rahu should have connections with the 10th house.
1st house indicates success to the native.
6th denotes defeat to the opponents.
9th denotes the general prosperity and an element of achievement.
10th signifies honour and popularity as well as a higher chair in the Government. 11th house signification shows fulfillment of desire.

In the natal chart of Mr. Rajanikanth, the 10th CSL Jupiter (7-6,9) is in the star and sub of Rahu (8). Rahu represents Saturn (2-7,8). Only the 6th is signified at the planet level.
Mars (6-5,10) is in the star of Sun (5-2) and in the sub of Saturn (2-7,8). Here also at the planet level only houses 6 & 10 are signified.
Mercury (5-3,12) is in the star of Venus (5-4,11) and in the sub of Moon (6-1).
Saturn (2-7,8) is in the star of Sun (5-2) and in the sub of Venus (5-4,11).
Note:- Mars is not at all signifying the required houses for success in politics. No planet is signifying the 9th and 10th houses strongly. So, in my opinion, if he enters into politics he cannot shine well.

*Shri. Kanak ji's rule for getting good position in politics is as follows:-
"If the 10th cusp sub lord (One's position in politics) signifies 10 (One's reputation), 3 (One's ability), 11 (One's reputation as a winner), one can get a higher position in politics during the joint period of the significators of houses 3, 10, 11).

In this birth chart, the 10th CSL Jupiter (7-6, 9) is in the star and sub of Rahu (8). Rahu represents Saturn (2-7, 8). No signification of houses 3, or 10 or 11. So it is very difficult to shine as a good and successful leader to occupy the highest status in politics, in spite of his celluloid charisma, if he prefers to enter in to this field of politics.

*K.P.Rule:-If the 5th cusp sub lord sits in the constellation of a planet that is deposited in the 10th and also signifies the 10th bhava, one becomes a statesman.
In this natal chart, the 5th CSL Sun is in the star of Mercury who is deposited in the 5th. Moreover, the 5th is a negation of the 6th. Mercury is not a significator for the 10th. So, *he cannot become a Statesman.*

*K.P.Rule For acting profession: - If the 5th sub lord is deposited in the constellation of the 3rd or 5th or 6th or 10th house lords and is connected with Venus in any manner, one becomes an actor.

In the birth chart of Sri. Rajanikanth, the 5th CSL, Sun, is deposited in the constellation of Mercury who owns the 3rd and is placed in the 5th along with Venus (Chief karaka for arts and cinema field). Venus holds sway over the 10th cusp and its Star lords. The 10th cusp falls in Bharani Star which belongs to Venus who is the chief factor that made him a successful actor and a super star.

So, what accounts for the man's incredible presence across geographical boundaries? But what a journey it has been to superstardom.

I take this opportunity to thank our K.P.system of astrology wizard Sri K.S.Krishna Murthy, who gave such a wonderful theory of sub lord to make my job of interpretting the chart very easy and simple.

Will, I regain chairmanship post again?
Selection shall be held 24/3/17

History: Mr Chetan was selected for the post of Chairmanship through election But after winning election
due to some reason supporters withdrawn their support and declare new candidate for the post of Chairmanship
Chetan's friend approached (who is close friend of myself) me and KP number obtained from Chetan

Rule 1 Asc csl should signify 6,10,11
Rule 2 3rd csl should signify 6,10,11
For Opponent (Win) should signify 12,4,5

For Chetan
Acs csl is Sun+11(5){1} in star of Jup 6(9 12) in sub of Ket 10 rep Sun+ 11(5){1} Mer 11 (3 6) signify 6,10 11 with 12,5

3rd csl is Mars 12(1 8) in star of Ket 10 rep Sun+ 11(5){1} Mer 11 (3 6) in sub of Rah 4 rep Sun+ 11(5){1} signify 6,10,11 with 12,4,5
So equal chances for both party

RPs on 10/3/17 at 1.47.43 pm are Day ...Ven. Asc...Mer Jup Jup and Moon... Moon Mer Sat ...Punarphoo Ket rep Mer so in Rp

Significators
6..Jup Rah Sun Mer Ven Moon Ket, 10...Sun Mars Sat Rah Ket Moon Jup and 11....Mer Ven Sat Moon Sun Ket
Common from above are Mer(2) Jup(2) Moon Sat Ven Ket
DBAS
Dasha Mercury 11(3 6) in star of Jup 6(9 12) in sub of Sun + 11 (5){1} signify 6,11 with 5,12
Bhukti Sat+ 8 (10 11) {-} in star of Ket 10 rep Sun+ 11(5){1} Mer 11 (3 6) in sub of Sun+ 11 (5){1} signify 6,10,11 with 12 5, 8 delay
Antara Mercury 11(3 6) in star of Jup 6(9 12) in sub of Sun + 11 (5){1} signify 6,11 with 5,12
Sookshma Ven+ 12 (2 7) {5,7,12} in star of Mer11(3 6) in sub of Mer 11 (3 6) signify 6,11 with 12,5

Above Analysis shows equal chances for both party But Poonarphu so I will see Next sookshma Sun (Not in Rp)
Next Sookshma is Moon in Rp
Moon +4(4){-} in star of Mer 11(3 6) in sub of Sat+ 8 (10 11) {-} signify 6,10,11 and 4 and again 8 shows delay
I was told that selection shall be held on 24/3/17 in DBAS of Mer Sat Mer Ven
From above analysis I told him that it seems difficult for you to get select for chairmanship in DBAS Mer Sat Mer VEn

I said if due to some reason selection date get postpone say between 22/4/17 to 4/5/17 i.e in DBAS of Mer Sat Mer Moon you may get Chance as
sookshma Moon is in favor of Chetan which signify 6,10,11 Vs 4
Chetan told me that it is difficult to get postpone
My Prediction Till 21 April 2017 you won't get chairmanship back
But if selection / voting process held between 22/4/17 to 4/5/17 you may get it

Outcome : Date postponed and new date declared i.e. 3/5/17

Use of ruling planets to ascertain the correct birth time

I am giving below a few examples where the correct birth time of the native was not known and the same was arrived at by using the Ruling Planets.

1) Native : Male
DOB : 12.10.1977
Time : Between 21.15 to 22.30
Place : Allahabad

The question was solved by me on 27.01.2014 at 22.45 in Mumbai and the Ruling Planets at that moment are given below :

Lagna : Kanya Budh : Star : Jyestha Budh
Rasi : Vrischik Mangal (Ketu) ; Day : Monday Chandra

Ketu was in Mesh rasi and so it was included with Mangal as a ruling planet.

The lagna that were rising on 12.10.1977 between 21.15 to 22.30 at Allahabad were Vrishab and Mithun. Sukra is not a ruling planet, whereas Budh is in the ruling planets. So, I decided to fix Mithun as the lagna of the native. Now in Mithun lagna, we have stars of Mangal, Rahu and Guru. Rahu and Guru are not amongst the ruling planets, but Mangal is a ruling planet. So, I decided that the birth has taken place in Mangal star. I finalized Ketu – Sub and Budh – sub sub to arrive at the degrees of the 1st house of the native. (Budh has come twice in the ruling planets, so I have used it as Lagna lord and also the sub sub lord).

Now for the chain of Mithun - Mangal - Ketu - Budh I arrived at the degrees of the 1st house as 2-36-43 and the corresponding time as 21.33.20.

2) Native : Female
DOB : 11.09.1992; Time : Between 20.00 to 20.30; Place : Mumbai

The question was solved by me on 30.01.2014 at 22.15 in Mumbai and the Ruling Planets at that moment are given below :

Lagna : Kanya Budh; Star : Shravan Chandra
Rasi : Makar Sani ; Day : Thursday Guru

The lagna that was rising on 11.09.1992 between 20.00 to 20.30 hours at Mumbai was Meena. Guru is in the ruling planets. So, I confirmed that the native was born in Meena lagna. Now in Meena lagna, we have stars of Guru, Sani and Budh. All the 3 stars are among the ruling planets. Guru has come in the ruling planets only once, and we have already used it as the lagna lord. Between Budh and Sani, Budh is stronger being the Lagna lord at the time of query. So, I decided that the birth has taken place in Budh star. I finalized Chandra - sub and Sani - sub sub to arrive at the degrees of the 1st house of the native.

Now for the chain of Meena - Budh - Chandra - Sani I arrived at the degrees of the 1st house as 22-46-57 and the corresponding time as 20.06.57.

Question 1: Rules for Education

I am going through the book " ASTROLOGY & EDUCATION" by K. Subramanyam, S/o. KSK.

On page 13, ----------how can one enter the portals of a college unless one completes school education.
This clearly indicated that 4 CSL should indicate 4 and 9 for higher education. 4th signification also is required for higher education

In some articles in KPEZine , it was mentioned that-
9 CSL is connected with 4 or 11,it indicates success in higher education through hard work.
If 9 CSL is connected with 11 only but not connected with 4, it indicates success in higher education without hard work.

Sir, I am a learner in KP System of astrology.
By the above statements, I am totally confused.
I request for your valuable guidance and opinion on this subject .

Answer 1: General Rules for Education

If the 4th cusp sub lord signifies houses 4,11, the general or lower level education is promised during joint dasa periods of significators of houses 4,11.
If the 9th cusp sub lord signifies houses 4,9, 11, the higher education is promised during joint dasa periods of significators of houses 4,9,11.
In horary analysis, the 11th cusp sub lord signification of houses 4,11 or 4,9,11 is to be cross-checked for lower education and higher education respectively..
The 4th or 9th cusp sub lord's connection with Mercury, Jupiter is helpful for success in education.
For success in higher education, the 9th house signification is important but not a must, similarly the 4th house signification is not a must to gain higher education.

Question 2: Transit Analysis

Thank you for your reply for sensitive point in KPEZine-june-2017, in Q&A section.

I have tried to erect the chart as per the birth details of the native, provided in the answer.
The position of planets is almost tallying . But the houses are not tallying. I do not know the reason.
For the same birth details, the chart prepared in india and usa are differing. Then predictions also will differ.

In the dasa period of RA-SA-JU, first the transit of sun is checked for Ra , as rahu is a strong planet.

The period of ra-sa-ju is 30-11-1969 TO 19-04-1940.
(as per my chart chart enclosed)
Is it not that ,we check the transit of sun , moon and other dba lords in the above selected period?.

I request you to kindly educate me in this regard.

Answer 2:
The reason for the positions of planets are almost tallying but the cusps of houses are not tallying may be using another house system other than Placidus house system. Please make sure to use the Placidus house system. It cannot be checked by figures because the calculated chart is not attached as said in the question.

It is true that the calculated charts for a location in India and another location in USA will be different as latitudes and longitudes are different.

The location of natal chart is the place where the native was born. The location of transit chart is the place where the native is located at the time of transit analysis.

Generally in transit analysis it is to check whether the DBAS lords and luminaries Sun and Moon are transiting in the star and sub of DBAS lords or significators of required houses for the matter under study, for instance houses 2,7,11 for marriage.

Question 3: Sensitive points
Thank you very much for clearing my doubt about sensitive point in KPEZine-June-2017 in question and answers.

You have selected the DBA - su-ve-me.
We can have 6 combinations and permutations with the above dba lords like,
1. su-ve-me,
2. su-me-ve,
3. ve-su-me,
4. ve-me-su,
5. me-su-ve,
6. me-ve-su.

It has been selected only 1, 3 and 5 as sensitive points.
I request you to kindly clarify how the sequence is selected
as a sensitive points.
I thought it should be vimsottari dasa sequence.
Then, it should be 1,3 and 6 and not 1,3 and 5.

I request you to kindly educate me.

Answer 3:
It is to choose the available sensitive point(s) whatever available during the DBA by sequence of time.

Question 4: Dasa Sequence
What is the criteria to select bhukti lord also as dasa lord?.
Normally, once we select the dasa lord, we follow vimsottari dasa sequence to select the bhukti and antara lords by checking the eligibility.

Answer 4:
Yes, it is to follow the Vimshottari dasa sequence starting for the current running Bhukti or Antra.

765 Notable Horoscopes
by Raj Kumar
Sagar Publications, 2010, pages 414

About the Book
This book is a compilation of 765 horoscopes that have excelled in various fields of life in different countries at different times. 415 natives out of them were alive as on publication date of 2010. To facilitate proper identification the charts the notable horoscopes are given in alphabetical order of last name, giving date, time and place of birth (latitude and longitudes in degree and minutes) with balance of Vimshotri dasha at birth in year-month-days; date and mode of death where applicable and available along with some important characteristics/ events of the native. Apart from the alphabetical index, the book also provides the profession wise (as per their fields of main activity) and Lagna wise indexes to facilitate the readers for futuristic study. Total numbers of vocations have been identified as 27. These charts can be useful for research-minded astrologers to test and understand various rules, theories and hypothesis about various permutation and combinations of planets in a native's chart.

Each horoscope gives birth details of the native, birth place, balance dasha at birth date and mode of death where applicable and available and few important events of each native. The birth chart (southern and northern style) indicates planets and Lagna (written in brief) along with their longitudes in degree and minutes, as shown by the sample page.

In view of the fact that the author has compiled birth details based on various books, magazines or Internet, and in many cases, more than one set of birth details of celebrities are in circulation, it is advisable to check birth details with more reliable AstroDatabank birth data available at http://www.astro.com/astro-databank/Main_Page .

Horoscope of American Senior Senator John McCain

By: *Tin Win*
Email: tw853@yahoo.com

Political Power

John McCain (age almost 81) is a Republican Senior Senator from Arizona since 1987, the unsuccessful rival of George W. Bush for the GOP nomination for President in 2000, and the Republican nominee for President in 2008 losing the election to Barack Obama.

Political power grows out of the barrel of a gun. - Mao Zedong

Political power grows out of the 10th house. - Astrology

His 10th cuspal sub lord (CSL) Mercury is in house 7, lord of houses 5,8, in the star of Sun in house 7, lord of house 7, and in sub of Venus in house 7, lord of houses 4,9, not indicating houses 10 and 11 to gain political power.

Since his 10th CSL does not signify the 10th house, Mr. McCain could not gain political power of US presidency although he is a popular figure as a senator (7th house signification).

Prisoner of War

While McCain was on a bombing mission over Hanoi in October 1967, he was shot down, breaking both arms and legs, and captured by the North Vietnamese. He had spent 5 1/2 years of hell as a POW during Rahu Dasa until March 1973.

12th CSL Rahu is in house 10, Sagittarius representing Jupiter in house 10, lord of houses 2,11. Rahu is in the star of Ketu in house 4, Gemini representing Mercury in house 7, lord of houses 5,8, and in sub of Rahu is in house 10, Sagittarius representing Jupiter in house 10, lord of houses 2,11, satisfying Rahu to be the 12th CSL and significator of houses 2,8.

Aggressive Brain Cancer

On Jul 18, 2017 Sen. John McCain was diagnosed with an aggressive brain cancer – the same type that felled former Sen. Ted Kennedy and Joe Biden's eldest son.

A brain tumor is any growth of abnormal cells or uncontrolled proliferation of cells in the brain. Standard treatment options for this malignant (cancerous) brain tumor include chemotherapy and radiation, although even with treatment, average survival time is expected approximately 14 months. He is a survivor of previous skin cancer in 2010.

The 6th (disease pointer) CSL Moon is in house 11, lord of house 6 (disease) and also the strong significator of house 6 by cusp sub lordship. Moon is in the star of Sun in house 7 (Maraka), lord of house 7, and in sub of Venus in 7, lord of houses 4, 9 (Badhaka). Moon is located in Aquarius of Saturn (serious disease indicator). Sun (brain ruling house) is opposite to Saturn in 1st house (brain fueling house) and Saturn is lord of houses 8 (serious disease) and 12 (end of life). Mars is aspecting 1st cusp (brain ruling house) and Saturn. Jupiter (cancer and tumor causing planet) is aspecting 6th cusp in Cancer (sign of cancer disease). Uranus (brain tumor indicator) is in Aries (brain ruling sign).

Current Running Dasa

His current running joint dasa period is Mercury Dasa- Rahu Bhukti till December 1, 2018, which seems critical for the native .

Dasa lord Mercury, as discussed above, signifies Maraka house 7 in all three levels of planet, its star and sub. 8th (danger to life) house is signified in planet level, and Badhaka house 9 and house 4 (end of life) are also indicated in sub level. Live saving house 5 is signified in planet level only.

Bhukti lord Rahu, as shown above, signifies Maraka house 2 or 7 in all three levels, house 8 and 4 in star level, house 10 (treatment being ineffective, retirement from this world) in planet and sub levels, along with life saving house 5 in star level and house 11 in planet and sub levels.

Return to Senate

On July 25, 2017, less than two weeks after brain surgery, Mr. McCain returned to the Senate, and cast a deciding vote allowing the Senate to begin consideration of bills to replace Obamacare. Along with that vote, he delivered a strong speech criticizing the party-line voting process used by the Republicans, as well as by the Democrats in passing Obamacare to begin with. On July 28, he cast the decisive vote against the Republicans' final proposal, the so-called "skinny repeal" option, which failed 49–51.

Good luck, Mr. McCain!

Kagame announced that he would run for a third term in a televised address to mark the start of 2016, saying "You requested me to lead the country again after 2017. Given the importance and consideration you attach to this, I can only accept. But I don't think that what we need is an eternal leader."

In February 2017 Phillipe Mpayimana announced his candidacy as an independent candidate. A former journalist and author, he has lived outside Rwanda since 1994 and worked with humanitarian organisations.

35-year-old businesswoman Diane Rwigara announced her candidacy, running as a critic of Kagame. Days after she launched her campaign, nude photos of Rwigara were leaked on to the Internet in an attempt to discredit her.

Democratic Green Party of Rwanda leader Frank Habienza also declared his candidacy.

Note: Elections in Rwanda presidential election were declared on 04-08-2017. In the last election, held in 2010, Paul Kagame had won that election. I have also successfully predicted that result too in KPezine.

I have delivered 100 advance predictions using my rules given below, and I have got 69 predictions correct. This shows that the rules have demonstrated an accuracy of at least 69% and not just a 50-50 chance in predicting election outcomes at all, as some KP astrologers have said about this rule. This is the first time in the history of KP astrology that some KP Astrologer has made 100 advance predictions by using any one new developed rule.

Hint:
If the 10th (one's position in politics) cusp sub lord signifies houses 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner), then in the DBA of the significators of houses 3, 10, 11, success is assured.

Cuspal Sub lord for Paul Kagame:
10th Cusp (Capricorn 09°.50'.16"): The sub lord of the 10th cusp is Venus. Venus is in the star of Mars and sub of Saturn. Venus is occupant of house 2nd, owner of houses 2-7. No planet is in the stars of Venus, and Venus is the CSL of houses 4-8-9-10. Star lord Mars is occupant of the 4th owner of houses 1-8. Sub lord Saturn is occupant of the 8th owner of houses 10-11. Thus, the 10th cusp sub lord, Venus, is the significator of houses 2-7-4-8-9-10-1. Hence, winning in the election is certain.

Cuspal Sub lord for opponent:
10th Cusp (Cancer 09°.50'.16"): The sub lord of the 10th cusp is Venus. Venus is in the star of Mars and sub of Saturn. Venus is occupant of the 8th owner of houses 1-8. No planet is in the stars of Venus, and Venus is the CSL of houses 4-2-3-10. Star lord Mars is occupant of the 10th owner of houses 2-7. Sub lord Saturn is occupant of the 2nd owner of houses 4-5. Thus, the 10th cusp sub lord, Venus, is the significator of houses 8-1-10-2-3-4-7. Hence, winning in the election is certain.

Joint period for Paul Kagame:
On the day of the election (04-08-2017), the running joint dasa period is that of Ketu-Moon-Saturn-Saturn.

Dasa lord Ketu is in the star of Mars and sub of Mercury. Ketu is occupant of the 10th. Ketu is aspected by Mars. Mars is occupant of the 4th owner of houses 1-8. Star lord Mars is occupant of the 4th owner of houses 1-8. Sub lord Mercury is occupant of the 4th owner of houses 3-6. Thus, the dasa lord, Ketu, is the significator of houses 10-4-1-8-3-6. Hence, winning in the election is sure.

Bhukti lord Moon is in the star of Ketu and its own sub. Moon is occupant and owner of the 4th. Star lord Ketu is occupant of the 10th. Ketu is aspected by Mars. Mars is occupant of the 4th owner of houses 1-8. Sub lord is also Moon. Thus, the bhukti lord, Moon, is the significator of houses 4-10-1-8. Hence, winning in the election is assured.

Antra-Sookshma lord Saturn is in the star of Mercury and its own sub . Saturn is occupant of the 8th owner of houses 10-11. Star lord Mercury is occupant of the 4th, owner of houses 3-6. Sub lord is also Saturn. Thus, the antra-Sookshma lord, Saturn, is the significator of houses 8-10-11-4-3-6. Hence, winning in the election is assured.

Joint period for opponent:

On the day of the election (04-08-2017), the running joint dasa period is that of Ketu-Moon-Saturn-Saturn.

Dasa lord Ketu is in the star of Mars and sub of Mercury. Ketu is occupant of the 4th. Ketu is aspected by Mars. Mars is occupant of the 10th owner of houses 2-7. Star lord Mars is occupant of the 10th owner of houses 2-7. Sub lord Mercury is occupant of the 10th owner of houses 9-12. Thus, the dasa lord, Ketu, is the significator of houses 10-4-7-2-9-12. Hence, winning in the election is certain.

Bhukti lord Moon is in the star of Ketu and its own sub . Moon is occupant and owner of the 10th. Star lord Ketu is occupant of the 4th. Ketu is aspected by Mars. Mars is occupant of the 10th owner of houses 2-7. Sub lord is also Moon. Thus, the bhukti lord, Moon, is the significator of houses 4-10-2-7. Hence, winning in the election is assured.

Antra-Sookshma lord Saturn is in the star of Mercury and sub of own. Saturn is occupant of the 2nd owner of houses 4-5. Star lord Mercury is occupant of the 10th, owner of houses 9 -12. Sub lord is also Saturn. Thus, the antra-Sookshma lord, Saturn, is the significator of houses 2-4-5-10-9-12. Hence, winning in the election is assured.

My opinion: The 10th sub lord for Paul Kagame indicates the relevant house 10 only. For the opponent it indicates the relevant houses 3-10. The antra-Sookshma dasa for Paul Kagame indicates houses 3-10-11, and for the opponent it only signifies 10. Therefore, this is going to be a very close fight. But Paul Kagame will win this election for the third time.

Astrologically, the corrected birth time, on averaging, is 03-30-30 PM.

Thus, as explained above, the given birth particulars are corrected by strictly observing the rules laid down by Sri. Kanak Bosmiah Ji in his RBT Book.

Ruling Planets & Rectification of Birth Time:-
The Ruling planets at the time of judgment correspond or agree or tally with :-
The Ruling Planets at birth.
The Sign lord, The Star lord, The Sub lord and The Sub-Sub lord of the Ascendant at birth.
The Sign lord, Star lord, Sub lord and Sub-Sub lord of Ascendant at birth are found either in the star or sub of the ruling planets or planets at the time of judgment.

Lagna Star lord:-Rahu;
Lagna Sign lord:-Mercury;
Moon Star lord:-Mars;

Moon Sign lord:-Mercury;
Day lord:- Sun;

Rahu is in the sign of SUN (Leo) which has appeared as Day lord among the RPs. So, the total RPs at the time of judgment are Rahu, Mercury, Mars, Mercury and Sun.

The Ruling Planets at the birth tally with the Ruling Planets at the time of judgment.
Ascendant at birth is Gemini 04-38-37. It is jointly ruled as under:-

Mercury-- Mars --- Venus ---Mercury --- Rahu ---Mercury
Thus, all the joint Rulers of the Ascendant at birth also correspond to the ruling planets at the time of judgment

ROO:- (1) The rectified Lagna star lord Mars is appearing directly as the 9th cusp star lord.
(2) The Lagna cusp Sub lord is Venus and the 9th Cusp Sub lord is Saturn. Venus (1st Sub) is in the sign of Saturn (9th Sub) and Saturn (9th Sub) is in the sub of Venus (1st Sub).

Study of Fatal Automobile Accidents

Road accident is a global tragedy with ever-rising trend. Not a single day passes off these days without the news of road accidents claiming lives of the people. Fatal Automobile accidents have become a major public problem because of the high number of victims involved and also the seriousness of the consequences for the victim themselves and to their families as well.

As said by Alfred Tennyson, "Men may come and men may go" is the cycle of life. Some live long life while some leave the life on the way.

Some may be injured and hospitalized and some may die by road accidents. According to Buddhism, the reason for the death at a time when one should not die, as a result of war, flood, fire, accidents or sudden sickness, is the exhaustion of merits. In other words, no matter how long we live, once the life that we obtained from our past karma is finished, we will die. Astrologically, we can arrive to the most reasonable planetary causes for such unnatural deaths.

One among such unnatural deaths is Automobile accidental death, which is also written on the forehead or in the book of Karma, at the time of birth, that can be found in the natal chart.

For this study I have selected 24 AA graded charts from the Astro Data Bank and two charts of Sri Lankans who died by road accidents as given below.

Chart analysis in connection with Auto Accident

The general KP rule for accident:
If the Ascendant and 8th cuspal sub lords signify houses 6 (injury), 8 (accident) and 12 (hospitalization) and are connected with Mars, Saturn or Nodes, one may meet with accident during the joint dasa period of the significators of houses 4, 6, 8 and 12; if Maraka and Badhaka houses are involved, the accident may be fatal.

Outcome

As per the above table, the general KP rule for accident is satisfied in all charts. (100%)

2. KP rule for death by vehicle accident

"If the sub lord of the 8th, signifying houses 2 – 7, and in any manner connected with the Badhakasthana ... if the sub lord of the 8th is Venus, death by accident through vehicles." - Astro Secrets and Krishnamurti Padhdhati - Part 1, by Late Sri M.P.Shanmugam

Application of the rule 02

Venus directly presents as the sub lord of the 8th cusp, out of 26 charts, only for 5 charts and indirectly in one chart by way of Rahu.

Hence, it is not essential that Venus should always be the 8th CSL for accidental deaths, and the above rule is not applicable.

Since Venus is the Karaka planet for vehicles, my next attempt is to see its connections with houses 6, 8, 12 and Maraka & Badhaka

Outcome

Venus is not always connected with all the detrimental houses 6, 8 & 12. But it is always connected with the 8th house and Maraka/Badhaka in any manner in almost all charts as per the above table. (100%)

4 Role of Mars with the 8th cusp and journeys

Mars, called as the planet of action, rules or causes death by accidents and sudden death. It is exaggerated and rapid in action.

The 8th house of the natural Zodiac is Scorpio that is ruled by Mars. It is the house of death and denotes the time and manner of death. It is a terminal house and forms one of the angles of the Terminal Triangle (4, 8, 12). In Vedic Astrology it is called Moksha Trikona.

Hint for 8th house

" People with Mars in this position (8th House) should not delay making their will for the end usually." - (Messages of the Stars by Max Heindel)

Hint for Mars & 3rd house

"When Mars is afflicted in the Third House it gives liability to accidents on short journeys." - (Ibid)

Hint for Mars & 9th house

"*People with an afflicted Mars here should never travel, but remain in their native place for they will always be in danger of accident on journeys and however much they may be disliked in their native place they will find a still worse reception in foreign parts.* (Ibid)

5 Opinion of Medical Astrology
"Death or injury by Automobiles - Uranus or Mars in the 3rd house, and afflicting the Sun, Moon, Ascendant or Hyleg, ..."
Encyclopedia of Medical Astrology by Dr. H.L.Cornell
When going through all charts under study to adopt this rule, I found that 3rd house is not occupied by Uranus or Mars in all the charts. But Uranus was found to be a significator for Maraka or Badhaka in almost all the charts. (100%)

Conclusion
If the Ascendant OR 8th cuspal sub lords signify houses 6 (injury), 8 (accident) and 12 (hospitalization) and are connected with Mars, Saturn or Node, one may meet with the accident, and if the following three conditions are simultaneously satisfied, it is a fatal accident.
1) If Venus is connected with 8th house and

Will Vijay Mallya be extradited to India from UK and be imprisoned for his financial crimes?-Analysis by time chart

By: Gunti Nagaraju KP astrologer (M.com CAIIB, Retired Bank officer)

Secunderabad- 500 017; Tel: 040-27172206; 9490752371;

As a banker, after reading the news and watching an array of events displayed on media, my curiosity has grown to the extent of knowing the outcome of Vijay Mallya's financial crimes through astrological sources. I finally sat down on 26-02-2017 @7-28-01 A.M at my residence –Tarnaka Secundrabad to look at the various aspects of the case with the help of Time chart. The chart is attached.

1. Will Vijay Mallya be extradited to India from the UK? and
2. Will He be imprisoned by way of punishment for his crime?
3. If so when?

Rules to arrest a person (as per Kanak Bosmia see KP Ezine Jan 2011):
1) If the 6th (police) sub lord signifies houses 1 (self-effort), and 11 (success), police would be able to arrest a runaway person (7th) in the DBA of the significators of houses 1, 11.
2) If the 11th (court order, 3rd from 9th, court) sub lord signifies houses 6 (victory over the enemy), 11 (success) during the DBA of the significators of houses 6, 11, one can be arrested by police on court orders.
3) If the 7th (runaway person) sub lord signifies houses 5 (gain to opponent), 10th (4th from 7th come back home/ and home country), 6th (12th from 7th: loss of reputation), then during the DBA of the significators of houses 5,6,10, one can be arrested by police upon the orders of the court.

Moon indicates the mind – Moon is the lord of 6th. No planets are placed in the stars of Moon, and so moon strongly indicates the 6th-loss of reputation to the enemy and victory over the culprit. Moon is placed in the 12th- indicating the outcome in the form of confinement/ imprisonment.
Moon is in Rahu star and Rahu sub which is placed in the 12th confirming the imprisonment.
All these clearly indicate imprisonment and loss of reputation to the concerned person.

Arrest & Extradition to India from the U K---- (As per Navarathna mala –page no.8 – By TIN WIN) ---I)--12Th cusp sub lord is Rahu. (Sri Kanak Ji and some other astrologers opine that it can be Rahu or Saturn or for that matter any other planet.)

As per the chart---

The rule for imprisonment says that 12th sub lord should signify houses 2 or 3 or 8 or 12. Rahu is in Kethu star placed in the 2nd, and in the sub of Jupiter (lord of houses 10 and 11) placed in the 7th.

By these indications, it is evident that the aspect of imprisonment is certain.

The 12th cusp sub lord, Rahu, also signifies through its representation of – Sun-Moon-Mercury-
1. Government through its sign lord Sun, as lord of the 7th placed in the 12th.
2. Loss of reputation to the opponent and imprisonment by Moon Lord of the 6th posited in the 12th.
3. House detention and arrest by Mercury lord of houses 4 & 5 placed in the 12th.
4. Court orders by Rahu's 11th house signification.

The star lord of the 12th SBL-Kethu, also signifies through its representation of—Sun-Moon -Mercury- SATURN—as Lord of houses 1 &12 placed in the 10th indicating the native (1), judicial proceedings and court orders (10) and jail (12) also.
Mara as the 7th cusp sub lord and as the lord of houses 2 and 9 (judiciary), placed in the 1st aspects the 8th also confirms the involvement of police in the arrest.

II) –If the 11th cusp S B L(Court Orders) signifies houses 6th—victory over the enemy, 11th-success in arresting the defendant, it will take place during the conjoined period of the significators of houses 6 and 11 as per the court orders.

As per the chart---
The 11th cusp sub lord is Ketu which is placed in the 12th. Ketu represents Sun-Moon-Mercury and Saturn about which we have already discussed above.
Kethu is in Rahu star placed in the 6th, and in the sub of Jupiter lord of houses 10 and 11 placed in the 7th.
Thus, Ketu signifies houses 6 &12 at its star level, and the 11th at its sub-level, which clearly indicates that the defendant will be arrested by the government and police as per the court orders.

III)—if the 7th cusp sub lord (opponent) signifies houses 5-gain to opponent, 10 (4th from 7th –coming back home), 6th (loss to opponent and loss of reputation), then during the conjoined period of the significators of DBAs of houses 5, 6, and 10 the person involved will be arrested.

As per the chart---
7th cusp sub lord is Mars-(police) and it is the lord of houses 2 and 9 placed in the 1st. Mars is in the star of Mercury, lord of houses 4 & 5 placed in the 12th, and in the sub of Jupiter lord of houses 10 and 11 in the 7th.
Thus, Mars (7th SBL) signifies houses 5 at its star level, 10 at its sub-level along with 6 and indicates that he will be arrested.

IV) Few important indications in the chart—
- Houses 9-10-11 are signified by the 7th cusp SBL clearly indicating court, court proceedings and court orders.
- Houses 3-9-11 are signified by Saturn (3rd), 9 & 11 by Mars, 11th by Rahu and Kethu.
- Houses 9-5-3 are signified by Mars (7 SBL) (9 & 5), and 3 by Saturn.
- Houses 3-9-12 are signified by Mars (9 & 12), 12 by Rahu and Kethu, indicating habitual residence to a country abroad.

WHEN? IS THE QUESTION—

PERIOD ANALYSIS---
RAHU dasa Lord is in CFS and signifies houses 6 & 11 is O.K.
Rahu bhukthi Lord from Nov 2016 to Aug 2019 is also O.K.
Under Rahu bhukthi period—
Rahu anthra is not considered as Rahu is already taken as D/L and B/L.

Next comes Jupiter anthra from 15-Apr-2017 to 25-Aug-2017.
Jupiter signifies only the 10th at both levels.
Though it is capable of giving results, since Moon is aspected by Saturn, and the moon is placed in Saturn sign causing punarphoo dosha, I feel it may cause delay, and thus Jupiter may not be in a position to give the desired results.

Next comes Saturn anthra from 25-Aug-2017 to 28-Jan-2018.
Saturn is a weak significator and Sun transit also does not agree.

Next comes Mercury anthra from 28-Jan-2018 to 17-Jun-2018. Mercury is CFS and signifies houses 5 at the star level and 6 at its sub-level.
Sun will be transiting in Jupiter sign –Meena- on Mercury star from 30/3 to 14/4 and this agrees.
Under Mercury anthra period since Mercury is already taken as A/L, I have to take the next one which is Kethu sookshma period. It runs from 17/2/2018 to 25/2/2018.
Ketu signifies houses 6 and 12 at its Star Lord (Rahu) level and 10 at its sub lord (Jup) level.Moon will be transiting in Mars sign (Aries) on Kethu star on 21/2/2018.

From the above analysis, it can be concluded that Vijay Mallya may be imprisoned and extradited soon, perhaps around the second half of Feb 2018.

My salutations to our legendary astrologer, late Sri KSK, for his luciferous KPsystem of sub lord theory. And, my heartfelt thanks to Sri Kanak Ji for his great support and encouragement.

Hints: If the 10th csl signifies houses 3,10,11 one will win election
DBAS check for the significators of houses 3,10,11
Same for Opponent

Here, Ramnath Kovind: The 10th csl is Saturn+ placed in the 12th (2 3) {10}. It is in the star of Mercury placed in the 7th (7 10), and in the sub of Saturn+ in the 12th (2 3) {10}. This signifies houses 3,10 ok

And, for Meera Kumari: The 10th csl is Mercury, placed in the 1st (1 4), and in the star of Rahu in the 2nd. Rahu represents Saturn + in the 6th (8 9){4}, and in the sub of Saturn + in the 6th (8 9){4}. This does not signify houses 3,10,11.

The 10th csl of Ramnath Kovind signifies houses 3,10 and for Meera Kumari does not signify any of the houses 3,10 or 11.

No need to see DBAS

My Opinion : Ramnath Kovind will be the next President of India

Long Live KP and thanks Kanak sir for his guidance

Question. Whether my marriage would end in divorce or not. If it ends in divorce when the event takes place.
Number. 1 (out of 249).
Date of Judgment: 23-11-2015, Monday; Time of Judgment: 15:10:34 PM IST
Place of Judgment. Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'

Hints
If the sub lord of the 7th cusp be the significator (in the star of the occupant or owner) of houses 1, 6 or 10 (being 12th from houses 2, 7 and 11); or be connected with houses 1, 6 or 10, it does not promise marriage, or it denotes absence of married life.

If it be the significator of or is connected with houses 2, 7 or 11 and 1, 6 or 10, the marriage takes place during the joint period of the significators of 2, 7 and 11, and it does not take place during the joint period of the significators of 1, 6 and 10.

If the native be married already, then during the joint period of the significators of houses 1, 6 and 10 there is no possibility of conjugal life, or else there is some sort of estrangement or separation in married life. It also denotes divorce.

Cusp 7th. (Libra 00^0.00'.00"): The sub lord of the 7th cusp is Mercury. Mercury is in the star of Saturn and sub of Venus. Mercury is occupant of the 8th, and owner of the 4th. No planet is in the star of Mercury, and Mercury is CSL of houses 7-11. Star lord, Saturn, is occupant of 8th and owner of houses 11-12. Sub lord, Venus, is occupant of 6th and owner of houses 2-3-7. Thus, the 7th CSL, Mercury, signifies houses 8-11-12, and is connected with houses 8-4-7-11-6-2-3. Thus, the 7th Cusp sub lord is giving an indication of divorce.

Rahu is conjoined with Mars and Venus, hence represents Mars and Venus. Ruling planets are Moon, Jupiter, Mercury, Mars, Venus, Rahu and Ketu.

Common planets from among the significators and RPs:
Moon, Jupiter, Mercury, Mars, Venus, Rahu and Ketu.

Joint Period

At the time of judgment, the running Dasa is of Ketu up to 02-12-2021. The querent is running the joint period of Ketu-Venus up to 30-06-2016.

Dasa lord Ketu is among the common planets.

Bhukit lord, Venus, is among the common planets, but the 7th SL indicates the 8th house and, therefore, shows delay. So, I checked the next planet, Sun. But it is not among the common planets. Next is Moon from 05-11-2016 to 06-06-2017.

My opinion: You will get divorce during 05-11-2016 to 06-06-2017.

Outcome: Prediction comes out correct.

Querent is doing job since 12 years in a pharma company. Company is not even assuring promotion. So he is fed up and now wants to resign from the company.
Another company has offered him a job with good salary. He is in a dilemma about the above.

Rule: Change in Job: The 3rd csl should signify houses 3,12 with 10.
Rule: Transfer inJob Rule: the 10th should signify 3/10/12 in the joint period of the significators of houses 3,10,12.
Rule: Promotion: The 10/6 should signify houses 2/6//10/11 along with 3/12.

The 3rd csl is Rahu in the 5th. Rahu represents the Sun+ 11(5){-}. Ketu in the 11th repreeents Saturn in the 8th (10, 11), Jupiter in the 6th (9 12)...,houses 12 with 10,11 and with 8 showing delay, frustration, fear, etc.

The csl of houses 6/12 Saturn is in the 8th (10, 11). Ketu in the 11th represents Saturn in the 8th (10, 11), Sun+11 (5){-}....signifying houses 8,10,11 only .Does not signify houses 3/12.

The 10th csl Jupiter is in the 6th (9, 12), Mars s in the 1st (1, 8), Jupiter is in the 6th (9, 12), thereby signifying only the 6th with houses 12 and 8.

The common significators: 3rd house...Ven Mer Rah, 10th house... Mars Mer Sat Jup, and 12th house... Ven Mer Jup Rah Sun Sat

RPs on 14/3/17 at 10.46.29 pm Day... Mars; Asc... Ven Jup Ven Mo...Mer Mars Rah Sat Asp on moon 10 aspects so Poonarphu

Common from above Ven (2) Mars (2) Jup Mer Rah

DBAS

Dasha Mars 1 (1 8) Ket 11 rep Sat 8 (10 11) Sat 8 (10 11) ...8,10,11 NO 3/12. So, no change in Job, but Promotion.

Bhukti Rah in the 5th. It represents the Sun+ in 11th (5){-}, Ket in the 11th. Ketu represents Saturn in the 8th (10 11), Jupiter in the 6th (9 12)... Signifying houses 10,11 with 8, causing delay, frustration, fear, etc.

Antara Jup will skip as Punarphoo & 8th. Next is Saturn which is not in the common RPs. Next is Mercury.

Mercury in the 12th (3 6); Saturn in 8th (10 11); Ket in 11th and represents Saturn in the 8th (10 11).. Signifying houses 6,10,11. This is between 26/5/17 to 20/6/17.

Diabetes - A dreadful disease and A Super Sweet Life of Ruin

I feel DIABETES is a curse, as it only takes one bad generation to negatively impact the next three generations. No matter how good they try to be, it can take a long, too long a time for the curse to be lifted. We speak of leaving legacies in terms of money and prestige while we neglect the very genetic legacies we leave.
There are two main types of diabetes:
Type 1 – when the pancreas doesn't produce any insulin

Type 2 – when the body's cells don't react to insulin or the pancreas doesn't produce enough insulin

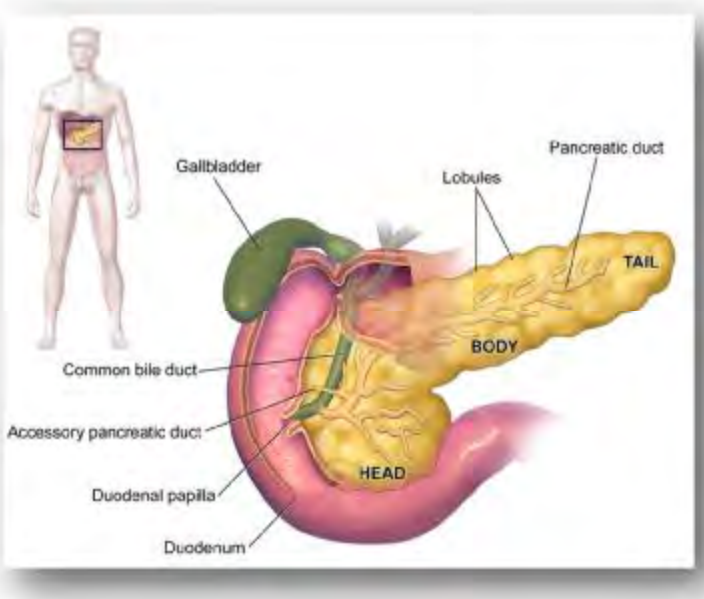
What causes diabetes?
The general cause for the appearance of diabetes is unknown. Diet, genetics, obesity and lack of exercise may play some role in developing it, especially Type 2 diabetes.

What are the symptoms of diabetes?
Frequent urination, Extreme thirst, Unusual weight loss, Blurry vision, Increased tiredness, and Extreme hunger.

How does diabetes affect the body?
As time passes, the high blood sugar levels can lead to numerous diseases like, for example, heart disease, kidney disease, and blindness. This excess of sugar in the bloodstream can also harden or narrow your arteries and damage the tiny blood vessels in your kidneys and eyes.

Diabetes often referred to by doctors as diabetes mellitus, describes a group of metabolic diseases.
Here are some key points about diabetes.

1) Diabetes is a long-term condition that causes high blood sugar levels.
2) Type 1 Diabetes - the body does not produce insulin. Approximately 10% of all diabetes cases are type 1.
3) Type 2 Diabetes - the body does not produce enough insulin for proper function. Approximately 90% of all cases of diabetes worldwide are of this type.
4) Gestational Diabetes - this type affects females during pregnancy.
5) The most common diabetes symptoms include frequent urination, intense thirst and hunger, weight gain, unusual weight loss, fatigue, cuts and bruises that do not heal, male sexual dysfunction, numbness and tingling in hands and feet.
6) If you have Type 1 and follow a healthy eating plan, do adequate exercise, and take insulin, you can lead a normal life.
7) Type 2 patients need to eat healthily, be physically active and test their blood glucose. They may also need to take oral medication, and/or insulin to control blood glucose levels.
8) As the risk of cardiovascular disease is much higher for a diabetic, it is crucial that blood pressure and cholesterol levels are monitored regularly.
9) As smoking might have a serious effect on cardiovascular health, diabetics should stop smoking.
10) Hypoglycemia - low blood glucose - can have a bad effect on the patient. - Hyperglycemia - when blood glucose is too high - can also have a bad effect on the patient.



There are no specific diabetes causes.

This is such a mysterious problem of health like BP, very often people do not feel that they are affected until they consult the doctors/astrologers basing on the primitive symptoms as explained above. Since ages people in many parts of the world used to depend on astrological help in diagnosing the diseases, therapies, and remedial measures which proved to be very helpful.

With this background, I would like to discuss natal charts of TEN different natives who are suffering from this dreadful disease.

I)--WHAT WESTERN ASTROLOGER JUDITH HILL SAYS--

The great western astrologer JUDITH HILL in his book named "MEDICAL ASTROLOGY-A Guide to Planetary Pathology" shares the following observations ---

Nine key points of Health Assessment based on the Planetary Health Chart-

1) The twelve signs and their designated rulership of the body parts.
2) Vitality and Metabolism—SUN, SATURN AND MARS.
3) Temperature—Saturn and Mars (too cool/too hot).
4) Distribution of Life force—the Moon.
5) Excess and Deficiency—the Lunar Nodes.
6) Assessment of Bodily systems—Planets in the signs and houses.
7) The Four Elements—(ie. four qualities of the vital force) in excess or deficiency.
8) The Three Modes—Rate of flow of Vital force.

(Our great Maharshi Patanjali, in his famous treatise on Yoga Sutras, gives great importance for the maintenance of the equilibrium state of the three body humours—Vatha-Pitta-Kapha-which are ruled by-Saturn, Rahu & Mercury/ Sun, Mars & Ketu/ Moon, Venus & Jupiter/ respectively.)

9) Current Time Influences—Transits and progressions.

While discussing in the chapter-"Houses of Health"—He also lays importance upon the Ascendant signs in assessing the general state of the body, the Sixth (6) house-"the house of health" as the house of general health interests, maintenance and support of the body, nursing. Possible weak or compromised areas of the body, planets in this house may represent health issues, the Eighth (8) house, as the house of death, or all struggles to overcome the threat of the death. This is the area of surgery, drastic measures, chronic ailments, diagnosis and psychological analysis. He further describes the symbol for the number 8^{th} which is also the symbol of "Eternity" when it is horizontally placed. And finally the Twelfth (12) house as the house of spiritual work and sleep. He also suggests looking for hidden causes behind apparent health issues through this house of 12^{th}.

II)--DAVID FRAWLEY-In his famous book called "ASTROLOGY OF THE SEERS" (refer page no.186-187)-Disease causing planets and how to determine the

doshas astrologically—
The most important factor for determining individual constitution is the Ascendant or the first house, and the planets located in the first house play an important role in deciding the disease and its stage. Along with the Ascendant, the influences upon it and upon its lord must be considered.
Sun has to be considered as the significator of the first house. It is good to examine Sun for men and Moon for women indicating the physical type.
Next, he lays importance on the sixth (6th) house or aspects upon it and its lord also affect the physical constitution by creating disease tendency and general digestive power.
Planets impacting the eight (8th) are important for severe disease.
The main rule that has the greatest strength of the influence of the various factors representing the body is – the first and the sixth houses, their lords, Sun and Moon and their rulers- will generally determine the physical type. If the two planets of the same dosha (like the Moon and Jupiter, which are both Kapha) affect these factors, then the judgment is more assured.
While discussing the same topic, he further stresses importance on malefic planets, either natural or temporal, promise disease. Natural malefic planets which are Rahu, Saturn, Ketu, Mars and the Sun, in order of their power to cause disease. Temporal malefics are the lords of the sixth, eight, eleventh, third and twelfth houses. Planets when weak also cause disease or become the site of disease, benefics as well as malefics.
The lord of the 6th house causes injury, accidents, acute diseases, low vitality, poor digestion and poor resistance to disease.
The lord of the 8th causes poor vitality, chronic and wasting diseases, including premature death.
The lord of the eleventh functions like that of the 6th but with less power. The lord of the 3rd functions like that of the 8th but with less power.
The lord of the eighth house, the house of death, is particularly strong to cause disease, injury or digestive disorders. The lord of the 12th causes sorrow and shows confinement to bed or hospital, a chronically sick person.
He lays more stress on the three doshas of the human body- Vatha (air-gas), Pitha (fire and bile) and Kapha (water and phlegm and mucus) with its impact on the entire system of the bodily health, and the importance to be given in maintaining, correction and harmony of these three humurs.
III) WHAT KP SYSTEM SAYS ON THIS DISEASE—(See page no.296-Reader no.3 " Predictive astrology")—
a) Lagna shows health. It depends on the sub lord of the Ascendant, i.e; if the sub lord of the ascendant signifies houses 6 or 8 or 12 then one suffers from disease or faces danger or is hospitalized.
b) 6th house indicates disease. It affects one's health.
c) 8th house threatens the health of the native.
d) 12th house indicates hospitalization.
e) The disease will occur during the conjoined period of the significations of the houses 6-8-12.
In addition to the above rules, the following riders have been evolved and formulated as a result of the on-going research of many expert astrologers and their findings.
These few points are indicated hereunder for our consideration ---
1) The signs involved as indicators of the disease are-LIBRA (TULA)-CANCER (KARKATAKAM)—SCORPIO-(VRUSCIKAM)- PISCES (MEENA).
2) The planets responsible are-JUPITER-VENUS-MOON-SAT-MERCURY.
3) If Mercury is placed either in Pisces/Sagittarius/Libra and is aspected by Mars, the native will suffer from diabetes.
4) Jupiter - signifies surplus glucose that is stored in the liver, and Venus – signifies glucose and its concentration in blood and its levels of increase. So, Jupiter and Venus connection, in any manner, with Libra and houses 6-8-12, and maraka and badhaka houses will make the native suffer from diabetes.

After observing all the above mentioned points, I feel that we can comfortably come to a conclusion to make an astrological rule for diagnosing the DIABETES as follows:-
RULE:- One will suffer from Diabetes disease if the lagna/6th cusp sub lord signifies 6th, 8th, 12th and badhakasthanas; connected to the following Signs and Planets.

Signs:- Libra, Cancer, Scorpio, Pisces.

Planets:- Moon, Mercury, Jupiter, Venus, Saturn.

From the above analysis, it has become clear that the astrological charts speak for them-

Question 1: KP Transit (A & A - June1968)

I am a beginner to KP-System and I was reading the article in Astrology & Athrishta of June – 1968 " SATURNS TRANSIT "

Lecture on 18- 2- ' 68 at B. V. B. Bombay By K. S. K (Pg 25).

For a beginner like me , it is very difficult to understand itJust by reading one time. After reading many many times I found it is very useful. In the article, Guruji has explained the results SA's transit In ME star as explained in " How to read results ?

How to read the result?

You take the horoscope of a person to whom you wish to give the results due to Saturn's transit.

Note in which house Mercury is posited and to which houses, he is the owner. This gives you, what Mercury's sources are. But you are not reading the transit of Mercury. You have to read the transit of Saturn.

So, note in which Bhava Saturn is posited and to which houses, he is the owner. These houses indicate the source by which the transit results will be offered.

Find, in which constellation Mercury and Kethu are deposited. Note in which bhava, the lord of the constellation is tenanted. Then, Mercury has to offer the results indicated by the Bhava, in which the lord of the constellation is situated. Mercury may occupy any Bhava between 1 and 12: But it will give the results of the bhava in which the lord of the constellation is deposited. This is what I have found. This alone comes correct.

Mercury governs Ashlesha, Jyeshta and Revathi. Therefore whatever results will be given by Mercury are offered by the planets transitting these stars. The transitting planet may be anything; the nature of result will remain the same. As Mercury indicates certain matters, they will be given by the transitting planets which show the source. If Mercury is posited in the constellation of a planet in 7th Bhava, matters connected with marriage, wife or partner will be experienced.

If the Significator of lagna bhava transits in Revati and the lord of Revati, Mercury indicates 11th Bhava results, gains, then by personal efforts one gains. If the significator of 3rd house transits, through younger brother, editting, publishing, propaganda or by making tours or short journey, one makes a profit. If the significator of fourth house transits, it shows gains through mother, land, yield, building, rent, vehicle, hire, mine etc., one makes money. If the significator of the 5th house transits, through speculation, betting, games, music, opera, children, grand father or wife's, elder brother, income is indicated. If the significator of 6 transits, one borrows: or maternal uncle or aunt gives: or in service, one earns more, or one gets arrears. If the significator of 7th house transits the constellation ruled by a planet, which was deposited in the constellation of the occupant of 11th house, through wife or husband or partner one gains. In litigation one wins: in election one succeeds, etc. Thus we have to note the source.

Therefore Saturn denotes the source: Mercury and Kethu indicate the nature of event.

In that it is said that when any Planet transits in stars of a Planet Its Star-lord 's Found in Natal Chart) A & D Significators results are Experienced thro' source of occupied & own houses of transiting planet during transit period and transiting planet's Sub-Lord indicate

results success. Based on this principle, I tried to analyse running D / B results in a chart as below.
Noting the presently running D / B planets then check the planet which is transiting in the stars of D / B planets. The results of D / B Planets are given by their Star-lords (of Natal-Ch) thro' the signifying matters of Transiting planet.. if , D / B Planets
Star-lords are not having A & D Significators , I considered B & C Significators matters. When I found no planet transits in D / B Planets stars, I checked D / B Planets transiting positions and those planets results are noted.

Sir. I need your help & your experts opinion about my understanding of our guruji's *Lecture*. Please let me know Weather I can check horoscope D / B as I explained or it is wrong and it should be considered for SA transit only. Thanking you sir & eagerly waiting for your comments.

Answer 1:
Timing of an event is the joint DBA of required houses (e.g. 2,7,11 for marriage) when it agrees with transit, i.e. when the DBA lords and luminaries transit in the star and sub of the DBA lords or required houses. When a planet transits in a star and in a sub, according to the KP basic principles, planet is source, star lord indicates certain matters and sub lord is decider whether the matter is successful or not. In all three levels of planet, its star lord and sub lord, occupied house and own house(s) according to the natal chart are to be considered as significators.

Question 2: Retrogression of DBA
This question is in connection with the Retrograded planets in Horary.

I have well understood the fact that you have given in KP for Beginners- Part 11,
Reading a KP Horary Chart, KP-Ezine April 2008 issue, which speaks only on the Sub of the house under consideration.

In one of the Horary cases analyzed by me for a job promotion, the sub of 11th is qualified for giving him the promotion, which the querant expected during the next two months.

Among the currant DBA, which cover the expecting period, Saturn is the B that is retrograded.

In this issue how to come to a conclusion? Can you pl. show me the way to proceed?

Answer 2:
Retro doesn't matter for DBA.

Question 3: Baren Signs in Child Birth
In the book Vol-4, by KSK, Marriage and children, pages 222-230 discussed about child birth and about baren signs and denying child birth.

Again in the book PROGENY AND ROMANCE edited by K.Subramanyam , in the first chapter itself discussed about baren signs and denying child birth.

But, inthe book by Mr Punneswararao, no baren signs were discussed in the chapter of children.

So, Sir, I am totally confused whether to consider BAREN SIGNS and so referred to you.

I request for your valuable opinion/suggestion/comments on this.

Answer 3:

The barren signs are not so important that they are not included in Punneswara Rao's book: Theory and Practice of Stellar Astrology
(K. P. System).

Question 4:
I am going through the old magazines of ASTROLOGY AND ATHRISHTA from 1963 to 1972. All the magazines are edited by KSK only.

In this I have observed that, in some examples:
1. For any event to materialize only 3 planets are required for as DBA lords. In ABCD significators only first 3 significators are taken from A. If , 3 are not there, then taken from B, and so on.
2. The sub lords of the planets in the required houses, is taken as fruitful significators, without considering ABCD significators.

Can we follow the same, without considering ABCD table significators.
I request for your valuable suggestion/opinion on this.

Answer 4:
The ABCD significators table, as shown by KPAstro SW, are to be used in selection of fruitful significators and dasa analysis.

Question 5: Significators of Required Houses
Herewith I have enclosed an horoscope.

I was checking for the past events-like marriage.
Marriage was celebrated on 12-11-2009, in
the period of SA-Ra-SA.

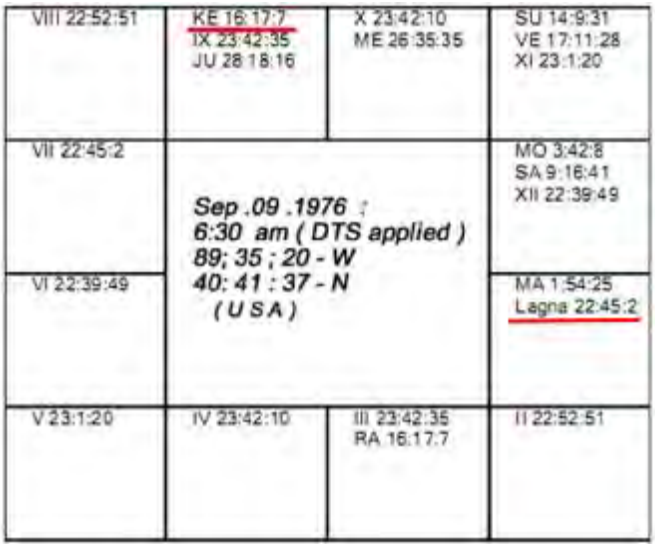
9th CSL Moon and Asc CSL Jupiter are connected, so birth time is correct.

Sa and Ra are not the significators of either 2, 7 or 11 houses.
How this was happened?

Now, we may say that SA and Ra are aspecting 2, 7 and 11 houses, for supporting the date of marriage.
But in a normal way before marriage, for predicting the marriage, we will follow only significators of 2, 7 and 11 only,
where are Sa and Ra are not significators.
In this situation, how we are going to justify the marriage on that date?

Answer 5:
Dasa and Antra lord Sa(8,1-12)/ star Ra(4) aspt by Ju(9,2-11), sgl Ve(6,4-9)/ sub Ra(4) aspt by Ju(9,2-11), sgl Ve(6,4-9), signifying 2,11.
Bhukti lord Ra(4) aspt by Ju(9,2-11), sgl Ve(6,4-9)/ star Ma(6,3-10)/ sub Ju(9,2-11), signifying 2,11.
Thus marriage happened in line with signification of 2,11 by the Sa-Ra-Sa DBA.

Question 6: Badhaka Significators
A health issue to judged for this chart. Please help sir.



Now running KE main period & ME sub period.

Sir here Lagna is LE and Badaka-Sign is AR = Lord MA .
KE is in AR & occupy 8th bhava.
Sir , Is KE Badhaka Planet & Planet in Star of KE is Most Badhaka ?
OR PL in Star of MA (Lord of AR) is bhadaka.
Which one to be considered sir – Please Help.

Answer 6:
For the fixed sign Leo Ascendant, house 9 is Badhaka. 9th cusp falls in Aries, so 9th lord Mars is Badhaka planet. Consequently any planet is also a Badhaka significator. Jupiter located in house 9 is also a Badhaka significator.

American Ephemeris Series by Neil F. Michelsen, Rique Pottenger

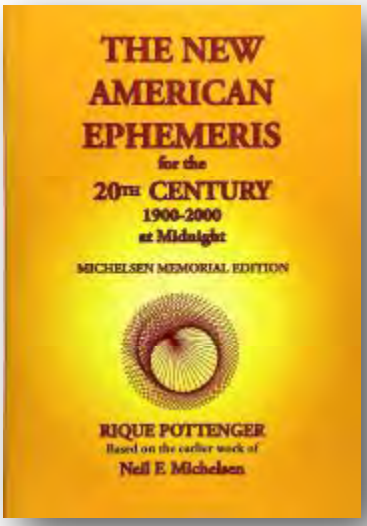
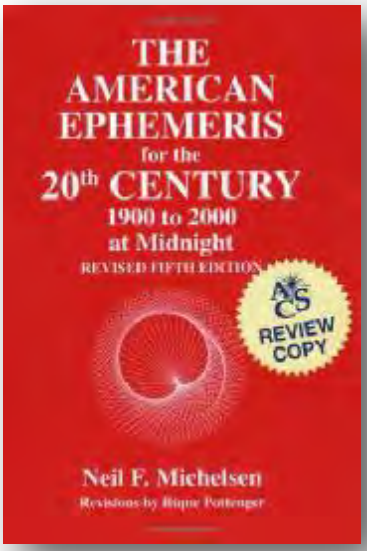
The American Ephemeris with the latest data from NASA's Jet Propulsion Laboratory is the most accurate ephemeris for manual calculation like the Swiss Ephemeris used in modern astrological soft wares.

American Ephemeris for the 20th Century: 1900 to 2000 at Noon – April, 1994 by Neil F. Michelsen



In addition to planetary positions for every day, it includes a wealth of data including solar and lunar eclipses, an aspectarian of Jupiter through Pluto, Chiron, Synetic Vernal Point, Moon phases and more.

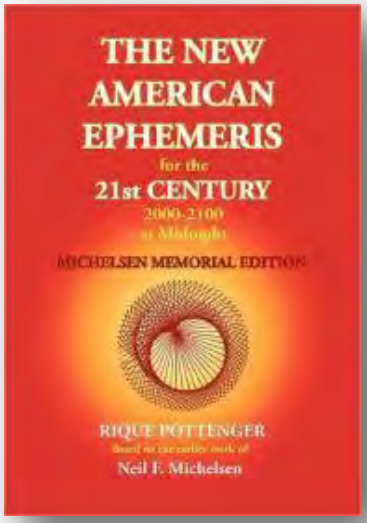
The New American Ephemeris for the 20th Century, 1900-2000 at Midnight – March 7, 2008 by Rique Pottenger, **Neil F. Michelsen**



Neil F. Michelsen's The American Ephemeris for the 20th Century, 1900-2000 at Midnight

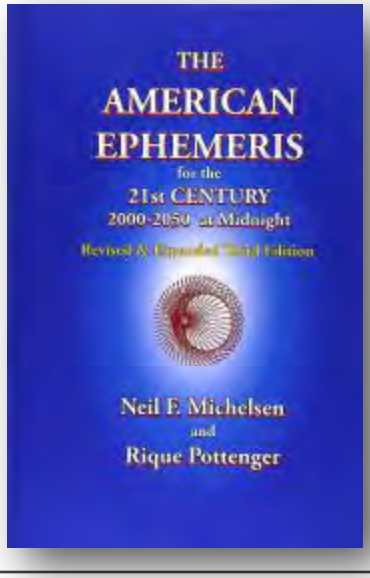
has been substantially revised, updated and expanded by Rique Pottenger as The New American Ephemeris for the 20th Century, 1900-2000 at Midnight, Michelsen Memorial Edition, which has improvements and refinements that permit more accurate station times, a more accurate position for the Galactic Center and more. Ceres is added to daily longitude listings, Sun through Pluto, and monthly positions are provided for Eris, Chiron, Pallas, Juno and Vesta.

The New American Ephemeris for the 21st Century, 2000-2100 at Midnight – November 13, 2006 by Rique Pottenger, based on the earlier work of Neil F. Michelsen, Maria Kay Simms (Editor, Illustrator)



Features of this entire 21st century edition include improvements in the computer generating program that enable finding double ingresses in a single day plus more accurate station times. Ceres, the asteroid that was elevated to planetary status by the IAU (International Astronomical Union) in 2006, has been added to the daily longitude listings in her position between Mars and Jupiter. The new planet Eris, whose discovery precipitated the IAU decisions of 2006, moves, at most, about 3 minutes per month, so her position is listed once per month in the Astro Data box, along with monthly positions for Chiron, Pallas, Juno and Vesta. A new formula increases the accuracy of monthly positions of the Galactic Center. Phenomena listed in the Astro Data column are sorted by time as well as by date. Also, the planetary ingress data includes R if the planet is retrograde when it ingresses.

The American Ephemeris for the 21st Century, 2000-2050 at Midnight – January 15, 2010 by Neil F. Michelsen, Rique Pottenger



The tradition continues with this Revised & Expanded Third Edition of The American Ephemeris for the 21st Century, 2000-2050 at Midnight. Revisions and additions are programmed by Rique Pottenger, who became head programmer for ACS Publications after Michelsen's passing. Additions and improvements include new Jet Propulsion Laboratory data and programming refinements that enable finding double ingresses in a single day plus more accurate station times. A new formula increases the accuracy of the Galactic Center. Phenomena in the Astro Data section are now sorted by time as well as by date, and R appears with Planetary Ingress Data if a planet is retrograde when it ingresses. The most notably obvious additions include the dwarf planet Ceres in daily longitude listings between Mars and Jupiter, and monthly positions are given for Eris, Chiron, Pallas, Juno and Vesta.

Is there any importance of the 6 fold table in KP?

Mostly, all KP Astrologers use the 4-fold table, but in my experience, it is very useful to use the 6-fold table. During my entry in to KP, I only read books authored by Chandrakant Bhatt that were published in the Gujarati language. He used the 4-fold table in his examples. But when I saw his explanation about dasa joint period or cuspal sub lord, he used the 'Planet A is in the star of B and sub of C formula'. It is nothing but the 6-fold table. If we want to use the 4-fold table, we have to use the formula 'A is in the star of B'.

During discussion about then 4-fold or 6-fold table, most advocate the use of the 4-fold table, but I teach the 6-fold table to all my students. Only one person has drawn attention of KP followers to the 6-fold table, and he is Mr. Dhanabalan Rangasamy.

Why do I advocate the use of the 6-fold table? I have checked all the readers and other literature in KP, and have tried to check what is actually being used in KP literature.

In KPEzine, September 2015 issue, under QA section, Shri Tin Win ji replied as under:

Question: Six Fold Signification
Don't you think your below statement is nothing but six fold signification?

The bottom line is *"In order to get the better prediction results all the houses signified by the planet level, star level and sub level are to be jointly considered, keeping in mind t*he double role of sub as a decider as well as an event indicator".

Answer:
According to the KP fundamental rule: "The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not.", when the required house(s) for a matter under study, e.g. house 2,7,11 for marriage, are indicated by the planet or/and its star, the indication of its sub is to be considered as favorable decider if it is 2,7,11, or unfavorable decider if it is 1,6,10, in selection of fruitful significators. If the required house(s), 2,7,11, are not indicated by the planet and its star, the indication of required house(s), 2,7,11, by sub is to be taken as an event indicator.

In the six-fold signification, as sub is taken as the outright significator it cannot play the role of decider as mentioned in the KP fundamental rule, and consequently sub cannot be used as a tool in selection of fruitful significators without using the ruling planets. So the six-fold signification is excluded in the six KP readers of 1970-71 although it appears in a few places of "Krishnamurti Padhdhati Vol. 2" of Sagar Publications in 1966.

Now if "In the six-fold signification, as sub is taken as the outright significator it cannot play the role of decider as mentioned in the KP fundamental rule, and consequently sub cannot be used as a tool in selection of fruitful significators without using the ruling planets"

If this statement is right, then how do we get an answer in example mentioned below taken from KP literature.

Readers1 and 2 do not contain any examples.

The chart on this page was used to discuss Job related issues.
4 fold table is as under:

Cusp	Planet in the star of Occupant (A)	Occupant (B)	Planet in the star of Owner (C)	Owner (D)
2	—	—	—	Sun
6	Saturn-Ketu	Sun, Mercury	Jupiter	Saturn
10	—	Rahu	Mars	Venus

Total significators are Sun, Saturn, Ketu, Mercury, Jupiter, Rahu, Mars, Venus.
Getting first job during Sun-Saturn-Moon in January 1952.
Moon is not among the significators. If we use the 4-fold table, how do we justify a Job during Moon Antra?

Let us check the 6-fold table.

Cusp	Planet in the sub of Occupant (A)	Planet in the star of Occupant (B)	Occupant (C)	Planet in the sub of Owner (D)	Planet in the star of Owner (E)	Owner (F)

6	Moon	Saturn-Ketu	Sun, Mercury	Sun	Jupiter	Saturn
10	—	—	Rahu	Mars, Jupiter	Mars	Venus

Total significators are Sun, Moon, Saturn, Ketu, Mercury, Jupiter, Rahu, Mars, Venus.
By using then 6-fold significators, we can justify how Moon antra work.

Note from Kanak Bosmia: if we believe "The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not" then, as a star lord, Moon does not indicate houses 2-6-10 at all. It is only at the sub level (Moon is in the sub of Sun) that it indicates house 6.

Total significators are Sun, Moon, Mars, Jupiter, Saturn, Venus, Ketu, Rahu, Mercury.
By using the 6 fold significators, we can justify how Saturn dasa-Sookshma worked.

Note from Kanak Bosmia: if we believe "The planet is the source, constellation indicates nature of the result and the sub is a deciding factor whether the matter is favorable or not" then, as a star lord, Saturn does not indicate houses 3-9-12 at all. Neymar: Most Expensive Footballer in Transfer History

By: Tin Win

Email: tw853@yahoo.com

Short Background

On August 3, 2017 French team Paris Saint-Germain bought 25-year-old Brazilian football player Neymar from Spanish team Barcelona for a US$263 million fee that doesn't even include his contract, which will run in excess of $36 million annually for five years. Neymar has broken records in his transfer to Paris Saint Germain, making him the most expensive footballer in transfer history. This is not only for a record amount of money but also for prestige.

Neymar already has one Champions League and two Liga titles and three Copa Del Reys in his record list and has made 105 goals to date. The Brazilian footballer's entry into the French club broke several records and helped Neymar enter the list of richest footballers and Neymar is currently tagged as the most expensive football player. Neymar debuted in professional football when he was just 17 and eight years later, has turned into one of the richest footballers in history. Known for his dribbling, finishing, and ability with both feet as a forward, Neymar has earned comparisons to former Brazil and Santos forward Pele.

Planetary Patterns to Become a Great Footballer

Venus-Mars Combination and Love Life
In Neymar's horoscope a saying of Venus-Mars combination making a native to be indulging in other women (Brihat Jatak, Phala Deepika etc) appears working as this combination is also enforced by aspect of 5th (love affairs, sex for fun) lord Jupiter (planet for growth).

However above saying is not valid in general as Venus-Mars combination is found in the horoscopes of religious leaders like Sri Krishna, Lord Gautama Buddha, Sri Osho Rajneesh, great astrologers like K.S. Krishnamurti, B V Raman, KN Rao, Alan Leo, Charles EO Carter, Robert Hand, famous leaders like Augusstus Caesar, Chengiz Khan, Emperor Nero, Adolf Hitler, Mahatma Gandhi, Dr. Abdul Kalam, Dr. Mammohan Singh, Daw Aung San Suu Kyi, and notable horoscopes like Amitabh Bachchan, Vinayak Damodar Savarkar, The Nazam of Hyderabad..

Neymar is currently single. He may be young but he attracts a whole lot of women during currently running Dasa of 5th lord Jupiter which is in the star of 7th lord Venus and in sub of Rahu representing Venus, Mars and Jupiter. Marriage is promised for him and Jupiter Dasa is capable of giving marriage but may be delayed due to Punarphoo formed by Saturn being in the star of Moon.

Neymar has been in relationships with Caroline Caputo (2017), Jhenny Andrade (2015), Elizabeth Martinez (2015), Bruna Marquezine (2013 - 2017) and Daniela Carvalho (2011).

Neymar has had encounters with Thaila Ayala (2015), Soraja Vucelic (2014), Gabriella Lenzi (2014), Laryssa Oliveira (2013), Patrícia Jordane (2013), Maíra Cardi (2012), Carol Abranches (2011), Andressa Suita (2011), Nicole Bahls (2011), Barbara Evans (2011) and Carolina Nogueira Dantas (2010).

Neymar's Son

It's not uncommon for athletes and famous people to have a few kids here and there and at the 'tender' age of 19, on August 24, 2011 (Ju-Ju-Ra-Ve DBAS), Neymar became the proud father to a son, Davi Luca, with former girlfriend Carolina Nogueira Dantas (2010). Despite it all, he takes a lot of pride in his son and never hesitates to let us see it.

Dasa and Bhukti lord Jupiter is in house 10, lord of houses 2,5, in the star of Venus in house 2 , lord of houses 7,12, and in sub of Rahu on 2nd cusp, conjoined with Mars in house 2, lord of houses 1, 6 and Venus in house 2 , lord of houses 7,12, and sign lord Jupiter in house 10, lord of houses 2,5, signifying child getting houses 2,5.

Ruling Planets at the time of judgment are Venus, Jupiter, Mars, Mercury and Saturn.

1) The ruling planets at birth Venus, Mars and Mercury are tallied with the ruling planets at the time of judgment.
2) Ascendant at birth is Scorpio (18-30-45):-Mars/Mercury/Mercury/Saturn as Sign/Star/Sub/Sub-Sub lord. All these agree with the ruling planets at the time of judgment. Hence, it is proved that the corrected birth time (01-26-24 AM) is 100% correct.

When Sun (Atmakaraka) or Jupiter (Putrakaraka) or Venus (Kamakaraka) appear as the 9th cusp star lord or sub lord, then the erected birth chart is a correct one.
In this natal chart, Jupiter and Venus appear as the 9th cuspal star and sub lords respectively. So, it is once again proved that the birth time as corrected is indeed 100% correct.

It is learnt through Wikipedia, that this native had *no progeny at all*. Let us check it through our K.P. astrology.

NO PROGENY-WHY? :- In the natal chart of this native, 11th CSL Sun+ (3-10) is in the star and sub of Rahu (3). Sun has no planets in his stars and also holds the cuspal sub lordship of the 11th cusp. So, Sun became a self-strong significator for the 11th cusp. 2-5-11 are the required houses for progeny. As per the signification of the 11th cusp, this native must have progeny. But he had no progeny. It should be justified. How?
Sun, being the 11th CSL, is in the star and sub of Rahu. Firstly, Rahu is not conjoined with any planets. Secondly, he is not aspected by any planet. Thirdly, he is in the star of Moon who is the lord of 9th (badhaka). The 11th CSL, Sun, through Rahu, is connected to the bhadhakasthana lord, Moon. So, it is confirmed that there is no progeny for this native.
Through Wikipedia it is learnt that he *died by Cardiac arrest* on 10-12-2013:-during the conjoint period of Saturn/Mercury/Venus/Moon as D/B/A/S respectively.

Tallying of Death with the D/B/A/S :- Dasanatha Saturn is the cuspal sub lord of the 12th cusp. His aspects are on the 2nd (Marakasthana), 6th (disease)-Moon (Badhakalord) and 9th (Badhakasthana). Thus, Saturn, the dasanatha is well connected with maraka-badhakasthanas and their lords.
Bhukthinatha, Mercury, is the cuspal sub lord of the 7th (Maraka) and 9th (Badhaka). Besides that, he is in the star of Jupiter who is the lord of the 2nd (maraka).
Anthranatha, Venus, signifies the 12th (Mokshasthana) and 7th (maraka).
Sookshmanatha, Moon, is the occupant of the 6th (disease), 7th (Maraka), 12th (moksha) and 9th (badhaka).

Thus, as explained above, all the D/B/A/S are well signifying Maraka, Badhaka and Mokshasthanas. His date of death is also tallied well.

One of my Grand Daughters met with a Rail Road Accident on the 24th July 2017, just after publishing my article written on Automobile Accident in the July issue of KPEZine. Although I am not so with happy mood and buoyancy to write this article, it is a must for me to discuss this matter as a mark of honor to my KP Guru Dev and for the wellbeing of the new comers as well as followers to have a good experimental understanding on the subject.

On the 24th, my grand daughter was rushing to her class teacher's funeral, together with her classmates. The funeral house was at the side of the rail road and far away from the bus route and the easiest way to reach the place is crossing the rail road by walking on the track side for about 2km. While the group of students were walking down, a train was passing the group and this daughter had not enough time to step into the slope and knocked with the train and was thrown away to the near by paddy field by damaging her head, left leg and buttock. Fortunately she had been taken to the hospital within one hour and sudden surgery has been done.

Birth Detail
Name: Nikini, Female, Date: Sunday, 27/Aug/2000, Time: 06:15:17 PM.(DST +30 Mnts) SID: 15:59:50, Place: Wathupitiwela Hospital, Western Province, Sri Lanka, Lat: 07:07:00 N, Lon: 80:06:00 E, Ayanamsa: 23°46' 33", Lagna: Aquarius, Star: Pushyami Pada 4, Bal. Dasa: Saturn 03 Y, 05 M, 22 D.

Indications of Accident

- Her Lagna lord Saturn is the lord of 12(confinement on bed or hospitalization) and in the star of Sun being the owner of 7 in 7 (Maraka) and in the sub of Mercury lord of 5 (Good Health/Life saving) & 8 (Serious illness, Accident, Suicide, Danger to life)in 7 (Maraka). Also Saturn aspects 6th cusp. Thus Lagna lord is an indicator of Accidents.

- Lagna Sub Kethu in 11 (Recovery/Good Health) is in the star of above said Sun and in the sub of Mars+. Star lord Sun being the lord of 7 is in 7 (Maraka). Sub Lord Mars+ being the lord of 3 (short journey) & 10 and sub of 11 (Recovery/Good Health), with no planets in its stars, in 6 (Diseases/Injuries), Mars+ is in the star of Mercury lord of 8 (Accidents) and 5 (Good Health) in 7 (Maraka). The sub lord of Mars+ is Moon the lord of 6 in 6. Kethu is aspected by none and represents its sign lord Jupiter the lord of 2 & 11 in 4. Jupiter aspects 8 (Serious illness, Accident, Suicide, Danger to life) and 12 (confinement on bed or hospitalization). Thus Lagna sub lord is an indicator of Accidents as well as life saving significator.

  The significators of Ascendants are Sun, Moon, Mars+, Mercury and Saturn.
  Sun is in the sub of Saturn, a significator of 8.
  Moon is in the sub of Rahu+, a significator of 8.
  Mars is in the sub of Moon, a significator of 8.
  Saturn is in the sub of Moon, a significator of 8.
  Thus all the Lagna Bhawa significators are connected with 8, the house of accident and the native is prone to meet accidents. (KP Reader V, p 144/ 1971 edition p 138)

- The 3rd house for short travels is under the rule of Mars, Kethu and Jupiter as Sign, Star and Sub lord respectively. Sign lord Mars+ is a significator for 6, and 8 indicating accidents. (Outer planet *Uranus*, in the star of Mars is connected with Rahu, a significator of 8 and Badhaka house 9). Star lord Kethu is a significator for 7 (Maraka) and 11 (Recovery) as discussed above. Jupiter lord of 2 (Maraka) and 11 (Rcovery) is deposited in the 4th, in a star owned by Moon, the lord of 6 diseases. Jupiter is in the sub of Saturn lord of Lagna and 12 (Hospitalization) in 4.

Thus all the co-rulers of the house of short journey are afflicted and prone to accidents while in walking or short travel. Sub lord Jupiter have no hesitation to take this native to hospital with severe wounds while saving her life with 11th cusp.

- 8th, the house of Longevity is occupied by none. Its star is Sun. Venus, Saturn and Kethu are in the constellation of Sun. Also Saturn is in the sub of Mercury the lord and sub lord of 8th cusp. Hence Sun, Venus and Saturn are threatening planets to the life of the native.
  The 8th cuspal sub lord Mercury is the lord of 8th and in the star of Venus the lord of 4 and 9 (Badhaka), in 7th cusp, but in the closer orb of 8th.

- The 6th(Diseases) Sub Lord Rahu+, with no planets in its star is tenanted in the 5th (Recovery), in the star of Jupiter the lord of 11 (Free of diseases/Recovery) and 2 (Maraka) in 4(Terminal) and in the sub of Venus the lord of 9 (Badhaka) and 4. Venus is in the star of above said Sun, a strong significator of maraka and in the sub of above said Jupiter.
  Rahu is representative for its sign lord Mercury, the lord of 5 (Recovery) and 8 (Accident) in 7 Maraka house. Mercury plays the role of star lord for Mars (8- Accident)and sub lord for Saturn (12-Hospitalization).
  If 6th sub lord is connected with Mars, disease is acute, sudden and painful and cause operations (Horoscope and diseases by Sri C.R.Bhatt)

Accordingly, this native is susceptible to meet with an accident, hospitalization and surgery by satisfying most of the KP rules as discussed above.

Since this is a Railroad Accident, met while walking a short distance, the 3rd house (short journey) significators should complete the rule. No planets occupied in the 3rd cusp and the lord of which is Mars+, also the lord of 10 in 6. Mars+ is in the star of Mercury lord of 5 and 8 in 7. It is in the sub of Moon lord of 6, in the star of Saturn lord of 1, 12 in 3 and in the sub of Rahu in 5 representing Mercury for 8.

What's the KP rule say: - *If the significator of 3rd house for short journey and the significator of 9th house for a long journey happen to be the significator of houses 6 and 8 one will meet with an accident. The injury will need hospitalization if it is also the significator of 12th house. Danger and death are denoted by the sub lord of the cusp of the 8th house. (KP Reader III, pp 171, 422)*

Now we have to pin point the astrological reason for accident by rail (Train). At the time of the accident, the native was not a passenger of the train, but she was walking by the side of the rail track as a pedestrian. The house concern is 3rd. In the natural zodiac, third house Gemini is under the rule of Mercury. The natal Mercury is the lord and sub lord of the 8th cusp, the house of accident and 5th for life saving. Third house is occupied by none and the lord of which Mars is in the 6th Cancer sign that is the debilitated house for Mars. The outer planet *Uranus* is in the constellation of Mars and tenanted in the 12th. Uranus is in the sub of Rahu in 5 (Life Saving) and Rahu represents 8th cusp (accidents) by way of its sign lord Mercury.

Uranus is the ruler of all Rail matters and denotes strange and unexpected injuries and accidents. In addition Mercury, lord of Gemini and 3rd house rules the railway matters. (The Rulership by Rex E. Bills)
Uranus is said to especially rule Railroads. (Encyclopedia of Medical Astrology)
According to the rules of Medical Astrology, the Moon plays a vital role for Accidents, Injury, Misfortune on short journeys, Rail Roads, Vehicle and Inland travels, if Moon in the 3rd house at birth conjoined or evil aspects by any of the malefic planets and especially Uranus. (Encyclopedia of Medical Astrology by Dr. H.L. Cornell M.D; D.A.)

Here in this birth map Moon is not in the 3rd house, but it is aspected by Moon and Moon is opposite to Uranus, which is similar to the rule above.

As per Medical Astrology, the causative planets for Automobile Accidents are Uranus or Mars in the third house.

Mars the Lord of the 3rd cusp of the natal chart is in the constellation of Mercury that is the lord of Gemini, the 3rd sign of the natural zodiac. Here Mercury is an indicator of accident by owning the 8th lordship as well as its sub lordship.

DBAS analyzing

On the day of accident this native was under the DBAS of Mercury, Jupiter, Venus and Saturn.

Mercury

In the natal chart, Mercury, the lord of Recovery/Life Saving (5) and Accident (8), located in the 7th (Maraka) was transiting in the same 7th house, in conjunction with Rahu in a star of Kethu that was transiting over the Lagna cusp. At the time of the accident Mercury was travelling over the Sub of Moon in natal 6, that is similar to the natal position of Moon. Also Mercury was aspected by Saturn the Lagna lord who was a significator for 1,12,4, 7.

Jupiter

Bukthi lord Jupiter, lord of 2 and 11 of natal chart was transiting in the 8th (accident) with no planets in its stars, over the star of above said Moon and in the sub of Venus the natal badhakasthanadhipathi. Jupiter was aspecting by natal Badhaka Venus (7-7-7-4,9) from 4th and Lagna lord Saturn (7-4-7-1,12)

Venus

Anthar Lord Venus, the natal badhakapathi was transiting over the star Mars in 6th, by indicating the similarity of the natal chart. Also this Mars was in conjunction with Sun the lord of 7 (Maraka) at the time of accident. Sub of Venus at this time was above said Jupiter. Venus was under the aspect of Shookshama Lord Saturn and Venus was aspecting natal 8th and 12th.

Saturn

Shooksma lord Saturn being the natal significator for 7-4-7-1,12 was transiting in its owned sub area posited in the sign of Mars, Scorpio in a star of Dasa Lord Mercury in 7, the lord of 8. Venus was aspected by natal Natal badhakapathi Venus.

Moon

Luminary Moon was transiting in its owned sign Cancer in natal 6th over the star and sub of Dasa Lord Mercury by making a detrimental combination of 6 and 8. Saturn was opposite to Anthar lord Venus that is the natal badhaka lord.

Sun

Being the natal 7 Maraka lord, Sun is transiting in the sign of Cancer, where the natal 6 (Injuries) is and over the star of Shooksma lord Saturn that is the natal lagna and 12th lord.

Uranus - Ruler of Railroad matters

As mentioned above the karaka planet for automobile accidents, Uranus was transiting over the natal 3rd cusp, Aries sign owned by Mars the karaka planet for any type of accident. At the time of accident, Uranus was transiting over the star of Kethu and sub of Moon. In the natal chart star Kethu was in lagna cusp representing Saturn and signifying 6, 8, 12.

"Automobile death or Injury - Uranus or Mars in the third house and afflicting the Sun, Moon, Ascendant or Hyleg, and especially if Uranus is here. However any malefic in this house may cause accidents in vehicles of any kind as carriages in automobiles or on railroads." (Encyclopedia of Medical Astrology by Dr. H.L. Cornell M.D; D.A.)

Furthermore let's see the individual significations of nine planets as below to understand the vehemence of planets by associating detrimental houses to give karmic influence to this little girl.

Sun - 6, 7, 12 (8) Moon - 6,7,8 Mars - 3,6,12(9)

Mercury - 7, 8(6) Jupiter - 6, 8 (9) Venus - 6, 9 (8)
Saturn - 7,8,12 Rahu - 7 (6,12 Sun) (8 Mercury) (8,12,Saturn)
Kethu - 6 (12 Mars) (7, 8 Mercury) (7,8,12 Saturn)

However some natal planets branded as evil makers have indicated enough merits to save the life of this little girl by signifying life saving cusps 1, 5 & 11 for cure.

For cure Sri C.V.Bhatt says in his Horoscopes and diseases, "*If the sub lord of the 6th or 8th or 12th or 11th cusp be the significator of 1, 5 or 11 disease is cured or the native is saved from any danger or otherwise, during the joint period of the significators of 1, 5 and 11.*"
In the birth map 6th sub lord Rahu is in 5th. The 8th Sub lord Mercury is a sigificator for 1 by way of its sub Sun. 12th sub Jupiter is a significator 1 & 11, while 11th sub Mars signifying 1 by way of its sub Moon and by its own aspect and by aspecting of Lagna Lord Saturn.

Current Dasa Lord Mercury and Bukthi lord Jupiter till 13 June 2018, are amongst the significators of 1, 5 and 11 and we hope this grand daughter will be back to good health during this period.
I kindly request you all to pray for my grand daughter's early recovery!
My gracious Namaskar to my KP Guru Sri Tin Win ji,
and Sri S K Krishnamurti Guruji

Unnatural, sudden, violent and mysterious death of late Y.S. Rajasekhar

In the field of astrology, the natal chart plays a wonderful and pivotal role in divulging wonderful secrets of the native and his life. And I feel eighth in combination with houses 6 and 12, lagna, badhaka and maraka houses, give crucial clues regarding the nature of one's death.

I feel writing about the 8th house is not an easy task and I say, I am venturing to write on such a stupendous topic of a most controversial nature, as it deals with many primary instincts and urges of the native such as sex, other people's money, sudden gains, inheritances, taxes, debts, loss, accidents and, finally, death. I feel it is a house pregnant with many secrets.

With this background on the 8th house, I would like to present a natal chart of late Sri YSR Reddy whose birth details are furnished here under— (the chart is attached)-
Name- YSR Reddy. DOB-8-july1949/ Time of birth- 10-00-03 P.M @ Pulivendla, A.P.

Traditional astrology says Saturn is the ruler of this house. Saturn in his home territory can act as a karmic cop. If we've been evading our responsibilities—material or metaphysical, he will bust us. "Saturn in the 8th house is the executor. What is hidden will be flushed to the surface—even if that is your own lost self."

The 8th is the house of death. It might seem paradoxical that in this house we can renew our life, yet there is a connection. According to the Buddhists, nothing gets our spiritual priorities straighter than death. Acknowledging death can be a powerful means for moving us into present time. Almost universally, those who've suffered near-death experiences report that it blessed them with a keener sense of life. This can be better understood if one reads a famous book called "Many Masters and Many Lives" by Brian L.Weiss- a great Psychiatrist.

Most of the traditional astrologers disagree on death's importance to this house. As the spokesman for the traditional view, John Frawley argues otherwise: "In any astrology that purports to say anything of concrete and verifiable accuracy, the eighth is the house of death. This is not death in any poetic or metaphorical sense, as some modern authorities claim. This is death in the very real sense of someone no longer being alive."

Frawley suggests that modern astrologers are fastidious about giving their clients anything but happy news. To locate the time of death, Frawley suggests looking carefully at the 8th house cusp and ruler, also the condition of the 8th in the solar and lunar returns. It's true that most modern astrologers haven't developed this technique. Rarely does "Timing of Death" appear on conference schedules.

This can be disagreed to some extent by KP followers if one reads the second reader of Sri Late K.S. Krishnamurthi, an astrology wizard of the 20th century, wherein he says-(see Pages 298-302) (quote)"when eighth house is occupied by the lord of lagna or the planet in the 8th happens to be posited in the constellation of the lagna lord, or the lord of the 8th is in conjunction with the lord of lagna, the indication is that the native himself will be the cause of his own death...." And continues to say" if the 3rd house alone is connected, the death may happen during travel in a nearby locality. If the 12th house is connected, death may take place in an unknown place. If connected to the 9th house in any manner, it is likely that the native may die in a far-off place or while going on a long journey".

He further adds that if Uranus is connected with the 8th house in any manner, it may indicate strange and sudden death, death caused by a sudden explosion. Neptune indicates a mysterious death, death after being in a state of coma or unconsciousness, or due to an over dosage of drugs or allergy etc. If it is connected with a watery sign, it may be by drowning, if with an airy house it may be due to an air crash. If Mars is connected with the 8th and fiery sign at birth and is the significator

Death in Mysterious circumstances by copter crash
Analysis of the natal chart--
Ascendant cusp—
THE Asc. Cusp sub lord is Ketu who is a mysterious planet. Ketu itself is a mysterious planet and is conjoined with Neptune. It is placed in the 8th cusp (Virgo sign-6th in the natural zodiac).

Ketu is in the star of Mars, lord of 3rd , -short travel, and 10th – karma sthana, placed in the 4th cusp--terminal house. It is in Saturn sub lord of houses 1-native and 2-marakasthana placed in the 6th cusp – serious injury (in Leo sign).

Ketu represents Mercury, lord of houses 5 and 8 placed in Gemini- an airy sign- as Lord of the 8th indicating accidental death.

Thus, Ketu signifies houses 1,4,8,10 at its star lord level and houses 1 and 6 at its sub lord level which confirms that the native is destined to have an accidental death and that, too, by air crash. It will also be mysterious in nature.

Apart from these indications, the Asc sub lord indicates that the native has only medium longevity (within the age group of 60-70 years).

EIGHT HOUSE—(virgo-21:03:32)--
At the time death, it was Ketu bhukthi in Rahu dasa-from 29/01/2004 to 30/3/2014 was running. Ketu is placed in the 8th house in Mars star – Mars is the lord of houses 4 and 10- terminal house and experiencing the past karma. Ketu is in Saturn sub --lord of houses 1 and 12 placed in the 6th cusp - 7th house—serious injury and maraka house. This Saturn is again in Ketu star connected to houses 1 and 8,7 houses.

Asc sub lord Ketu signifies houses 1 & 4 as sub lord, 1- native, 4- terminal house, 8-accidents, end of life, seriousness for life, and mysterious in nature also, and 10- karma sthana – at its star level. And at its sub-level, it signifies houses 1,6 and 12.
The star of Ketu is MARS which aspects Saturn lagna Lord and 12th Lord- which is placed in the 4th house.

The 8th cusp sub lord, Venus +, signifies (as badhaka lord _9th for Kumbha lagna) in the 6th and strongly signifies the 6th- serious injury by accident, Houses 1- native, 4- terminal house, 9th – badhaka sthana – physical suffering and 12- end of life at its tar level and house 2 at its sub lord level- maraka sthana.
This signification clearly indicates that this native died by serious and mysterious accident only. This Venus is the lord of Libra, 9TH HOUSE– an airy house indicates air crash—by copter.

Jupiter as maraka sthana lord (2nd) aspects the 6th cusp and 8th cusp also added strength to the most serious and injurious death.

8th cusp falls in VIRGO (21;03;32)--Mercury sign—Moon star-venus sub.
The sign lord Mercury is the lord of airy sign and earthy sign, so it indicated air crash and fall of it on land.

Star Lord Moon, lord of the 6th, gave a grave and serious injury by accident.
The sub lord Venus +, lord of houses 4 and 9—terminal and badhaka Lord in the 6th gave an ugly accident and grave injury.

Jupiter aspects the 8th house as maraka Lord in the 6th causing death by physical injury.

12th cusp falls in CAPRICORN(13-15-50)—
12 cusp sub lord, Rahu, is placed in the 2nd-marakasthana. Rahu itself is a first class malefic influencing death. Rahu is in Mercury, the star lord of houses 5 and 8 –indicating the exit of life by accidental ways, placed in the 4th-terminal house. This Mercury is conjoined with Uranus- indicating sudden, explosive, spasmodic and unexpected ways of exit of life. The connection of the 5th house with Uranus in combination with Mercury (lord of the 8th and 4th)–lord of Gemini- an airy sign indicates the nature of air crash, explosion and ghastly death of the native.

Was he destined to die on 02.09.1990?
The answer is yes.
"As per the golden rule formulated by Acharya Dr SS. Chatterjee (famous astrologer from Delhi)-
The rule is --- By adding longitudes of Lagna, Moon, Jupiter, Sun, We get the death point at some longitude. Saturn will be in transit at or in close proximity to this death point, or by aspecting the death point. There is a golden rule in astrology says, Dr SS. Chatterjee. This aphorism is 90% true to the Knowledge of the author".

The death of Dr YSR REDDY occurred on 03/9/2009 at 09-12-00 (approximately as given in the news papers) and as per the chart erected for said date and time (chart is attached) and when worked out as per the above rule of death of Dr SS Chaterjee—it comes to—
Lagna-181-09-57 + SUN-135-55-16 + MOON-287-58-00 +JUP-295-51-17/
=900-54-30 LONGITUDE. When converted it comes to 00-54-30 in Libra sign and Lagna sign also (Airy sign).

As on that day, Saturn was transiting in Leo sign on 29-16-40 aspecting the death point by its 3rd aspect gave him air crash death.

the lagna rising at the time of death was- Libra- an airy sign-at 01-09-57 with VENUS- MARS-MERCURY AS CO –RULERS.

VENUS, the lagna lord and 8th lord, is placed in the 10th cusp –experiencing the past karma is conjoined with Ketu. Venus as lagna Lord and 8th Lord got afflicted by Ketu conjunction. For Libra lagna, since Venus, the lord itself is also the 8th lord, this native will have to experience problems which will be self-made only. It appears that (as per the news media) in spite of the suggestions made by his secretariat for avoiding the aerial view of the affected area, Mr Chief Minister insisted for the aerial survey on that day. Libra lagna as an airy sign indicates air crash.

-The star lord Mars, Lord of houses 2 and 7 –marakasthanas, is placed in Gemini sign – another airy sign-indicating the maraka by air crash. Mars is aspecting the 12th house- house of the last journey, by its 4th aspect, also confirms the death.
-The sub lord, Mercury, is the lord of houses 9 (airy sign) and 12 (earthy sign) placed in the 12th, confirms the fall of the helicopter on earth by air crash affected by fire (Mars).

-4th house- one of the terminal houses, played an important role in the incident of air crash death. Jupiter, lord of the 6th-indicates serious injuries, is placed in the 4th house (conveyance). This Jupi-

ter is placed in Capricorn in debilitation and in retrograde motion is aspected by Mars lord of houses 2 &7, added strength to the incident of the air crash. It is also conjoined with Rahu another first class malefic in the 4th House has completely spoiled the house.

In fact, there is a Rahu – Ketu axis of houses 4 and 10 with Rahu, Jupiter and Venus aspecting one another, is a nastiest combination in the chart causing all the calamity.
The badhakasthana Lord (11th lord –Sun) is also afflicted by Saturn lord of the 4th. Both are placed in the 11th house in the chart.

What a paradoxical placement of all planets and stars – all in the combination of other planets pounced upon the native-like "Shakespear's Brutus on Julius Ceaser" in extinguishing Dr YSR Rajasekhar Reddy in an air crash.

But for the lucid and precise rules of K.P. propounded by Sri K S K and his famous K.P. system, this detailed astrological analysis on unnatural death of an ex-Chief Minister of A.P would not have been possible. I express my regards to such an august personality. My sincere thanks to Sri Kanak Ji.

Marriage promised but not materialised

Attached KP birth chart of a native was analyzed to find out whether the native is destined to get married and if so when he is getting married.

As per KP, for marriage:
Consider the houses 2, 7 and 11. Venus is the chief governor of marriage and the 7th CSL is the guide.
We need to analyse the 7th bhava first. The sub lord of 7th cusp plays an important role. This Sub lord planet will indicate whether the native is destined to get married. If the 7th CSL is significator/ connected with either bhavas 2 or 7 or 11, marriage is promised. If the 7th CSL is significator/ connected with either bhavas 1 or 6 or 10, without connection with either the 2nd or 7th or 11th, then marriage is denied. (No marriage). If marriage is promised, the event will take place during the joint dasa period of the significators of houses 2, 7 and 11.

DETAILS OF NATIVE:
DOB : 11-08-1973 (MALE)
TOB : 11-18 AM
POB : LATITUDE: 16-05N, LONGITUDE: 80-10E

ANALYSIS:
The 7th CSL, Mercury, is lord of bhavas 9 and 12, and is in the 9th bhava. Mercury is in the star of Saturn and in the sub of Mercury (own sub). Saturn is lord of bhavas 4 and 5 and is in the 9th bhava. So, the 7th CSL does not signify any of the relevant bhavas 2,7,11 for promise of marriage.

As a last resort, let us go to the very weak grade-E significators by conjunction/aspect of Mercury and Saturn. Mercury is widely conjoined with Sun, lord of the 11th bhava, placed in the 10th bhava, and aspected by Mars, lord of bhavas 2,7, posited in the 6th bhava. Saturn is aspected by Moon, lord of the 10th, placed in the 3rd. Thus, the 7th CSL Mercury is weakly connected with marriage bhavas 2,7,11, along with negative houses 6, 10. So, marriage is supposed to be promised with difficulties
Moon and Saturn are in mutual aspect, and Moon is in the sub of Saturn. So, Punarphoo dosha is clearly formed in this horoscope. This will cause delay in marriage for the native.

TIME OF MARRIAGE:
Significators of houses 2, 7 and 11.
2nd house---------- only Mars.
7th house---------- only Mars.
11th house----------Moon, Venus and Sun
So, the significators are mo, ve , sun and ma.

Venus dasa, Sun dasa and Moon dasa have passed and that period was not suitable for marriage. Mars dasa was suitable for marriage. But Mars dasa also did not give marriage. Even though Mars, as dasa lord, signifies marriage houses 2 and 7, Mars' sub lord, Rahu, signifies negative houses 6,10, without signifying any one of the marriage houses 2,7,11. In addition, Mars' positional status in house 6 is fully strong as there is no planet in the stars of Mars, and Mars is not the CSL of any house. So, Mars did not give marriage in his dasa.

Next dasa is Rahu. But Rahu is not a significator of marriage houses 2,7,11. Marriage is not possible in Rahu dasa also. The native will be 47 years, by the time Rahu dasa completes.

The native is already 44 years and there is no marriage till date, even after exhaustive efforts.

In my opinion, the native cannot get married in the coming Jupiter dasa not signifying marriage houses, even though marriage is promised.
KSK/KP has made it very clear that promise of marriage is not a guarantee to get married unless DBA lords cooperate for the event, in this case, marriage.
THIS IS THE GREATNESS OF SHRI KSK AND HIS THEORY OF KP.
MY PRANAMAMS TO HIM.

Mr. Jagan, leader of the YSRC party, to become the next Chief Minister of A.P state?

By: Gunti Nagaraju KP astrologer (M.com CAIIB, Retired Bank officer)

Email: gunti.nagaraju@gmail.com

As an astrologer, I was curious to know on the pestering question looming in my mind for a long time and the present time chart analysis is the outcome of my curiosity.
The time chart is erected on 16 May 2017 @02-23-42 p.m at my residence Secundrabad and the same is attached.

Getting a good position in politics---(Kanak ji in KP Ezine of Nov 2010)
If the 10th sub lord (One's position in politics) signifies houses 10 (One's Reputation), 3 (One's ability), 11 (One's reputation as a winner), then in the DBA of the significators of houses 3, 10, 11, one can get a good position in politics.

B)For dethronement of a king / president/ prime minister /dictator-(KP E zine-April 2017)

KP.Rule--If the 10th CSL signifies houses 5, 8, 12, the king will be dethroned during the DBA of the significators of houses 5, 8, 12.
This rule applies to all political positions, including floor leaders in parliament /assembly etc.

As per the time chart—

A) The 10th cusp falls in Gemini at 02 -29-32 longitude with-MERC (SGL)-MARS (STL)-KETU(SBL)—the sub lord, Ketu, is placed in the 6th. It is in the star of Mars and sub of Sun. Mars is the lord of houses 3 & 8 and is placed in the 9th, and Sun, lord of the 12th is in the 8th cusp. Thus, the sub lord of the 10th cusp, Ketu, signifies houses 3,6,8,9 at its star level, and houses 8, & 12 at its sub lord level. As per the above significations, except for the 3rd house at the star level, all the other houses i.e. 6,8,9 at the star level, and 8 and 12 at its sub lord-decider level-clearly indicate that there are no chances for this native to become the next C.M of A.P.

B) As per the second rule B -----
he 10th CSL Ketu (6) is in the star of Mars (9-3,8), and in the sub of Sun (9-12). Kethu, the sub lord, signifies house 8 at the star level and houses 8 and 12 at the sub lord level. This indicates loss of existing position.
Star lord, Mars, aspects houses 12,3 & 4 with his 4th, 7th & 8th aspects. Ketu represents Saturn(4-5,6).

At the time of judgment, and at the time of the *next general elections (2019),* Sun Dasa(up to 2020), X Mercury Bhukthi (Dec2018 to Nov 2019) will be running. Sun (9-12) is in the star of Sun (9-12) and in the sub of Jupiter (1-4,7). And Mercury, Bhukthi lord, signifies house 8 at its star level (Kethu) and houses 8 and 12 at its sub lord (Rahu) level.

The 10th is karmasthana. The 9th is 12th from the 10th - Career dissolver; dissolution, disengagement, withdrawal and drain upon matters of the house which immediately succeeds it.

If the10th cusp sub lord signifies houses 5-8-12, one may be dethroned from the present position also.

All the above indicate that there is a chance of losing the present position for *the Opposition*

Ketu	13-Jan-2134

leader in the assembly with all ill-reputation.

The 10th CSL Ketu (6) is in the star of Mars (9-3,8) and in the sub of Sun (9-12). Star Lord, Mars, aspects houses 12,3 & 4 with his 4th, 7th & 8th aspects. Ketu represents Saturn (4-5,6). Thus, Houses 5-8-12 are indicated.

Sun/Mercury--from 31-12-2018 to 07-11-2019. Mercury - bhukthi lord of houses 1 and 10 is placed in the 8th, signifying house 8 at its star level and houses 8,9 and 12 at its sub-level, clearly indicating the shadows of the gloomy period for his existing position as opposition leader.

MARRIAGE CELEBRATED WITHOUT SIGNIFICATORS OF 2,7, 11 HS

I was checking for the past events- like marriage.
Marriage was celebrated on 12-11-2009, in the period of SA-RA-SA.
9th CSL Moon and Asc CSL Jupiter are connected , so, birth time is correct.
Sa and Ra are not the significators of either 2, 7 or 11 houses.
How this was happened?.
Now we may say that Sa and Ra are aspecting 2, 7 and 11 houses, for supporting the date of marriage.
But in a normal way before marriage, for predicting the marriage, we will follow only significators of 2, 7 and 11 only, where Sa and Ra are not significators.
In this situation, how are we going to justify the marriage on that date?

Answer 1:

Significators - Planets View

Planet	(A)	(B)	(C)	(D)
Su	6	7	4, 9	7
Mo+	9	9	2, 11	6
Ma	7	6	5, 8	3, 10
Me	7	7	7	5, 8
Ju	8	9	1, 12	2, 11
Ve	10	6		4, 9
Sa	4	8		1, 12
Ra	6	4	3, 10	
Ke	7	10	5, 8	
Fo	10	2		

Rahu acts as agent for: Ju, Ve.
Ketu acts as agent for: Ma, Ju.

(A) - Planets in Occupant's stars
(B) - Occupant of house
(C) - Planets in Owner's stars
(D) - House Owner

Planets having no planet in their stars
Dasa and Antra lord Saturn is in house 8, lord of houses 1,12, in the star and sub of Rahu in house 8, aspected by Jupiter in house 9, lord of houses 2,11, and sign lord Venus of Taurus where Rahu is located in house 6, lord of houses 4,9, signifying marriage houses 2,11 at star and sub levels by Jupiter.

Bhukti lord Rahu is in house 8, aspected by Jupiter in house 9, lord of houses 2,11, and sign lord Venus in house 6, lord of houses 4,9. Rahu is in the star of Mars in house 6, lord of houses 3,10, and in sub of Jupiter in house 9, lord of houses 2,11, signifying marriage houses 2,11 at the planet and sub levels by Jupiter.
So marriage during Sa-Ra-Sa is justified by signification of marriage houses 2,11 by Saturn and Rahu.

Question 2: Significator Table
I am going through the old magazines of ASTROLOGY AND ATHRISHTA from 1963 to 1972. All the magazines are edited by KSK only.
In this I have observed that, in some examples:

1. For any event to materialize only 3 planets are required for as DBA lords. In ABCD significators only first 3 significators are taken from A. If , 3 are not there, then taken from B, and so on.
2.

2. The sub lords of the planets in the required houses, is taken as fruitful significators, without considering ABCD significators.
Can we follow the same, without considering ABCD table significators.
I request for your valuable suggestion/opinion on this.

I'm Answer 2:
Order of Significators
The order of grade A to E significators is as follows:
A) Planets in the star of the occupant of house;
B) Occupant of house;
C) Planets in the star of house owner;
D) House owner;
E) Planets which are in conjunction with or *aspected by the above significators*.

In the above significator table in Question 1, marriage houses 2,7,11 are Mars, Mercury, Ketu in grade A column, Sun, Mercury in grade B column, Moon and Mercury in grade C column and Sun and Jupiter in grade D column.

So the significators for 2,7,11 houses are Sun, Moon, Mars, Mercury, Jupiter, Ketu and also Rahu through Jupiter.

If the ruling planets are used, the common planets among the above significators and ruling planets are the fruitful significators for marriage.

Without using the ruling planets, out of the above significators, the significators in the sub of 2,7,11 are the fruitful significators, i.e. the above significators except Moon.

Significators of Rahu/Ketu

For Rahu/Ketu, the computerized table of significators usually shows its positional house and the houses occupied and owned by its star lord only. In addition its signification by the aspecting and conjoined planets and the sign lord by its location are to be considered. In the above example chart, Rahu is aspected by Jupiter, occupant of house 9, lord of hous-

es2,12, and Venus, lord of Taurus where Rahu is located, occupant of house 6, lord of houses 4,9.

Grade E Significators by Conjunction/Aspects
Planets which are in conjunction with or *aspected by the Grade A, B, C, D significators* are very weak significators, and they are used as the last resort only.
In the above chart, Saturn conjoined by Moon is a weak significator of houses 2,11.

No Planet in the Star of a Planet
If there is no planet in the stars of a planet, that planet becomes the strong significators of houses for which it is the cuspal sub lord (CSL). In the above example chart, there is no planet in the stars of Moon, and Moon is the CSL of house 9. So Moon becomes the strong significators of house 9.

Las Vegas Massacre

By: Tin Win

Email: tw853@yahoo.com

The Las Vegas massacre was the worst mass shooting in modern United States history, and one of the worst in the world. The heavily armed white American murderous shooter known as Stephen Paddock killed 59 people and injured over 527 people in a mass shooting at a country music festival in Las Vegas on Sunday night, October 1, 2017.
The USA is certainly having a hard time with acerbated by the heightened concerns over the US August Eclipse, President Trump, North Korea and the devastating hurricanes and flooding, deadly wildfires, this Las Vegas massacre and some more possible to come.

Pluto = murder, massacre, suicide (Shooter committed suicide.)
1st house = general public
5th house =party, festival, entertainment venue

1st (general public) cuspal sub lord (CSL) Jupiter+ is in house 5, lord of houses 8,11, in the star of Mars in house 4, lord of houses 7,12, and in sub of Venus in 4, lord of houses 1,6, signifying houses 4 (end of everything/ death), 6 (injury), 7 (Maraka/ death), 8 (death) and 12 (Moksha/ death). Jupiter is opposed by Uranus. 1st cusp is exactly opposed by Saturn from house 7 (Maraka), lord of houses 9 (Badhaka/faster death) and 10 (retirement from this world/ death). 1st house lord Venus is conjoined by Mars, lord of houses 7,12 in house 4. The ascendant for this chart is 27 degrees of Taurus and Saturn opposes it in the 7th house of open enemies at 28 degrees of Scorpio.

It happened when Moon was transiting at 1 degree and 2 minutes on the sign Aquarius. Moon (general public) in 9 (Badhaka) is conjoined with Neptune and opposed by Mars in 4, lord of 7,12, and also aspected by Jupiter, lord of 8 and significator of 7 by sub lord ship without having any planet in its stars.

5th (music festival) CSL Venus is in 4, lord of 1,6, in own star, and in sub of Jupiter+ in 5, lord of 8,11, significator of 7 by sub lord ship, signifying houses 4, 6, 7, 8. Venus is conjoined by Mars and aspected by Saturn.

Jupiter is opposing Uranus in the fierce and aggressive sign of Aries. Uranus has the ability to turn everything upside down. Jupiter opposing Uranus can also indicate gambling. Venus and Mars opposed Neptune from the 4th to the 10th houses, showing confusion, and telling the shooter is likely unbalanced at the time of the shooting. Pluto in the 8th house shows death as the end result.

Mars at 3:45. Transit Mars at 22:59 in Leo sign at the time of Las Vegas massacre is passing Trump's Ascendant and natal Mars which is aspected by transit Saturn, exactly passing his natal Moon and Ketu in Scorpio sign.

Shooter Stephen Paddock
April 9, 1953, 11:05 AM, GMT – 6, Clinton, Iowa, USA

12th (murder) CSL Jupiter is in 11, lord of 7 (Badhaka/ Maraka), 10, in the star of Sun in 10, lord of 3, and in sub of Rahu+ in 7, conjoined Moon in 8, lord of 2, sign lord Saturn in 4, lord of 8,9, which is aspected by Saturn, signifying Badhaka, Maraka, 8 (death) in connection with cruel planets Mars and Saturn to become a cruel and violent murderer.
Natal Mars' aspect Pluto at 28 degree in Cancer, Saturn's aspect Mars-Venus in aggressive sign Aries and Ketu-Pluto in Cancer sign, and Sun opposing Neptune also indicate a brutal murderer. His Mars' aspect Pluto indicates potential for strong anti-social attitudes and violence. The Mars/Pluto connections are common in the horoscopes of serial killers and mass murders.
US eclipse point at 4:52 in Leo sign is opposing Paddock Ascendant lord Mercury. Transit Saturn at 28:17 in Scorpio sign at the time of Las Vegas massacre is exactly aspecting Paddock's natal Moon at 29:09 in Capricorn sign where 8th cusp is located. Transit Mars is aspecting his Ascendant lord Mercury in Aquarius sign and Sun in Pisces sign. Transit Rahu -Ketu axis is on the same natal axis but in the opposite position of Rahu-Ketu. Transit Uranus is passing his natal Mars and Saturn.

Question 1: Will her marriage happen?
Date of birth. 25/2/1974, Monday; Time of birth. 09:55:25 AM IST
Place of Birth: Tanuku -AP Lon/Lat: 16° N 45', 81° E 42',
Aynamsha $23^0.24'.22"$

Hints
If the 7th cusp sub lord will be Mercury or deposited in a dual sign (Gemini, Sagittarius, and Pisces), or any other planet occupying a dual sign (Gemini, Sagittarius, and Pisces,) or deposited in the star of a dual sign (Gemini, Sagittarius, and Pisces), Or in the star of the owner of a dual sign - Mercury or Jupiter, and be a significator of houses 2 or 11 then, during the joint period of the significators of houses 2,11 there is a chance of second marriage.

The sub lord of the 2nd cusp is a significator of house 7 or 11.

The sub lord of the 9th cusp is a significator of house 2 or 9 or 11.

Cuspal Sub lord:
For Second marriage:
7th Cusp (Virgo $16^0.20'.16"$): The sub lord of the 7th cusp is Saturn. Saturn is in the star of Mars and sub of Venus. Saturn is occupant of the 3rd, owner of houses 11-12. Star lord Mars is occupant of the 2nd, owner of houses 2-9. Sub lord Venus is occupant of the 10th, owner of houses 3-8. No planet is in the star of Venus, and Venus is CSL of houses 5-10. Thus, the 7th cusp sub lord, Saturn, signifies houses 2-9 and is connected with houses 3-11 -12-10-3-8-5. The 7th sub lord, Saturn, is in Gemini, a dual sign, indicates dual marriage.

2nd Cusp (Aries $20^0.07'.06"$): The sub lord of the 2nd cusp is Jupiter. Jupiter is in the star of Mars and sub of Venus. Jupiter is occupant of the 11th, owner of houses 1-10. No planet is in the star of Jupiter, and Jupiter is the CSL of houses 1-2-8-12. Star lord Mars is occupant of the 2nd, owner of houses 2-9. Sub lord Venus is occupant of the 10th, owner of houses 3-8. No planet is in the star of Venus, and Venus is the CSL of houses 5-10. Thus, the 2nd cusp sub lord, Jupiter, signifies houses 2-9 and is connected with houses 1-10-11-2 -8-12-3-5. The 2nd sub lord, Jupiter, indicates the 11th, dual marriage is promised.

9th Cusp (Scorpio $18^0.15'.31"$): The sub lord of the 9th cusp is Mercury. Mercury is in the star of Rahu and sub of Saturn. Mercury is occupant of the 12th, owner of houses 4-7. No planet is in the star of Mercury, and Mercury is the CSL of houses 3-4-9. Star lord Rahu is occupant of the 9th. Rahu is aspected by Mars, hence Rahu represents Mars. Mars is occupant of the 2nd, owner of houses 2-9. Sub lord, Saturn, is occupant of the 3rd, owner of houses 11-12. Thus, the 9th cusp sub lord, Mercury, signifies houses 9-2 and is connected with houses 4-7-12-9-3-11. So, second marriage is sure.

Question is about third marriage hence I check the 11th cusp also.

11th Cusp (Capricorn $10^0.03'.02"$): The sub lord of the 11th cusp is Moon. Moon is in the star of Saturn and sub of Jupiter. Moon is occupant of the 1st, owner of the 5th. No planet is in the star of Moon, and Moon is the CSL of the 11th. Star lord, Saturn, is occupant of the 3rd, owner of houses 11-12. Sub lord, Jupiter, is occupant of the 11th, owner of houses 1-10.

No planet is in the star of Jupiter, and Jupiter is the CSL of houses 1-2-8-12. Thus, the 11th cusp sub lord, Moon, signifies houses 3-11-12 and is connected with houses 1-5-11-10-2-8-12. The 11th sub lord Moon indicates the 11th, dual marriage is promised.

My opinion: All three conditions above indicate the chance of third marriage is sure. but the 11th sub lord signifies negative bhava too. So now she has to be ready for compromise in married life and also conduct marriage matching carefully before you fix marriage.

Rahu is conjoining with Saturn, hence Rahu represents Saturn. Ketu is conjoining with Sun, Moon, and Mercury; hence represents Sun, Moon, and Mercury. The ruling planets are Mars, Moon, Saturn, Mercury, Venus, Rahu and Ketu.
Note: Moon is aspected by Saturn, hence Punarphoo yoga.

Common from both are Mars, Moon, Saturn, Mercury, Venus, Rahu and Ketu.

Joint Period
At the time of judgment you are running Dasa of Venus which continues until 03-04-2019. At the time of judgment the querent was running Venus-Saturn-Mars which continues until 11-05-2014.
Dasa lord Venus is among common planets and is thus OK
Bhukti lord Saturn is among common planets and is thus OK
Antra lord is Mars, but due to Punarphoo yoga, I left this antra and went for the next. Next is Rahu antra from 11-5-2014 to 31-10-2014, and here Rahu represents Saturn. But we have considered Saturn as dasa lord. I thus left this antra too. This is the last antra and also bhukti changes as Mercury.
Bhukti lord Mercury is among the common planets and is thus OK
For Antra I select Venus (as it appears two times in the RPs), from 28-10-2015 to 17-4-2016.

My opinion: your third marriage will be during 28-10-2015 to 17-4-2016.

Outcome: Third marriage on 2-11-2015 as I predicted.

K.P. reveals Debts/borrowing

Name of the querent:- Raghu;
Question put by the Querent:- Can I borrow? If so When and from Whom?
Horary Number:-172/249;
DOJ:-22-02-2017(Wednesday);
TOJ:-12-37-58 PM;
POJ:- Kurnool;(AP).

The 6th house is the house which indicates debt or borrowing. To know whether one borrows money or not, judge the 6th cusp and find out whether the lord of the sub of the 6th cusp is either retrograde or deposited in the constellation whose lord is retrograde. If either is retrograde, one cannot borrow. If the sub lord and the lord of the constellation in which the sub lord is situated, are in the direct motion, then one will be able to borrow. If it is Sun the loan will be from Government. If it is Moon, very quickly the lender will agree to give. If it is Mars, there will be an atmosphere of tension in borrowing. If it is Mercury, one will correspond, send agent and will borrow in instalments. If it is Jupiter, with honour and by lawful means one borrows. If it is Venus, in a friendly way the borrowing will take place. If the sub lord is Saturn, then there will be some delay obstacles in borrowing. If Saturn aspects the sub lord of the 6th cusp, even if it is Jupiter or any other planet, one gets only a part of the amount or gets the amount part by part.

In this case, the 6th cusp falls in Taurus (10-22-52:-Venus-Moon-Moon as Sign lord, Star lord and Sub lord respectively). 6th Cusp Sub lord, Moon, will never be in retrograde motion. It is in the star of Venus and in the sub of Rahu. Venus is also not in retrograde motion. Thus, the sublord of the 6th cusp, Moon, is neither retrograde nor placed in a constellation whose lord is retrograde and, therefore, the querent will be able to borrow.

The 6th cusp is in Venus Sign, Moon Star and Moon Sub. Venus indicates that the borrowing will be in a very friendly manner. Moon denotes that the lender will quickly agree to give the amount to the querent. But, in this horary chart, both Saturn and Moon are placed in one sign-i.e. in Sagittarius. This combination foreshadows that the lender will not give the full amount to the querent. He will give a little less.

At the time of judgment, Venus dasa, Rahu bhukthi is running up to 06-01-2020. It is a lengthy period. The 6th cusp sub lord, Moon, indicates that the event should be completed within a short time quickly. So, we must take the assistance of the Ruling Planets. The Lagna is co-ruled by Venus/Moon/Venus; Moon is co-ruled by Jupiter/Venus/Rahu; Day-lord is Mercury. So Venus-Rahu-Moon-Jupiter and Mercury are the Ruling Planets.

Important Note:- As the querent is to get the loan amount very quickly because of the 6th cusp sub lord being Moon, the D/B/A method will not be worked out here in this situation. Very soon and quickly means within a month. Thus, I told to the querent that the loan amount will be had within a month .ie. before 22nd March, 2017.

Actual fact:- The querent received from the lender Rs. 30,000/-(thirty thousand only) on 11-03-2017 and the remaining amount 1,20,000/-(one lack twenty thousand only) on 21-03-2017.

Does Obesity come from a Gene?

If a person's bodyweight is at least 20% higher than it should be, he or she is considered obese. Hence obesity is a medical condition which has been defined by medical science as abnormal or excessive fat accumulation that may impair health. According to the World Health Organization (WHO), worldwide obesity has more than doubled since 1980. In 2014, more than 1.9 billion adults, 18 years and older, were overweight. Of these over 600 million were obese and 41 million children under the age of 5 were overweight or obese in 2014. Medical authorities on investigation of Obesity, say this is most commonly caused by a combination of excessive food intake, lack of physical activity, and genetic susceptibility. Further, medical science says that people can become obese for many different reasons such as consuming too many calories, leading a sedentary lifestyle, not sleeping enough, endocrine disruptors, such as some foods that interfere with lipid metabolism, smoking, and by some medications etc.

As shown above, the reasons for obesity are true and acceptable by means of general knowledge of all. But, if a baby was born with an obese body, except genetic susceptibility, all other conditions are not worthy of consideration, because they are all connected with the growing periods of the body of a person. If a person is too interested in taking excessive food, we used to call it as self-greedy. If one is leading a sedentary life style, he is known as lazy, a person who is averse to working and toiling.

According to my point of view, all these are led by genetic susceptibility as the developmental origins of Obesity are diametrically connected with the Gene. Also, this opinion has been proved by the Harvard T.H. Chan School of Public Health in their research on Prenatal and Early Life Influences as below.

// Obesity, once thought to be little more than an unfortunate failure of will and self-restraint, has much deeper and more complex roots. Genes clearly play a role in driving an individual's propensity to gain excess weight, as does the environment and gene-environment interactions. Early-life influences, beginning with the intrauterine environment and continuing through the first few years of life, also shape the trajectory of weight gain and body fatness throughout the life course.
Later data showing that higher birth weight is also associated with obesity, diabetes, and other adult diseases has helped extend this concept into the "developmental origins hypothesis," which encompasses the preconception period as well as many critical periods of fetal and infant development. During each of these periods, several factors appear to have a substantial impact on obesity in childhood and adulthood. This article briefly outlines some of the key prenatal and early life influences on the development of adult weight and obesity.
The warm, nutrient and hormone-rich environment of the uterus has a profound effect on fetal development. Brief or fluctuating changes in the intrauterine environment at critical or sensitive periods of the developmental process, as well as longer term alterations, could have irreversible, lifelong consequences. Three modifiable prenatal factors that appear to shape fetal nutrition and health in later life are
A. the mother's smoking habits during pregnancy;
B. the mother's weight gain during pregnancy; and
C.the mother's blood sugar levels during pregnancy, specifically, whether she develops preg-

nancy-related (gestational) diabetes.
It makes intuitive sense that the mother's diet during pregnancy should also affect fetal development and birth weight, *but evidence for this is inconsistent.// (www.hsph.harvard.edu)*

As said by Harvard Educational center, if the evidence is inconsistent for the physical reasons or the natural or unnatural manner or conduct of the mother for the obesity of the child, the reason should be a mysterious thing. Also, all mothers of obese children are not smoking, or have weight gain or suffer from high blood sugar. On the other hand, low and middle income countries are now facing the problem of obesity, which are linked mainly to conditions of under-nutrition.
Some opine that this is a hereditary result. If it is so, can we find a child expert in music, whose father is a great musician like Beethoven? Galilio Galilei was as Italian polymath, astronomer, physicist engineer, philosopher, and mathematician. He has been called the "father of observational astronomy", the "father of modern physics", the "father of the scientific method", and the "father of science. But do we know any of his children to be famous genii in their father's fields? Hence, hereditary or parental qualities are not necessarily connected with the outcome of a child.
Hence, according to my personal point of view, the genetic susceptibility of a person should be the most significant reason for obesity. This intensity factor has been proved by various scientific researches on Gene, as appended below.

1) In two separate papers, published in the journal *Science* and in the *Journal of Clinical Investigation (JCI)*, researchers describe new genetic factors that could explain weight gain in some people. This study has identified four new Genetics makers for severe childhood Obese.[1]

2) Science shows that genetics plays a role in obesity. Genes can directly cause obesity in disorders such as Bardet-Biedl syndrome and Prader-Willi syndrome. However genes do not always predict future health. Genes and behavior may both be needed for a person to be overweight. In some cases multiple genes may increase one's susceptibility for obesity and require outside factors; such as abundant food supply or little physical activity.[2]

3) The risk of obesity is determined by not only specific genotypes but also gene-gene interactions. However, there are still challenges associated with detecting gene-gene interactions for obesity.[3]

4) Obesity is also a hallmark of several genetic syndromes caused by mutation or chromosomal abnormalities, such as Prader–Willi and Bardet-Biedl syndromes. In these syndromes, obesity is often accompanied by mental retardation, reproductive anomalies, or other problems. [4]

5) In 2008, for example, Andreasen and colleagues demonstrated that physical activity offsets the effects of one obesity-promoting gene, a common variant of FTO. [5]

6) Convincing evidence has recently been put forward that several fat-derived cytokines, including the anti-inflammatory adiponectin, strongly modulate the risk of the metabolic syndrome and T2D associated with obesity (diabesity).[6]

7) Occurrences of monogenic types of obesity are evidence that obesity may be caused by genetic mutations, however, as yet, only 78 cases worldwide have been attributed to mutations of seven distinct genes. The most common forms of obesity are probably the result of variations within a large number of genes. Sequence variations within a pool of 56 different genes have been reported as being related to obesity phenotypes, however, only ten of those genes showed positive results in at least five different studies.[7]

8) Seven new genetic causes of obesity identified: A comprehensive research project has discovered seven new flaws in the human genome that may cause obesity.Genes play an important role in the recent global upsurge in obesity.[8]

So this Astrological Study of Obesity mainly goes through the Genes. As per Medical Astrology, human Genes are ruled by the sign Virgo, the 6th sign of the natural Zodiac, that is the house of diseases and, in general, of health interests, maintenance and support of the body. Also, nutrition is ruled by Virgo sign. DNA is made up of large numbers of molecules, called nucleotides and divided into four basic types and two more sub types. These four basic parts have been allocated to Jupiter (Guanine), Saturn (Adenine), Venus (Thymine) and Mars (Cytosine), respectively, according to the weights of those molecules. The Sun rules the Hydrogen bonds around the axis of the DNA while Nodes correspond to the Enzymes that act on the DNA. The duty of Rahu in the DNA is to cut and remove its components. Rebuilding and synthesizing of DNA is under the rule of Kethu.

Observations of the above analysis.

1) Jupiter is connected with the sub lord of the cusp that is in the sign Virgo, in all the charts under examination. (100%)
2) The sub lord of the cusp in Virgo is a significator of houses 6 or 8 or 12 in all the charts. (100%)
3) As a result of the above item No. 2, Jupiter is automatically connected with houses 6 or 8 or 12, which are the detrimental houses for health matters.
4) Node Rahu is anyway connected with the co-rulers of the cusp in Virgo and signifies houses 6 or 8 or 12 in all charts. (100%)

Jupiter the most appearing significator

Generally, Jupiter is described as a greater benefic planet for providence, fortune and benevolent in all classical astrological teachings. Dr. H.L. Cornell MD, DA, says in his

"Encyclopedia of Medical Astrology" that Jupiter is the author of justice and when the ruling planet at birth, Jupiter tends to make the native just, generous, kind, jovial and religious. His aspects never kill unless configured with malefics in a train of evil directions.
In Pathology, Jupiter dominates Absorption, Adipose tissues, Adrenals, Arms, Arteries, Arterial blood and circulation, Heart, Blood, Blood enrichment, Blood making, Blood circulation, Blood fibrin, Blood filtration, Cell development and reproduction, Fat disposition of the body, Genito-Urinary organs, Liver, Lungs, Right Ear, Semen, Sugar in the body and Thighs. Furthermore Jupiter gives too much; too much fat, too much blood, too much energy and heat. Jupiter rules fat and excessive fat in any body part and also cause serious health problems and is a first class indicator of health pathology.
Judith Hill says in his "Medical Astrology (Planetary Pathology)" book, that Jupiter is not so good in the region of Virgo. Further he says North Node (Rahu) conjunct Jupiter: Obesity, Excess cholesterol in blood and arteries, Fatty degeneration of liver and excess growth or size in area indicated in the birth chart.
I, too, was puzzled by this benevolent planet Jupiter, who appeared for most of the serious illnesses in my several studies published in this magazine. I have found therein that in most cases Jupiter is retrograde or is connected with Rahu, a naturally retrograde planet.

Observations from the above analysis.

1. All the chief rulers of Genes Jupiter, Saturn, Venus, and Mars signify houses 6 or 8 or 12 in all the charts. (100%)
2. Rahu presents among the co-rulers of the above four planets or represents one or the other co-rulers in all charts. (100%)

Conclusion

1) Obesity is not a disease of heredity or due to parental factors. It is related to Genetic factors.
2) Obesity is indicated if the following 5 conditions are simultaneously satisfied:

A. Jupiter being a significator of houses 6 or 8 or 12, is connected with the sub lord of the cusp that is situated in the sign Virgo (Gene).
B. Jupiter is retrograde or in anyway connected with Rahu.
C. Rahu being a significator of houses 6 or 8 or 12 is, in any way, connected with the co-rulers of the cusp that is situated in the sign Virgo
D. Saturn, Venus & Mars signify houses 6 0r 8 0r 12
E. Rahu is among the co-rulers (Sign Lord or Star Lord or Sub Lord) of the above three planets
   or
   Rahu is in any way connected with the co-rulers of the above three planets,

Then the native is destined to suffer from Obesity.

What K.P. rule says about “winning presidential elections and on becoming a president/ prime minister of a country”.

Getting Good Position in Politics---(Kanakji in KP ezine NOV 2010)

"If 10th cusp sub lord (one's position in politics) signifies-10th- one’s reputation to win a position, 3rd - one’s ability to contest and win the pivotal position, 11 th- one's reputation and ability to accomplish one's desire as a winner, one will win the position in the conjoined period of the significations of 3,10 and 11 house.”

As an addition to the above rule I would like to take the 9th house- bhagyasthana and providential help.

Let us see how far and to what extent we can apply the above rule to the charts of the fourteen natives.

Third House

The 3rd house rules a person's communication and correspondence, short journeys, younger brother or sister, cousins, and neighbors, courage, heroism valor, thoughts, mental strength, inclination and ability, memory and the inherent propensities of the mind and intellect. It indicates the property of mind, its strength and weakness, thought power, mental interest and inclination, courage and valor. The third house also governs change of residence. The third house rules one’s mental inclination and ability, memory and the inherent propensities of the mind and intellect.

This is the house of courage, firmness, valour prowess and heroism. If the lord of houses 10th or 6th has connection with the 3rd house in any manner, then the native may be a soldier or army officer.

In state astrology, the third house shows neighboring countries and treaties with them.

This house refers to the third sign of the zodiac, Gemini or Mithuna. The natural significator of the third house is the planet Mercury. As per Mundane or State or Political Astrology, the third house signifies neighboring countries and treaties with them. It rules over transportation and all the means of transit whether it is by land air or water, and the communication systems like postal, telegraph, radio, telephone, television and all the media. It also represents libraries and public education generally.

Tenth House

The 10th house rules a person's work, commerce, trade, business, success, fame, rank or position in the outer world. The 10th house is related to all matters affecting one's name, fame, honour and recognition; it is described as the house of honour, dignity and public esteem. The chief influence of the 10th house is in one's profession, occupation or business. It is rightfully called the apex of the horoscope since it denotes a person's worldly attainments achieved through name and fame, power and prestige, credit and conduct, success and status, rank and renown, respect and reputation, and ambition and authority. One's public life and popularity, his worldly standing in terms of material success and his connection with people in high position should be judged from an examination of the strength of the 10th house.

As per Mundane or State or Political Astrology, the tenth house deals with government and its affairs and its chief executive. It signifies the head of the State, whether the monarch or president or prime minister, also royalty, nobility, the party in office, the national leaders, the upper level of society and those in authority, eminent and distinguished persons and the aristocracy. It governs the nation's honour, integrity, credit, power and status among the community of nations. This house provides the clue to the political situation prevailing in a country. It governs all the matters signified by the industries, public enterprises and commerce ministry.

Eleventh House

The 11th house rules a person's friends, social circle, profit, gain, the income of all kinds, acquisition, desire and wishes fulfilment. The 11th house is related to friends. It stands for all those who are allied to the native by likeness or sympathy of interest in society, community, clubs etc. It includes well-wishers and close acquaintances. It also includes one's hopes, wishes and aspirations and their realization. The 11th house governs success in any undertakings, whether it is in profession or business, higher studies or election, litigation, speculation, health, etc. It indicates varieties of income; the 11th house is commonly referred to as 'Labha-sthana' denoting profit or gain. It is through this house that incoming wealth is to be expected. One has to investigate the 11th house to ascertain how far one will succeed in social and financial matters and whether at all he will succeed. This house reflects the native's attitude towards society and his interest for social activities as distinct from per-

sonal aims and ambitions. It also relates to reformative and unconventional activities. The 11th house is the Badhakasthana or the house detrimental to longevity for persons born in movable signs or Chara rasis viz. Aries, Cancer, Libra and Capricorn.

This house refers to the eleventh sign of the zodiac, Aquarius. The natural significator of the eleventh house is the planet Sun. As per Mundane or State or Political Astrology, the eleventh house signifies the parliament, House of Commons, legislation, associates or allies of the nation.

The observation made—As per the rule all the four planets are connected with most of the required houses.

From the above study, it can be observed that both the K.P rules "regarding the aspect of attaining the highest position of any nation/state such as president/prime minister/governor etc " can safely be followed without any hesitation. With this exercise, I once again reiterate the supremacy of our KP system and the rules enunciated therein. My highest regards to Sri K.S.K the founder of KP system and its sub lord theory. My thanks to Sri Kanak ji.

nifies houses 3, 4, 5 and 9. Mercury as sub signifies houses 9 and 12. So, the 7th CSL is not connected with business houses either to houses 2 or 7 or 10 or 11.
11th CSL is Mercury. Mercury gives the result as discussed above.
2nd CSL is Moon. Moon is already discussed above.
Here the 10th CSL is not signifying 2nd and 7th houses. So, he could not do any business as there is no signification of the 7th house. Even though he is doing some small petty jobs here and there by his education , there is no monetary benefit and, with his income, he could not manage himself monetarily and has to depend upon others for money to manage himself as there is no signification of the 2nd house.

PRESENT DASA:
Present dasa is of Rahu up to 10-01-2020.
Rahu signifies houses 3 and 9. Mercury, sub of Rahu, signifies houses 9 and 12. Star lord of Mercury connects to houses 4, 5 and 8 only. It indicates no profession in Rahu dasa.

NEXT DASA:
The next dasa is of Jupiter. It is up to 2036.
Jupiter signifies houses 3, 4, 6 and 10. Rahu, the sub of Jupiter, signifies houses 3, 4, 5, 6, 8 and 10. Star lord of Rahu is Ketu. Ketu connects only to the 9th and 12th houses.
Even though Jupiter dasa indicates some service, it may not give sufficient money/financial assistance even to maintain routine expenditure as there is no connection with houses 2 and 11.
It was noticed that even though job was promised, signification of second house is not at all there, which is responsible for the income of the native. Incidentally, it is also observed that all planets connected with houses 6 or 8 or 12 either at planet level or star or sub level may be one of the reasons for the state of life of the native.

History : After tiring day of operative cases on 9/7/17 at 10.25 pm I received an urgent call from my colleague , senior Astrologer from Ahmedabad
For missing mother of his wife's close relative. The mother left home around 6.00 pm on the same day after a domestic conflict.
Horary Number was obtained from astrologer's wife ie 5/249

Hints : 11th csl should signify houses 2 8 or 11 in the DBA of 2 8 or 11
11th csl is Rah + 5{11}, and represents Saturn in 9 (11 12). It is in the star of Ketu in the 11th. Ketu represents Saturn placed in the 9th (11 12). It is in the sub of Ven+ 2 (2 7) {4,7,9,12}. It thus signifies houses 2,4,11.

First we have to check longevity
Asc is Aries, so the Badhaka is the 11th and Maraka are 2,7
Asc csl of Hansaben is Mars in 4 (1 8). It is in the star of Jupiter 6 (9 10), and in the sub of Sun 3 (6).It does not signify houses 2,7,11
So, no danger for life .She is alive for sure
When will Hansaben come home ?

Birth time rectification

Native : Female
Date of birth : 12/12/1977
BIRTH TIME : 9.00 A.M. OR 21.00 P.M.
Place : Swaroopganj (Rajasthan)

The question was solved by me on 15/07/2017 at 15.20 in Mumbai and the ruling planets are given below:

Lagna	-	Vrischik	Mangal
Star	-	Uttarabhadrapada	Shani (R)
Rashi	-	Meen	Guru
Day	-	Saturday	Shani

If Ravi is in ruling planets the birth time is in morning and if Chandra is in ruling planets the birth time is in the evening or night. If both Ravi and Chandra come as ruling planets then which planet is stronger is seen and accordingly the birth time is decided. In this case neither Ravi nor Chandra have come in ruling planets, so I decided to see the planetary position and Lagna chart at the time of question to find out whether Ravi or Chandra can be included as ruling planet.

I am giving below certain points regarding use of ruling planets :
Planets which are retrograde and planets which are in the star of retrograde planets should be rejected from ruling planets because retrograde planets do not give results till they acquire direct motion.

Planets in conjunction with planets which are in ruling should be taken as ruling planets.
Planets which are in the star of planets which are in ruling should be taken as ruling planets.
Planets which are aspecting the planets which are in ruling should be taken as ruling planets.
Planets aspecting the 1st house should be taken as ruling planets.
Planets in the 1st house in the cusp chart should be taken as ruling planets.

Now let us analyse whether Ravi or Chandra can be taken as ruling planet to confirm the birth time.

Chandra :
Chandra is in the star of Shani which is a ruling planet but retrograde at the time of question. We have to reject Shani and Chandra cannot be included as a ruling planet. If Shani was in direct motion then Chandra which is in its star could have been taken as a ruling planet.

Ravi :
Ravi is in the star of Guru which is a ruling planet and in direct motion. If we see the planetary position we come to know that Ravi is in Mithuna rashi - 29-06 and Mangal is in Karka rashi – 02-42. Both the planets are in conjunction and Mangal is a ruling planet. Here

Ravi can be included as a ruling planet for two reasons i.e. it is in the star of Guru and in conjunction with Mangal and both these planets have come in ruling. I confirmed that the birth time of the native is 9.00 a.m.
Dhanu lagna is rising on 12.12.1977 at 9.00 a.m. at Swaroopganj and Karka lagna at 21.00 p.m. Guru is a ruling planet while Chandra by no means can be included as a ruling planet which again confirms that the birth time of the native is in the morning at 9.00 a.m.

Describing Menstrual Problems On The Basis Of KP Astrology

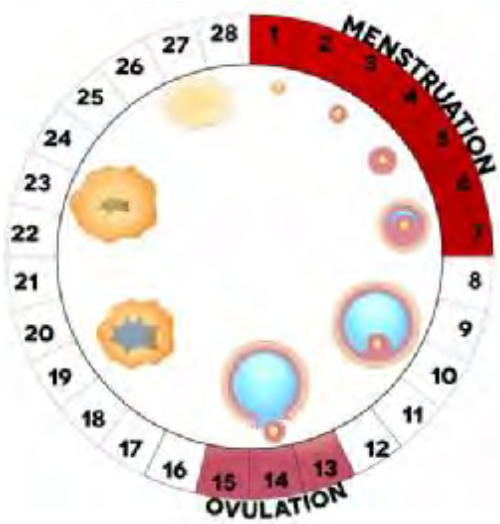
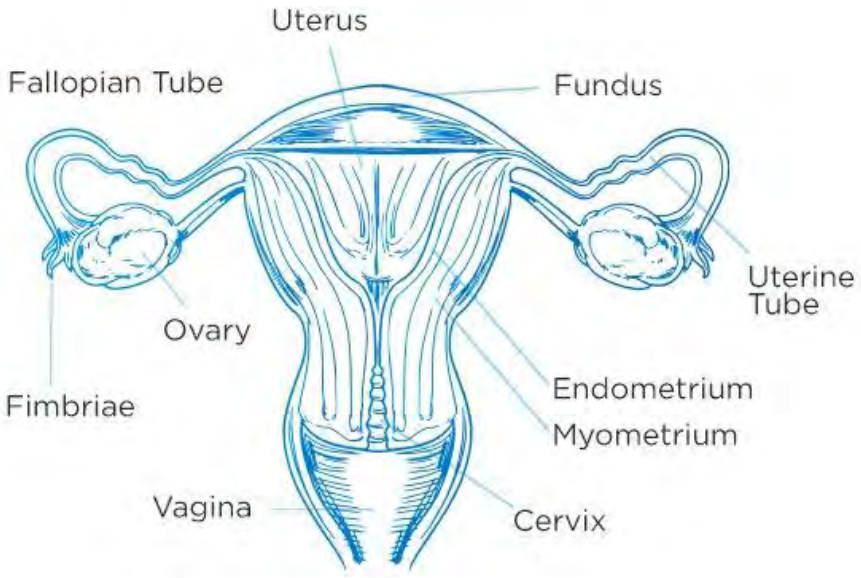
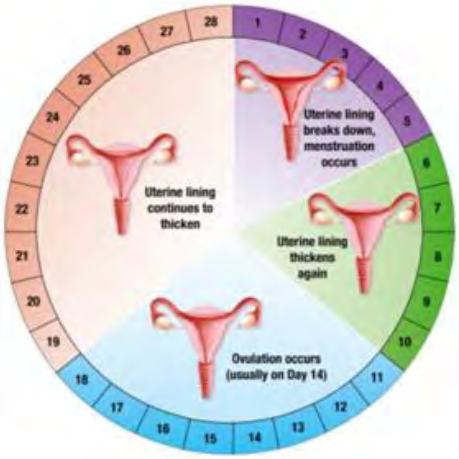
Brief description:-



The menstrual cycle is the regular natural change that occurs in the female reproductive system (specifically the uterus and ovaries) that makes pregnancy possible. The cycle is required for the production of ovocytes, and for the preparation of the uterus for pregnancy. The menstrual cycle is governed by hormonal changes. These changes can be altered by using hormonal birth control to prevent pregnancy. Each cycle can be divided into three phases based on events in the ovary (ovarian cycle) or in the uterus (uterine cycle).



The ovarian cycle consists of the follicular phase, ovulation, and luteal phase whereas the uterine cycle is divided into menstruation, proliferative phase, and secretory phase.

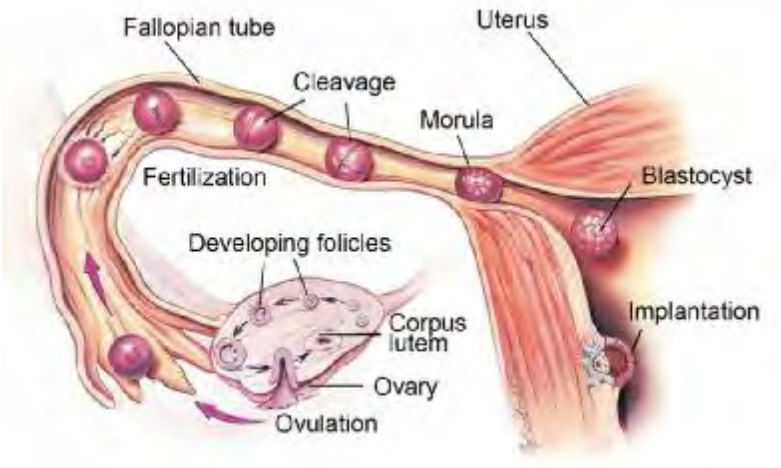


Stimulated by gradually increasing amounts of estrogen in the follicular phase, discharges of blood (menses) flow stop, and the lining of the uterus thickens. Follicles in the ovary begin developing under the influence of a complex interplay of hormones, and after several days one or occasionally two become dominant (non-dominant follicles shrink and die). Approximately mid-cycle, 24–36 hours after the luteinizing hormone (LH) surges, the dominant follicle releases an ovocyte, in an event called ovulation. After ovulation, the ovocyte only lives for 24 hours or less without fertilization while the remains of the dominant follicle in the ovary become a corpus luteum; this body has a primary function of producing large amounts of progesterone. Under the influence of progesterone, the uterine lining changes to prepare for potential implantation of an embryo to establish a pregnancy. If implantation does not occur within approximately two weeks, the corpus luteum will involute, causing a sharp drop in levels of both progesterone and estrogen. The hormone drop causes the uterus to shed its lining in a process termed menstruation.

Menstrual disorders

Infrequent or irregular ovulation is called oligoovulation. The absence of ovulation is called anovulation. Normal menstrual flow can occur without ovulation preceding it, an anovulatory cycle. In some cycles, follicular development may start but not be completed; nevertheless, estrogens will be formed and stimulate the uterine lining. Anovulatory flow resulting from a very thick endometrium caused by prolonged, continued high estrogen levels is called estrogen breakthrough bleeding. Anovulatory bleeding triggered by a sudden drop in estrogen levels is called withdrawal bleeding. Anovulatory cycles commonly occur before menopause (perimenopause) and in women with polycystic ovary syndrome.

Very little flow (less than 10 ml) is called hypomenorrhea. Regular cycles with intervals of 21 days or fewer are polymenorrhea; frequent but irregular menstruation is known as metrorrhagia. Sudden heavy flows or amounts greater than 80 ml are termed menorrhagia. Heavy menstruation that occurs frequently and irregularly is menometrorrhagia. The term for cycles with intervals exceeding 35 days is oligomenorrhea. Amenorrhea refers to more than three to six months without menses (while not being pregnant) during a woman's reproductive years.



Polycystic Ovarian Disease

Patients suffering from polycystic ovarian disease (PCOD) have multiple small cysts in their ovaries (the word poly means many). These cysts occur when the regular changes of a normal menstrual cycle are disrupted. The ovary is enlarged; and produces excessive amounts of androgen and estrogenic hormones. This excess, along with the absence of ovulation, may cause infertility. Other names for PCOD are Polycystic Ovarian Syndrome (PCOS) or the Stein-Leventhal syndrome.

We are trying to analyze Menstrual Cycle and related complications on the basis of KP Astrology.

How to judge:-

- ◊ Generative organs of a lady are ruled by Libra and Scorpio Signs, VIIth and VIIIth Houses and Venus & Mars. Let us check these for any abnormality.
- ◊ For menstrual cycle we should consider Venus-generative organs, Mars- Blood, Moon- Ovum.
- ◊ Venus and Moon governs the release of hormones and its transportation through blood.
- ◊ Constellation Jyeshtha (Scorpio 16°40' – 30°00') governs the ovaries.
- ◊ Saturn is considered for obstacle in natural process.
- ◊ Rahu is considered for any infection or unknown reason.

Ascendant rising is Scorpio 4°47' (Ma-Sa-Sa), hence Libra falls in the 12th cusp (Ve-Ra-Sa). 7th house falls in Taurus (Ve-Su-Sa), while 8th is (Me-Ma-Su). Sub lord of the 8th, Sun, is in Saturn star. Hence, it is obvious that Saturn is obstructing the natural cycle of menses by not allowing adequate discharge of blood from the uterus as Scorpio and VIII house both are considered for blood, as well as female reproductive organs are represented by Libra and 7th house are also under influence of Saturn.

Ascendant rising is Aries 6°1' (Ma-Ke-Ra), the 7th house falls in Libra (Ve-Ma-Mo), while the 8th is in Scorpio (Ma-Sa-Ke). Sub lord of the 8th, Sun is in Saturn star. Moon and Venus are both in Saturn star. Moon is responsible for the production of ovum and its sub lord, Mercury (liable for multiple ovum), is stationed in Moon's star. Moon is in Saturn star, so it is a case of PCOD. Saturn hampers the process of the development of the ovum and converts them into cysts. Moon is the timing agent for menstrual cycle and it is under the influence of Saturn, which is liable for the delays. Hence, the menstrual cycle of this native is irregular and painful due to PCOD.

History : This case is of my uncle who was suspected of having H1N1 (Swine Flu) positive.
My cousin asked me a question while shifting my uncle to ICU about his recovery. Everyone was worried about such critical condition as death rate in Swine Flu is very high
Since I was travelling while shifting I did not have access to KP Astro software. So I requested my friends on our KP Student Whatsapp group to create a chart for me and send to me for further analysis

Questions & Answers

Question: Will He Marry Her?
I request you to educate us with the rules/conditions that, this particular boy/girl will marry this particular girl/boy by analyzing the charts.

Some people bring the horoscope of boy and girl and request to tell whether this particular boy will marry this particular girl and vice versa.

Answer:
The KPDP marriage matching rules and the ruling planets of the boy and the girl will be helpful.

1. First Reference
"KPDP Marriage Matching Rules: Theory and Practice" published in KP-Ezine Dec 2013 issue @ www.kpastrologer.com
Source:
1. KRISHNAMURTHI PADHDHATHI DASAVIDA PORUTHAM (KPDP) FOR MATCHING HOROSCOPES FOR MARRIAGE, by K.P. KUPPU GANAPATHI, "KP & Astrology Year Book 1997", pp 32-44
2) http://groups.yahoo.com/group/k_p_system/files/Articles/
KPDP.doc, KPDP for Matching

The KPDP marriage matching rules framed by Shri K.P. Kuppu Ganapathi cover 10 marriage compatibility criteria of the horoscopes of a boy and a girl, including:

KPDP No. 8: Likelihood of marriage with this boy and girl
The ruling planets of the boy at the time of birth should be the significators for 2.7.11 for the girl and vice-versa.
KPDP No. 10: Whether the period lords operating at the time of matching in both charts indicate desirability for matching for marriage

By Kanak Bosmia's experience of KDPD marriage matching, the KPDP criterion no. 10 score is more important than the overall matching score, and more than 50% score of the criterion no. 10 is preferable for marriage matching in order to prevent the possibility of separation or divorce.

2. Second Reference
"He Married Her- Why" by Sri Keshab R. Kar, published in Astrology & Athrishta, December 1980 issue, pp 1- 10.
On page 9 agreement of the ruling planets at birth of the boy born on 16 August 1941, 19;42 PM IST,Dacca City (Now Bangladesh), 23n42, 90e25, KP ayanamsa 22:56 and the girl born on 8 June 1953, 9:12 AM IST, 22n34, 88e24, KP ayanamsa 23:06 is explained, as attached.

Ruling Planets of the Man

(1) Lagna Sub : Saturn
(2) Lagna Star : Saturn
(3) Lagna Lord : Jupiter/Kethu
(4) Moon Star : Moon
(5) Rasi Lord : Venus
(6) Day Lord : Saturn

Saturn, Jupiter, Kethu, Moon and Venus.

The common are Kethu and Moon. We can reject the others. Now in man's chart, Moon in Moon and Sun in Kethu. So planets for man are *Moon, Kethu and Sun.* Now Sun is the lagna sub of the girl (1). Kethu is the Moon star (4) of the girl, also Kethu represents lagna-lord and day lord of the girl and Moon is the lagna lord (3), and day lord (6) of the girl. That is out of 6 Ruling Planets, 4 are agreeing with the girl. If 50% Ruling Planets are coinciding then agreement is satisfactory, if between 60% and 80% then it is good, 80% and above is the best. Less than 50% is not conducive for marriage agreement. Then proposal of marriage with the opponent should be avoided. Ruling Planets arrangement also gives indication of happiness. In the case of the man, arrangement is over 60%, hence agreement appears to be good.

In the girl's chart, Jupiter and Rahu in Moon and Venus and Moon in Kethu. So planets are *Moon, Jupiter and Rahu and Venus and Kethu.* Moon is the Moon star (4) of the man; Jupiter and Kethu are the lagna lord (3). Venus is the rasi lord (5) of the man. Here also 4 planets are agreeing out of 6 and arrangement appears to be good. Now Ruling Planets of the both are arranged below :

For Man — Moon, Kethu, Sun
For Girl — Moon, Jupiter, Rahu, Venus, Kethu.

So they are-Moon, Kethu, Sun, Jupiter, Rahu and Sun. Now at the time of judgement, the man was running Jupiter dasa Venus bhukthi. In the Ruling Planets, both Jupiter and Venus are present. It is believed that this Jupiter/Venus period may offer his marriage.

Ruling Planets of the Girl

(1) Lagna Sub : Sun
(2) Lagna Star : Mercury
(3) Lagna Lord : Moon/Kethu
(4) Moon Star : Kethu
(5) Rasi Lord : Mars
(6) Day Lord : Moon/Kethu

Sun, Mercury, Moon, Kethu and Mars.

The girl was running Sun dasa Mercury bhukthi. In the Ruling Planets, Sun as dasa lord is there. But we do not see Mercury, the bhukthi lord of the girl. A careful scrutiny will reveal that Mercury is strong in the star of Rahu. So Mercury bhukthi is indicating her marriage and it appears to be fruitful. Both are happily married on 18-2-80.

Transits of the planets for girl on 18-2-80 when marrige performed in the night, were given below :

Dasa lord Sun was in Kumbha in the star of Mars and sub of Venus (Karaka).

Mercury was also in Kumbha at 23°-42' in the star of Jupiter and in the sub of Saturn (anthra lord). Both Jupiter and Saturn were retrograde. One may satisfy his curiosity with the help of Theory or Retrogradation and he will get the thing cleared.

Anthra lord Saturn was retrograde in Virgo-Kanya at 2° in the star of Sun and in the sub of Jupiter. Transit for both was same but what we should examine whether ther are significators for marriage.

If we look to the charts, both are married in delayed way. Sub lord of 7th cusp of the man is Saturn and sub sub lord is Moon. Saturn lord of 11 in 2. Moon has been placed

In this book it's truly said that in KP there is no exaltation or debilitation, no manglik dosha, no kaal sarpa dosha (p 54), and original five ruling planets are used (p 152). But some variations have been observed: "Every house has a supporting and negative house, hence it is imperative to analyze it in relation to other houses, depending on the nature of question. (p15)"; more application of aspects of weak grade E significator and retro; and use of two separate Northern style Rasi chart and Bhava chart.

Death of Playboy Hugh Hefner

By: Tin Win
Email: tw853@yahoo.com

Hugh Hefner died recently on 27 September 2017 at the age of 91 and was buried in an LA cemetery next to Marilyn Monroe - Playboy's first-ever cover star - in a plot bought in 1992 for $75,000. He never met Marilyn Monroe in person but had told the Los Angeles Times in 2009 "Spending eternity next to Marilyn is an opportunity too sweet to pass up,"

On the day of death he was running Moon Dasa of significators of Maraka/Badhaka house 7, danger to life 8, end of everything 4 and sickness 6, and Ketu Bhukti of significators of Maraka/Badhaka 7, danger to life 8, Moksha 12, end of everything 4 and sickness 6.

Serial Womanizer

Hefner was married three times, first time in 1949, second time in 1989, third time in 2012. He is also somewhat infamous for maintaining relationships with multiple young women at once in past years. Once he admitted he'd made love to over a thousand women.

There is no Venus-Mars combination in his birth chart for his excessive sex as stated in the classical texts: Brihat Jataka, Phaladeepika and Maan Sagari.

But Hefner's testosterone-rich Mars and fun-loving, party-seeking Jupiter (growth) in the 5th house of fun and love affairs give him strong sexual drive. Mars, third lord, also exchanges signs with Saturn in house 3, lord of houses 5,6. The 3th is a desire house, the eighth from the eighth. Mars-Jupiter in the 5th house opposing his Leo 29° 24′ Neptune in the 11th house indicates his dreams, fantasies of sex bunnies. Yet the 6th is also the house of addictions, and shows a man for whom one woman was too many and a hundred was not enough.

The 7th (marriage) cuspal sub lord Rahu is in house 10, Rahu's sign lord Mercury in house 7, lord of houses 1,2,10. Rahu is in the star of Jupiter in house 5, lord of houses 4,7,8, and in sub of Venus in house 6, lord of house 3, the CSL of houses 3,4 having no planet in its stars, signifying 2,7 marriage houses, 5th house of fun and love affairs, 8th house of sex and houses 1,6,10 of separation and divorce. The 7th cuspal sub lord Rahu in dual sign Gemini and Rahu's sign lord Mercury placed in dual sign Pisces indicate multiple marriage.

The 5th (fun and love affairs) and the11th (married life) cuspal sub lord Mercury is in house 7, lord of houses 1,2,10, in the star of Saturn in house 3, lord of houses 5,6, in sub of Sun

in house 7, lord of 12, signifying 2, 5,7 houses of fun and love as well as 1,6,10 houses of unhappiness in married life. Despite declaring that he had slept with more than a thousand women, Hefner spent much of his life 'looking for love in all the wrong places,' as he tearfully told The New York Times in 1992

His Pisces 4° 2' Uranus, a planet associated with things contrary to the norm as well as sudden changes, sits less than one degree from his 7th cusp, lending extreme eccentric character to his relationship life. Having age differences between partners is one common way this can work out; Hefner's 2nd wife was 36 years, 3rd wife 60 years younger than him. He's got both the feminine planets Venus and the Moon in the 6th house which can be seen as a symbol of profiting through women as "employees" over the span of six decades. Venus in the 6th house signifies finding love at the work place. The 6th is also one's employees and his second and third marriages are to women who worked for him. The 6th house also indicates day to day activities, so he needs women around him in his day to day activities.

Playboy Business

He started pioneering men's magazine Playboy in December 1953, in his Saturn-Mars joint dasa period, with $600 borrowed against his wedding furniture. It was an instant hit, the first issue selling 54,000 copies thanks to a half-naked centerfold and cover star Marilyn Monroe. And he went on to become a multi-millionaire businessman.

His 10th cuspal sub lord Ketu+ is in house 4, Ketu's sign lord Jupiter in house 5, lord of houses 4,7,8. Ketu+ is in the star of Sun in house 7, lord of house 12, and in sub of Moon in house 6, lord of house 11, signifying favorable houses 6,11 and houses 5,7,8,12 of love affairs and sex.

The 3rd (publishing) cuspal sub lord (GSL) Venus is in house 6, lord of house 3, the CSL of houses 3,4 having no planet in its stars. Venus is in the star of Rahu in house 10, Rahu's sign lord Mercury in house 7, lord of houses 1,2,10, and in sub of Saturn in house 3, lord of houses 5,6, signifying favorable 2,3,6,10 houses and public attracting 5th house with connection of sex planet Venus and printing karaka Mercury. And Mercury's conjunct Uranus reinforces the theme of publishing and communicating but doing so in a highly unusual manner. Strong Mars in the 5th house of intellect in exchange of sign with Saturn in the 3rd house gives artistic skills, literary arts and a talent for creative writing.

The 10th cusp and the 3rd cupal sub lord's star lord Rahu are also located in printing sign of Gemini in conjunction with Pluto of revolutionary upheavals. Venus, the karaka of love, marriage and physical attraction, but in this chart it is also a significator for desire and adventure (3rd house lord). This Venus is in Rahu's constellation Shatbhisha and Rahu is in the 10th house of public image and day to day activities, so he is in the company of open-minded and unconventional females, while Ketu in the 4th house is a symbol for Playboy Mansion.

The 2nd (wealth) cuspal sub lord Saturn is in house 3, lord of houses 5,6, in the star of Jupiter in house 5, lord of houses 4,7,8, and in sub of Rahu in house 10, Rahu's sign lord Mercury in house 7, lord of houses 1,2,10, indicating houses 2,3,6,10 for his wealth. In addition his 3rd house lord Venus is joined with 11th house lord Moon in the 6th house to become a millionaire.

is occupant of the 6th, owner of houses 9-10. Sub lord Jupiter is occupant of the 7th, owner of houses 1-10. No planet is in the star of Jupiter, and Jupiter is CSL of houses 7-11-1-5. For congress:
Bhukti lord Saturn is in the star of Mercury and in its own sub. Saturn is occupant of the 9th, owner of houses 11-12. Star lord Mars is occupant of the 6th, owner of houses 9-10. Sub lord Mercury is occupant of the 7th, owner of houses 7-4. Thus, bhukti lord saturn is the significator of houses 9-11-12-7-4. Hence, wining in the election is sure

For BJP:

Sub lord Ketu is occupant of the 5th. Ketu is aspected by Saturn. Saturn is occupant of the 3rd, owner of houses 5 -6. Thus, antra lord Mars is the significator of houses 12-3-8-1-5-6. Hence, wining in the election is sure

For congress:
Antra lord Mars is in the star of Sun and sub of Ketu. Mars is occupant of the 4th, owner of houses 9-2. Star lord Sun is occupant of the 7th, owner of the 6th. Sub lord Ketu is occupant of the 11th. Hence, wining in the election is sure

For congress:
Sookshma lord Jupiter is in the star of Rahu and in its own sub. Jupiter is occupant of the 7th, owner of houses 1-10. No planet is in the star of Jupiter and Jupiter is CSL of houses 7-11-1-5. Star lord Rahu is occupant of the 5th. Rahu is in CancerSign , thus represents Moon. Moon is occupant of the 9th, owner of the 5th. Sookshma lord Jupiter signifies houses 7-10-1-11-5-9. My opinion: It will be a very tough fight. In Bhukti BJP has houses 3-10 and Congress has 11 only. Thus, the chances of BJP winning are higher and victory is sure but the margin will be very low.

For Congress:
Bhukti-Sookshma lord Saturn is in the star of Mercury and sub of own. Saturn is occupant of 6, owner of 8-9. No planet in the star of Saturn and Saturn is CSL of 12. Star lord Mercury is occupant of 5, owner of 1-4. Sub lord is also Saturn. Bhukti-Sookshma lord Saturn signifies 6-8-9-12-5-1-4. Hence dasa lord not indicate wining in election.

For BJP:
Bhukti-Sookshma lord Saturn is in the star of Mercury and sub of own. Saturn is occupant of 12, owner of 2-3. No planet in the star of Saturn and Saturn is CSL of 6. Star lord Mercury is occupant of 11, owner of 7-10. Sub lord is also Saturn. Bhukti-Sookshma lord Saturn signifies 12-2-3-6-11-7-10. Hence dasa lord indicate wining in election.

My opinion: Bhukti-Sookshma lord Saturn not signifies 3-10-11 for congress, thus not chance of winning, so BJP will win this election.

Gurmeet Ram Rahim Singh jail for rape

By: VSN. Murthy, (K.P. Astro Consultant)

#404, Teja Garden Apartments, Prakashnagar,
KURNOOL- 4. (AP) Mobile:- 09440220874.
E-mail:- vsnm_vdl@yahoo.co.in; Vsnm.vdl@gmail.com

Gurmeet Ram Rahim Singh is an Indian guru, music producer, singer-songwriter, actor and filmmaker. He has been the head of the social group Dera Sacha Sauda (DSS) since 23 September 1990.

On 25 August 2017, Singh was convicted of rape by a special Central Bureau of Investigation (CBI) court. On 28 August 2017, Singh was sentenced to 20 years in jail for rape. He has also faced prosecution for murder and ordering forced castrations.

His birth particulars are taken from internet (YOU TUBE) and rectified. They are as follows:-
DOB:- 15 August 1967;Tuesday;
TOB:- 07-26-05 AM (IST);(Rectified)
POB:- Sri Gurusar Modia village in Rajasthan.(29-35-00N; 73-58-00E);

My astrological analysis is as follows:-
His Lagna falls in Leo Sign (15-34-31:-Sun-Venus-Sun as Sign lord-Star lord-Sub lord).
His Moon falls in Scorpio Sign (26-50-17:- Mars-Mercury-Jupiter).

In krishnamurthy paddhathi, the astrological rule to know the nature/mentality of the native is as follows:-
Generally the nature of the native can be identified by the sub lord of the ascendant, moon and mercury. If these three are all in the stars or subs of planets that are connected with bhavas 6-8-12, they signify conspirative, criminative, diplomatic, malicious, revengeful, relentless, shrewd, crafty and intriguing traits. It also indicates that the native will be a fraud, a villain, a rapist or a murderer etc.

In the natal chart of Gurmeet Ram Rahim Singh (Dera Baba):
(1) the Ascendant falls in Leo Sign 15-34-31. Its co-rulers are Sun-Venus-Sun as Sign lord-Star lord-Sub lord respectively. Sun (12-1) is in the star of Mercury (12-2,11) and in the sub of Saturn (8-6,7).
(2) Moon (4-12) is in the star of Mercury (12-2,11) and in the sub of Jupiter (12-5,8).
(3) Mercury (12-2,11) is in the star of Mercury (12-2,11) and in the sub of Mercury (12-2,11).

As the Ascendant/Lagna, Moon and Mercury are signifying 6-8-12 bhavas, it is tallied correctly as mentioned in the above rule.

K.p. rule for criminal proceedings:- if the sub lord of the 10th cusp (status) be the significator of houses 7 (court proceedings), 8 (infamy) or 12 (crimes) and be connected with malefics, the native will be involved in court proceedings relating to crimes, will be disreputed and will be inflicted with punishment, during the joint period of the significators of houses 7,8 and 12.

In the natal chart of Dera Baba, the 10th CSL Jupiter (12-5,8) is in the star of Mercury (12-2,11) and in the sub of Mars (3-4,9). The 7th lord, Saturn, is placed in Pisces (Jupiter's Sign) and it is aspected by Jupiter. Thus, the 10th CSL, Jupiter, is well signifying houses 7-8-12. So, the rule of Criminal Proceeding is also tallied well in this regard. It is a well-known fact that this native was convicted of rape by a Special Central Bureau of Investigation Court on

25 August 2017. On 28 August 2017, Singh was sentenced to 20 years in jail for rape, during the period of Mars dasa/Saturn bhukthi/Moon Anthra which runs from 06th September 2017 to 09th October 2017. Let us check it astrologically. It is as follows:-

House No.	Planets in occupant's stars	Occupants	Planets in owner's stars	Owners.
7th house	.....	.....	.....	**Saturn**
8th house	Ketu	**Saturn**, Rahu	**Mars**	Jupiter
12th house	Sun, Mercury, Jupiter, **Moon, Saturn, Mars**	Sun, Mercury, Jupiter	.....	Moon.

As shown in red ink in bold letters in the table of significators of houses 7-8-12, during the period of Mars dasa/Saturn bhukthi/Moon Anthra which runs from 06th September 2017 to 09th October 2017, he is convicted as per the criminal proceedings.

K.p. rule for imprisonment:-imprisonment implies separation from family-restrictions to free movement, confinement within four walls, leaving one's own permanent place of residence, and life in a new environment.
Separation from family is shown by afflicted 2nd house and the 8th house. A restriction to free movements and confinement within four walls, and life in an altogether different place is shown by the 12th house. The 4th house shows one's own place of residence. Therefore, the 3rd house (being 12th to 4th) shows leaving the present place of residence.
Therefore, the houses to be judged for imprisonment are 2, 3, 8, and 12.
Judge the 12th cusp and find out whether the following three conditions are simultaneously satisfied:-
1. The sublord of the 12th cusp should be rahu.
2. It should not be deposited in the constellation whose lord is retrograde, and
3. It should be a significator of either 2nd or 3rd or 8th or 12th houses.

If any one of these three conditions is not satisfied, one will not be imprisoned. For imprisonment, all the above three conditions must be satisfied simultaneously.
note:- in our experience, it is found that the sublord of the 12th cusp should not be rahu only. He may be either saturn or any one. He should be taken into consideration while judging the imprisonment).

In this natal chart:
(1) the 12th cuspal sub lord is Mercury.
(2)He is not deposited in the constellation of a retrograde planet.
(3) 12th CSL Mercury (12-2,11) is in the star of Mercury (12-2,11) and in the sub of Mercury (12-2,11).
Thus, all the three conditions are simultaneously satisfied. So this native is imprisoned during the conjoined period of the significators of houses 2, 3, 8 and 12.(ie) during the Dasa/Bhukthi/Anthra of Mars/Saturn/Moon.
(See the Table of Significators- House View):-
Mars is the significator of houses 2, 3, 8 and 12.
Saturn is the significator of houses 2, 8 and 12.
Moon is the significator of houses 2 and 12.

K.P.House Grouping Table (Navaratnamala-2.) – By Shri. Tin Win Ji, USA.

S.No.	Cusp Sub-lord	Subject matter	Houses to be signified	Joint DBA	Remarks.
1	5th CSL	Scandalous Love affair	5-8-12	5-8-12	.....
2	5th CSL	Having an affair with one's partner	5-8-11	5-8-11	.....
3	5th CSL	Enjoyment premarital sex	5&12; or 5&8; or11&8	5-8-12-11	Having a love affair with sexual relations.
4	8th CSL	Having disgrace, ill-reputation, spoken low in one's life	1-5-8	1-5-8	Lagna CSL should be connected to 5-8-12.
5	8th CSL	Dacoit (person of nuisance for others)	5-8	5-8	.....
6	8th CSL	Leader of dacoits or robes	2-8-10-11	2-8-10-11	.....

Signification of the 12th house:-loss, drudgery, deception, secret toll of mind, misery, misfortunes, intrigue and imprisonment, secret plots and schemes, conspiracy and cunningness, fraud and treachery, murder, assassination, scandal, disgrace, mental pain, bed comforts, charity, segregation as jails, asylums, invalid and the prisoner, Sanatoriums, Nursing homes, Ashramaas, arson, loot, rape, smuggling, blackmailing, Underground movements(living in dens), etc.
Signification of the 8th house:- Mystery and misery, misfortune, sorrow and strife, worries and privations, delay and dejections, disappointment and defeat, blame and ill-repute, wrong-actions, theft, robbery, corruptions, Sufferings caused by enemies, etc.
Significations of the 5th house:- pleasures, artistic talents and gains, recreation, entertainment, amusement, sports, dance , merriment and amusements, romance and similar interests, gambling, betting, Love affairs, courtship and licentiousness, Kidnap, rape, religious mindedness, profound learning and wisdom, spiritual practices, etc .

In this natal chart, the 5th and 8th CSL Moon (4-**12**) is in the star of Mercury (**12**-2,11) and in the sub of Jupiter (**12-5,8**). Thus, the 5th CSL, Moon, signifies all the required houses (**5-8-12**) of S. No 1 to 6 in the above table. So, it is justified astrologically that this native is involved in the Scandalous Love affair having an affair with one's partner and also enjoyment premarital sex etc.

Venus is a planet of glamour, (cinema & media), arts and luxuries. Such Venus (1-3,10) is in the star of Venus (1-3,10) and in the sub of Rahu (8). Rahu represents Mars (3-4,9). So, he became a songs writer, actor, filmmaker, etc leading a luxurious life.
Note:- Sun, Moon, Mars, Mercury, Jupiter and Saturn are the significators of the 12th house as A-grade significators. Saturn and both nodes are also signifying the 8th house. (See the table of significators).
Generally houses 12 and 8 are not good houses.

Astrological Study of Serial Killers

By: Sumanadasa Namarathna (Sunaparantha Kalyan)

To study the real issue of what astrological factors make a native to become a murderer is a big game hunting in the unlimited boundaries of the Astrological world. The subject has been studied by numerous western astrological researchers during a considerable period of time using latest scientific research technologies with the help of newly invented computer programs, and by the Vedic astrologers by using the olden principles including Yogas, combinations and many more Rishi's teachings.

As per the available research documents, western researches have used several systems by analyzing hundreds of trusted horoscopes of serial killers/murder to identify an overall astrological pattern such as Frequencies of Aspects of the planets, Combinations of Aspects, Effects of outer planets (Uranus, Neptune), Behavior of Nodes, Combinations of luminaries with other planets, Emphasis on the properties of the signs, Birth Year, Month, Stress aspects of Neptune with 7 main planets and many more hypotheses.

Among the rules used by Vedic Astrologers, scrutiny of the 4th house for one's psychological and philosophical make-up, influence of Upgraha, Gulika, Sarpa yoga for impulsive thoughts leading to anti-social criminal behaviors, Unmaada Yoga (Melancholy/Madness) and Pisacha Badhaka Yoga for one's aggressive thoughts have been considered as important. In some Vedic researches, Rahu is labeled as the main causative planet for criminals. In 2004, a Muslim Astrologer by the name of Muhammad Saleem Dada, in his study using charts of 52 murderers, with the grace and the blessings of Allah has revealed that the aspects of Pluto for four bodies in the natal chart as the prime rule founded at the rate of 57.69% of 52 charts and square or opposition of Mars to Jupiter, Saturn, Uranus, Neptune, Pluto, at the success rate of 36 out of 52 charts.

As such, according to the available information, no fool proof evidence for efficacious rules are found in empirical studies conducted by any school of Astrology in this connection, and it was limited up to a discussion level only in some astrological discussion forums and personal purviews. And also, no researcher had yet gone beyond the boundaries of the words MURDER or KILLER and, as such, consequential reactions like criminal proceedings, punishment for the act, etc. were not illuminated in any of research paper available. According to my limited knowledge of the available materials on this subject, neither Easterners nor Westerners have come to a solid conclusion yet to identify a murderer by the birth chart.

Whatever may be the hypothesis, my personal point of view in this connection is that if a person is identified as a murderer by completing and matching with any astrological parameter that appears in the natal chart, the following factsalso must be simultaneously and conclusively written in it.

In addition to the rule for Murder,

1) Rule for criminal proceedings.
2) Rule for Imprisonment or Death Sentence

That is why I concluded this to be big game hunting. On studying the western astrological research of serial killers, no evidence is to be seen in connection with the above requirements. When comparing with the other systems of Astrology, the KP system is the only tool for easy discovery of all at once. In KP, for research, no need to follow statistical test methods like T-Test, F-Test etc., but a simple approach by checking chart-by-chart in accordance with the Sub Lord Theory, is more than enough to come to an acceptable conclusion.

To kill a person, one should have sudden, exciting and rush impulses with energy, anger and aggression in mind. In astrology, most of these emotional factors are ruled by Mars, the king of the emotions, that make people martial, bellicose, quarrelsome, rash, impetuous, hot tempered, injurious, cruel, murderous and "left over" animal nature of the man. It predisposes towards anger, foolhardiness, gunshots, haste, hurts and murder. Also, Mars influences tend towards violence, disputes and quarrels and all blood shedding. Even in my initial checking of the charts under study, Mars doesn't seem to be a benevolent planet with its frequent connection with the terminal and untreatable houses of all the charts. These character traits in hand, connected with Mars and its negative connections, are principally the causes of murders, and causing people to do things under sudden, exciting and rush impulses. Also, the hypothesis of Mars is supported by some authors as below.

- **Sun and Mars afflicted at birth, which are the positive, electric and heat producing planets tend to produce Assassins** - *Encyclopedia of Medical Astrology by Dr. H.L.Cornell MD, DA*

- **Assassins are ruled by Mars, Neptune and 12th house.** - *The Rulership Book by Rex E. Bills*

As such my explicative judgment in this study goes toward Mars, the Son of the Gun.

Observations of Table - 02

1) Mars is a significator for 6, 8, 12 *(by 4 or 6 fold)* almost all charts.
2) Saturn is amongst the Co-Rulers of Mars *OR* Saturn is connected with any of the co-rulers in almost all charts.
3) Saturn presents as the sub Lord of the Ascendant in 4 natal charts, and Saturn is in any way connected with the sub lord of the Ascendant in all the rest.
4) Saturn is in any way connected with the 6th cusp in 20 charts out of 30. Hence, taking Saturn as a significator for the 6th house is immaterial and this signification of Saturn doesn't indicate all the killers chart like Galon U Saw (Murderer of General Aung San), Nathuram Godse (assassin of India's Mahatma Gandhi) and some more, which are not included here, but were under my observation.
5) But as in above 3 & 4 Saturn plays a great role in all the charts irrespective of its particular house signification.
6) No significant pattern indicated in the signs occupied by Mars.

Criminal Proceedings

KP Rule - If the sub lord of the 10th cusp (Status) be the significator (in the star of the occupant or owner) of houses 7 (court proceedings), 8 (infamy) or 12 (crimes), the native will be involved in court proceedings relating to crimes, will be ill-reputed and will be inflicted with punishment, during the joint period of the significators of houses 7, 8 and 12. *(Ref: Prashna Jyotish by C R Bhatt, page no: 316)*

2) Killers Chart Nos. 3, 10, 11, 14, 21, 24 & 30 were sentenced to death penalty.

Capital Punishment (Death Penalty) by the court of Law

If a native is to be put to death by a third party in any manner, it is an unnatural death. In KP, unnatural death is indicated by 1st and 8th CSLs' signification of Badhaka, Maraka, 8, 12th houses with connection to Mars.

Death by Law is denoted when Saturn is involved in the configuration otherwise indicating a violent death, as Saturn is said to rule Judges and the Law. (Encycl. of Medical Astrology by Dr. H.L.Cornell). In my point of view, though this is an unnatural death, it is an execution of sentence to be put to death, which comes through the order of the court of law. Hence, the houses 9 (Law suit) and 11 (Court Order- 3rd from 9th court) are also to be considered to complete the rule.

Table 06 - Application of Death Sentence rule

Table - 06 : Observation

1) Rule for unnatural death is satisfied in almost all the charts.
2) Saturn is connected with the sub of the 8th house, the house of death, indicating law enforcement in all charts
3) Ascendant Sub Lord or the 8th Sub Lord is a significator for houses 9 & 11 in all charts.

Note: Further empirical study should be done on a sufficient number of charts of death by execution to confirm the 9, 11 house significations for death sentence.

Final Conclusion

If the following three KP rules are simultaneously satisfied in the natal chart, the native could be identified as a serial killer.

(a) If Mars is a significator for houses 6, 8, 12 and is connected with Saturn, who is in any manner connected with the Ascendant.

(b) If the 10th cuspal sub lord is a significator for houses 7, 8, 12 and is connected with Rahu.

(c) If the 12th sub lord is a significator for houses 2, 3, 8, 12

And, together with the above three rules,

(d) If the Ascendant and 8th house sub lords are significators for houses 8, 12, Maraka, Badhaka, and are in any manner connected with Mars, Saturn and houses 9, 11, the native will be punished with the death penalty pronounced by a court of law.

A friend of my wife posed the above question by furnishing her birth details, expressing her deep anxiety. Following are the birth details as furnished by the native—
DOB—08 JUNE 1944
TOB—07-21-18 a.m
POB---Nagayalanka, A.P.
The natal chart is attached.
The 8th house of the native in the chart indicates surgery.
The KP rule on this subject says -" if the 8th cusp sub lord signifies-houses 6th-sickness/ disease, 8th- house of surgery and problems for the native, or 12th house-indicates hospitalization and confinement to bed, the native will undergo surgery.
The same sub lord should also be in some way connected to Mars- karaka for knife and surgery. Operation/ surgery will take place during the conjoined period of the significators of houses 6-8-12.
Analysis of the native's natal chart—as per the chart, the 8th cusp sub lord is Rahu+. No planets are placed in Rahu's stars and so Rahu strongly signifies the 8th house. Rahu is placed in the 2nd cusp with Mars –the 6th cusp lord and, thus, Mars' connection with relevant houses is established.
Rahu is placed in the star of Saturn–lord of houses 9 and 10, placed in the lagna cusp, and in the sub of Mercury, lord of houses 1 and 5, placed in the 11th cusp. It is placed within 2 degrees orb to the 12th cusp signifying the 12th cusp also.
Rahu represents Moon, Mars and Jupiter.
Moon is the lord of the 3rd house, placed in the 7th –badhaka sthana lord, Mars is the lord of the 6th placed in the 2nd, and Jupiter, lord of houses 7,8 and 11, placed in the 3rd cusp.
Thus, the 8th cusp sub lord Rahu+ signifies –
6th cusp- disease, 10th cusp- karma sthana- experiencing the past karma, 5th cusp- cure for the disease, 11th cusp- treatment by cure, 7th cusp- medication, badhaka sthana ie physical suffering, 8th cusp- surgery and 9th cusp – bhagaya sthana.
So, from the above significations, it is clear that this native would have to undergo surgery and she would also have the cure for the problem.

All the above significations clearly indicate that this native is destined to undergo spinal cord surgery and will also have a complete cure before 8/August/ 2017.
The same has been informed to the native that she would undergo spinal cord surgery and complete cure before 8/8/2017.

RULING PLANETS & RECTIFICATION OF BIRTH TIME:-

The ruling planets at the time of judgment correspond or agree or tally with:-

The ruling planets at the birth; OR

The Signlord, Star lord, sublord and Sub-Sublord of the ascendant at the birth.

The Signlord, Star lord, Sublord and Sub-Sublord of the Ascendant at the birth are found either in the star or sub of the ruling planet or planets at the time of judgment.

S.No & Name of the Ruling Planet	At the time of judg-	At the time of	Remarks
Lagna Star lord	Venus	Mercury	Mercury(Lagna Star lord at birth) is reflected as Lagna Signlord of RP
Lagna Sign lord	Sun	Moon	Moon(Lagna Signlord at birth) is reflected as Day lord of RP.
Moon Star lord	Mars	Venus	Venus(Moon Star lord at birth) is reflected as Lagna Star lord of RP.
Moon Sign lord	Mercury	Moon	Moon(Moon's Sign lord at birth) is reflected as Day lord of RP.
Day lord	Moon	Mars.	Mars(Daylord at birth) is reflected as Moon starlord of RP.

Ascendant at the birth is in VIRGO 17-31-42. It is jointly ruled as under:-

Signlord- Star lord- Sublord- Sub-Sublord
Mercury- Moon- Saturn- Jupiter

Mercury(signlord) at birth is directly reflected as Moon's Star lord of RPs at the time of judgment. OK.

Moon(Star lord) at birth is directly reflected as Daylord of RPs at the time of judgment. OK.

Saturn(Sublord) at birth is in the star of Sun and in the sub of Mercury. This Sun is reflected as Star lord of Lagna RPS at the time of judgment. Mercury is reflected as Star lord of Moon RPs at the time of judgment. OK.

Jupiter(Sub-Sublord) at birth is in the star of Ketu and in the sub of Moon. Ketu is reflected as sublord of Lagna as well as Moon RPs at the time of judgment. Moon is also reflected as daylord of RP at the time of judgment. OK.

Thus in this case, the ruling planets both at the time of judgment and birth tally. The joint rulers of the Ascendant at the birth also correspond to the ruling planets at the time of judgment. So the given birth time is correct.

If the rectified time of birth is truly correct, then the Ascendant must be linked with the 9th cusp.

In the natal chart of Sri. RK, (1) the Ascendant Sign lord Mercury and the 9th cusp Sign lord Venus both are in the sub of Sun. Thus both 1st CSL Mercury and 9th CSL Venus are well connected through a third planet Sun. (2) The Ascendant Star lord is Moon and the 9th CSL is also Moon. Both are one and the same planet. (3) The Ascendant Sublord is Saturn and the 9th CSL is also Saturn. Both are one and the same planet. Thus ROO is also tallied. Hence it is confirmed that the given birth time is correct one.

Sun(Atmakaraka), Jupiter(Progeny Karaka), Venus(Kamakaraka) any one among these three one must reflect as 9th cusp co-rulers. Then only the birth chart is correct.
In this natal chart Venus reflected as Signlord of the 9th cusp. So it is once again confirmed as a correct one.

Verification of the past events:-

Married on 04-03-2001:- during the joint period of Rahu/Venus/Jupiter/Rahu:- from 22-02-2001 to 15-03-2001.

Dasa lord and Sookshmalord Rahu signifies 11th and 8th houses which are required houses for marriage.

Bhukthi lord Venus signifies 2nd house. Venus is the CSL of 2nd cusp having no planets in it s stars. Thus Venus is a strong significator for 2nd house. OK.

Anthra lord Jupiter signifies 7 and 11 houses. OK.

Question 1: Transit

For predicting the time of an event,

1. Some are of the opinion that transit of planets is only is an value added information and nowhere it is mentioned that PROVIDED the transit agrees, then only the event will take place, in the joint period of rulers.

2. Some more are of the opinion that the joint period rulers are in transit either of star or sub of the significators, for the event to take place.

3. One more group is of the opinion that the joint period rulers, sun and moon should transit either in the star or sub of the joint period rulers ONLY for the event to take place.

I request for your valuable opinion and guidance for me.

Answer 1:

In the timing of events, generally an event happens during the joint DBAS period of the significators when transit agrees. Particularly at the time of event, Sun, Moon and joint period DBAS lords are generally found to be transiting-

a) mainly in the star or sub of the same joint period DBAS lords;

b) additionally in the star of the significators of the event (other than the joint period DBAS lords) in the horoscope.

It is to check first the chosen DBAS lords whether they are transiting in the star or sub of the same DBAS lords and then other planets. Here it is not open-ended to take the signification of transiting DBAS lords which is not promised in the natal chart for them. And then for accurate timing, it is to choose the transiting Sun and Moon, which are mostly found in the star or sub of Sookshma lord at the time of event. For slow moving planets, in addition to stars and subs, the bhavas they are transiting may be also taken into account.

Needless to say the sub will decide the matters signified by the star of transiting planets are favorable or not. The signification of star and sub, in which planets are transitting, by occupation and lordship will be as per the for-ever- fixed `Bhavas' of the natal chart in accordance to the time and place of birth. However, if the native has been resided in another place for a long time, the relocation chart would be better fit for prediction. (*KP Reader V: Transit*, 1983 Edition page 155 (2004 Edition page 162): "*One should not always calculate the Ascendant for the place of birth unless the native is permanent in his birth place.")*

In the Rangarajan Krishnamoorthy's computer analysis of 1005 (one thousand & five) TOB AA rated marriage charts collected by Kanak Bosmia, transit DBAS lords, Sun, Moon are found transiting in the star & sub of DBAS lords by 79% (Dasa lord), 76% (Bhukti lord), 76% (Antara lord), 76% (Sookshma lord), 79% (Sun), and 80% (Moon) respectively on the date of marriage, in line with KP transit.

Question 2: Timing of Event

Sometimes, the event does not happen at that time of prediction.

What can be the probable reasons, for such a situation?.

Is it the selections of fruitful significators has gone wrong?.

Is it that transit of joint period rulers is not agreeing?.

To avoid the birth time correction/ doubt in birth time, Horary no. is taken. Even then , some

times, it is happening.
OR any other reasons are there.
I request you to kindly educate me in this regard.

Answer 2:
The timing of event is the most difficult task even for well experienced astrologers. The main reason of failure is choice of fruitful significators as DBAS lords and their sequence.

Question 3: KP New Ayanamsa
Should KP Straight Line (Adjusted) Ayanamsa be preferred in KP Astro 4.5 SW to cast chart with accuracy and identical to chart being cast with KP StarOne 6.7.24 when KP NA is selected...I have gone through your guidelines on KP Straight Line (Adjusted) Ayanamsa and you say sir that the value of this ayanamsa is correct up to the required month and date, which is called the 'KP straight line (adjusted) ayanamsa' in the KPAstro 3.5, since its first...

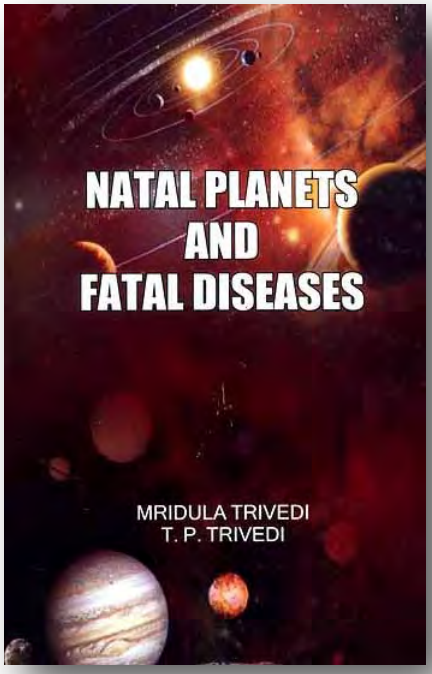
Natal Planets and Fatal Diseases
by Mridula Trivedi , T.P. Trivedi
Sukriti Nikunj, 2009, 284 pages



This is a Vedic medical astrology book based on research of various birth charts on many types of diseases, as shown in the contents.

In this book, the study of various cases covers almost all general and complex problems of heart. It is said that the chief significator of heart, the Sun should be unafflicted and strong. However, subsequently Mars, Moon, the 4th house and 5th house, Cancer and Leo sign, play a role in creating heart problems of different kinds. If the 4th house is occupied by the Sun in association with malifics like nodes, Mars and Saturn, it may cause heart problems. The problem will be more severe if the concerning planets own the 6th, 8th and 12th house or 4th lord occupies trikas with affliction. However, if Rahu or Ketu occupies 4th house with the Sun, under close association and the 4th lord is posited in 6th, 8th, or 12th house, the heart attack is almost certain. If the lord of the maraca houses i.e. 2nd and 7th houses are posited in the 4th house and fall in the constellation of malefic or nodes, one will certainly suffer from pain in the heart. There are various planetary configurations which give rise to massive heart attack, other heart problems like coronary thrombosis, Engina, Trachocardia, Malfunctioning of left ventricle, hole in heart, myocardial infarction, and swelling of heart, valve and electrical impulse problems. Saturn and Rahu mostly create blockage in the blood vessel and if Ketu plays a negative role and afflicts Sun, diseases like trachocardia and SAN (Sino Atrial Node) may be evident.

Leonardo da Vinci's Christ painting sold for record $450 million

By: Tin Win
Email: tw853@yahoo.com

"Iron rusts from disuse; water loses its purity from stagnation and in cold weather becomes frozen. Even so does inaction sap the vigors of the mind."

Short Note

A painting of Christ by the Renaissance master Leonardo da Vinci was sold for a record $450 million at Christie's auction house in New York on November 15, 2017, smashing previous records for artworks sold at auction or privately.

The highest price paid for a work of art at auction had been $179 million for Pablo Picasso's painting "Women of Algiers (Version O)" in May 2015, also at Christie's in New York. The highest known sale price for any artwork had been $300 million for Willem de Kooning's painting "Interchange," sold privately in September 2015 by the David Geffen Foundation to hedge fund manager Kenneth C. Griffin.

The 26-inch-tall (66-centimeter-tall) Leonardo painting, 'Salvator Mundi', Latin for 'Savior of the World,' dates from around 1500 and shows Christ dressed in Renaissance-style robes, his right hand raised in blessing as his left hand holds a crystal sphere.

The Ascendant lord Mars in the 2nd house, Moon and 4th lord Jupiter in the 3rd house are low in the chart, showing that Leonardo and Mom are lowly. Leonardo da Vinci was born as an illegitimate child, which must have been a huge disadvantage in Catholic Italy in his time. Despite that he managed to rise to unprecedented heights with the help of his art. Leonardo is best remembered as the painter of the Mona Lisa (1503-1506) and The Last Supper (1495).

Planetary Pattern of great master of painting

5th (artist, creativity) cuspal sub lord (CSL) Saturn+ is in house 10, lord of house 3, CSL of houses 2,5,8 having no planet in its stars. Saturn is in the star of Mars in house 2, lord of houses 1,5,12, and in sub of own Saturn, signifying houses 1 (self effort), 2 (talent and ability, resources, natural endowments), 3 (ability, communication), 5 (artistic endeavor), 8 (deep thought), 10 (action, social status, fame, authority, career, honors), 12 (mystery).

Saturn (science) is conjoined with Neptune (imaginative and artistic ability). Saturn opposing Mercury (mental ability, thought and communication) gives precision to his work, and produces sound mind suited for study, and also makes him a deep thinker.

10th (action, social status, fame, authority, career, honors) cuspal sub lord Moon is in house 3, in the star Rahu in house 1, it's sign lord Jupiter in house 3, lord of houses 2,4, and in sub of Venus in house 6, lord of houses 6,7,11, signifying houses 2 (talent and ability, resources, natural endowments), 3 (ability, communication), 6 (activity, gain), 11 (gain, fulfillment of desire) and being connected with Venus (art and beauty, painter).

The Moon is conjunct within 2 degrees of expansive, benevolent Jupiter in the 3rd house of ability and communication. The impact of this planet on his mind, which is a Moon thing, is to produce optimism, ongoing growth, philosophy, wealth, and grandness. In a personal way the Moon brings emotion to him. His work can be found as poetically emotional.

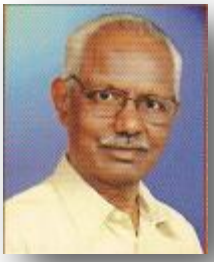
Venus (art and beauty) in Taurus shows a strong sense of beauty which Leonardo had. Sun in Aries (fire sign) 5th house, in Venus star gives creative ability. The Sun rules the 9th house of faith, so there is a sense of divine inspiration in Leonardo's horoscope.

The 10th cusp is conjoined with Neptune (genus, imaginative and artistic ability), giving great artistic skill and appreciation for both art and science. The 10th cusp in Virgo shows precision, hard work and the quest for the perfect result. Fortuna in the 10th house makes him lucky for matters of this house.

Uranus (planet of super knowledge, intuition and genus) is conjoined with Pluto (rebirth) in house 8 (depth of thought). Pluto is also tapped into things that are generally hidden. Mars-Uranus connection here by opposition is common in genius. Mars is Ascendant lord in the 2nd house of talent.

Death

Leonardo died at age 67 on May 2, 1519 in Amboise, France, where he brought the painting Mona Lisa, which now hangs in the Louvre museum in Paris with her "mysterious smile". It was the joint dasa period of Dasa Venus (9,7,6), Bhukti Sun (9,2,7,12,6) and Antra Saturn (2,12,10 of significators of death causing Badhaka 9, Maraka 2,7, Moksha 12, sickness 6 and retirement from this world 10.



K.P system defines "Who is an Astrologer? What makes an individual to become an Astrologer?"

Indian Astrology has undergone many shades of changes during the 19th and 20th centuries. Lot of research work went into the subject to augment the quality of the astrology to establish its scientific nature and accuracy of predictions. And finally, it is Sri K S Krishna Murthy, the wizard of astrology, who festablished the unique K P system. This K.P System is a great achievement in Indian astrology and predictive astrology.

Krishnamurti Paddhati, popularly known as KP System, is considered to be one of the most precise astrological systems in India. This is an excellent system / paddhati for astrological predictions conceived and created by The Great Indian Astrology wizard late Prof. K.S. Krishnamurti. KP System is based on finer points of Indian and Western astrology and borrows important concepts from many branches of astrology. Regarded as the most accurate system of present times, KP System of astrology is easy to learn and easy to apply. Contrary to classical Hindu astrology, KP system is systematic and very well defined.
This Astrology System is based on star lords and their sub divisions called as sub lords. Prof. Krishnamurti discovered the method of Horary Horoscopes and Natal Indian astrology, which provides clear, concise, accurate and correct predictions.

This method is logical and gives a completely scientific approach to astrology. This has been proved time and again by ongoing research in KP astrology conducted by many reputed astrologers like Sri Kuppu Ganapathi,Tin Win, Kanak Bosmia, Sumanadasa Namarathna from Srilanaka, Chandrakanth Bhatt, P. V. K. Punneswara Rao, O V N Murthy, K M Subramanyam, K Hariharan and many more, even from west, with their unending thirst for giving reliable and accurate findings.

Since KP system and its theories have gained an undisputable foundation in astrology, I feel that there is no necessity to elaborate the basics and intricacies of the KP System.

With this background on K P system of astrology, I would like to analyze the natal chart of a reputed astrologer of our present times.

The birth details of Mr Astrologer are furnished hereunder---

In this regard, Mr Tin Win, advisor on the editorial board of our KP Ezine, has summed up the pith and core of the K. P rule pointing to the prerequisites for becoming an astrologer as—(see K P EZine issue of Sep 2012)--

--Uranus (astrology), Neptune (intuition)

B) And Signs such as-

--Aquarius (astrological sign),
--Gemini (sign of intellect).

II) Publication of K.P. Ezine magazine and some astrology books---

We have to consider houses 3rd and 11th for writing and publication of books and magazines.

Mercury indicates writing, Jupiter indicates publication, and Mars indicates printing.

The Rule is – if the sub lords of the 3rd and 11th be Mercury (for writing) or Jupiter (publication) or if they are the significator of houses 3 and 11 and be connected with Mercury, Jupiter and Mars (printing), the native will be in a position to write and publish books, and run the magazine, during the conjoined period of the significators of houses 3 and 11.

Chart analysis—

I)as per the rule no.1-

A) First cusp sub lord is Mercury. The first cusp falls in Sagittarius Sign, which is 9th in the natural zodiac indicating astrology, with Jupiter as the giver of divine knowledge, as the primary requirement of an astrologer. Sagittarius Sign indicates forecast/ forecasting. Aquarius, the 2nd cusp of the chart, indicates astrology.

Mercury as the Asc. Sub lord is the lord of houses 7 and 10 and is placed in the 2nd cusp. It is placed in Rahu star and Rahu sub, and Rahu is placed in the 8th cusp (Leo). Rahu represents Sun, lord of the 9th, andis placed in the 2nd cusp, and Mercury, lord of houses 7 and 10, placed in the 2nd cusp.
Thus, the first cusp sub lord, Mercury, signifies @its star and sub level—
Houses 2-speaking and prediction abilities, 7-connected with the public at large in counselling, 8-connected with mysterious arts like astrology, and 9- higher knowledge and astrology.

From the above significations, it is very much clear that this native is highly endowed with the primary requisites of a good and successful astrologer.

B) the lagna cusp is connected with the most important planets i.e. Mercury (SBL) and Jupiter (SGL) as a primary requirement for a good astrologer.

The lagna cusp is also connected with Mars-indicating printing apart from courage, boldness to predict freely, and without any inhibitions and hesitations.

Mars directly aspects lagna by its 7thaspect. It is also aspected by Moon, the lord of the 8th house, signifying the secret faculties and arts.

The lagna lord, Jupiter, as a divine guru of celestial knowledge, aspects the 5th cusp- house of intuition and intelligence by its 5th aspect, 9th cusp by its 9th aspect, and 8th cusp by its 7th aspect. Thus, it is clear that this native is blessed with providential help and the blessings of divine Guru Jupiter in his astrological predictions and teachings.

Actually, the lord of the lagna Jupiter is placed in the first cusp with Saturn, lord of the 2nd and 3rd cusp,s giving him very keen and spiritual concentration in the occult science – astrology.

The lagna lord Jupiter is also aspected by Uranus, a planet of research and a significator of unconventional and rational thoughts, by its 7th aspect from 8th house, giving him the quality of probing deeply into the science of astrology with a research bent of mind, leading him to formulate many modified K P rules on various topics and to write articles and books.

II) Publisher of astrology books and astrology magazine—

As per the rule no.2—the 3rd cusp sub lord is Saturn who co-rules the 11th cusp also.

No planets are placed in Saturn stars and so Saturn strongly signifies cusps 3 and 11.

Saturn is the lord of houses 2 and 3 and is placed in the 1st cusp in close conjunction with lagna lord, Jupiter, responsible for publications. Saturn is in the star of Sun, lord of the 9th placed in the 2nd cusp in conjunction with Mercury – responsible for writing faculties in the field of astrology.

Saturn is the sub of Jupiter, lord of houses 1 and 4 and is placed in lagna in Capricorn Sign - a sign of debilitation, giving rise to "neecha bhanga raja yoga".(Lord of Jupiter's exaltation sign-Cancer- its lord Moon is placed in Kendra from lagna-in Gemini- and thereby cancelling the debilitation). He started his astrology studies in the year 1999, that is during Saturn dasa and Moon bhukthi.

It is this Saturn dasa and Jupiter bhukthi in Feb 2007, this native has started his astrology magazine which has been running successfully for more than a decade and attaining to international standards.

Added to this, the native is also blessed with "Nipuna yoga" formed through Mercury and Sun in the 2nd cusp (within the range of 06-00-00 degrees of Aquarius sign- one of the astrology karaka signs).This yoga gives very keen and probing intelligence with fine analytical powers to interpret the planets and its effects. Though it is less powerful when compared to " Budha-Aditya yoga", it gives sharp mind, good education, high energy levels with high reputation in his circles.

This native has been contributing a lot to the great cause of spreading KP system of astrology by his continuous research works, publication of astrology books and grooming many budding astrologers.

The above analysis proves beyond doubt that it is not the academic qualifications that matter, but it is the inborn thirst for knowledge, and that too for the knowledge of occult sciences, that has driven the native by the forces of divine astrological factors which he has brought with him from his past life karma.

I take this opportunity to salute our astrology guru late Sri K S K who has formulated lucid and precise rules for unearthing the secrets of the natal chart.

A Case Study of Neurological Ailment on the Basis of KP Astrology

By: Sanjeev Sharma

Jyotish Visharada, Jyotish Bhushan, ICAS,
Advance Diploma in KP Astrology from KPSARI

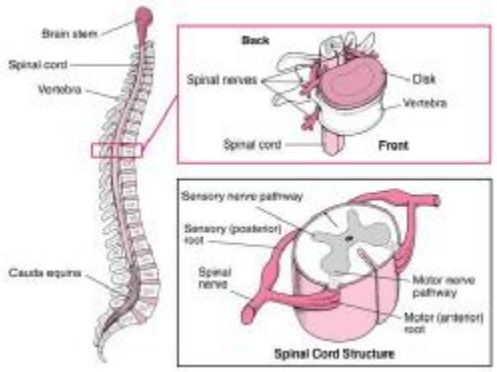
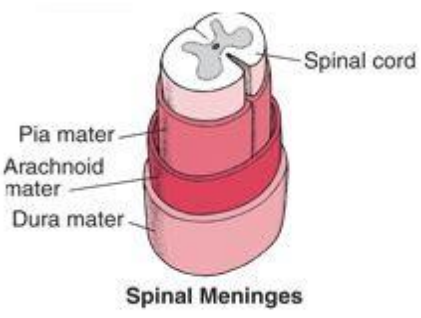
A case of spinal and neurological ailment was referred to me to know the future of the native, and to detect the chances of recovery, if any. The native in question is a girl, aged 20 years. She had three successive surgeries in this connection viz. in 2005, 2009 and 2016. After the third surgery, the native is completely bed ridden, and is not able to see. Her listening capabilities are impaired as she can listen only when someone speaks loudly in her ear.

To understand the nature of the ailment, we have to understand the process of the signal transfer from the sensory organs to the brain in the human body. The spinal cord, the column of nerve fibers responsible for sending and receiving messages from the brain, runs through the spinal canal. It is through the spinal cord, and its branching nerves, that the brain influences the rest of the body, thereby controlling movement and organ function. Obviously, the process of surgery disturbed the spinal cord and its connected nerves, and this is liable to increase the gravity of suffering manifold.

Here is a little effort to understand, and to decipher, the problem on the basis of KP Astrology. Let's try to understand the role of the Spinal Cord in the human body. In this order we have to understand the central nervous system which controls most functions of the body and mind. It consists of two parts: the brain and the spinal cord.

The brain is the center of our thoughts, the interpreter of our external environment, and the origin of control over body movement. Like a central computer, it interprets information from our eyes (sight), ears (sound), nose (smell), tongue (taste), and skin (touch), as well as from internal organs such as the stomach. The spinal cord is the highway for communication between the body and the brain. When the spinal cord is injured, the exchange of information between the brain and other parts of the body is disrupted.





Most systems and organs of the body control just one function, but the central nervous system does many jobs at the same time. It controls all voluntary movement, such as speech and walking, and involuntary movements, such as blinking and breathing. It is also the core of our thoughts, perceptions, and emotions. When an injury to the central nervous system occurs, the soft tissue of the brain and spinal cord swells. It thereby causes pressure because of the confined space. The swelling makes the injury worse unless it

is rapidly relieved. Though many organs and tissues in the body can recover after injury without any intervention, unfortunately, some cells of the central nervous system are so specialized that they cannot divide and create new cells. Therefore, recovery from a brain or spinal cord injury is rather impossible.

The complex nature of the central nervous system that makes the formation of the right connections between brain and spinal cord cells is still unexplained. It is a huge challenge for medical science to recreate the accurate structure of central nervous system that existed prior to the injury. Neurons connect with one another in order to send and receive messages in the brain and spinal cord. Many neurons working together are responsible for every decision made, every emotion or sensation felt, and every action taken.

Over one million axons travel through the spinal cord, including the longest axons in the central nervous system. Neurons in the motor cortex, the region of the brain that controls voluntary movement, send their axons through the cortico-spinal tract to connect with motor neurons in the spinal cord. The spinal motor neurons project out of the cord to the correct muscles via the ventral root. These connections control conscious movements, such as writing and running.

Information in the form of complex signals also flows in the opposite direction resulting in involuntary movement. Sensory neurons provide feedback to the brain. Some of this sensory information is conveyed directly to lower motor neurons before it reaches the brain, resulting in involuntary or reflex movements. The remaining sensory information travels back to the cortex.

Although spinal cord injury causes complex damage, a surprising amount of the basic circuitry to control movement and process information can remain intact. This is because the spinal cord is arranged in layers of circuitry. Many of the connections and neuronal cell bodies forming this circuitry above and below the site of injury survive the trauma. The question is still unanswered as to how to re-establish the lost connections of the central nervous system.

The 6th cuspal sub lord is Moon and the star lord is Sun. Both luminaries are in the star of Ketu along with Venus. Ketu is conjoined with Saturn in the 3rd cusp which shows the gravity of the illness. It is obvious from the chart that the native received substantial internal head injury during Ketu Dasha which was perhaps ignored at that time, not considered as serious, and it was but liable to form thrombosis in the brain. With due course of time, this clot moved to a vulnerable area of the brain and disrupted the blood supply of a particular portion of the central nervous system. Later, surgical interventions produced more harm than any good as the time chosen for this was not favourable to the native. Mercury is in Aries (brain), and it's star lord is Venus (vision). Saturn is in Pisces (3rd house- communication), and in Mercury star (communication- nervous system, etc.), creating substantial blockage as it is linked with Moon and Mars through Ketu. Here, Ketu is also responsible for disconnection of neurons from the central nervous system.

Here we can see that all the surgeries were performed during unfavourable dashas. The first surgery was done during 2005 in the dasha and antara of Venus-Moon signifying no relief to the native. Similarly, second surgery was performed in 2009 during the dasha of Venus-Rahu, resulting in the same story repeating once again, and the last surgery was done in 2016 during the dasha of Venus -Mercury, which failed to offer any relief, and instead it brought disaster upon the native as she is now confined to the bed, not able to see, and has lost her hearing capacity to a large extent.
This is sad for me to declare that the native is bound to live without any significant relief.

Abstract
Accurate birth time is very important to arrive at accurate predictions. In KP, the cuspal sub-lords vary for a few seconds change in birth time. This change in birth time can lead to a variation from few days to months in dasa periods. This variation impacts the prediction date. At present, there are many birth time verification methods available. This article provides a new Birth time verification technique. It helps astrologers to assess if a given birth time is accurate or needs rectification.

Introduction

As we all know, in astrology to generate a birth chart, we need 3 elements: 1) Place of Birth 2) Date of birth 3) Time of birth. A lot of emphases is given to birth time as it plays a vital role in deciding the cuspal positions. A correct birth time helps astrologers to conduct accurate analysis and predictions.
There are a lot of Birth rectification methods available to correct the given birth time. Some of them include a pre-natal epoch, Gender-based rectification, Star based rectification, Tattva Siddhant, and Varaha Mihira on Lost horoscopes. Astrologers will pick up their choice of method to rectify the birth time. Once it is rectified, it needs to be verified for its accuracy.
There are a lot of verification methods to verify the rectified birth time. Our Guruji, Prof.K.S. Krishnamurti gave verification rules based on Ruling Planets at the time of judgment. In addition to it, M. Shanmugam gave the rule to verify the Ascendant Cuspal Sub Lord to reflect native's birth star. Also, there is the Rule of Origin for birth time verification.

Hypothesis

The soul is immortal. When the soul possesses the body, it is called 'birth' and when the soul leaves the body, it is called 'death' or 'moksha'. Since the soul uses the body as a vehicle for its journey in this birth, both the birth and death/moksha should have a connection. In astrological terms, the birth is denoted by Ascendant and moksha is denoted by 12th. Hence, the Ascendant and 12th cusp should have a connection if the birth time is accurate.
Based on the above hypothesis, I invented the Rule of Soul. If birth time is accurate or correct, one of the following rules should match:

- *Rule 1: The 1st Cuspal Sub Lord should connect to all co-rulers of 12th cusp AND 12th Cuspal Sub Lord should connect to all co-rulers of the 1st cusp.*
- *Rule 2: The 1st Cuspal Sub Lord should connect to all co-rulers of the 12th cusp.*
- *Rule 3: The 12th Cuspal Sub Lord should connect to all co-rulers of the 1st cusp.*

Note: Here the co-rulers of the cusp are sign-lord, star-lord, and sub-lord.

Data Analysis & Observations

I analyzed 123 birth charts which are all rectified. Several seasoned astrologers provided immense information on birth time rectification. These people rectified lots of birth charts. I took those rectified charts for my analysis. From the analysis of the charts, here are my observations:

90% of the charts (111 out of 123) satisfied Rule 1.
9% of the charts (11 out of 123) satisfied Rule 2.
1% of the charts (1 out of 123) did not satisfy any of the above rules.

Conclusion

Out of the 123 charts (birth time rectified) analyzed, 99% of the charts satisfied the Rule of Soul - *The 1st Cuspal Sublord should connect to all co-rulers of the 12th cusp AND 12th Cuspal Sub Lord should connect to all co-rulers of the 1st cusp. At a minimum, one Cuspal Sub Lord should connect to all co-rulers of the other cusp.*

Next Steps

Please inform me of your experience with this rule and share if you have any charts for my research.

Examples

I am providing 3 examples as a sample to show the verification rules mentioned above.

Example 1:

DOB: 27/03/1969; POB: New Delhi; Given TOB: 20:07:00 IST; Rectified TOB: 07:34:00 PM; *SOURCE: Easy way to learn KP: Birth Time Rectification by Kanak Bosmia, Example 3, Page 34*

In the above chart, the 12th Cusp Sub Lord is RAH. The Asc rulers are MER-MAR-JUP. Here is how RAH connected to ASC rulers:

- RAH is conjoined with MER. In addition, MER is in the sub of RAH.
- RAH and MAR both are in the sub of MER.
- RAH is in Pisces. So, RAH represents JUP.

In the above chart, ASC Sub Lord is JUP. The 12th cusp rulers are MER-SUN-RAH. Here is how JUP connected to 12th cusp rulers:

- JUP is in MER sign (Virgo). MER is in JUP sign (Pisces) and in the star of JUP. In addition, JUP aspects MER with its 7th aspect.
- JUP is in the star of SUN.
- RAH is in Pisces and is an agent of JUP. Also, JUP aspects RAH with its 7th aspect.

In Summary, Rule 1 of '*Rule of Soul*' is satisfied.

Example 2:

DOB: 22/8/1944; POB: Patna; Given TOB: IST; Rectified TOB: 09:57:00 AM; *SOURCE: Rectification of Birth time by Prof. K.S. Hariharan, Page 17*

In the above chart, the 12th Cusp Sub Lord is MER. The Asc rulers are MER-MON-VEN. Here is how MER connected to ASC rulers:

- MER is connected to MER (ASC Signlord), since it is the same planet.
- MON is in the sign of MER (Virgo).
- MER and VEN are conjoined in LEO sign.

In the above chart, ASC Sub Lord is VEN. The 12th cusp rulers are SUN-VEN-MER. Here is how VEN connected to the 12th cusp rulers:

- VEN is in SUN sign. Also, VEN and SUN are conjoined.
- VEN is connected to VEN (12th Cusp Star Lord).
- VEN and MER are conjoined.

In Summary, Rule 1 of '*Rule of Soul*' is satisfied.

Example 3:

In the above chart, the 12th Cusp Sub Lord is RAH. The Asc rulers are SUN-VEN-MER. Here is how RAH connected to ASC rulers:

- SUN is in the sub of RAH.
- RAH is in the star of VEN.
- MER is in the sub of RAH.

In the above chart, ASC Sub Lord is MER. The 12th cusp rulers are MON-MER-RAH. Here is how MER connected to 12th cusp rulers:

- MER is the star of MON.
- MER is the same planet connected to MER (12th cusp star lord).
- MER is in the sub of RAH.

Native : Male
DOB : 12.06.1971
Time : 09.33 A.M.
Place : Mumbai

The question was seen by me on 28.07.2014 at 11.45 a.m. Mumbai. The Ruling planets when I solved the question, Planetary position and the KP Cusp chart of the native are given below :

Lagna : Kanya Budh (Rahu)
Star : Ashlesha Budh (Rahu)
Rasi : Karka Chandra
Day : Monday Chandra
Rahu was in Kanya and rashi lord Budh is in RP.

Rule :
If the sub lord of the 6th house is a significator of either houses 2, 6, 10 or 11, then the native will get a job.
The 6th house is – Dhanu 14-56-25 SL is Sukra
Sukra 10/ 4, 11 Ravi 11 / 2 (5)
Sukra is a significator of houses 2, 10 and 11th houses. So the native will get a job. At the time of the question MD – Guru, AD - Budh and PD – Shani (12.07.2014 to 20.11.2014).

MD – Guru
Guru 4/ 6, 9 Shani 10/7, 8 (9, 11, 1)

AD - Budh
Budh 11/12, 3 Chandra 6/1 (5)

PD – Shani
Shani 10/7, 8 Ravi 11/2 (1, 5, 8)

Since the MD/AD/PD are connected with the houses 2, 6, 10 and 11, the native should get a job before 20.112014.

Ravi is in Karka rashi at the time of query. Next it will move to Simha rashi. Sun is not a ruling planet. Next it will enter Kanya rashi from 17.09.2014 to 17.10.2014. The lord of Kanya rashi Budh is among the ruling planets. Kanya rashi has the stars of Ravi, Chandra and Mangal. Ravi and Mangal are not among the ruling planets, but Chandra is a ruling planet. So I decided that the native will get a job when Ravi transits Kanya rashi and Chandra star. The period is from 27.09.2014 to 10.10.2014. Now, in these 14 days in order to finalise 1-2 days, I took the sub of Rahu, which is a strong ruling planet and the sub of Rahu in Kanya rashi and Chandra star is from 11-53-20 to 13-53-20 (i.e. 12 days from 17.09.2014) when Ravi entered Kanya rashi. The native got a job on 28.09.2014 and joined office from 01.10.2014.

Questions & Answers

Question 1: Beneficial and Detrimental Houses

In our Guruji's Lecture on 18-2-1968 at B. V. B. Bombay , explains Saturn's transit as below.

(s) To every house, certain other houses are evil: If the matters of a particular house is to thrive, certain other houses will contitute but some other houses will ever be inimical to that bhava (say) for lagna bhava, houses 1, 2, 3, 6, 10 and 11 show improvement, success, gains win in competition, etc. The other houses are detrimental for the native's efforts. Therefore planets signifying the matters of the houses 1, 2, 3, 6, 10 and 11 are advantageous. These planets rule their subs in all constellations. When planets transit in these subs, in that star, one, personally gains. The other houses are 4, 5, 7, 8, 9 and 12. Therefore planets signifying the matters of these houses are disadvantageous to the native and hence when planets transit in those subs, one can't gain: one will fail: loss or issue of cheque is shown.

Similarly take 5th house matters. Planets signifying the matters of the houses 1, 2, 3, 6, 10 and 11 counted from the 5th house i.e., 5, 6, 7, 10, 2 3 houses are good for 5th house matters, i.e., whenever children gain, planets will be in the sub of 5, 6, 7, 10, 2 or 3 house significators.

If partner is to gain then planets will transit in the sub ruled by the significators of the houses 1, 2, 3, 6, 10 and 11 counted from the 7th house, i.e., 7, 8, 9, 12, 4 and 5.

When I wanted to check for result of a particular house in horoscopes, I found all 9-planets become
Significators of Beneficial Houses – 1, 2, 3, 6, 19, 11, also of detrimental houses 4, 5, 7, 8, 9, 12,
Counted from the house to be judged. So transit of a Planet (say, Dasha-lord's Star-lord) in SUB of
Any Significator of H- 1. 2. 3. 6, 10, 11 for good result also becomes Sig of Detrimental House.

Please help with your expertise advise to understand this feature.

Answer 1:

If a planet is transiting in the star of both beneficial and detrimental houses at the same time, those houses would be considered as beneficial or detrimental depending on their consistency with the signification of sub lord and the matter under study.

In the timing of events, generally an event happens during the joint DBAS period of the significators when transit agrees. Particularly at the time of event, joint period DBAS lords and luminaries Sun, Moon are generally found transiting mainly in the star or sub of the same joint DBAS lords, luminaries or additionally in the star or sub of the relevant significators of the event under study.

In the KPAstro 4.5 inventor Rangarajan Krishnamoorthy's computer analysis of 1005 (one thousand & five) TOB AA rated marriage charts collected by Kanak Bosmia, transit DBAS

lords, Sun, Moon are found transiting in the star & sub of DBAS lords by 79% (Dasa lord), 76% (Bhukti lord), 76% (Antara lord), 76% (Sookshma lord), 79% (Sun), and 80% (Moon) respectively on the date of marriage, in line with KP transit.

Question 2: Signification of Saturn
I am going through NAVARATNAMALA-2,
Under, Horary Marriage prediction- pages 59/60,
It is mentioned that in (5), It would need to select next sat bhukti which is not signifies 2, 7, 11 even though it appears 3 times in RP's
Rahu is representing saturn and Mars. Mars is lord 7. Is it not that sat signifies 7. Saturn is in the sub of saturn.
Is it not that saturn bukti give marriage?.

I request you to kindly educate me in this regard, if I am wrong in my thinking.

Answer 2:
In this case Bhukti lord Saturn does not signify house 2, 7 of 11 even though it appears 3 times in the RP's. Saturn is in the own sub of Saturn which does not signify house 7.

Rahu is representing Saturn and Mars. Mars is lord of house 7. Rahu is to give the results of Saturn which does not signify house 2,7 or 11, and also the results of Mars which signifies house 7. But Saturn has nothing to do with the Mars' signification of house 7. So Saturn cannot give marriage.

Question 3: Both Cuspal Sub Lord and Dasa/Bhukti Lords are Planets.
In your Q/A sections, once it was answered for one question that " in considering whether a dasa period lord is a fruitful
significator for marriage, the sub lord will be the deciding factor".
From this I understand that , the sub lord should signify either 2 or 7 or 11 for the marriage to take place in that dasa lord period.

Is it necessary, that dasa lord also should signify either 2 or 7 or 11?.

Mr PVK Punneswararao in his book- THEORY& PRACTICE OF STELLAR ASTROLOGY- page 40, under Note: 1. mentioned that
"Whenever the sub lord is referred, if the sub lord is directly not connected with the relevant houses, the the lord of the star in which the sub lord is positioned if connected with the relevant houses, then also the results can be taken."

Can we apply this rule for dasa and bhukti lords, if sub lord is not directly connected to the relevant houses?

Answe 3:
In choosing the fruitful Dasa/ Bhukti/ Antra lord for marriage among the significators of marriage house 2,7 or 11 at the planet and its star levels,
the significators of house 2,7 or 11 at the sub level are to be considered fruitful.

In this regard, your understanding is correct, i.e. the sub lord should signify either 2 or 7 or 11 for the marriage to take place in that dasa lord period.
Generally it is not necessary that dasa lord also should signify either 2 or 7 or 11, if the star lord of the DBA lord signifies either 2 or 7 or 11.

In checking whether a matter under study is promised or not for the native, we scrutinize

the sub lord of the concerned house cusp, for marriage the 7th cuspal sub lord. Here please note the “sub lord” of the concerned house cusp is also a “planet”.

In the above quoted Mr PVK Punneswararao‘s statement, if the sub lord “of the concerned house cusp” is directly not connected with the relevant houses, the lord of the star in which the sub lord is positioned if connected with the relevant houses, then also the results can be taken. Here please note the “sub lord” is a “planet” like the DBA lord (planet).

We can apply this rule for dasa and bhukti lords, if DBA lord (planet) is not directly connected to the relevant houses.

If we apply this rule for (the sub lord of) dasa and bhukti lords, if the sub lord is not directly connected to the relevant houses, it will be the so-called “4 step method” of going up to the “star lord of the sub lord” of DBA lords. It is not Mr PVK Punneswararao‘s intention.

Book Review - Krishnamurthy Paddhati

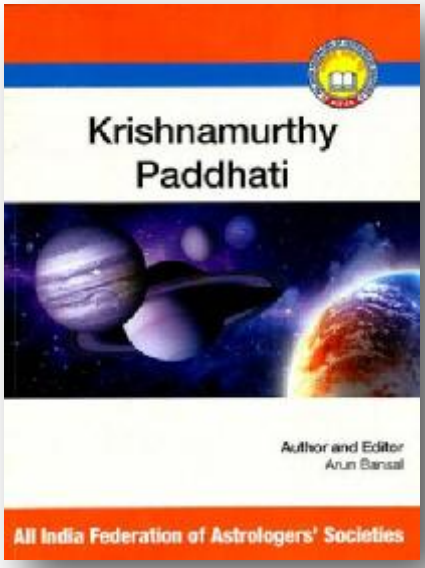
Krishnamurthy Paddhati
by Arun Bansal
All India Federation of Astrologers Societies, 2009, 74 pages



This small KP book has specially been designed for the students of All India Federation of Astrologers' Societies.

The following "What eclipsed planets can do in its period and sub-period (as per KP)" is different from KP where eclipse generally doesn't matter:

Sub lord of 1st cusp: If a planet is deposited in the constellation of an eclipsed one and if it is the sub lord of the lagna cusp, the sub lord shows that the native will be imprisoned; he will lead the life incognito; will suffer from fear, disease and anxiety; will participate funeral rites; incur loss and may lose position too; will be unfortunate etc. (p 44)
Sub lord of 2nd cusp: spend heavily . . .
Sub lord of 3rd cusp: demise of brother . . .
Sub lord of 4th cusp: distress to mother . . .
Sub lord of 5th cusp: loss of a child . . .

The sub lord of the lagna cusp is scrutinized for longevity of the native by using the concept of Badhaka, Maraka. (p 45) The constellation in which the sub lord of the lagna cusp is deposited is mainly analyzed but not the sub of the lagna cusp sub lord, although KP is the sub lord theory.

The original five ruling planets at the moment of judgment are used (p 60), and they are recommended to never omit to confirm the timing of events.

Question: When will the long awaited Ram temple be built in Ayodhya?
Number. 33 (out of 249).
Date of Judgment: 12-12-2017 Tuesday; Time of Judgment: 11:26:24 AM; IST
Place of Judgment: Kankariya- Ahmedabad Long/Lat: 23° N 00', 72° E 36'
Ayanamsha: 24^0.01'.03"; Dasa Days: 365.25

Construct a religious building
If the 10th CSL signifies houses 10 (Construction) – 9 (Religious Place)-12 (Investment), then, construction will take place during the joint period of the significators of houses 10-9-12.

Cuspal Sub lord for Labor party:

10th Cusp (Aquarius 01^0.56'.07"): The sub lord of the 10th cusp is Ketu. Ketu is in the star and sub of Mars. Ketu is occupant of the 9th. Ketu is aspected by Mars. Mars is occupant of the 9th, owner of houses 7-12. Star and Sub lord Mars is occupant of the 9th, owner of houses 7-12. Thus, the 10th cusp sub lord, Ketu, is the significator of houses 9-7-12. The 10th sub lord indicates houses 9-12.

Ruling Planets
At the time of judgment, ruling planets are as under.

	Day lord	*Sign lord*	*Star lord*	*Sub lord*
Day: Tuesday	*Mars*	—	—	—
RP Ascendant: Aquarius 15°.21'.47"	—		*Saturn*	*Rahu* *Venus*
RP Moon: Virgo 19°.41'.33"	—		*Mercury*	*Moon* *Ketu*

Ruling planets are Mars-Saturn-Rahu-Venus-Mercury-Moon-Ketu.

Note: Moon is aspected by Saturn, hence there is Punarphoo yoga.

Joint period:
Running dasa is Moon up to 04-09-2020. Joint period is Moon-Ketu up to 05-07-2018.

Dasa lord Moon is in the star of Moon and sub of Ketu. Moon is occupant of the 5th, owner of the 3rd. Star lord is also Moon. Sub lord Ketu is occupant of the 9th. Ketu is aspected by Mars. Mars is occupant of the 9th, owner of houses 7-12. Thus, the 10th cusp sub lord Moon is the significator of houses 5-3-9-7-12. Dasa lord Moon indicates houses 9-12. Also, it is in the RPs.

Bhukti lord running is Ketu up to 05-07-2018. We have Punarphoo yoga. Thus, I check the next Bhukti of Venus from 05-07-2018 to 06-05-2020.

Bhukti lord Venus is in the star of Mercury and in its own sub. Venus is occupant of the 7th, owner of houses 1-6. No planet is in the star of Venus, and Venus is CSL of the 4th. Star lord Mercury is occupant of the 7th, owner of houses 2-5. Sub lord is also Venus. Thus, the bhukti lord, Venus, is a significator of houses 7-1-6-4-2-5. This Bhukti lord Venus does not signify houses 9-10-12.

Next bhukti will be that of Sun from 06-05-2020 to 04-09-2020. But, Sun is not in the RPs. The next Dasa will be changed to Mars from 04-09-2020 to 04-09-2027

Dasa lord Mars is in the star and sub of Rahu. Mars is occupant of the 6th, owner houses 7-12. Star lord and Sub lord Rahu is occupant of the 3rd. Rahu is in Cancer sign, hence it represents Moon. Moon is occupant of the 5th, owner of the 3rd. Thus, dasa lord Mars is significator of houses 6-7-12-5-3. This Bhukti lord Jupiter signifies the 12th. Also, it is in the RPs.

During Mars dasa, the first bhukti is that of Mars, and the next is that of Rahu from 31-01-2021 to 19-02-2022.

Bhukti lord, Rahu, is in the star of Mercury and sub of Mars. Rahu is occupant of the 3rd. Rahu is in Cancer sign, hence it represents Moon. Moon is occupant of the 5th, owner of the 3rd. Star lord Mercury is occupant of the 7th, owner of houses 2-5. Sub lord, Mars, is occupant of the 6th, owner of houses 7-12. Thus, the bhukti lord, Rahu, is a significator of houses 3-5-7-2-5-6-12. This Bhukti lord Rahu signifies the 12th. Also, it is in the RPs.

My opinion: Ram temple will be built between 31-01-2021 to 19-02-2022.

Will I be able to get married to a girl with whom I am having a love affair?

By: Tin Win
Email: tw853@yahoo.com

Horary Data
Question: Will I be able to get married to a girl with whom I am having a love affair?
Horary number: 27 (1 – 249)
Date & time of judgment: 07/Nov/2017, 08:26:16 AM, GMT -5
Place of judgment: Maryland, USA, 39N05, 77W09
Ayanamsa: 24° 0' 58" (New KP)

Cuspal Sub Lords to be Considered
For query "Will my Love Affair Materialize?, the 5th house is considered. (KP Reader VI, p 191)
The house which one has to take for judgment depends on the query. If it is for marriage, one has to take 7th house. (ibid, p 168)
If one wants to know whether he or she could marry another one in mind, it is to consider the 11th house, which shows fulfillment of one's desire. (Ibid pp 146, 171, 214)
Thus for his query to marry this particular girl, the 5th, 7th and 11th cuspal sub lords (CSL) are to be considered.

Analysis of CSLs
The 5th, 7th and 11th cuspal sub lord.is the same Mercury. This Mercury is in house 7, lord of houses 2-3-6, in the star of Saturn in houses 7, and in sub of Venus+ in house 6, lord of house 1, the CSL of houses 6,8 having no planet in its stars.

Mercury signifies marriage houses 2,7 in the planet level and 7,11 in the star level, indicating possible marriage without taking into consideration of the sub level indication.
But the decider sub Venus signifies negative house 6 (12th to 7th) fully and also another negative house 1 (12th to 2) and undesirable house 8 (dejection).
So it is concluded that he would not be able to marry this girl despite good matching for marriage.

The KPDP matching and matching of the ruling planets of the boy and girls at their births are generally favorable, as shown by the charts attached.
For a boy to marry a particular girl, matching of their ruling planets at their births is given importance in "Krishnamurthi Padhdhathi Dasavida Porutham (KPDP) for Matching Horoscopes for Marriage, by K.P. Kuppu Ganapathi, in "KP & Astrology Year Book 1997", pp 32-44, specifically KPDP No. 8: Likelihood of marriage with this boy and girl: The ruling planets of the boy at the time of birth should be the significators for 2.7.11 for the girl and vice-versa; and "He Married Her- Why" by Sri Keshab R. Kar, published in "Astrology & Athrishta", December 1980 issue, pp 1- 10.
Good luck to the Native!

What would be the result of the court case?

Mr. Consultant asks "Please clarify what would be the result of the court case? Is there any imprisonment for me? and when will the case end?"--- KP analysis through Time chart and Natal chart.

Mr. Consultant (KP follower) from Guntur sent me a mail on 20-09-2017 @17-54-00 hours and has furnished the following details---

My DOB is 11.01.1961, TOB is 5.25 AM, POB is Guntur.

sir,
A criminal case against me is pending in the court on the basis of the complaint given by my wife. The particulars are as against the complaint given by my wife, police came to my house on 13.10.2010 with arrest warrant, but they have given me time to surrender.

On 21.12.2010 I surrendered on the same day and was remanded to their custody, and went to jail on 23.12.2010.
I got bail and released from jail.

Now case has came for a trial in the court of law.

Sir, please clarify what would be the result of the court case? Is there any imprisonment for me? And when will the case end?

Yours faithfully,

(Mr.Consultant)

I saw the mail in the morning hours of 30-09-2017 @ 06-37-06 am and immediately I erected a Time chart for the same time.
Following questions were raised by the querist---
1. What would be result of the case?
2. Is there any imprisonment?

3. When will the case end?

The following analysis is made with the help of the Time chart (Attached)-
1.what would be the result of the case?
A)KP rule says (Kanak Ji's rule –Dec 2011)—If the 4th cusp sub lord signifies houses 2- winning the case, 11- gains, and 10- then success is assured during the conjoined period of the significators of houses 2-10-and 11.
As per the Time chart—the 4th cusp sub lord is Rahu+. No planets are placed in Rahu stars, and so Rahu strongly signifies the 4th cusp. Rahu is placed in the 11th cusp. Rahu is in the star of Mercury- lord of the 1st and 10th placed in the 12th cusp, and in the sub of Jupiter- lord of houses 4 and 7 posited in the 1st cusp. Rahu represents Moon, lord of the 11th placed in the 4th cusp.
Thus, Rahu + strongly signifies at its STL houses 10- success and 11th – gains, and house 4 at its sub level, clearly indicating that winning the court case is assured.

B) If the 6th cusp SL signifies houses 4 or 6 or 11, success is assured during the conjoined period of the significators of houses 4-6-11.
As per the chart, the 6th cusp sub lord is Jupiter+. No planets are placed in Jupiter stars, and so Jupiter strongly signifies the 6th cusp indicating the winning of the case.
Jupiter + is in Mars, star lord of houses 3 & 8 posited in the 12th, and in the sub of Venus, lord of houses 2 and 9 placed in the 11th, indicating success and gains.

Six fold significators of houses 4-6-11—
4=SUN-MOON-MARS-RAHU-KETU-JUP.
6=MOON-SAT.
11=SUN-VEN—RAHU-MOON.
RULING PLANETS AT THE TIME OF JUDGMENT- i.e.: 06-37-06 A.M—
ASC=MERC-MOON-MERC/ / RASI=SAT-SUN-SAT/ /.D.L=SAT.
DL Sun is up to May 2020. Sun is in the RPs and significator of houses 4 and 11. Sun signifies houses 4 & 11 at its STL, and at SBL also. It is o.k.
BL Sat+ is from 17-3-2017 to 27-02-2017—which is in the RPs, and is also a significator of the 6th. Sat + signifies the 6th at both STL & SBL and is o.k.
AL Sun is too short a period (up to 2/10/2017).
AL Moon is from 2-10-2017 to 31-10-2017- It is in the RPs and signifies houses 4, 11@at STL and at SBL house 6. This is o.k.
Sun transits in Mercury Sign and Moon Star from 27/09 to 10/10 and is agreeing.

So, I feel, by the end of October 2017 this will give good and favorable results for this native.

II. I have also prepared his natal chart as per the details provided to me—the natal chart is attached------
This native while giving the birth details has furnished following information—
1. A criminal case against me is pending in the court on the basis of the complaint given by my wife. The particulars are as against the complaint given by my wife, police came to my house on 13.10.2010 with arrest warrant, but they have given me time to surrender.

A) On 21.12.2010 I surrendered to the police and was remanded to their custody, and went to jail on 23.12.2010.

B) I got bail and was released from jail.
First, let me check these events which have taken place as per his natal chat—

- As per KP rule if the cusp sub lord of houses 6/12 signifies houses 3-away from home, 8 -misfortune or 12- restriction on movements /new environment, and be connected with Saturn, Rahu, Mars or Ketu, one will be imprisoned during the conjoined period of the significators of houses 3,8 and 12.
  As per the chart – if the 6th cusp sub lord signifies houses –
- 9 and 11-court and court proceedings,
- 3, 9,11-agreement with the opposite parties.

- As per the chart the cusp sub lord of houses 6 and 12th is Rahu who is placed in the 9th, in Venus star, lord of houses 6 & 11 placed in the 2nd (but within the same degrees of the3rd cusp), and in the sub of Sun, lord of house 9 posited in the 1st cusp.

- Thus, Rahu signifies houses 6 and 11 at STL and houses 1 and 9 at SBL, along with houses 3 and 9 at its star level. Rahu represents Venus, Sun, Ketu. Ketu is in the 3rd cusp.
- ---Thus, it is clearly indicated that he was in police custody and had bail as it signifies houses 6 and 11 also.

---This clearly indicates that this native will have an agreement with the opposite parties

and come to a compromise to win over the case.
II) For winning a court case as per Kanak ji's rule—the 4th cusp sub lord is Jupiter+ who strongly signifies houses 11at STL and 2 at its SBL. This is o.k.

Significators of houses 2-10-11—
2=MARS-JUP-SAT//
10=SAT-MOON-VEN-MERC//
11=JUP--VEN-RAHU.

Ruling planets at TOJ = (08-22-00 a.M)—on 30-09-2017-
ASC=VENUS-RAHU-MERC//RASI=SAT-SUN-SAT//DL=SAT.
CFS ARE=SAT-KETU-SUN-MERC-VEN-RAHU.
DL MERCURY IS UP TO 2029 AND SIGNFIES HOUSE 2 AT SBL. THIS IS O.K.
BL VENUS is from Jan 2016 to Nov 2018 and Venus signifies HOUSES 11 AT STL and 10 AT SBL. THIS is o.k.
AL Saturn+ is from 29-10-2017 to 11-04-2018—Saturn signifies HOUSES 2 AT STL and 10 AT SBL. THIS is o.k.
Sun transits in Mars Sign (significator of the 2nd) on Saturn star from 20/11 to 3/12 and this is agreeing. The result may be expected by the first week of Nov 2017.
So, I feel he will reach a compromise agreement (Mercury as the 3rd sub lord signifies the 2nd (family) 10(with opposite party) and have success.

Facts of the case—mail received from the native Mr. Consultant on 3rd Nov 2017 which reads as-

Dear sir,
I am very happy to inform you that today the case was closed. As you said a compromise agreement submitted to the court yesterday. Once again thank you very much sir. Your's sincerely,

Thanks to our great master Sri KSK and my sincere thanks to Sri Kanak Ji.

When will i get a job?

Native : Male
DOB : 12.06.1971
Time : 09.33 A.M.
Place : Mumbai

The question was seen by me on 28.07.2014 at 11.45 a.m. Mumbai. The Ruling planets when I solved the question, Planetary position and the KP Cusp chart of the native are given below :

Lagna : Kanya Budh (Rahu)
Star : Ashlesha Budh (Rahu)
Rasi : Karka Chandra
Day : Monday Chandra
Rahu was in Kanya and rashi lord Budh is in RP.

Rule :
If the sub lord of the 6th house is a significator of either houses 2, 6, 10 or 11 then the native will get a job.
6th house is – Dhanu 14-56-25 SL is Sukra
Sukra 10/ 4, 11 Ravi 11 / 2 (5)
Sukra is a significator of houses 2, 10 and 11, so the native will get a job. At the time of the question, MD – Guru, AD - Budh and PD – Shani (15.07.2014 to 22.11.2014).

MD – Guru
Guru 4/ 6, 9 Shani 10/7, 8 (9, 11, 1)

AD - Budh
Budh 11/12, 3 Chandra 6/1 (5)

PD – Shani
Shani 10/7, 8 Ravi 11/2 (1, 5, 8)

Since the MD/AD/PD are connected with the houses 2, 6, 10 and 11, the native should get a job before 22.11.2014.

Ravi is in Karka rashi at the time of query. Next it will move to Simha rashi. Sun is not a ruling planet. Next it will enter Kanya rashi from 17.09.2014 to 17.10.2014. The lord of Kanya rashi Budh is in ruling planets. Kanya rashi has Ravi, Chandra and Mangal stars. Ravi and Mangal are not in ruling planets but Chandra is a ruling planet. So, I decided that the native will get a job when Ravi transits Kanya rashi and Chandra star. The period is from 27.09.2014 to 10.10.2014. Now in these 14 days if I had to finalise 1-2 days, I took the sub of Rahu which is a strong ruling planet and the sub of Rahu in Kanya rashi and Chandra star is from 11-53-20 to 13-53-20 (i.e. 12 days from 17.09.2014) when Ravi entered Kanya rashi. The native got a job on 28.09.2014 and joined office from 01.10.2014.

A) At the time of matching, if either is running 'A' Dasa, 'B' Bukthi, and 'C' Antara, note whether A, B or C are the Ruling Planets at the time of birth of the other.

B) The Planets deposited in the constellations of the above A, B, C Planets will be the Ruling Planets at the time of birth of the other.

A) At the time of matching, if either is running 'A' Dasa, 'B' Bukthi, and 'C' Antara note whether A, B or C are the Ruling Planets at the time of birth of the other.
We have to give 100 marks to each rule, but because we have 4 sub rules we give 25 marks to each sub rule.

Ruling Planets of the Native: Mercury-Mars-Saturn-Jupiter-Rahu (Representing Saturn).
Running DBA of the Partner: Dasa lord is Saturn, Bhukti lord is Saturn, Antara lord is Mercury.
Saturn-Saturn-Mercury are matching with the RPs. Thus, three planets match with the RPs.
25 Marks.

Ruling Planets of the Partner: Mercury-Venus-Jupiter-Saturn-Mercury-Moon-Sun-Ketu (Representing Venus).
Running DBA of the Native: Dasa lord is Ketu, Bhukti lord is Venus, and Antara lord is Venus.
Ketu-Venus-Venus are matching with the RPs. Thus, three planets match with the RPs.
25 Marks.
Total: 50 Marks

B) The Planets deposited in the constellation of the above A,B,C Planets will be the Ruling Planets at the time of birth of the other.

Ruling Planets of the Native: Mercury-Mars-Saturn-Jupiter-Rahu (Representing Saturn).
Partner's planets deposited in the Stars of DBA: Venus is in the star of dasa lord Saturn. Venus is in the star of bhukti lord Saturn, Rahu is in the star of antra lord Mercury.
Rahu matches with the RPs. Thus, one planet is matching with the RPs.
25/3=08.33 Marks.

Ruling Planets of the Partner: Mercury-Venus-Jupiter-Saturn-Mercury-Moon-Sun-Ketu (Representing Venus).
Native's planets deposited in the Stars of DBA: No planet is in the star of dasa lord Ketu. No planet is in the star of bhukti lord Venus. No planet is in the star of antra lord Venus.
No planet is matching with the RPs.
00 Marks.
Total: 08.33 Marks

Total Marks of Rule 6: (A) 50 Marks (B) 08.33 Marks = 58.33 Marks

Conclusion:
K.P.R.M No.1 = 100
K.P.R.M No.2 = 100
K.P.R.M No.3 = 100
K.P.R.M No.4 = 100
K.P.R.M No.5 = 058
458 out of 500 = 91.6%

My opinion: All in average, it is 91.60%. Thus, matching is good. Also, K.P.R.M No. 6 is more than 51%, thus the matching is good.

Supremacy of the ruling planets which will never let you down.

(KP analysis on receiving the Fountain pen by Post Parcel by using only RPs)
On 6th October 2017 I placed an order for a "fountain pen" with a reputed pens company at Chennai. I was informed by the company people that I may expect the pen within a few days from the date of the order.
On 9th October 2017, I thought of knowing the arrival of the post parcel of my newly ordered pen and immediatlely I arrived at Horary chart for my random number 88 (chart is attached) along with the ruling planets at 16-38-39 hours at my residence –Secundrabad.
Though I could have arrived at the event with the help of the horary chart, somehow I preferred to tackle the issue with the help of only Ruling planets as applied by Sri C.B.Narnauli, Director of Civil Aviation, New Delhi, vide his article on "Only ruling planets tell the year, month, date and time , and no need for D/B/A." (see KP Year book -2011).
Following are the ruling planets for the time of judgment—
ASC=SAT-JUP-VENUS/ / RASI=VENUS-MOON-MARS/ / DAY LORD= MOON.
Following are the effective ruling planets at the TOJ---SAT-JUP-VENUS-MOON-MARS.
Before proceeding with the analysis of the issue, I will deal with it in two parts.

PART A---I should first make sure whether there is promise of the event by aplying the following rules—

- The number lagna sub lord should appear in the ruling planets as lagna star lord or moon star lord or with the lagna sub sub lord. Then the answer is "YES".
- As per the chart—the number lagna sub lord is Mars and Mars is in ruling planets as Moon sub lord and Lagna sub sub lord. So, YES.
- Or, Number lagna sub sub lord should be in relation with aspect or in conjunction with the Lagna star lord or Moon star lord in ruling planets. Then the answer is "YES".
- As per the chart---No.
- Or, if the lagna sub sub lord is same as Moon star lord. Then the answer is "YES".
- As per the chart---NO.
- Or, if the number lagna sub sub lord is in relation with, or conjunction with the Moon star lord. Then the answer is "YES".
- As per the chart – NO.

So, from the above four rules if any one gives a positive answer, we can proceed further with analysis of Part B of our .

PART B—applying ruling planets to arrive at the answer "when"------
After checking the promise of the event, we should calculate year/month/date and time of the event with the help of Saturn (broad period), Jupiter (year) , Sun (month) , Moon (date), and lagna (for the time) with the help of ruling planets.

- Whether Saturn will give the event in Scorpio or not? Since Saturn in transit is in Mars sign, it should appear in our ruling planets to give positive answer. As per the ruling planets Mars is the sub lord of Moon, and it is confirmed that Saturn's transit in Scorpio should give the event before it ends in the Sign, that is before 27 october 2017. (Saturn will transit in Dhanur rasi on the said date).
- Next comes Jupiter which gives the year. Jupiter in transit is in Libra – Venus Sign, and Venus is in our ruling planets as lagna sub lord and Moon sign lord. Here also it is confirmed that Jupiter in transit in Libra will frucitfy the event.

- Next comes Sun which gives the month of the event. As per the transits, Sun will be transiting in Virgo from 17 September to 17 October. Mercury is the lord of Virgo Sign and it is presently transiting on Moon star which is in our ruling planets. Next it will be transiting on Mars star from 10 october to 17 october and Mars is also in our ruling planets.
  So, Sun should give the event before it leaves Virgo Sign, that is before 17 October 2017.
- Next come Moon transits which gives us the date on which the event will get fructified. Moon on 9 October 2017 is trasiting in Taurus Sign –Venus, it's lord, is in our ruling planets.
  Now let us see Moon's transit before 17 october 2017—
  1.Moon will be transiting on 10-10-2017 in Taurus Sign on Moon star. Though Moon is reflecting in our ruling planets twice, it is too short a perod to expect the parcel, as the post parcel from Chennai will take minmum three to four days even if it is posted on the 9th itself.
  2.Moon will be transiting on 11-10-2017 in Gemini sign on Mars star. Mercury is not in our ruling planets and so not considered. On 12 -10-2017 moon will be transiting in Gemini sign on Rahu star and both are not in our ruling planets.
  3.Moon will be transiting on 13-10-2017 in Cancer- Moon sign- (in our ruling planets) and on jupiter star up to 07-46 A.M and on Saturn star from then on up to next day 06-53 A.M.
  4.Moon the sign lord, with jupiter star lord and Saturn star lord, all the three are in our ruling planets. So, I feel that there are more possbilities for the arrival of the post parcel before the end of the day on 13 october 2017.
- Having arrived at the probable date, now I have to arrive at the time of its arrival with the help of the lagna on 13-10-2017. Normally the post man comes to our Tarnaka area only after 11.00 A.M and before 15.00/16.00 hours on any day. Keeping this duration of the post man's arrival timings, I have started working for the probable lagna.

Transition Information for Lagna/Location:TARNAKA, SECUNDERABAD, ANDHRA PRADESH, India Date:13/Oct/2017/Start Time: 10:00:00 AM - End Time: 04:00:00 PM

Transition Information Table

Time	SignLord	Star Lord
10:00:00 AM	Ma	Me
10:53:12 AM	Ju	Ke
11:51:01 AM	Ju	Ve
12:46:15 PM	Ju	Su
01:38:15 PM	Sa	Mo
02:26:55 PM	Sa	Ma
03:12:42 PM	Sa	Ra
03:56:21 PM	Sa	Ju

From the abve table I have slected Jupiter as sign lord and Venus as star lord, since both are in our ruling planets from 11-51-01 A.M to 12-46-15 P.M. as a probable time of arrival of the post man.

FACTS of the case--- the parcel has arrived and delivered to me at 11-05-00 a.m.

Q 1 : KP AYANAMSA
There are three ayanamsas in KP:
1. KP AYANAMSA
2. KP STRAIGHT LINE
3. KP STRAIGHT LINE (ADJUSTED)

Which Ayanamsa is to be used, while preparing the chart as per KPAstro 4.1.

A 1 :
The KP ayanamsa, i.e. KP new ayanamsa in KPAstro 4.1 is to be used, as explained by the evolution of KP ayanamsa below:

KP Ayanamsa: Evolution
KP Original Ayanamsa (KPOA)

This ayanamsa is based on 291 A.D. chosen by Sri K.S. Krishnamurti as the year of coincidence of both Sayana and Nirayana zodiacs or the year of zero ayanamsa, and the annual precession rate of Newcomb's 50.2388475 sec per year. The ayanamsa values for the year 1840 to 2001 are given in deg. and min. only. (KP Reader I p 58) The formula was not given, and for years beyond 2001 the Newcomb's annual precession rate, 50.2388475 sec, is to be added per year to the ayanamsa value for 2001. (ibid p 59)

KP Straight Line Ayanamsa (KP St Ln)
While there was a lot of discussion on the KP original ayanamsa in the K.P. & Astrology magazine, the KP Straight Line Ayanamsa was introduced by using 2 figures as given by Shri K.S. Krishnamurti, i.e. year 291 A.D. of zero ayanamsa and Newcomb's annual precession rate of 50.2388475 sec.:

KP St Ln = T*P/3600
where
T = Y- 291 (Year of zero ayanamsa)
Y= Calendar year for which ayanamsa is required
P = 50.2388475 sec per year (Newcomb's annual precession rate)
Source: MC Khare in the Astrology & Arthrishta Oct. 1978 issue pp 6-8.

KP Straight Line (Adjusted) Ayanamsa
KPSTLA = T*P/3600
where
T = Year for calculation - 291 (zero ayanamsa year for KP Ayanamsa)
P = Newcomb's annual precession rate = 50.2388475 sec (for KP Ayanamsa)
Note: For T as a fractional/decimal year taking days between required date and 15th April, it gives up to date ayanamsa value.
http://groups.yahoo.com/group/k_p_system/message/30575

The KP Straight Line (Adjusted) Ayanamsa values are different from the KP Original Ayanamsa by 4-5 mins but very close to the Lahiri Ayanamsa with 30-40 sec. difference.

KP New Ayanamsa (KPNA)
KPNA = B + [T* P + (T*T * A)]/ 3600
where
B = 22+1350/3600 = 22-22-30 @ 15 Apr 1900
P = 50.2388475 (Newcomb's annual precession rate)
A = 0.000111 sec per year (Annual precession rate adjustment)
Note: 23 March, 291 A.D. is assumed as date of zero ayanamsa

Ref: KPNA by Prof. K. Balachandran in "KP & Astrology" Year Book 2003, pp 88-89 based on the article of M.G. G. Nair who had questioned the Newcomb's rate and desired a correction for this.
http://groups.yahoo.com/group/k_p_system/message/1530?threaded=1

The KPNA was published in the KP & Astrology Year Book 2003, pp 92-93, together with Sri KSK's second son and magazine editor K. Subramanium's declaration that the values of ayanamsa published supersedes all the previous Tables of ayanamsa published in K. P. Reader I and all ephemeris (Krishman & Co.), K.P.T.O.H. and H.T.O.H. etc.

There is not any significant difference between the KP original ayanamsa and new ayanamsa. The KP new ayanamsa gives a formula for calculating the ayanamsa correct to the value of seconds and for any date in the calendar year.

Q 2 : SUB LORD AND CUSPAL INTERLINK THEORY OF MR SP KHULLAR
Sub lord theory was the discovery of Sri KSK.
Sub lord and cuspal inter link theory of Mr SP Khullar is the extention of sub lord theory , with addition of SS Lord and with a different kind of significations of his own way.
When KP sub lord theory works as per KP Ayamansa up to sub lord, why it will not work up to SS lord?.

Mr SP Khullar has taken new Ayanamsa to calculate the chart. It is only + 4 minutes and 44 seconds to the KP Ayamansa. With this Ayanamsa, only SS lord will change and up to sub lord both the charts will be same.
I do not understand the logic behind it.

Again, for marriage he has taken 5,7 and 11 houses instead of 2,7 and 11.
He has given his own reasons for not considering 2nd house. I am sure that Sri KSK was well aware of the reasons mentioned by him.
I wanted to contact him, but I understand that he is no more.

I request you for your comments/remarks.

Answer 2 :
In the K. Baskaran's book:" Principles of Cuspal Interlinks", Sagar Publication, First edition, 2000 and S.P. Khullar's book: "True Astrology: Kalamsa & Cuspal Interlinks Theory", Sagar Publication, First edition, 2004, the basic astrological rules are generally the same , and the major difference is that the cuspal interlinks of "sub" lord is applied in the first book and "sub-sub" lord in the second book.

In their cuspal interlinks theory, the houses 5,7,11 (not 2,7,11 in KP) are considered for marriage. In KP house 2 is taken for increase in family members by marriage or for forming a family by marriage, and house 5 is considered for love affair or love for fun which may be enjoyed without marriage.

In the calculated example charts of the book "Your True Horoscope: Birth Time Rectification – by S.P. Khullar, 2005", the KP Straight Line (Adjusted) ayanamsa was used by

mentioning as KP (New) ayanamsa .
Later the above mentioned the KP straight line (Adjusted) ayanamsa originally introduced by MC Khare is named as the Khullar Ayanamsa giving the following formula which gives the same value of the origin:

AyanKP = (50.2388475/3600)*((YR-292)+(261/365)+(((MN-1)*30+DY)/365))
YR stands for year
MN stands for Month
DY stands for Day

Q 3 : Punarphoo: Prediction in Horary
While predicting the natal charts for marriage, if there is any punarphoo dosha, in the charts, it can be confirmed that the marriage may take place at a later date say about 30 years for the native(even the native is about 25 years age, at the time prediction).
Like this, in horary also can we say that the marriage may take place may be after 2/3 years. OR is there any time limit for the predictions for the horary charts?

A 3:
A delay in marriage is expected when Punarphoo is formed in the natal as well as horary chart as generally assumed above but without time limit.

Q 4 : POSITIONAL STATUS OF A PLANET.
About the positional status of a planet there are different views:
1. The planet where it is situated, is the significator of that house.
2. apart from above, the above planet is also is a strong significator for the houses owned.
The positional status is only, when there are no planets in its stars.
I request your valuable suggestion to educate me.
Of course it is other than the GOLDEN RULE of KP.

GOLDEN RULE IN KP
The golden rule in KP is in addition to the positional status of the planet OR once the golden rule is applied, is that the planet looses its positional status?.
I request you for your clarification

A 4:
A planet without having any planet in its stars is the strongest significator to give the results of the houses by occupation of positional status and by being the cuspal sub lord to those houses. It is the same as in Golden Rule in KP: to take the planets which are posited in the sub of significators whose constellations are not tenanted.

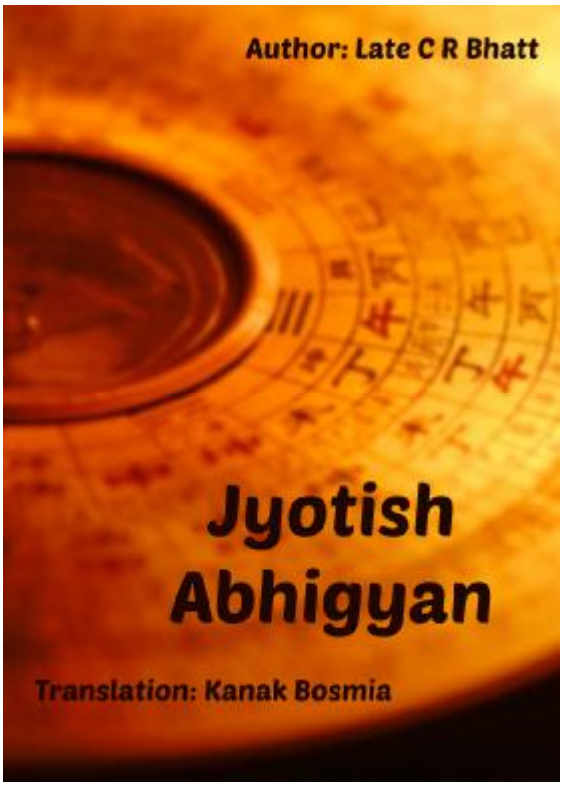
Q 5 : KPDP Marriage Matching
I am a KP astrologer from Hyderabad.
I am very much impressed by KPDP marriage matching and I am very strictly following the same, for matching the horoscopes.

Recently, one marriage has taken place between a boy and girl.
As per KPDP matching, it is 80%. The score of criterion no: 10 point is 50%. Still, after fifteen days of marriage, the boy is not happy and he wants to divorce the girl.
I am enclosing the charts for your comments.

The marriage was celebrated on 04-12-2017. From 20th of December on wards, the boy started that he is not happy with this marriage and want to diverse the girl.

So, Sir, I am referring it to you for your comments/remarks.

A 5:
By Kanak Bosmia's experience of KDPD marriage matching, the KPDP criterion no. 10 score is more important than the overall matching score, and more than 50% score of the criterion no. 10 is preferable for marriage matching in order to prevent the possibility of separation or divorce.



Book Review - Astrology for Overcoming Cancer

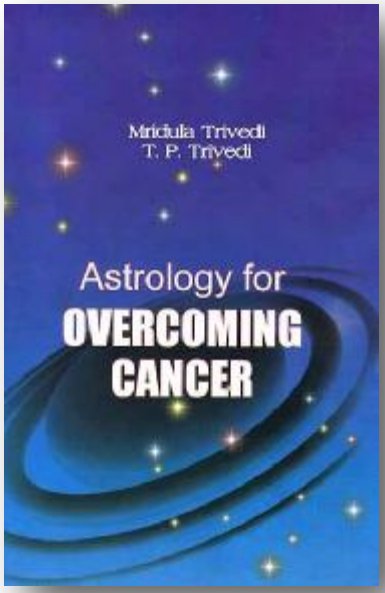
Astrology for Overcoming Cancer
by Mridula Trivedi and T.P. Trivedi
Sukriti Nikunj. 2008, 407 pages



"Astrology for overcoming Cancer" is a research work based on 27 well researched articles written by eminent astrologers in the September 1982 special issue of "The Astrological Magazine" of Dr. B.V. Raman which was dedicated to an astrological approach to Cancer disease and the study of 250 birth charts of cancer patients.

Regarding the planetary configuration of the suffering by cancer, there are remarkable differences in the observations among various astrologers. Research work should be continued for perfection and authenticity which may be applicable to all the cases of cancer patients. Many astrologers have taken Moon chart instead of the birth chart of the Cancer patients for their study because the time of birth was not known. The authors opine that correct outcome is not possible by considering Moon chart only.

The authors have found that apart from the planetary position in the birth chart of the native, constellation position, navamsa signs etc. must be considered carefully before reaching any conclusion. Rahu is the most poisonous planet with regard to suffering through cancer provided it has a negative effect on Mars, Saturn, Jupiter and Mercury. A few survived and others expired after the diagnosis. They have also tried to find out whether the native will survive under such circumstances. What planetary configuration will save the native and which will not?

In the face of near incurability of cancer, medical science today underlines the importance of early diagnosis. With the help of astrological consultation in time, the otherwise avoidable sudden shock and damage may be reduced.

Kala Sarpa Yoga, Don't be afraid!

By: Tin Win
Email: tw853@yahoo.com

Kala Sarpa or Kaal Sarpa Yoga (KSY) is said to be formed if All the planets are situated between Rahu and Kethu. KSY has become a favorite of many astrologers and is catching up very fast with the others. Many people are being told that all the failures, setbacks, delays, mental agony and so many other bad things are happening due to the presence of KSY in the horoscope or transit of planets.

Now it looks like a scary KS Dosha (rather than KS Yoga) for a lot of remedies to make money. So don't be afraid at all if someone tells you that there is KSP in your horoscope because of the following reasons:

1. If everything is to be decided only by two shadow planets namely Rahu and Ketu, then what are the other Seven planets doing in your horoscope. So it does not mean the end of the world.
2. There is no mention of this yoga in any of astrological classics from Parashar to Varahamihir. Ask them to give a single quote from any of the standard classics like BPHS.

3. So called KSY stays there for 14-15 days in a stretch. Do you feel that all natives born during the same period will share the same ill luck due to this single yoga since fate of even twins born with a few minutes is different. Remember, subtleties are important in astrology. It is your lagna, star lords , sub lords of cusps and planets, Navamsa lagna and lagnas of other divisionals that are important.

The natives born during the under noted period are subjected to Kala SYoga Dosha during 2000:
From February 14, 2000 to February 19, 2000
From March 2, 2000 to March 13, 2000
From March 30, to April 13, 2000
From April 26, 2000 to May 11, 2000
From May 23, 2000 to June 7, 2000
From July 17, 2000 to July 30, 2000

4. So called KSY is there in the famous and horoscopes of ***religious leaders*** Lord Jesus Christ, Pope Paul VI, Pope John Paul II, Saint Gemma Galgani, Saint Joseph Damien, Maria Beltrame, Shree Mahaprabhu Chaitanyadev, Srila Puri Maharaja, Srila Puri Maharaja, saint Murari Bapu, Maharishi Mahesh, Sirdhi Sai Baba, Sunlun Sayadaw, ***national leaders*** Chengiz Khan, King Charles I, King Edward VII, PM Harold Wilson, Margaret Thacher, President George W. Bush, Donald Trump, Robert Kennedy, Martin Luther King, Nelson Mandela, Pakistan President ZA Bhutto, Ayub Khan, Sri Lankan PM SWRD Bandarnaike, PM Ariel Sharon, General Moshe Dayan, PM Lee Kuan Yew, Saddam Hussein, PM Jawahar Lal Nehru, Delhi chief minister Arvind Kejriwal**,** ***sports people*** cricketer Sachin Tendulkar, Ravi Shastri, tennis player Serena Williams, swimmer Ian Thorpe, ***Noble laureates*** Marie Curie, C.V. Raman, John Steinbeck, ***notable ladies*** First lady Nancy Reagan, Mrs. Parker Camilla Bowel, ***astrologers and astronomers*** N.C. Lahiri, R. 5. According to the most respected Vedic astrologer of the last century **Dr. B.V. Raman**: "Kala-sarpa Yoga has its bright shades. It [is said to] makes one industrious, hardworking, aware of one's own ability- despite mental restlessness. It raises the natives to top positions in their respective

fields provided of course other Raja Yogas are present. Rahu-Ketu axis favors rise in mundane life while Ketu-Rahu axis indicates elevation in spiritual matters. It is also found that Kala-sarpa Yoga natives get betrayed by trusted friends and even relatives. Suffering due to developments in life strengthens the mind and mellows one's outlook. This is a blessing of Kala-sarpa Yoga." "It occurs to me that **undue importance need not be given to Kala-sarpa Yoga.** The view held by some astrologers that Kala-sarpa Yoga affects longevity and adversely affects the operation of other yogas favoring a rise in life, achievement, and accomplishment is not tenable. **The overall assessment of the horoscope is important. No single yoga, including Kala-sarpa Yoga, is capable of marring or making a horoscope.** In our view, Kala-sarpa Yoga plays an important role in mundane astrology [assessment of world events] and is not of much importance in individual charts." (Appendix of "Three Hundred Important Combinations")

6. According to another well known Vedic astrologer **Shri K.N. Rao**: **"Kaal-Sarpa Dosha is one of the biggest frauds in astrology.** First of all nobody knows from where this kal-sarpa yoga has originated. No reference can be found in any of the classical texts like Brihat Parashar Hora Shastra, Brihat Jatak, Saravali etc. Secondly and most importantly, I always mentioned that **the birth chart should be analysed in totality**. Every horoscope has hundreds of good and bad yogas and all these yogas should be synthesized before drawing any conclusion. **A single Rajyoga cannot make anybody king, similarly a kal-sarpa yoga alone cannot create death like situation**." (Journal of Astrology)

In his book "***Kaal Sarpa Yoga - Why such fright?***" published in 2004, **Shri K.N. Rao** has very well shown through the horoscopes of fifty three people, who have been doing extremely well in their lives without doing any Karma-Kand Pooja /Upaya Shanti for this so-called Purna or Anshik Kaal Sarpa Dosha.

Antra lord Jupiter is in the star of own and sub of Mercury. Jupiter is occupant of 4, owner of 9-6. Star lord is also Jupiter. Sub lord Mercury is occupant of 6, owner of 12-3. Thus Antra lord Jupiter is the significator of 4-9-6-12-3. Hence the wining in election is sure.

Sookshma lord Rahu is in the star of Mercury and sub of Sun. Rahu is occupant of 1. Rahu is in Cancer sign, hence represent Moon. Moon is occupant of 7, owner of 1. Star lord Mercury is occupant of 6, owner of 12-3. Sub lord Sun is occupant of 6, owner of 2. Thus Sookshma lord Rahu is the significator of 7-1-12-6-3-2. Hence the wining in election is sure.

My opinion: Sookshma lord of congress is not promises wining in election. Hence it is clear that Indian National Congress will not win this election.

I have applied for "obtaining a land patta passbook for a small piece of land" which was bequeathed by our ancestors, in order to reassign the same to our peasant who has been cultivating it for decades.

Sri KanaK ji's Rule---Hints getting PR VISA CARD---(as per sri Kanak Ji)
If the 10th (which presides over preferment or one's inclination for permanency) (Matter depending on others) cusp sub lord signifies the 5th (one's self interest (things done in)), 9 (Legal action/ **success in venture/Making something legal**/Passport), 11 (one's reputation as a winner (success to get passport/ PR/Green card in this case)), then in the DBA of the significators of houses 5, 9, and 11 success is assured.

(Note- applying for and obtaining a "Patta pass-book" for our bequeathed land from the government authorities falls under " making something legal".)

Checking for the promise of the event----
If 11th cusp sub lord signifies 11th or any one of the relevant houses under our judgment (5-9-11), then the event is said to be promised.
As per the chart—11thc sup sub lord is Moon. Moon is the lord of 7th in 9th house-success in our venture of making a legal document-"land patta pass-book". 7th signifies a legal agreement with govt. So I feel the event is promised.

Analysis of the horary chart for the materialization—

10 the cusp sub lord is Ketu+. No planets are placed in Ketu stars and hence Ketu strongly signifies 10 house. Ketu also co rules 4th, Ketu represents Saturn lord of 1 and 2 in 11th, indicating landed property. Ketu is placed in Mars star and the Jupiter sub. Mars in 8, lord of 4-11. Jupiter is in 9, lord of 3-12. Thus Ketu is connected to 9 and 11th house.

When is the question— during the conjoined period of the significations of 5-9-11 houses.
Six fold Significations of 5-9-11 houses---

Houses	A	B	C	D	E	F
5	Nil	Nil	Nil	Sun	Nil	Ven
9	Rahu, Ketu	Mars, Ven, Sat, Rahu	Sun, Moo, Mer, Jup	Nil	Sat, Rah	Merc
11	Mar, Mer, Sat	Nil	Sat	Nil	Sun, Ketu	Mars

4. A-planets in the sub of bhava occ. B-planets in the star of bhava occ.
5. C-planets in the bhava. D-planets in the sub of B.L.
6. E-planets in the star of B.L. F- Bhava lord.

II--As per the KP conventional rule—
If 3rd cusp sub lord signifies—
-- 3rd-a kind of document issued by Govt officials (here in this case- "Patta Pass Book"),
--7th- officer of issuing authority,
--9th- a legal certificate issued as a proof for the land,
--11th- accomplishment of one's desire,
One will get the event fulfilled during the conjoined period of significations of 3-7-9 and 11 houses.

As per the horary chart—
3rd cusp sub lord if Jupiter. No planets are placed in Jupiter stars and so Jupiter strongly signifies 3rd . Jupiter co-rules 7,9,2 and 8th cusps. Jupiter is the star and sub of Rahu is placed in 7th cusp. Rahu represents Moon lord of 7th in 9th.
Thus 3rd cusp sub lord Jupiter + signifies 3-7-9 promises he event.
However since 8th cusp is also signified there will be some bottlenecks and breaks in the process of the event.

Six fold Significators of 3-7-9 and 11th houses—

Houses	A	B	C	D	E	F
9	Rahu, Ketu	Mars, Ven, Sat, Rahu	Sun, Moo, Mer, Jup	Nil	Sat, Rah	Merc
11	Mar, Mer, Sat	Nil	Sat	Nil	Sun, Ketu	Mars
3	Nil	Nil	Nil	Rah, Ket	Nil	Jup
7	Moo, Jup, Ven	Moo, Mer, Jup	Rahu	Nil	Ven	Moon

A-planets in the sub of bhava occ. B-planets in the star of bhava occ.
C-planets in the bhava. D-planets in the sub of B.L.
E-planets in the star of B.L. F- Bhava lord.

Ruling planets at the time of judgment—
Asc =Mars-Sat-Jup// Rasi=Venus-Rahu-Rahu//
Day lord=Venus.
Ketu represents Saturn and Rahu represents Moon.

Common fruitful signficators—
Rahu-Venus-Jup-Saturn-Mars- Ketu.

Period analysis—
Note- Saturn is placed in 11th and aspects 5th house directly by its 7th aspect will cause some undue delay in fructification of the event.

Dasa lord Rahu is in CFS. Rahu signifies 9th at both star and sub lord level.
Bukthi lord Rahu runs up to 1st Nov 2019 is O.K.

Under Rahu bhukthi period – Jupiter antra period runs up to 25 Nov 2017, and it is in our fruitful significations also.

But since Saturn would be causing delay and since Jupiter signifies only 9th house, I feel it will not be effective to give the desired result as so far DL, BL and AL s have signified only 9th but not other two houses under consideration.

So I have not taken for our consideration.
Next comes Saturn antra period from 25/11/2017 to 30/4/2018. I feel Saturn which is causing delay should give the result also. Saturn is in our CFS. Saturn + strongly signifies 9 and 11, both at its star and sub lord level.

Sun will be transiting in Jupiter sign (Pisces) which is in CFS, on Saturn star –antra lord from 17/3 to 30/3 agrees.

So I feel the legal document in the form of Patta Passbook may be received during the second fortnight of the 2018 April.

Register missing – when will it be found?

An important register was missing in one of the branches of State Bank of India, Mumbai. The branch Audit had commenced and the Auditor was asking for the said register. The branch staff was searching for the register but could not find it.

My wife who was working at the same branch of SBI asked me whether I could help her in locating that register using astrology. I was a bit surprised when she asked me this question because my wife did not believe in astrology or any such occult science. I told her to get me a number from 1 to 249 from her colleague. The number given by her colleague was 43.

The question was seen by me on 22.07.2013 at 17.50 in Mumbai. The planetary position, KP cusp chart and ruling planets are given below:
The ruling planets at the time of judgment were :

Lagna	: Mithuna	Budha
Star	: Uttarashada	Ravi
Rashi	: Makar	Shani
Day	: Monday	Chandra

In the cusp chart Chandra is in the eight house indicating some loss or problems. Karka rashi is in the third house which indicates books, register, documents, agreement etc.

Rule : If 11th SL is a significator of 3rd house then the register will be traced.

11th house – Meena 25:20:00 SL – Rahu
Rahu 5/- Sub lord Chandra 8/3
RL of Rahu – Shukra 3/6
11th SL is a significator of 3rd house so the registered will be traced. I decided to see the transit of Chandra to find out the date on which the register will be located.

Communication or getting any information is seen from the 3rd house. When Chandra transits the star of the strongest significator of 3rd house the register will be located.

If we see the cusp chart and planetary position, we see that Shukra is in the third house. Ketu is in the star of Shukra. Ketu is the strongest significator of 3rd house.

Chandra at the time of query is in Makar rashi and Uttarashada star. When Chandra transits Mesh rashi and Ashwini star the register will be traced.

Chandra enters Mesh rashi and Ashwini star on 28.07.2013 at 22.44.39 PM and so I said that the register will be found on 29.07.2013.

I told my wife to instruct the sub-staff to search for the register in the branch. The register was found by one of the Officers on 29.07.2013 in the afternoon in the record room of the branch. The register was in a torn condition with few pages missing. The Auditor deducted few marks because the register was in a torn condition and also for not maintaining the branch records properly. Here 11th SL is a strong significator of 8th house.
My wife thanked me for my correct prediction and said that she has started believing a bit in this science.

Generally diving is under the category of sports. A sufficient level of body fitness and health is required to practice this terrific sport. Additionally boldness, confidence and martial like adventurous mind should be main qualifications for this game. Astrologically the planet, which involuntarily comes to the scene in connection with these martial matters, is Mars. Mars generally signifies courage and bravery, energy, ability to organize, aggressiveness, ambition, determination, competition, love for game, muscles, strength and self confidence. Hence Mars should be played a vital role in the horoscope of a Diver by connecting anyway with the 5th cusp, the house of game.

Additionally one should have an ability, courage, energy, mental strength and intelligence, to engage in adventurous act like diving. Therefore the 3rd cusp of the natal chart should be well established by connecting positive elements, to entertain in such adventures ability and to be bold enough to make a venture, as illustrated in KP by Sri Tin Win ji.
Furthermore, the following facts are also to be considered for a birth of a diver.

1) The ground for this sport of diving is Sea or Water. Water is under the rule of Moon and Neptune. *(Encyclopedia of Medical Astrology by Dr. H.L. Cornell).*
2) Sign Pisces, the 12th sign of the natural Zodiac rules the Ocean, Sea, and standing and stagnant pools of water.*(Ibid).*
3) The planet for swimming is Moon. *(Matters controlled by grahas Part - 2 - Moon - by Sri Kanak Bosmia).*
4) Divers / Deep Sea Divers are ruled by Neptune and Pisces *(Rulership Book by Rex E. Bills).*

For this study, I have selected 20 charts of divers from the Astro Data Bank, now known as www.astro.com , as below.

Looking for,
(a1) 5th cusp Co-Ruler's connections with Watery Planets **(Venus & Moon)** and Signs **(Cancer, Scorpio, Pisces)**

Observations
5th cusp is connected with watery elements and Mars in almost all the charts. (100%)

(b) Diving means "Underwater Swimming"
Swimming : Ruled by Moon (Matters controlled by Grahas Part - 2 - Moon by Kanak Bosmia)
Water : Under the rule of Moon and Neptune
Water (The Ocean, Sea, and standing and stagnant pools of water) : under the rule of 12th cusp

Since the diving is a water based sport event of athletic competition that involves diving into water, there must be any connection amongst the 5th cusp (Sports), 12th cusp (Water/ Ocean) and Moon.
Scrutinizing the charts under consideration, to see such qualities.

2017 September 09 was a Saturday and I was conducting a K.P. Astrology practical class at Sri Lannka Vidyala Pirivena, Maradana, Colombo. Exactly at 01.05 p.m. a student of mine who was a staff nurse attached to a nearby government hospital wanted to know whether she will get pregnant for a child.

She gave number 137 to prepare the K.P. horary horoscope.

All most all the student in my class did the necessary calculations manually. The relevant horoscope is attached here with for your perusal. Sub lord of the fifth cusp was Venus. Venus being the owner of first & eighth houses was deposited in tenth with Rahu. Please keep in mind that the eighth and first houses were vacant . Venus was in the star of Mercury and the latter was the owner of the ninth and twelfth houses and tenanted in the tenth house.

To get conceived the sub lord of the fifth house must be deposited in a star whose lord signifies second, fifth or eleventh house. The students who solely relied on the above principle predicted the student nurse who made the question will not have a chance to deliver a child in the future.

A few students contested that logic and said the sub lord of venues is deposited in sub of Moon and the same Moon is the sub lord of the eleventh house thus qualifying the querent to get a positive answer as Moon did not harbor any planet in it's own stars. Those who told this line of argument said as Moon is in Ketu star who being a node represents Saturn and as Ketu is in Makera rasi and Saturn is the one and only significator of the fifth house main house for pregnancy.

Another student said the querent will get pregnant because Mercury is in conjunction with Sun who is an ardent significator of the eleventh house.

In support of the said answer another group of students said the question number 137 had Moon as its sub lord and as said earlier Moon was in Ketu star and Ketu has dominated the scene as Moon's and Lagna's star lord among the ruling plants at the time of judgment.

The ruling plants for the time of judgment were as follows. Day lord Saturn ; Moon rasi lord Mars ; Moon star lord Ketu ; Lagna rasi lord Jupiter Lagna star lord Ketu ; Lagna sub lord Mars and Moon sub lord Venus. Mercury and Sun also became ruling plants as they were in conjunction with Mars.

Now let us see when she will be able to deliver ?
Ketu being a very strong R.P it was unanimously concluded that the delivery is sure to happen before the end of current Ketu dasa which runs up 2024.03.23.

Then what will be the sub dasa? The current sub dasa of Venus should be left out as it did not signify second , fifth or eleventh houses.

The next sub is of Sun and it is a strong significator of the eleventh house. Thus it was selected as the sub dasa.

The one and only significator of the fifth house is Saturn and we were compelled to choose Saturn's sub sub dasa which will do operate from 2018.12.20 to 2019.01.19 .

Sun transits in Dhanu rasi and Ketu star from 2018.12.16 to 31st of the same month and this

Will the Patient recover her Health?

By: N N Panchal

A 37, Surya Apartment, Ghatlodia, Ahmedabad, 380061

Sometimes, I wonder how magically (and logically also) KP System Works towards correct prediction. I would like to share my recent experience of prediction using KP System. Few Days ago, One X Person had a critical organ function failure in stomach. During night of 03.01.2018 I got this news, on morning of 04.01.2018, I had heard that the patient is critically ill and having very less chances of survival due to this organ malfunction. Doctor was sure that this case is going to be tough, patient was literally fighting for her life at that time.

My wife asked me 'Will she recover?' Without any further delay or thought process, I asked Horary number to her as usual. She gave me number 110 out of 249.

Data for Horary Chart:
Horary Number: 110/249; Date: 04-01-2018, Time: 09:04 AM, Sughad, Gandhinagar.

I checked 1st House sub lord Ketu was in Moon Nakshatra and Sun Sub. Ketu is placed in 5th House, Moon placed in 11th house and owns 11th. Sun in 4th house and owns 12th house. Ketu 1st house sub lord showing 5th house itself gave me confidence for her recovery. Further Star lord Moon in 11th house, showing support for good health. Finally sub lord Sun showing 4th house showing home coming. So I was confident that recovery is sure due to strong signification of 5th and 11th. 6th house sub lord Rahu was also in 11th. Its Star lord Mercury in 3rd and owns 10 and 1, signifying 1st house star lord also proposing good recovery. Finally Moon the sub lord of Rahu, in 11th and owns 11th house. Supporting recovery of health strongly.

At the time of query Mercury Maha Dasha was running, Mercury is in Sun Nakshatra and Ketu sub. Mercury owns 1st house, Sun is in 4th house and Ketu strongly signifying 5th house. These all confirms that Mahadasa nath Mercury favours recovery.

I worked out significators for **bad houses of health.**

7th House (Maraka, Badhaka)	Ma, Ju
6th House (Illness)	Sa
8th House (Death)	Ma
12th House (Bad for Health)	Su

At the time of Judgement Ruling Planets were, Ju, Me, Su, Ke and Mo. I observed Mercury is not in Common list or RPs and Significators as per table, Significators which are opposing good health. Keeping all this in mind, I concluded MD lord Mercury is not showing any harm to recovery of Patient, so recovery is sure as per KP Analysis. Horary chart also strongly showing recovery.

I concluded Patient will recover, which was almost opposite what people around me were thinking. But in surprise of all people, patient recovered and with some life time precautions and advises from Doctor, patient discharged from Hospital on 07-01-2018 on that day DBAS running were Me-Ke-Ke-Sa, All strong connected with Health recovery.

I found KP Simple, Quick and most effective Techniques of Astrology I came across till date. Pranaam to Shri Kanak Bosmia and late Shri C R Bhatt Saheb, for their Great and Vast Contribution in KP Astrology.

On the day of election (18 February 2018) the running joint period dasa is Mars-Saturn-Mercury-Saturn will start from 10 February 2018 to 19 February 2018.

Dasa lord Mars is in the star of Jupiter and sub of Rahu. Mars is occupant of 10, owner of 4 -11. Star lord Jupiter is occupant of 10, owner of 3-12. Sub lord Rahu is occupant of 7. Rahu is in Cancer sign, hence represent Moon. Moon is occupant of 1, owner of 7. Thus dasa lord Mars signifies 10-11-4-12-3-1-7. Hence the wining in election is sure.

Bhukti-Sookshma lord Saturn is in the star of Ketu and sub of own. Saturn is occupant of 11, owner of 1-2. No planet is in the stars of Saturn and Saturn is the CSL of 1-2-5. Star lord Ketu is occupant of 1. Ketu conjoined with Sun, Moon and Venus. Sun is occupant of 12, owner of 8. Moon is occupant of 1, owner of 7. Venus is occupant of 12, owner of 5-10. Sub lord is also Saturn. Bhukti-Sookshma lord Saturn signifies 11-1-2-5-12-8-7-10. Hence bhukti lord indicates wining in election.

Antra lord Mercury is in the star of Venus and sub of Moon. Mercury is occupant of 12, owner of 6-9. Star lord Venus is occupant of 12, owner of 5-10. Sub lord Moon is occupant of 1, owner of 7. Thus Antra lord Mercury signifies 12-9-6-10-5-7-1. Hence the wining in election is sure.

My opinion: Antra lord of CPI (M) is indicate 3-11 and for opponent indicate only 10, thus chance of CPI (M) to win this election.

I am going to discuss a chart of a prominent businessman. The details of the native are given below :
Native : Male
Date of birth : 01.04.1936
Time of birth : 18:23
Place of birth : Kutch
Long/Lat: 22 N 48, 71 E 37
The planetary position, Sublords of all 12 cusps and the KP cusp chart are given below :
Balance Dasa at the time of birth is Budh 13 years 6 months and 23 days.

For business if the 10th SL is a significator of 7th house the native will have a fulltime business. The MD should be significator of the houses 2,6,7,10 and 11.

10th house – Mithun – 11:18:59 SL – Shani
Shani 6/5,6 star lord Guru 3/4,7
The 10th SL is a significator of 7th house and not connected with 8th and 12th houses.

The MD periods which are to be analysed are Ketu (13 – 20 years), Shukra (20 – 40 years), Ravi (40 – 46 years), Chandra (46 – 56 years) and Mangal (56 – 63 years)
Ketu 10/- Rahu 4/-
RL of Ketu - Budh 7/1,10 RL of Rahu – Guru 3/4,7
MD Ketu is a significator of houses 7 and 10 and not connected with 8th and 12th houses.
Shukra 6/2,9 Guru 3/4,7
MD Shukra is a significator of 2,6 and 7 and not connected with 8th and 12th houses.

Ravi 7/12 Budh 7/1,10

MD Ravi is a significator of 7 and 10 and also 12th house. Here 12th house has come along with the positive houses will not indicate loss but investment in business.
Chandra 11/11 Budh 7/1,10

MD Chandra is a significator of 7,10 and 11 and not connected with 8th and 12th houses.
Mangal 7/8,3 Ketu 10/- Rahu 4/-
RL of Ketu - Budh 7/1,10
RL of Rahu – Guru 3/4,7

MD Mangal is a significator of 7, 10 and also 8th house. Here 8th house will indicate some problems in his business but the intensity of the problems will be minimal as positive houses for business are in operation.

If we observe the KP cusp chart we see that there is no planet in the 8th and the 12th house. The rashi in the 8th house is Mesh – lord Mangal and the 12th house is Simha – lord Ravi. When we see the planetary position we come to know that no planet is in the star, sub of either Mangal and Ravi. So Mangal and Ravi are the sole significators of the 8th and 12th house respectively. In this chart the 8th and the 12th house will operate only in the MD/AD/PD of Mangal and Ravi.
MD from Ketu till Mangal are totally positive for business in this chart even though MD Ravi is a significator of 12th house and MD Mangal is a significator of 8th house. This native is in printing business and is one of the leading printers and publishers in the country.

"Astrology is Astronomy brought to earth and applied to the affairs of men"

- Dr. Ralph Waldo Emerson

The scope of the natal chart of a native is unlimited and boundless. It is the map of the route of the native from the birth to death and also beyond the death. While examining a horoscope various elements have to be considered, analyzed in detail and combine together with logical judgment. If one use the fundamental namely the characteristics of the Planets, the nature of the 12 Zodiacal signs, the matters govern by the cusps (Bhawas) and planets and their qualities, there won't be any difficulty in accurate predicting the life of a native. KP is the one and only tool in proper discovering the invisible truth of a life.
This attempt is to discover the astrological reasons for giving up the husband of a lady and separation of the father of their children, using the KP rules propounded by late Sri K.S.Krishnamurti Maha Guruji.

The Lady
Name: The Lady, Gender: Female, Date: Thursday, 11/May/1967, Time: 07:15:00 PM, SID: 10:19:17, Lat: 06:41:00 N Lon: 79:55:00 E, Place: Panadura, Dibbedda, Western, Sri Lanka, Ayanamsa: 23° 18' 40", Star: Rohini, Pada 3, Lagna: Scorpio, Bal. Dasa: Moon 3 Y, 5 M, 5 D

The 7th cusp is under the co-rulers of Venus+-Moon-Moon. Venus+ being the lord of 7th and 12th is deposited in the 8th house in the the star and sub of Rahu in 8th. This Venus+ with no planets in its stars, being the sub lord of the 3 and 9, is a strong significator for the 3rd and 9th cusps. Venus aspects 12, 2 & 4 and it is aspected by the Sun, the lord of 10 from 6.

The star and the sub of 7th, Moon being the lord 9 is located in the 7 in its own star and in the sub of Mercury+. Moon aspects 9 & 1 and is aspected by Saturn, the lord of 3, 4 from the 5th cusp. Moon's sub lord Mercury+, the well known planet for duality and notable marriage breaker, being the lord of 8 and 11 is posited in the 6th, in conjunction with the Sun, the lord of 10 and also in association with Rahu that signifies 12 & 6. Mercury is in the star and sub of above said Sun connected with 6 and 10 and also with no planets in its stars, being the sub lord for 6 and 12, is a strong significator 6 and 12 , the houses of explosion of the marriage.

It is important to note that 7th (Legal bondage by Marriage) lord Venus+, known as Kalthrakaraka alone is a significator for 2, 3, 4, 6, 7, 8, 9 & 12. 7th cusp Sub lord Moon is a significator for 1, 6, 7, 8, 9, 10, 11 & 12.

Let's see what the matters these cusps are responsible in connection with Marriage.
= 12th to 2, decreasing of family members
= Increase in the number of the members of the family by marriage
= 12th to 4, loosing the family members from the residence
= 12th to 5, No more love

Planets in the 6th Cusp

Sun, Mercury and Rahu are located in the 6th house. Sun, being the Lagna Sub lord with its significations for 6 & 10 is aspecting 8th, 12th and lord of 7 Venus & Kethu in 12 and strongly conjoined with above said Mercury. Rahu in the star of mitigating and loosen planet Kethu in 12 and in the above said Mercury is a significator 6 and 12. As per the rules of nodes Rahu represents Mars+, Mercury and Sun. Mars by being the lord of 1 and 6, detrimental places for two prime cusps of marriage 2 & 7, is in the 11th in the star of Moon and in the sub of Sun as already described.

Accordingly all the planets connected with marriage matters had done their best to erase the agreement of marriage of this native as illustrated in the KP Readers.

"The 12th house to the houses 2,7 and 11 are all detrimental for smooth, pleasant family life with wife(husband).

If the significators of 2,7 or 11 happen to be the significators of 1,6 and 10, then separation will surely happen and then it may lead to divorce...

3. If separation is caused by wife running away ... , then in one's horoscope, the signifiator of 7 will also be the significator of 6 and 9. If the person does not like the wife and goes away, then we have to judge the houses 3 and 12. "

- KP Reader IV: Marriage, Married Life and Children, p 192

Rule No. 1 is clearly indicated in above chapters.

Rule No. 2 - Significators of 2, 7, 11 in the chart are Jupiter+, Venus+, Mercury+ and Mars+. Jupiter+ is Trine to 1 (Lagna). Venus+ signifies 6, Mercury for 6 & 10 and Mars for 1 & 6.

Rule No. 3 - In this case wife (native) had left the home. Venus+ the lord of 7 is in the star of Rahu in 6 and is a strong significator for 9th.

The verdict of the divorce has already given by the court of law and not yet signed by the judge.

Sun. Star lord Mercury is the lord of 12. Sub lord Sun is in the star of Rahu that represent Mercury (12), Venus (12), Saturn (8) and Venus is aspected by Saturn. Thus the KP rule is satisfied for the separation of father.

Child 3 - Cuspal sub lord of the 9th is Kethu. It is in the Sub of Rahu, a significator of 12 and aspected by Saturn the lord of 12. Kethu is stationed in the 7th house and it's lord Mercury is a significator for both 8 & 12 by satisfying the KP rule for separation of father.

According to the above analysis using Krishnamurti Paddhaty theories, the Karmic influences for the loosing of husband to a lady and separation of father for three children are clearly revealed.

If KP is followed strictly, predictions are cent per cent accurate. Learn KP, you can win the world.

Hints
If the cuspal sub lord of 3 (in the star of the occupant or owner) happen to be Saturn, the rumor is false. If it is Mars then it is mischievous. If it is Jupiter it is true. And if the lord happen to be planet connected with Saturn in any manner the report false; but connected with Jupiter, the report will be correct. This is the way to find out a rumor is believable or not.

Cusp 3rd. (Gemini 18^0.02'.42"): The sub lord of the 3rd cusp is Sun. Sun is in the star of own and sub of Saturn. Here 3rd sub lord is connected with Saturn; hence rumor/message is false.

My opinion: Yes, this rumor is false.

A dreadful skin disease called "Psoriasis"- Analysis through KP system

By: *Gunti Nagaraju* KP astrologer (M.com CAIIB, Retired Bank officer)

Following are the general astrological factors that govern the skin-related medical problems--

Role of Saturn and Mercury

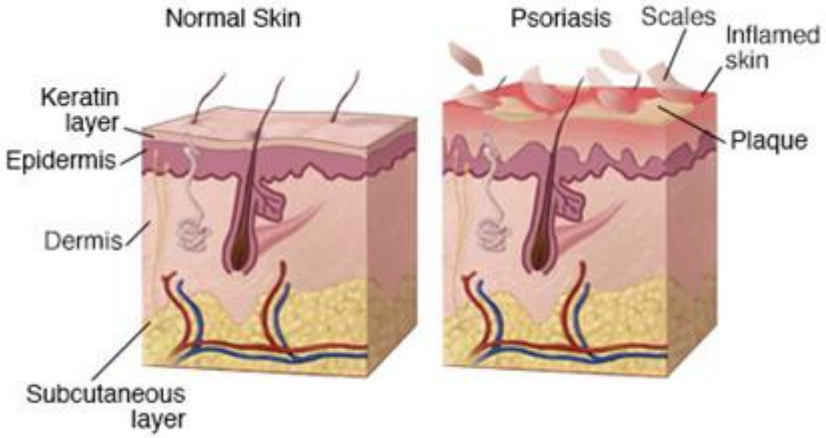
Saturn and Mercury account for almost all type - of skin diseases and disorders. Additionally the Ascendant (general mental and physical health), the 2nd house (face, pimples on face, facial scars), the 6th house sickness - acts as a trigger for disease), Saturn (natural significator of skin, age-reared problems, eczema, psoriasis and other incurable diseases), the Moon (blood impurity, anaemia), the Venus (the beauty of skin), the Mercury (stress in life, skin problems), the Mars (boils, rashes, allergies, measles), the Jupiter's influence on the 11th house or 11th lord or both (Jupiter ruling metabolism and toxicity) and a Mercury - Saturn link all come into play when examining a horoscope for skin related ailments.
Saturn provides for the drying of the surface epidermis, the prevention of excessive blood flow and the slowing down of nerve signals (such as pain, pressure, vibration).

Astrological Factors

The 6th house factors listed above need to be identified along with the Mercury - Saturn link. The Moon and Jupiter play a role in cases of weeping eczema/psoriasis and other blistering skin diseases-Psoriasis/Eczema, a prolonged and dreadful skin disease. The most common symptom is dry and itchy skin, rashes on the face, the back side of the elbows, behind the knees and on the hands and feet. Currently, there is no single test to diagnose eczema/psoriasis, so doctors rely on information about the patient and his family.

One of the reasons attributed to this disease is also a genetic factor.
Signs connected – Libra, Aquarius for skin
According to Ayurveda- a traditional medical system in India, a skin ailment happens because of unevenness of Fire and Water component.

Overview of the Skin affected by Psoriasis—



How psoriasis develops

Psoriasis is a common skin condition that speeds up the life cycle of skin cells. It causes cells to build up rapidly on the surface of the skin. The extra skin cells form scales and red patches that are itchy and sometimes painful.

Psoriasis is a chronic disease that often comes and goes. The main goal of treatment is to stop the skin cells from growing so quickly. There is no cure for psoriasis, but you can manage symptoms. Lifestyle measures, such as moisturizing, quitting smoking and managing stress, may help.

Symptoms of the disease—

Psoriasis will be different forms such as-Guttate psoriasis, Scalp psoriasis, Inverse psoriasis, Nail Psoriasis, Pustular psoriasis, and Erythrodermic psoriasis

Psoriasis signs and symptoms are different for everyone. Common signs and symptoms include:

- Red patches of skin covered with thick, silvery scales
- Small scaling spots (commonly seen in children)
- Dry, cracked skin that may bleed
- Itching, burning or soreness
- Thickened, pitted or ridged nails
- Swollen and stiff joints

Psoriasis patches can range from a few spots of dandruff-like scaling to major eruptions that cover large areas.

Most types of psoriasis go through cycles, flaring for a few weeks or months, then subsiding for a time or even going into complete remission.

Psoriatic arthritis. In addition to inflamed, scaly skin, psoriatic arthritis causes swollen, painful joints that are typical of arthritis. Sometimes the joint symptoms are the first or only manifestation of psoriasis or at times only nail changes are seen. Symptoms range from mild to severe, and psoriatic arthritis can affect any joint. Although the disease usually isn't as crippling as other forms of arthritis, it can cause stiffness and progressive joint damage that in the most serious cases may lead to permanent deformity.

It can be construed that - Mercury, Saturn, Jupiter and Rahu play their vital part for an occurrence of the disease.

I.-What KP system speaks on the diseases in general and Skin infections in particular--

1. General rules on health and diseases-

a) Ascendant – the degree rising on the cusp of the ascendant assumes importance in judging the native's health. It rules the body and its strength and indicates the power of the resistance against the onslaught of the disease.

b) Sun rules and indicates one's vitality, the constitution of the body and the native's hereditary traits.

c) Moon rules the functional system of the body, mental conditions of the native and the accidental characteristics arising from the mode of living, climatic conditions and habits.

d) 6th house – it is the house of sickness, ailments and diseases. Normally diseases occur and judged from the 6th cusp, planets in the 6th cusp, its ruler and the sign it falls.

e) apart from the above -4th house denotes the end of the one's life; 8th house- denotes seriousness, accidents, surgery and death; 12th house- denotes hospitalization; 2 and 7 – maraca sthanas; and 11/9/7 badhaka sthanas basing the nature of the signs (fixed, movable and dual) indicating physical suffering.
f) death is indicated by the Ascendant cusp sub lord and it significations with 12-6-8 (negative houses for longevity-1-5-9&10) when the lord f the badhaka houses(11or 9 or 7) and maraca hoses (2&7) are also signified.

II what KP rule says on the diseases- (refer page no. 85 of the book " theory and practice of stellar astrology" by Sri PVK Punneswara Rao)

1) If the ascendant cusp sub lord or 6th cusp sub lord signifies 6 or 8 or 12 the disease is caused during the conjoined period the significators of the 6,8and 12 houses.
2) The nature of the disease is indicated by the 6th cusp sub lord- Saturn denotes chronic in nature, Mars denotes acute in nature and Mercury denotes complications in nature and Rahu & Ketu denotes.
3) The disease will arise during the conjoined period of the significations of the houses of 1 & 6 or 1 & 8 or 1 & 12.
4) Cure and the Final result- if the 5th cusp is signified the disease will be well under control and 7 and 11 houses denote cure after treatment.

With this background, I will be discussing a natal chart of the native who has been suffering from this disease.

The birth details are furnished hereunder-
Name- RMK.
DOB-26 /08/1948. TOB- 03-37-25 A.M. PLACE – MACHILIPATNAM. A. P.

Analysis of the chart—

1)6th cusp sub lord is Jupiter, who is also 6th lord placed in 5h cusp-Scorpio. Jupiter is placed in Mercury star lord of 3 and 12 is placed on the 1st cusp. This mercury is conjoined with Saturn and Sun in Leo sign.
It is in the sub of Jupiter itself as lord of 6 and 9 in 5th.
Thus Jupiter 6th cusp sub lord signifies 6 and 12 at its star lord level and 6 at its sub lord level. Jupiter is under the control of its star lord with Mercury and Mercury, in turn, is conjoined with Saturn and Sun. Jupiter s the 6th lord, Mercury is the 12th lord and Saturn is the 8th lord. Saturn is in lagna cusp and Mercury is conjoined with Saturn.

2)Thus as per our KP rule and other astrological norms, Saturn, Mercury and 6th lord Jupiter, all the three planets are responsible for the dreadful disease called Psoriasis. Saturn is also connected with Mars by its 3rd aspect.
3) Jupiter as 6th cusp sub lord is connected with lagna by its 9th aspect. Saturn 8th lord and karaka for chronic skin ailments is placed on lagna cusp. Mercury lord of 12 is conjoined with Saturn. Lagna lord is placed in 10th Aries with Rahu another karaka for skin infections.
Lagna cusp lord Moon and Aries indicate head, 12 and 3rd houses and its lord Mercury indicate feet, and 3rd house Gemini indicates hands are the parts of the body of this native which are affected fully.
Moon on its part gave oozing of pus in the affected areas for sometimes, Saturn gave extreme dryness in the affected parts of psoriasis and Mars gave sudden spurts of severity in the affected parts.
Saturn and Rahu made the disease chronic and the native has been suffering from this dreadful disease up to Jan 2012. And from Jan 2012 onwards it is fully under control though it is not eradicated.
4)The native was suffering from the disease "Psoriasis" from 02-07-1967 to 02-07-1977, during which period Moon dasa was running. Moon is in Venus star and Mars sub, signifi-

cator of lagna-10-12-3-5, made him suffer on account of this from 02-07-1967 to 02-07-1977 disease in head, feet and hands.

5)the dasa lord Mars ran from 02-07-1977 to 02-07-1984. Mars is in its own star and Mercury sub signifies 3, 10, 2, 12 and 5. Due to continuous allopathic treatment the though the skin disease got suppressed, it got transformed into rheumatoid arthritis in the hands and fingers as a side effect.

6)the next dasa lord Rahu which ran from 02-07-1984 to 02-7-2002. Rahu is in the star and sub of Venus which signified10,11and 12 at its star level and 11 and 12 at its sub lord level made him suffer due to acute arthritis problem and less of psoriasis.

It is informed that the native got vexed with allopathic medication and resorted to "yoga" and its treatment during the period of June- July 1991- that is during Rahu dasa x Saturn bhukthi x Venus antra period x Jupiter sookshma (from 02/06/1991 to 25/06/1991). Venus antra lord signifies 5 and 11 at the star level and Jupiter sookshma lord signifies 5 at both star and sub level gave control over the disease.

Bhukthi lord Saturn indicates and signifies penance, seclusion from material life, and as a planet of concentration on the particular yogic treatment. Saturn+ signifies 3 and 9 as sub lord, 3rd signifies away from home and family, the courage to face and experience the rigorous practices of yoga, 8 and 12 house- indicating occult practices, at its star level and 1- mental preparedness and the native, and 10th –to experience past karma in the form rigorous practices of yoga.

Venus antra lord signifies 5-initiation in yoga a spiritual practice,9- indicating divine grace of yogic guru in initiating in to yogic practices,11- to experience the physical suffering in the process of following physical practices of yoga asanas, kriyas, and meditational practices, and 12- seclusion and away from routine life at its star level.

Jupiter sookshma lord who is mainly responsible for triggering spiritual bent of mind to turn to yogic life and its practices signifies 5- cue and control over the disease through yoga and its practices, 9- spiritual transformation to turn himself towards yogic practices, at both star and sub lord level along with the signification of 3-hands, and 12-feet.

Since then onwards this native has been continuously practising his yogic practices and maintaining a very good control over the problem of arthritis and full control over the dreadful disease Psoriasis. One may wonder and may not be prepared to believe if I say as a witness to all his life and life practices, that this native is fully free from such dreadful disease called Psoriasis which is said to have no cure in an allopathic field.

And I take this opportunity to bring an amazing truth that the so-called dreadful disease called Psoriasis or any other severe skin infections can be cured by a special yogic practice called " VASTRA DHOUTHI". This should be learnt and practised under an able yogic guru only.

My humble salutations to our astrology master Sri KSK and my thanks to Sri Kank Ji.

Questions & Answers

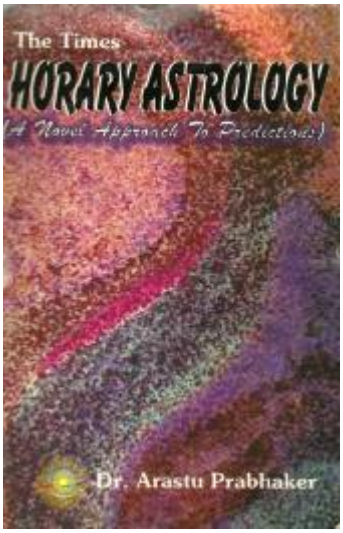
Q 1: The book "NEW DIMENSIONS OF KP ASTROLOGY"

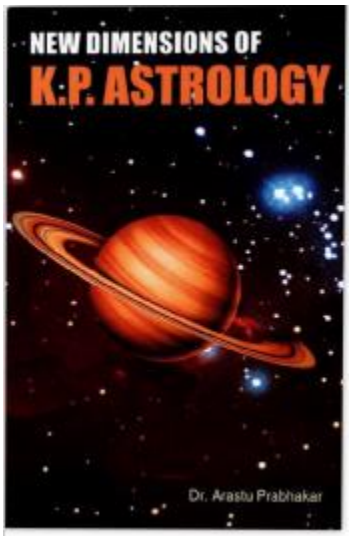
I request for your opinion on the book of
" NEW DIMENSIONS OF KP ASTROLOGY" BY DR ARASTU PRABHAKAR.
He claims that he has over come all the drawbacks of KP system- invented by Sri KSK, in this book.He describes That this is based on kp only, but eliminated all the drawbacks.
This purely horary only. He claims that he has done a research on about 2000 horoscopes and came to this conclusions.

I REQUEST FOR YOUR VALUABLE REMARKS/COMMENTS ON THIS BOOK.

A 1:

The book “New Dimensions of K. P. Astrology” by Dr. Arastu Prabhakar is the old book “The Times Horary Astrology” by the new name (old bottle with new label) which is the English translation of the Times Prasna Jyotish (Hindi). This is just a horary book which is based on the KP horary of KP Reader VI. However in some cases there are different views from the common practice of KP, and some principles of traditional astrology have been incorporated, as mentioned in the book reviews of the KPE-zine June 2012 issue and May 2013 issue.





There is no such thing of overcoming all the drawbacks KP system without covering of KP natal analysis written in KP Reader I to V.

Q 2: KP vs KB

To know KP vs KB, is it necessary to go through the book of K.Bhaskaran- Principles of cuspal interlinks

OR

Is it sufficient to go through the lessons of A. DEVARAJ'S on KB in the old KP-Ezines.

A 2:

Both are to be study, Baskanan’s book for basic principles and Devaraj’ articles for practical application by using significators calculated by KPAstro 4.5.

Q 3: MARRIED LIFE
From the birth chart, we can predict the married life and diverse and second marriage.
If the second marriage also is in trouble, how we can predict that there will be diverse from this second marriage also.
The birth chart has already shown diverse and second marriage and happened.

A 3:
In KP 7th house is for first spouse, 2nd house (8th from 7th) for second spouse, 9th house (8th from 2nd) for third wife, and so on.
Happiness in married life (by 2,5,7,11) is to be studied from the 11th cusp (KP Reader V, p 152: LIFE WITH WIFE) and also from the cusp of concerned spouse.
There is no happy married life for Albert Einstein with both two wives, and for Hugh Hefner with all three wives.

Q 4: ASPECTS IN KP
We follow vedic aspects in KP.
Rahu/Ketu does not aspects any planets. Any planets other than rahu/ketu, aspects rahu/ketu, then we are considering that rahu/ketu represents that planets.
But,in the book, ASPECTS IN VEDIC ASTROLOGY by Pandit Gopesh Kumar Ojha in page 11, it is mentioned that BUT THE NODES ARE MERELY SENSITIVE POINTS, THEY HAVE NO BODY, NO MASS, NO WEIGHT. THEY DO NOT ASPECT NOR
THEY ARE ASPECTED.
This is against what we are following. We follow that planets aspect the nodes.
This is for your comments/remarks.

I have enclosed a chart.
Here Saturn is in Sagittarius and moon is in Virgo. So, by 10th aspect Saturn is aspecting moon.
saturn is in 4th house, and not 5th house.
can we say, that saturn is aspecting 7,11 and 2 houses.

A 4:
What we are following is the Vedic practice of shadow planets Rahu and Ketu giving the results of aspecting planets on them.

Rahu or Ketu will act as a strong agent to the planets to which they are conjoined. If they are not conjoined with any planet, then they give the results of the planet which aspects them. Only when they are neither conjoined with, nor aspected by any planet, they represent the lord of the house. (Uthrakalamrita -- Khanda VI Sloka 14 onwards) (KP Reader II, 1983, page 315)

If nodes do not aspect nor they are aspected, what will be their signification other than the result of the lord of sign where they are located?

In KP Hindu aspects of rasi by rasi (sign by sign) are used. So Saturn in Sagittarius is aspecting Aquarius where Rahu and 7th cusp are located by 3rd aspect; Gemini where 11th cusp is located by 7th opposite aspect; and Virgo where Moon, Venus and 2nd cusp are located by 10th aspect . So Saturn is aspecting, Rahu, Moon ,Venus & 7th, 11th, 2nd cusps or houses.

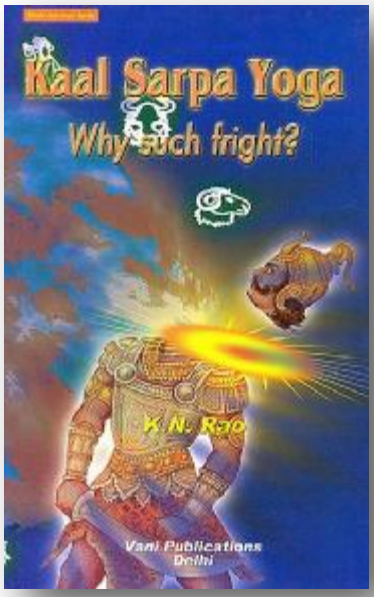
Vani Publications, new edt 2011, 108 pages



When astrologers frighten you by mentioning kaal sarpa yoga in your horoscope you should prepare for your self defense and ask them if it is mentioned in any classical astrological book and its evil effects described.

1. You should ask them, if had done any research of their own or were only prattling away their ignorance astrological rules of interpretation.
2. Astrologers whether they indulge in astro-psychologising or in the the evils of kaal Sarpa yoga are low priests of avarice. And in expatiating in the face of their client's outrage mixed with fear.
3. This book is to remove such fears from your mind. There are people with Kaal Sarpa Yoga in their horoscopes who have risen high in life as this book shows.
4. There are People with Kaal Sarpa Yoga in their horoscopes who have led normal lives as this book shows.
5. There are people with Kaal Sarpa Yoga in their horoscopes who have achieved great things in their Rahu and or Ketu mahadashas.

It has been very well shown through the horoscopes of fifty three people, who have been doing extremely well in their lives without doing any Karma-Kand Pooja /Upaya Shanti for this so-called Purna or Anshik Kaal Sarpa Dosha.

A Tribute to the Superstar Actress Sridevi!

By: Tin Win
Email: tw853@yahoo.com

1. Sridevi made her film debut at the age 4 and acted in more than 300 movies and gained many rewards. She became the first female Bollywood superstar of the 1980s and '90s in a male-dominated Indian film industry. She returned to movies in 2012 after a 15-year break with the smash-hit "*English Vinglish*".

2. The news of her sudden death in Dubai on Saturday, February 24, 2018, after attending the wedding of her nephew, has shaken the entire India, including Prime Minister Narendra Modi. The actress was reportedly dead of a heart attack but according to the autopsy report issued later the cause of death was accidental drowning after losing consciousness in her hotel bathtub.

3. Her 5th (film actress) cuspal sub lord (CSL) Mercury is in 2nd house, lord of 3rd and 12th houses, in the star of Venus placed in Lagna, lord of 4th and 11th houses, and in sub of Jupiter placed in 9th house, lord of 6th and 9th houses, indicating favorable 2,3,6 and 11 houses and connection with artistic Venus.

4. 10th (carrier) CSL Mars is placed in 3rd house, lord of 5th and 10th houses, opposed by 6th house lord Jupiter. Mars is in the star of Moon placed in 10th house, Lagna lord, and in sub of Saturn 7th house, lord of 7th and 8th houses, opposed by 11th lord Venus and 2nd lord Sun, indicating favorable 2,3,6,10 and 11 houses and connection with artistic Venus.

5. In addition there is a very good planetary exchange of Lagna lord Moon placed in 10th house and 4th & 11th lord Venus placed in Lagna. 2nd lord Sun is also closely conjoined with Venus in the Lagna. This Lagna, Sun and Venus are aspected by 6th house lord Jupiter. 3rd lord Mercury is placed in 2nd house and 5th and 10th lord Mars is placed in 3rd house. Fortuna point is also located in the 10th house. The above cuspal indications and planetary combinations gave her an actress par excellence, all the fame, limelight, wealth and luxury.

6. Her Saturn placed in Sridevi's 7th house also indicates marriage to a person more mature in age and experience, which is true in case of her husband Boney Kapoor.

7. The 11th lord Venus is the most influential planet for her beauty, success and wealth. But for her Cancer Lagna of movable sign the 11th house is badhaka which is more deadly than maraka houses of 2 and 7.
Also please note here that maraka 2nd house lord Sun conjunct badhaka 11th house lord Venus in Lagna of watery Cancer sign opposed by 7th and 8th house lord Saturn placed in maraka 7th house may indicate accidental death by drowning during Saturn dasa- Saturn bhukti.

8. In addition 1st CSL lord Jupiter is placed in 9th house, lord of 6th and 9th houses, in the star of Mercury 2nd house, lord of 3rd and 12th houses, and own sub of Jupiter placed in 9th house, lord of 6th and 9th houses, indicating unfavorable 2nd, 6th and 12th houses for life span.

9. She died on February 24, 2018 (Saturn-Saturn-Moon-Moon DBAS) as soon as Moon antra started.

Hints
The sub lord of the Ascendant and 11th cusp indicates what is the intention of querent and fulfillment of his desire. The question is not about a degree examination but competitive examination. Thus, we have to consider the significators of 4, 6, 9 and 11.

If the cuspal sub lord of the Asc & 11^{th} be the significator of 4, 6, 9 and 11 success in Professional Examination is promised during the joint period of the significators of 4, 6, 9 and 11.
Cuspal Sub Lord
Ascendant (Libra 10^0.26'.40"): Ascendant sub lord is Saturn. Saturn is in the star of Ketu and sub of Rahu. Saturn is occupant 2, owner of 4-5. No planet in the star of Saturn and Saturn is CSL of 1-3-7. Star lord Ketu is occupant of 4. Ketu is aspected by Mars. Mars is occupant of 1, owner of 2-7. Sub lord Rahu is occupant of 10. Rahu is in Cancer sign, hence represent Moon. Moon is occupant of 4, owner of 4-10. No planet in the star of Moon and Moon is CSL of 10. Thus, Ascendant sub lord Saturn is the significator of the 2-4-5-1-3-7-10. Hence success is promised by 4, but 5-3-10 also there.

11th Cusp. (Leo 13^0.2'.56"): 11^{th} sub lord is Venus. Venus is in the star of Ketu and sub of Sun. Venus is occupant of 2, owner of 1-8. No planet in the star of Venus and Venus is CSL of 2-8-11. Star lord Ketu is occupant of 4. Ketu is aspected by Mars. Mars is occupant of 1, owner of 2-7. Sub lord Sun is occupant 3, owner of 11. Thus 11^{th} sub lord Venus is the significator of the 2-1-8-11-4-7-3. Hence success is promised by 4-11 with 3-8.

Following questions are raised by the parents of this baby boy while furnishing his birth details for me—

1. Does the natal chart of this baby indicate any hearing problems?
2. Any speech problems?
3. Any surgery is indicated from the chart?

The chart is erected and following analysis is made on the above questions ---

What K.P Rules say in this regard -

1) In case of defective speech and sense of hearing or deafness and dumbness, the Ascendant cusp sub lord or the cuspal sub lord of 6,8,12 is the significator of 6,8,12, and connected with Mercury (speech and hearing), the 2nd cusp (speech), the 3rd cusp (hearing) and mute signs Cancer, Scorpio and Pisces (dumbness). When it is connected to 8th it would be congenital, otherwise, it would impair during D B A of the planets signifying 6, 8, &12 and badhaka sthana.

2) House(s) to be analyzed for Deafness--

Ears and the entire nervous system comes under the jurisdiction of third bhava (house) as well as the third sign of natural Zodiac Gemini. Therefore Gemini, its ruler Mercury and Virgo (the other sign owned by Mercury) will naturally get the jurisdiction on hearing.

Secondly, Mercury (lord of Gemini and Virgo) controls entire nervous system of the body. As a result, Mercury has been accepted as chief Karaka for hearing and ear diseases. Therefore one needs to analyze 3rd house, its cuspal sub lord, the planet Mercury and signs Gemini and Virgo for any afflictions by malefic planets.

In “Medical Astrology for All” by Sri K. Subramaniam it is stated that:

"As per K.P., one has to judge the sub lord of the second cusp for dumbness and of the third cusp for deafness. The subdivision in the sign Taurus, i.e. Venus-Moon-Ketu – Taurus 190 40’ 00” to 200 26’ 40” tells about the defective voice or mute.

3) The second sign in natural zodiac –Taurus- and its lord Venus which signify face, nose, mouth and ears; when afflicted would lead to ENT problems.

4) K. P astrologer Sr C.R Bhatt says that “ if the sub lords of 2nd and 3rd cusps signify 6,8,12 houses and also connected to the Mute signs – Cancer, Scorpio and Pisces- it would lead to defective speech and hearing.

That is to say that the native would become Deaf and Dumb.

From the above rules, it is clear that –

Second house and the third house of the natal chart are the main houses connected with dumbness and deafness. Therefore we will have to check whether there is an affliction to 2nd/ 3rd house, its cuspal sub lords, its connection with Mercury- signification of speech and hearing faculties and finally its connection with 6, 8 and 12 houses.

5) Cure from diseases:

If the sub lord of 6,8 &12 is the significators of 1,5 &11, then the person will have the cure for diseases in the DBA (Dasa / Bhukti / Antra) of significators of 1,5,11. For Chara lagnas 11 is badhaka sthana which is bad for health and longevity.

ANALYSIS OF THE BOY’S CHART----

Ascendant cusp sub lord is Moon. Moon co-rules 3rd cusp also. Moon is in Sun star lord of 11 in 5th cusp and in the sub of Moon lord of 10 on the 8th cusp.

Thus moon lagna cusp and 3rd cusp sub lord signifies 8, 11 and 12at its star and 8 & 11 at its sub lord level. It is also connected to 3rd- hearing and 2- speech.

Mercury karaka for speech and hearing is placed in Taurus sign which is not a mute sign, and Mer-

+ These planets do not have any planets in their stars.

cury is not connected with lagna. But it is aspected by Saturn (lord of 4&5) directly by its 7th aspect and got afflicted. And Saturn is placed in 2nd cusp Scorpio (mute sign) and 2nd cusp is also got afflicted.

Mercury is connected with8th and 12th it would be a congenital defect. Since Jupiter as lord 3rd and 6th is placed cancer sign -10 house- in exaltation is aspects 2nd cusp by its 5th aspect and 6th house by its 9th aspect, *this boy will have providential help and God will protect him at all crucial times and saves him.*

So I feel this boy will have problems pertaining to hearing and speaking faculties, and it would be congenital also. I feel he will have control by treatment.
Second cusp sub lord is Mercury and it is also co-ruler of the 12th cusp. Mercury at its star level signifies 2-speech, 7- treatment by doctors, 8- congenital problems, 9- bhagya sthana, and 12- hospitalization for treatment and medication. It signifies same house along with 11th also which indicates suffering due to the problem of speech and hearing. Since Mercury is placed in Taurus sign and since it is not a mute sign he will not become dumb and def permanently.
Both Moon (3rdand lagna cusp sub lord) and Mercury (2nd cusp sub lord) are fast moving planets, and so I feel that the problems will not be of permanent in nature and cure be may be tried fully.
From the above, it is clear that –
A.2nd cusp sub lord Mercury is connected with 8, 12 &11(conegenital, hospital and treatment and badhaka sthana),
B. 3rd cusp sub lord moon is connected with 8, 12 &11,
C. Mercury karaka for speech and hearing is connected with the 2nd house, 12 house and the 8th house he will have the problems of speech and hearing.

5. 6th house speaks of disease. Its sub lord is Ketu+. No planets are placed in Ketu stars and so Ketu strongly signifies 5 at its star level (control by treatment) and 3-hearing and 10- karma sthana – experiencing the past karma, at its sub lord level.
Ketu represents Jupiter lord 3 and 6 placed in 10Cancer in exaltation with lagna lord Venus. 11th is the badhaka sthana for this Libra lagna native and its lord is Sun+ strongly signifies 5 at its sub lord, 9 and 11 at its star level, and 1,8 and 10 at its sub level.
The 11th house is not directly connected to 6th cusp indicating permanent sufferings and in fact, 5th is signified indicates control over the problem by treatment.
8th cusp speaks of surgery. Its sub lord is Saturn lord of 4 & 5 placed in the 1st cusp. Saturn is placed in its own star and sub. Thus Saturn strongly signifies 1,4,5 at its both star and sub lord levels.
It has no connection to 8th and 12 and 6th main houses for surgery and also no connection to Mars an important karaka for surgery. So I feel there will not be any surgery for this boy.

6th cusp sub lord Ketu+ signifies 1,4,& 5 @STL and SBL3&10.
8th cusp sub lord Saturn signifies 1,4,&5@STL and 1,4,&5.
12cusp sub lord is Mercury signifies 2,7,8,9,12@STL and 11th along with same houses.
Since 1, 5, 9 and 11 are signified by all the three above cuspal sub lords the boy will not have any surgery and control over his problem by treatment.
5th cusp sub lord is Sun+ strongly signifies 9 and 11 at its Star level and 1,8,10 at its sub level, it gives both suffering and cure by treatment also.
Saturn is aspecting 8th and 8th and lagna lord Venus is conjoined with exalted Jupiter give long life.

Question asked: I am without job since 7th July 2016. I was working abroad in Gulf and returned back on 14th July 2016. When will I get a job?
Major question taken into consideration – Getting a job – when?

Hints: Getting or Joining a Job/Service
If the Cuspal Sublord of 6th be the significator of 2 (Money), 6 (Job or Service), 10 (Position, Business & Profession) or 11 (Success, fulfillment of desire) and/or in connection with 2, 6, 10, or 11; job/service or earning is promised during the joint period of the significators of 2, 6, 10 or 11.

CUSPAL ANALYSIS

VI Cusp: Scorpio 10-13-04 (Mars-Saturn-Venus): 6th CSL is Venus (verified through RP's) is in Self-Star (P.Phalguni-2) and in sub of Rahu. Planet & Starlord Venus is in Self-Star (Venus) and no other planet(s) posited in star(s) of Venus. Thus, Venus is the strong significator of 6th cusp. Sublord Rahu acts an agent of Mars (occupant of 2, lord of 6-11), Jupiter (lord of 10) and Saturn (occupant of 11). Thus 6th CSL Venus connected to the houses 2-6-10-11; hence getting job is assured in chart.

JOINT-PERIOD (DBA)

Native were running Dasha-Bhukti-Anthra (DBA) of Venus-Moon-Rahu (from 08-04-2017 to 13-04-2017) and therefore Anthra(s) of Mars-Rahu-Jupiter will be started.

Venus, as discussed above, is the CSL of 6th and connected to the houses 2-6-10-11; which are favorable in terms of service employment. Venus is also present under associated / extended RP's; hence Dasha of Venus is taken into consideration.

Moon in chart, is in star and sub of Saturn and connected to houses 2-6-10; which are favorable in terms of service employment. But in chart Saturn is in direct motion; while at present Saturn is retro and will turns direct on 25th August 2017 onwards. Though Moon has connection of houses 2-6-10; but also has strong influence of house 5-12 (not favorable houses) as because Moon is untenanted (there is no planet(s) in star(s) of Moon) and the CSL (Cuspal Sublord) of 5-12. So there may be mixed results in terms of service employment is indicated by Moon. This is further confirmed by "PUNARPHOO" Yoga in RP Chart (Moon & Saturn conjunction more than 6 degree in same sign) which indicates delay & hurdles in employment.

After 25-08-2017; when Saturn turns direct; Anthra of Jupiter (from 22-08-2017 to 12-11-

2017) will start. Jupiter, being not present in 5 direct RP's, but is in star of Mars (Chitra-2) and signifies 2-6-10-11; but deposited in sub of Venus who is in Self-Star and the occupant of 3, owner of 5-12. Thus Jupiter is in sub of a planet that does not signify 2 or 6 or 10 or 11; but signifies the detrimental house(s) (5-12) of service employment. Thus Anthra of Jupiter does not taken into consideration.

After that Saturn Anthra (from 12-11-2017 to 16-02-2018) will start. Saturn, being not present in RP's, and in chart is in star of Sun and sub of Moon. Saturn connected to the houses 2, 11, 3, 8-9, 6-11, 10, 5-12. Houses 3-9-12 indicates that you will leave the present place and will move to a long journey or in a different environments / new surroundings / abroad. And 2, 6, 10 and 11 are the favorable houses of service employment.

Note: Saturn Anthra seems favorable as because in that period transit Jupiter will be is in conjunction with transit Venus and in association with transit Sun. And transit Jupiter will moves upon natal Jupiter position and aspects to natal Saturn.

Thus Saturn Anthra is favorable to get a job in abroad; but Saturn is not present in RP's and the question it that – whether the event will fructify or not?. Due to the "PUNARPHOO" Yoga in RP Chart; there may be difficulties/obstacles/hindrances in terms of service employment. As in PUNARPHOO; role of Saturn will comes; hence we may hopefully expects that native will get a job; but it is sure that it may does not suits as per his expectations and will turn out of short-term employment. Reasons may be various like no handsome CTC (package); location/area/country of employment is not good; service employment bond is not favorable, etc.

My suggestion is that; if you get a job in that period and if there may be adjustable situation or negotiation that you can able to fulfill at your end; then you please grab this offer. Otherwise there may be chances of getting late. And it may be DBA of Venus-Mars-Mars (from 27-10-2018 to 21-11-2018)

My Opinion: You will able to get a job either of the following DBA -

Venus-Moon-Saturn (from 12-11-2017 to 16-02-2018); Or
Venus-Mars-Mars (from 27-10-2018 to 21-11-2018)

Note: Although Moon is not present among 5 Direct RP's and Moon-Saturn conjunction create "PUNARPHOO" Yoga in RP Chart which indicates delay; so chances is weak; but still hopes alive as because Moon connected to houses 2-10-11 and transit favors at that period; which is favorable in terms of service employment.

Actual Fact: The native was selected for employment at Kuwait and got the Offer Letter on 20th November 2017 with less Salary (CTC Package); but eventually it was not materialized yet and the employment matter was held-up. May it will fructify in the DBA of Venus-Mars-Mars; as predicted. Rest Almighty knows better …

A lady from near by town came to me on 13 Dec. 2012 with the horoscope of her daughter to see an immediate chance of marriage for the daughter. By checking her birth day, I found that this girl was just passing her 21st year and amazed to hear the begging request of her mother for early marriage. On my questioning mother said that several proposed parties for the marriage of this girl had refused the chart to go more in analyzing or matching for marriage due to an inauspicious yoga attributed by Mars and Venus by depositing in the 9th Rashi in the traditional chart and worried to keep her daughter as an unmarried girl.
On her request I analyzed the chart and gave my prediction as below.

Birth Detail
Name: Multi Marriage, Gender: Female Date: Friday, 26/Jul/1991 Time: 05:40:00 PM, SID: 13:44:26, Place: Ragama, Western, Sri Lanka Lat: 07:01:00 N Lon: 79:55:00 E, Ayanamsa: 23° 38' 57", Star: U.Ashada, Pada 3, Lagna: Sagittarius, Bal. Dasa: Sun 1 Y, 6 M, 23 D

The 7th cusp sub lord Venus the lord of 5th (Love Affairs) & 10 (Being the 12th from 11th - Deny of Marriage) is deposited in Leo sign, in the 8th cusp, that is intercepted from Cancer sign to Virgo sign. Venus is in the star of Kethu and in sub of Mercury and is in close conjunction with Mars+ for 11, 4, 8, @ the orb of 00° 06' 31". Star Lord Kethu, in 7 acts as an agent for Mercury the lord of 6,7 & 9 in 8. Sub lord Mercury is in the star of Kethu as discussed above and in the sub of Rahu+ in 1(Lagna), representing Lagna Lord Jupiter that is a significator 6, 7, 8, 9, 1, 3, 12. Thus Venus is a significator for 6, 8, 5, 10 (11,4,8) by star level and 6, 7, 8, 9, 1, 3, 12 by sub level. Hence the marriage was promised for the native with the significations of 7,11 by Venus.

Also Sub lord Venus by being the natural kalathrakaraka and also ruler of the passion and emotional part of sex and romance connected with the 5th, the house of love affairs should give her a love marriage; if the 5th cusp sub is agreed as per the KP rule for love marriage as appeared below.

1) If 5th SL signfies 2,11 the native fall in love.
2) If 5th CSL signfies 7,11 there is a possibility of Love Marriage.
3) If 5th and 7th cusps are interconnected then the chances of materialization of love affair is confirmed provided they signify 5, 7 and 11 houses.

The 5th cusp sub lord Saturn, the lord of 2 in 2 is in the star of Sun in 7. The sub Lord of Saturn is Venus that is the sub for 7th cusp, as discussed above. Accordingly the native was fortunate to have a love marriage.

It is to be well noted that the 7th cuspal sub lord is not only a significator for marriage making houses, but it is a significator for marriage breaking houses 1, 4, 6, 8, 10 & 12 also. What KP say in connection with such a set-up?

"7th CSL be the significator of 2, 7 or 11 and 1, 4, 6, 8, 10 or 12, there will be the possibility of both Marriage & Separation in life."

At the time of the judging the chart ie; 13 Dec. 2012, native was running Rahu Maha Dasa, Jupiter Bukthi, Jupiter Anthar and Mercury Shooksma dasa.
Although all DBAS are the significators of marriage, Bukthi and Anthar lord Jupiter was retrograded and was transiting in the natal 4th cusp over a star of Moon in 12 and sub of Saturn in 9 and also luminary Sun was transiting in the 12th cusp. However Dasa Lord Rahu+ should give her the chance for marriage in its dasa period and Jupiter Bukthi and so I told them not to worry about the obstacles which are said to be given by Venus-Mars yoga and before the end of Jupiter Bukthi the,

1) Wedding bell would be rung.
2) The marriage life would not be a bed of roses, and there would be many bothering leading to loose the tie.

KP rules for my assumption:
As per the above analysis,
A) 7th sub lord is a significator for 1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12.
Applicable KP rules

1. ***"7th CSL be the significator of 2, 7 or 11 and 1, 4, 6, 8, 10 or 12, there will be the possibility of both Marriage & Separation in life."***

2. "If one wants to marry, significators of 2,7 and 11 are considered; if he wants a divorce, then the significators of the houses 6,12, 10 and 8 will finalize the divorce."
- KP Reader III: Transit, p 176/ 1971 original edition p 168

Notes:
2 = increase in the number of the members of the family by marriage
7 = legal bondage by marriage as husband and wife
11 = permanent tie of friendship with partner in life
6 = 12th to 7, i.e. no more legal bondage
12 = separation
10 = 12th to 11, i.e no more permanent tie of friendship with partner
8 = disharmony, quarrel, finally as 2nd /Maraka to 7 leads to end/ death of 7th house matter- marriage
9 = Legal Procedures

Connections of marriage significators with detrimental cusps 1, 6,10
Cusp 2: Saturn, Sun, Jipiter(asp)
Saturn is in Lagna (1) cusp
Sun is in the star of Saturn in (1) Lagna
Jupiter is the Lagna (1) Lord
Cusp 7: Mercury, Jupiter, Sun
Mercury is the lord of 6 and in the star of Kethu in 6,
Cusp 11: Mars+, Mercury (asp)
Mars+ is in the star of Kethu in 6.
Here all significators of 2, 7, 11 are connected with 1 & 6.

KP rule applicable to make a decision:
" If the significators of 2,7 or 11 happen to be the significators of 1,6 and 10, then separation will surely happen and then it may lead to divorce." - KP Reader IV: Marriage, Married Life and Children, p 192

(C) In the chart of this native, the 7th sub lord Venus is in the star of Kethu in 6, in Gemini a dual Sign. Kethu is an acting agent for Mercury, a dual planet.
KP Rule applicable:
"If the sub lord of the 7th cusp or the star lord of the 7th CSL is situated is in a dual

sign or happens to be a dual planet, then 2nd marriage is promised." - KP Reader IV, page181

(D) The sub Lord of the 2nd is Saturn and is a significator for 7th.
Applicable KP Rule:
" If the sub-lord of the 2nd cusp is connected with 7th house second marriage." KP Reader IV, page146

(E) The 9th Sub Lord Jupiter is in the star of Mercury the lord of 9 and aspects house 2.

Applicable KP Rule:
"Kanak Bosmia's condition for multi-marriage : (ON ASSUMPTION 2ND WIFE IS CONSIDERED AS YOUNGER SISTER OF FIRST) Second marriage is indicated if the sub-lord of the 9th cusp is a significator of either of the houses 2 or 9 or 11."
In addition to these planetary set up, both nodes have undertaken their dignity to control the Karmic influences of the happy married life of this girl.

Epsode ii
On the last 02nd Feb. above said mother and the daughter abruptly rushed me and said, " Sir, this daughter got married on 2014.12.19, to a person whom she know, under the advise of an Astrologer with 85% match of the horoscope, but left the husband and divorced. Neither he nor any astrologer in the area had not predicted about this unfortunate end of the marriage. You are the only astrologer who gave at least a clue for this sorrowful destination which we totally ignored. We are very sorry sir. Now I want to know whether this daughter is fortunate to have a second marriage."
There was nothing to surprise, in coming to my decision true on the above analysis based on KP.
For the second episode my readings were as below.
As per the KP rules,
"Second marriage is indicated if the following two conditions are simultaneously satisfied:
(i) The sub-lord of the 7th cusp is deposited in a dual sign or in the constellation of a planet in or owning a dual sign or if the sub-lord of the 7th cusp is Mercury;
a n d
(ii)The sub-lord of the 7th cusp is also a significator of either of the houses 2 or 11.
If any of the above two conditions is not satisfied, then second marriage is denied."

2. These two rules can be met by large number of persons including single-marriage natives. And so they are not sufficient and the third rule in p 146 of any reprinted edition of KP Reader II of 1971 as given below is also required to be satisfied for the 2nd marriage: **(In 2005 Edition see pg 277)**

"If the sublord of the 2nd cusp is connected with 7th house, 2nd marriage; if connected with 11th house, one will keep a keep, as 7th house significator shows legal bondage whereas the 11th indicates attachment and friendship".
I wish to draw your kind attention to the items marked as C,D,E above and found satisfied the rules for second marriage. **(D)** ***The sub Lord of the 2nd is Saturn and is a significator for 7th.***
Identifications of time frame of the marriage events of this native and Maha Dasa Rulers.
As per the natal chart erected by KPAstro ver. 4.0, the native is running Rahu+ Maha Dasa from 2010.01.19 to 2028.02.19
Date of Marriage: 2014.12.19 = **Rahu Maha Dasa**
Date of Separation: 2017.10.26 and divorce case is pending in the court of law from this date = **Rahu Maha Dasa**
Divorce agreement by the parties: After 2017.10.26 = **Rahu Maha Dasa**
Date of Divorced : Final judgment is to be signed by the court of law within next 90 days from 02.02.2018 = **Rahu Maha Dasa**

What can Rahu do for the marriage prospects of this lady?
Rahu+ as a planet is stationed in the Lagna (1st Cusp) in the star of Venus and in the sub of Mercury. Star lord Venus, the natural Kalthrakaraka is the lord 5 (love affairs) indicates a love marriage. Sub lord Mercury is the lord of 7, thae maian house of marriage. So Rahu is qualified to give her the marriage/s, and brake the same by virtue of signification for house 1 (12th to 2), during its whole period of 18 years, if the Bukthi, Anthar and Shooksma dasa lords are agreed for make and break.
Explanation of application of Rahu and Kethu (Nodes) in KP is a long process and hence I use my own way as guided by my Guruji Sri Tin Win ji as below.

"Practically in KP particularly as per the KP Readers generally in common practice, the Rahu/Ketu signifies the house occupied by them, planets in conjunction and aspect with them, their star lord, and sign lord are found considered depending on relevance to the matter under consideration without giving much attention to the order of priority – first to fourth."

Even though quoted by Guruji KSK in 1 and re-quoted by his son Sri K. Subramanium "*Only when they are neither conjoined with, nor aspected by any planet, they represent the lord of the house." in Uttara Kalamrita, the results of SIGNLORD are ALSO taken in the cases of Rahu/Ketu in conjunction or aspect with planets."*

According to these guide lines,
Rahu is in the 1st house. It is aspected by Venus by 5th aspect (House to House). Venus, also the star lord of Rahu, is the lord of 5 and 10 in 8th house in conjunction with Mars the lord of 4 & 11. Rahu is in the sign Sagittarius owned by Jupiter. Hence Rahu represents Jupiter that is a significator for 8-7-6,7,9-1,3,12 and 2, 4 by aspecting. As per the Sub Lord theory of KP, Rahu is in the sub of Mercury the lord 6, 7 & 9 in 8 in the star of Kethu in 6 and in the Sub of Rahu in 1. Further more Rahu, being the 3rd cusp lord with no planets in its star, present as a strong significator for 3, in marriage it is ths house for going away detaching the marriage tie.

In a nut shell Rahu is a significator for
- 2, 5, 7 for fructification of 2nd marriage
- 1, 4, 6, 10 for destruction of the marriage
- 8 for quarrelsome and disputable marriage life
- 3 for 12th /Vyaya to 4 (place of residence) i.e. going away from residence to be separated.
- 9 (3rd to 7) for (i)partner going away from residence to be separated (ii) Legal procedures.
- 12 = separation leading to divorce

Further, no any planet signifying 11th hosue for permanent tie of friendship with partner in life, except Mars+,the lord of 11, a conjoined a planet to Venus, which looks to be poor in nature.
Required Houses for
Marriage and Divorce.
No need to go more explanation on the above. Our Guruji, Sri KSK ji had given his decision by a single sentence as below.

"If one wants to marry, significators of 2,7 and 11 are considered; if he wants a divorce, then the significators of the houses 6,12, 10 and 8 will finalise the divorce."
- KP Reader III: Transit, p 176/ 1971 original edition p 168.
This was my prediction for the 2nd epsode of this story and I explained the party accordingly.
My Heartfelt Namaskar to my KP Guru Sri Tin Win ji and KP founder Late Sri KSK ji.

1)In Given examples i got mixed results with TSP .Wrong result were due to less severity of questions (Casual questions)
2) It is very much essential to have severe urge for asking query or questions
3) As soon as question asked by someone or with severe urge question comes to our mind that time only we should go for TSP otherwise result will be disappointing
4) Im working on TSP . Soon i will come with few more examples
Thanks

Can I recover my lost spectacles?

A Horary analysis

By: Ananada Senevirathna

Jotheer Vidhya Vibooshana – Sri Lanka- Ministry of Cultural affairs
Jyothish Maha Mahopadya & Jyothish Acharya
317, Kelanimulla, Angoda, Sri Lanka
anandasenavirathna@gmail.com

12th of February 2018 was a fine Monday. In the evening one of my friends working as lawyer had gone shopping. On his way back to home, he had visited to a friend's house also. By about 07.30 p.m. having returned to home, he wanted to study the brief of an appeal case for which he had to appear in court of appeal on the following day. Then only my friend had realized that his pair of spectacles had gone missing. He had searched in and out of his house, but in vein and gave me the number 170 to find out whether the lost item could be found and if so when?

On the same day with the aid of my computer software I prepared the relevant chart at 08.56p.m. S.S.T. for Angoda, Western Province, Sri Lanka (06 N 55 , 79 E 54) . The Sub lord for the number 170 was Moon and Moon had become as the star lord of the Ascendant for the ruling plants. Furthermore moon was deposited in the star of Venus and Venus was the star lord of Moon of ruling plants. Ruling planets are as follows. Day lord=moon. Moon Rasi lord=Jupiter. Moon star lord =Venus. Lagna lord = Mercury. Lagna star = Moon.

Jupiter the sub lord of the second cusp, being in it's own star was a strong significator for 11th house. Vide the above findings without any doubt I concluded that my friend is going to recover the lost item. At that stage it became pertinent to find out when he was going to recover the same? It showed a delay of some nature as Moon was in conjunction with Saturn . It was Punarphoo.

Anyhow the frustration could not be so grave as the lagna for the number 170 was a dual sign (Sagittarius). Furthermore when I began judging the chart on 12.02.2018 at 08.56 p.m., the rising lagna was Virgo and that too was a dual sign thus ruling out any drastic delay.

The above said findings made by me to decide to move the rising ascendant in concluding the time of recovery and I had proceed from 10 dig: Virgo 10sec: onwards . I left out Libra and Sagittarius as a delay was anticipated. Scorpio , Capricorn and Aquarius were not considered as Mars and Saturn were not ruling plants respectively.

I thought the recovery would happen on or before the end of 23dig: Pisces 20secs: (Rasi lord Jupiter , Star lord Mercury and sub lord Moon) and when this was converted into time it was 09.38.a.m. of 13.02.2018.

So by about 09.30 p.m. on 12.02.2018 I informed my friend that he will recover the lost item on 13.02.2018 on or before 09.30 a.m.

On 13.02.2018 , at 08.20 a.m. my friend gave me a call and told that he received the lost item exactly at 08.18 a.m.
I had misfired !

At 08.18 a.m. ascendant was 00digs: Pieces 14 secs: ruled by Jupiter , Jupiter and Moon. Alas ! All of them were ruling plants. But I had overlooked.

Now what about the delay that I foretold ?
My friend had given a call and inquired from his friend whom he visited few hours ago on 12.02.2018 to find out if he had found the pair of glasses in his visitors room and had received an answer in the negative .

But on the following day a maid servant at his friend's place had found the glasses underneath a sofa. So the friend of my friend had sent the same to my friend on 13.02.2018 at 08.18 a.m. through

his son.
Anyhow my friend was very happy about my capacity to predict on two counts.
1. I had predicted a delay.
2. I had predicted that he will get the item on or before 09.30 a.m and he had got it by 08.18 a.m.

K.P. followers of my caliber may commit silly mistakes. But K.P. system never fails.

Abstract
Any person born on this earth has a purpose to achieve. It is revealed by the birth chart of the person. Each person takes one or more professions in their life time. This article shares the astrological combination for one to become a spiritual leader.

House Significations for a Spiritual Leader
3rd House: It denotes mental inclination, mental capability of a native to gain spiritual knowledge, courage and will power to practice it regularly.
5th House: It denotes General Intelligence; capacity for grasp of what is taught. It denotes 'mantra siddhi'. It also represents inner urge to impart knowledge to others. Also, Grasp and accumulation of knowledge of 'Mantra/Yantra/Tantra' including practical experience. It represents pleasure and entertainment. In the context of spirituality, it represents inner pleasure. It indicates spiritual mind, initiation of mantras, and chanting of mantras. In addition, grasp or knowledge of Yoga-marg and bhakti-marg.
9th House: It denotes karmic influence. It denotes religion. It also represents upadesam to a native like brahmopadesam etc.
10th House: It is the Karmasthana. It shows what a native will take as profession to perform the duties in this material world. In the spirituality context, it denotes practice(sadhana) of spiritual activities. It also denotes fame and rewards.
11th House: It denotes fulfillment of desire of native. Anything that a native desire will be succeeded or failed. 11th house indicates success or failure of native's desire. It also denotes siddhi.
12th House: It denotes moksha or salvation. It is also house for Spiritual awakening. It is the house of loss. In the spiritual context, the person will lose worldly pleasure, possessions, and attachments and lead on the path of spirituality.

Planet Significations for Spiritual Leader
Though each planet signifies lot of things, the focus is primarily on spiritual aspect here. Hence, all significations related to spirituality only mentioned below.
Saturn: Saturn is the karaka planet for sanyasa and renunciation. Saturn enforce discipline, and dharmic practices. It's a planet of secrecy, planet of seclusion, planet of concentration, and detachment. It's also karaka for 12th house matters. It's a natural separative planet. Since it is a planet of concentration, it also includes meditation in its karakatwas. In the context of spiritual life, it creates dispassion in a native's life so that the native can lead into spiritual activities.
Ketu: Ketu is all about "letting it go" or detachment. It's letting it go of material world, materialistic pleasures. It is a natural separative planet that tries to separate a native from material world and drive towards spiritual path. Ketu is known for spiritual awareness – what will bring you happiness and what will not bring you happiness. Ketu is the planet to give moksha – freedom from the birth and rebirth cycle. Ketu is always put priority on soul and guide our true-self. While Rahu gives things, and makes us attached to them, Ketu pulls us from that attachment. Ketu shows us that all worldly gains are merely temporary and therefore permanent happiness must be sought elsewhere. This is the reason Ketu is the primary planet for Moksha.
Jupiter: Jupiter is the most spiritual planet as per Vedic astrology. It is considered as Guru/Teacher in astrology. It symbolizes dharma and divine knowledge. It is denoted as 'Lord of Dharma.' Jupiter denotes our higher intelligence.
Sun: Sun is considered as natural Atmakaraka in Vedic astrology. Atma means Soul and Karaka means significator. In Vedic astrology, there is a strong belief that the soul will take rebirth to fulfill all unfinished desires of the past lives. It denotes the purpose of this life and the destiny. Sun influences center of our personality.
Moon: Moon is considered as natural Amatyakaraka in Vedic astrology. It denotes mind, and intellect. There will be complete harmony and happiness when Mind is tuned or aligned with what the soul desires.

Hypothesis

1) The research work started with the basic KP rule from C. R. Bhatt. If the sublord of the Ascendant is the significator (in the star of the occupant or owner) of the 3rd (mental tendencies), the 10th (aims) and the 12th (renunciation), or connected with the 3rd, 10th or 12th and Saturn, the native leans towards renunciation. (C.R. Bhatt).
   After looking at the signification / karakatwas of planets and houses, additional planets and houses added to the initial rule.
   1a. The updated hypothesis was: If the sublord of the Ascendant & 11th sublord is the significator of the 3rd, 5th, 9th, 10th, 11th, and 12th bhavas.
   1b. The Ascendant & 11th sublord should be connected with Saturn, or Ketu, or Jupiter.

2) A new hypothesis formed looking at the connection between Moon and Ketu & Moon and Saturn. Moon represents Mind and Saturn represents dispassion, and deep concentration. In KP, if Moon and Saturn are connected somehow, it is called Punarphoo dosha. Punarphoo dosha creates delay, dejection and impediments every stage of life. By giving impediments, Saturn creates dispassion on the material things. Ketu denotes detachment, spiritual awareness, and Moksha. Since Saturn creates dispassion on material things, Ketu pulls the native towards spiritual path. The native might realize the temporary bliss in material world and move oneself towards inner peace by doing spiritual practices.

3) Sun (the natural Atmakaraka) and Moon (the natural Amatyakaraka) should have a connection to attract towards spiritual life.

4) Jupiter denotes higher intelligence. This is also referred as divine knowledge. Hence, 1st & 11th cuspal sublord should have connection with Jupiter.

Data Analysis & Observations

Spirituality does not have any boundaries related to region, gender, age, and religion. When I selected the topic 'what makes you a spiritual leader', the desire is to choose a diverse set of horoscopes that reflects the subject, but doesn't have any limitations on the boundaries mentioned above.
I collected 52 charts of spiritual leaders across the world.
Lot of effort, careful study and selection went into collecting these 52 charts. The charts are diverse in the following perspectives:

- Leaders from diverse Religions – Hinduism, Christianity, Buddhism, Jainism, Islam etc.
- Age of Leaders from young to geriatric
- Time – Leaders span from 19th to 21st century
- A fair proportion is maintained between Male and Female Leaders
- Diverse nationalities to ensure different time zones
- Trans – religion (born in one religion, transitioned to another and became a spiritual leader in the new religion)
- The leaders span the entire spectrum of Spirituality – preaching, discourses, meditation, research, and religious gurus etc.

From the analysis of the charts, here are my observations:

1) After analyzing 52 horoscopes, it was found that more than 90% of the horoscopes adhere to the hypothesis #1a signifying 3rd, 5th, 9th, 10th, 11th, and 12th bhavas.
   After analyzing 52 horoscopes, it was found that above 100% of them have a common pattern matching with 1b.

2) In 98% of the horoscopes, there is a connection between Ketu and Moon. Saturn and Moon connection was identified in more than 95% of the horoscopes. This connection essential to concentrate the mind on meditation, yoga, and other spiritual practices. Saturn and Ketu connection with Moon drives most natives toward spiritual path.

3) In 82% of the horoscopes, there is a connection between Sun (Atmakaraka), and Moon (Amatyakaraka).

4) In the analysis of 52 charts, the 1st & 11th cuspal sublord have connection with Jupiter in 85% of the charts (i.e., 44 out of 52). Overall, either 1st or 11th cuspal sublord is connected to Jupiter in 96% of the charts.

Conclusion

If you want to find someone is going to be on the spiritual path, then check for the 2 basic rules: (1) if there is a connection between Moon and Ketu (2) if Ascendant & 11th cuspal sublord signifies 3rd, 5th, 9th,10th, 11th and 12th bhavas.

Planets signify the houses 4, or 9 or 12 in respect to A. B, C, D, E

Houses	A	B	C	D
4	-	Ketu	Sun	Jupiter
9	Mars, Mercury	Mars, Mercury	-	Venus
12	Saturn, Sun, Venus, Rahu	Moon, Jupiter, Saturn	Moon, Jupiter, Ketu	Sun

Note: Nodes are stronger than planet. Rahu conjoined to Venus and Ketu aspected by Jupiter-Venus and deposited alone in the sign of Saturn. Hence, if required; preference should be given to Rahu in place of Venus and Ketu in place of Jupiter-Venus-Saturn.

(A) Significators of 4, 9, 11: Sun, Moon, Mars, Mercury, Jupiter, Venus, Saturn, Rahu, Ketu.

Ruling Planets (04-02-2018, 22:48:26 Hrs. Hind Motor (22N41-88E20), Hooghly, W.B)	
Lagna / Ascendant	Venus – Mars – Moon
Moon	Mercury - Moon – Saturn
Day Lord	Sun
Nodes	Rahu - Ketu

(B) 5 Direct Ruling Planets are: Venus (Ketu), Mars, Mercury (Ketu), Moon (Rahu), Sun (Ketu)

(C) Common Planets among (A) and (B): Venus, Mars, Mercury, Moon, Sun, Rahu, Ketu.

JOINT-PERIOD (DBA)

Running Dasha Lord is Rahu (from 23-11-2009 to 23-11-2020). Rahu is present under the list of common planets. As I explained above Rahu (through 5th CSL) signifies 12 and deposited is in fruitful sub of Venus signifies 9-12. Hence Rahu Dasha is taken into consideration.

Running Bhukti Lord is Sun (from 12-06-2017 to 07-05-2018). Sun is present under the list of common planets. In chart, Sun is in star of Jupiter and signifies 4-12 and deposited is in fruitful sub of Jupiter who is tenanted and through its starlord (Sun) signifies 12. The least planetary aspect between Dasha Lord (Rahu) and Bhukti Lord (Sun) is 17.58° degrees (near to Vigintile 18°) which is slightly good aspect. Hence Bhukti of Sun should be taken into consideration; but I exclude the period of Sun Bhukti due to the following reasons –

- In RP Chart, Sun is represented by Ketu who is strongly appeared as ruling planets through the agents of Sun-Mars-Venus (Mars & Venus is also present under 5 direct RP's). Hence preference should be given to Ketu in place of Sun.

- In RP Chart, Saturn is aspecting to Moon through its 10th special aspect. Hence 'Saturn-Moon' combination formed which indicates some delay towards fructification of event.

Next Bhukti Lord is Moon (from 07-05-2018 to 05-11-2019). Moon is present under the list of common planets. Moon is in star of Sun and signifies 10-11-12 and deposited is in fruitful sub of Rahu, being untenanted, in 10, CSL of 1-5-11; represents Venus in 11, lord of 2-9, CSL of 12. The least planetary aspect between Dasha Lord (Rahu) and Bhukti Lord (Moon) is approx 51° (near to Semi-Tredicile 54°) which is very-very good aspect. Hence Bhukti of Moon should be taken into consideration.

In Dasha-Bhukti of Rahu-Moon (from 07-05-2018 to 05-11-2019); I prefer to select Anthra of either Mercury or Ketu due to the following reasons –

Mercury Anthra (from 22-03-2019 to 08-06-2019)
Mercury is present under the list of common planets; Mercury, being karaka of communication, signifies the relevant houses (4-9) along with 3 (communication) and deposited in fruitful sub of Venus signifies 9-11-12.

Ketu Anthra (from 08-06-2019 to 10-07-2019)
Ketu is present under the list of common planets; Ketu is strongest among ruling planets as it represents Sun-Mercury-Venus; Ketu, being untenanted, signifies 4-8-10-12 and deposited in fruitful sub of Venus signifies 9-11-12.

Note: As the event may possibly fructify after a year from the date of judgment (04-02-2018); hence transit of Jupiter has to be considered. During the Anthra period of Mercury & Ketu (from 23-03.2019 to 10-07-2019); Jupiter will be in Scorpio (Lord Mars) and transiting in the star of Mercury & Ketu and will be in 3rd house as per natal cuspal position. Mars, Mercury and Ketu – all are present under ruling planets; hence there may be chances towards announcement of retirement from international cricket by M.S. Dhoni. But it may be noted that the Jupiter will be in retrograde motion from 10-04-2019 to 11-08-2019 which covers the maximum period of Mercury & Ketu Anthra. Hence only retirement announcement, we can expect. And we have to judge next period accordingly.

After Moon, next Bhukti Lord is Mars (from 05-11-2019 to 23-11-2020). Mars is present under the list of ruling planets. Mars is in star of Self (Mars) and signifies 3-7-8-9 and deposited in fruitful sub of Saturn, being tenanted and in star of Moon in 12, lord of 11. The least planetary aspect between Dasha Lord (Rahu) and Bhukti Lord (Mars) is approx 40° (near to Semi-Quintile 36°) which is moderately good aspect. Hence Bhukti of Mars should be taken into consideration.

In Dasha-Bhukti of Rahu-Mars (from 05-11-2019 to 23-11-2020); I prefer to select Anthra of Rahu due to the following reasons –

Rahu Anthra (from 28-11-2019 to 24-01-2020)
Rahu is present under the list of common planet; Rahu signifies 12 and deposited in fruitful sub of Venus, being untenanted, in 11, lord of 2-9, CSL of 12.

CROSS VERIFICATION WITH K.P. NUMEROLOGY
Time of judgment: 04-02-2018, 22:48:26 Hrs, Hind Motor (22N41-88E20), Hooghly, W.B

RP Lagna falls in Libra 05-58-00 and the rulers (sign-star-sub) of Lagna are Venus-Mars-Moon. Now allocate the number of years as per VMD (Vimshottari Mahadasha) for Venus (20Y) + Mars (07Y) + Moon (10Y) = total is 37. The last digit of 37 i.e. 7 CSL is the guide and the planet associated it will indicate year of fructification of event.

7th CSL is Rahu. Rahu represents Moon. Rahu indicates 4 and Moon indicates 2 & 10 in numerology. So the year of retirement will be 2020 (2 appeared twice which is the number of Moon and 2+0+2+0 = 4 is the number of Rahu).

The total of 37 is 10 (3+7=10); means 10th CSL or 1st CSL (1+0=1) is the guide for the month of fructification of event.

Lagna CSL is Moon is in self star (Moon). Moon is the number 2 in numerology.
10th CSL is Mercury is in association with Sun represents 1. Mercury is in star of Moon represents 2 in numerology. So the month of retirement will be either January or February 2020.

My Opinion: Strong indication is seen that M.S. Dhoni will take retirement from international cricket in the month of Jan-Feb 2020 during the DBA of Rahu-Mars-Rahu/Jupiter (from 28-11-2019 to 15-03-2020). However there may also a chance of prior (advance) announcement by Dhoni; and may take place during the DBA of Rahu-Moon-Mercury/Ketu (from 22-03-2019 to 10-07-2019). Whatever the situation; but in my final opinion, the retirement will ultimately effective during the period from 28-11-2019 to 15-03-2020; more specifically in the month of January or February 2020. Rest Almighty knows better.

Will Mr Varma, a film producer and director of GST film be Imprisoned ?

Due to constant discussions and controversies in the media on the interview of Mr Varma for the past few days, in connection with his latest "teaser" on his film "GST", I took a fancy to know what would be fate of all these controversies and on police case lodged against him for arrest and imprisonment. I just opened my astrology book reader no.6 lying on my table and took page number 77 on 25Feb 2018 @11:44"23 A.M @ my residence –Secundrabad. The horary chart for the same s attached.

KP rules for Imprisonment---(see pages 313 and 314 of Reader no.6 of Horary Astrology of Sri KSK)—
1)Imprisonment means separation from family and family members, restriction on free movement, confinement within four walls of a place of stay, leaving one's lace of stay-residence and to experience new surroundings and environment.

2)Houses to be judged---
--2nd cusp—separation from a family and family members,
--3rd cusp- negative to 4th cusp- place of residence or place of existing stay,
--8th cusp—problems, difficulties and inconveniences,
--12th cusp—confinement, jail or imprisonment.

3) KP rule—if 12th cusp sub-lord should be
A)RAHU
B)the sub lord should not be deposited in a star whose lord is retrograde and
C) it should not be a significator of either 2nd or 3rd or 8th or 12 house.

NOTE—1)if any one of these three conditions is not satisfied, one will not be imprisoned.

2)for imprisonment all the above three conditions must necessarily be satisfied simultaneously.
AS per the chart—
Whether the event is promised or not?
As per Gulbarga theory-if the sub lord of the horary number is either the star lord of the Ascendant or the Moon star lord among the ruling planet at the time of judgment- the answer is YES.

As per the chart the horary number (77) sub-lord is Venus. Venus is neither Ascendant star lord (Moon) nor Moon star lord (Rahu) in the ruling planets. So it is evident that the event is not promised.

Still I thought of checking for the imprisonment---
As per the chart---

Condition 1)12 cusp sub lord is Jupiter but not Rahu. Even as per Navaratnamala part II, page 90 also it is not even Saturn. ---So NO.
Condition 2) Jupiter the 12 cusp sub lord is the star of Jupiter which is not in retrograde motion.---So No.

Condition 3) Jupiter is in Jupiter star lord of 6 and9 in 4, and in the sub of Sun lord of 2nd in 7th. Thus Jupiter signifies 4,6,9 at its star level and 2 and 7 at its sub lord level. --- So Jupiter has signified only 2nd house.

As per the above analysis and in conformity with the above rule since only one condition is satisfied as against the fulfillment of all the three, I feel the possibilities for his imprisonment are ruled out.

Subject: RE: Birth time rectificiton

Good morning sir. This is ABC.

Last 18 years I got confused with my birth time. As per nadi astrology they gave one time it is also mismatched with my mother 's saying. Eventhough I am a KP student. I cannot fixed the ruling planets for this particulars.I heard about your services regarding birthtime rectification so contact you. You cleared my doubts very very clearly. You rectified my birth time nearly my mother's report. So your prediction is 99.999%correct. Thank you sir. Thank you so much.

Short-term investment gains in food commodity item
(TAAL-MAKHANA/FOX-NUT/LOTUS-SEED)

Background Note: My father-in-law is a wholesale salt merchant and for business investments & profits; sometime he investing money in food commodity items (like pulses, grains, pepper etc.). From current market trends and reliable sources, he came to know that there may be chances of increase in prices of 'Taal-Makhana'(Fox-Nut/Lotus Seed) and therefore he was interested for buying wholesale bulk of it for achieving profits in near future. He had a prior conversation with my wife and my wife had also shown interest to invest money in a partnership with her father (father-in-law). Now my wife wants to know astrologically – whether the prices of 'Taal-Makhana' will rise in near future?

Name & Sex of Querent : **Mrs. Shashi Chitlangia, Female.**

Question of Querent: **Whether the prices of 'Taal-Makhana' will rise in near future?**

Horary/Divine/Seed Number: **85** (out of 249).

Date-Time-Place of judgment: **12-01-2014, 05:59:25 AM**, **Hind Motor (22N41-88E20)**, Hooghly, West Bengal, India

Note: This was a new type query for me which I never solve in my past experiences. So I have not much aware the KP rules to judge the query. But I have some logics in my mind and based on that I have blended the facts and makes KP rulings in a logical manner.

Hints:
The query pertains to food items and by investing money in it to make profits. 2nd house indicates mouth and it denotes eatable food items. Profits/gains/success is denotes by 11th house. 12th house is for investment and 10th is for Business & Profession. 2-6-11 is the houses of money & incomes. Since the query pertains to achieving short-term gains by investing in commodity item (Taal-Makhana); hence I decide to check promise through 2nd CSL and 11th CSL only.

SHORT-TERM GAINS IN FOOD COMMODITY ITEMS

If the Cuspal Sublord (CSL) of 2nd (food items, money) or 11th (profit/gains/income) be signifies and/or in connection with 2, 6 or 11; without connection of 5 or 8 or 12; prices of commodity items will rise to earn profits in the joint-period (DBA) of significators of 2, 6 and 11. If connection of 10th is present; it indicates Business & Profession and if connection of 12th is present; it indicates long term investments or losses.

MOON REVEALS THE NATURE OF QUERY

Moon (Taurus 12-07-23) is in star of Self (Moon) and sub of Rahu. **Planet & Starlord** Moon (karaka of agricultural crops) is the occupant of 10 (Business & Profession), owner of 12 (investment or losses). Moon is untenanted (as it is in self-star and no other planet in its star) and the CSL of 2 (food item, money), 4 (shop or office). **Sublord Rahu** (karaka of speculation & fluctuations) is the occupant of 3 (trading activities, buying) and conjoined to Saturn and thus represent Saturn, being untenanted, is the occupant of 3 (trading, buying), owner of 6 (daily income), 7 (Business), 8 (unearned income or losses, hindrances, difficulties). Saturn is aspected by Jupiter® in 11 (profits/gains/income), lord of 5 (profits/gains/income of partner, 9 (father). **Here Moon fully reflects the query; hence query is genuine.**

CUSPAL ANALYSIS

II Cusp: Leo 27-39-09 (Sun-Sun-Moon): 2nd CSL is Moon is in Self-Star (Moon) and in sub of Rahu: Planet & Starlord Moon is the occupant of 10, owner of 12. Moon is untenanted (as it is in self-star and no other planet in its star) and the CSL of 2-4. Sublord Rahu is the occupant of 3. Rahu conjoined to Saturn and thus represents Saturn. Saturn, being untenanted, is the occupant of 3, owner of 6-7-8. Saturn is aspected by Jupiter® in 11, lord of 5-9. Saturn aspects to Venus®, being untenanted, in 5, lord of 4, CSL of 1-5-8. Saturn aspects to Ketu in 9.

2nd CSL Moon signifies 2 and in connection with 6-11 which is favorable. But Moon is also signifies 12 in connection with 5-8. **Should we consider it unfavorable?** Here we know that the Querent has partnership deal with her father only. And a child is very much secure in hands of his/her father. Here 2-6-11 indicates that Querent will gain monetary benefits while 5-8-12 indicates father (opponent) will also benefitted. Hence rather than considering 5-8-12 as unfavorable for Querent; it may assume in affirmative manner as because both (Querent and her father) are benefitted through the connection of 2-6-11 and 5-8-12.

Now let us cross check with 11th CSL to see how much the Querent get benefitted in terms of making profits/gains/incomes.

XI Cusp: Gemini 01-17-49 (Mercury-Mars-Mercury): 11th CSL is Mercury is in Star of Sun and sub of Self (Mercury): Planet Mercury is the occupant of 6, owner of 3-11. Mercury is untenanted (no planets in stars of Mercury) and the CSL of 7-11. Starlord Sun is the occupant of 5, owner of 1-2. Sun conjoined to Venus®, being untenanted, in 5, lord of 4, CSL 1-5-8. Sublord Mercury is the occupant of 6, owner of 3-11. Mercury is untenanted (no planets in stars of Mercury) and the CSL of 7-11.

In the preview of analysis of 2nd cusp above; the same prospects of 11th CSL Mercury indicated through the connection of both 2-6-11 and 5-8. But here Mercury is untenanted and deposited in its own sub and signifies 6-11 strongly. So keeping the rules of 'Starlord vs. Sublord'- if Starlord is unfavorable; but sublord is favorable; then the end results will be fruitful. Hence the Querent will surely earn profits.

6	-	Mercury	-	Saturn	
11	Jupiter, Saturn	Jupiter	-	Mercury	

*** Nodes are stronger than planet. Rahu is conjoined to Saturn. Ketu is aspected by Saturn & Mars. Hence preference should be given to Rahu in place of Saturn and Ketu in place of Saturn & Mars, if required.**

RP's (12-01-2014, 05:59:25 Hrs. Hind Motor 22N41, 88E20, W.B.)	
Lagna / Ascendant	Jupiter – Venus – Jupiter
Moon	Venus – Moon – Rahu
Day Lord	Saturn
Nodes	Rahu - Ketu

(B) 5 Direct Ruling Planets are - Jupiter, Venus, Moon, Saturn (Rahu-Ketu)

(C) Common Planets among (A) and (B): Moon, Jupiter, Venus, Saturn, Rahu, Ketu

JOINT-PERIOD (DBA)

Running Dasha-Bhukti was **Moon-Rahu (up to 09-05-2015)**. Both Moon and Rahu are present under the list of common planets. The least planetary aspect between Moon (Dasha Lord) and Rahu (Bhukti Lord) is approx 147° which is near to **Bi-Quintile (144°) -very very good aspect**. **Hence Dasha-Bhukti of Moon-Rahu (from DOJ to 09-05-2014) is taken into consideration.**

Running Anthra was **Rahu (up to 28-01-2014)**. Rahu is in star of Self (Rahu) and through agent of Saturn, does not signifies 11. Further we have already considered Rahu as Bhukti-Lord; **hence Rahu Anthra is not taken into consideration.**

Next Anthra was Jupiter (from 28-01-2014 to 11-04-2014). Jupiter is in star of Self (Jupiter) and signifies 11; hence Jupiter Dasha should taken into consideration. But at the time of judgment Jupiter is retrograde and will turn in direct motion from 6th March 2014 onwards. **Since Jupiter period was up to 11-04-2014; hence Jupiter Anthra is taken into consideration.**

CONCLUDING POINTS

- Lagna CSL Venus is present among the rulers of RP Moon; indicating positive affirmation of the query.

- Horary Lagna falls under fixed sign **Leo 00-46-40**; indicating event is in an early stage and not yet started-up. At the time of judgment Venus Sookshma was running up to 13-01-2014 and Venus is retrograde in chart till 1st February 2014. Hence, after Venus, sookshma dasha of Sun is fruitful to buy food commodity items 'Taal-Makhana' as because Sun connected to the houses 2-10-12.

- Lagna CSL is Venus and 11th CSL is Mercury. Both are fast moving planets indicating event will fructify as soon as possible. But Venus is retrograde and will turn in direct motion from 1st February 2014 onwards. Hence buying will be start profitable after 1st January 2014.

- Jupiter is the occupant of 11th cusp and at the time of judgment is retrograde and will turn in direct motion from 6th March 2014 onwards. Jupiter is aspecting to Rahu (Bhukti Lord and sub-lord of the 2nd CSL) and Saturn (represented by Rahu), lord of 6.

My Opinion: A short-term gain (profits) in food commodity item (Taal-Makhana) is assured. You should buy the item after from 14th January 2014 onwards. Prices will increase after 1st February 2014 onwards and you will able to book profits (gains) after 6th March 2014 onwards when Jupiter turn into direct motion.

Actual Fact: Predictions comes correct. My wife and her father (father-in-law) had booked profits on 9th & 10th March 2014; when Sun was transiting in the Sign-Star-Sub of Saturn-Jupiter-Mercury (Aquarius 23°53'20" to 25°46'40"). In chart, Saturn, Jupiter and Mercury are the significators of 11th house.

KP analysis on "Going abroad, Financial stability and will foreign going help to achieve financial goals."

I have received the following details from my client Doctor Ashok Kota on 17 Nov 2017.

This is Dr Ashok Kota. Please go through all the details. Thanks.
Name: Ashok Kota
Date of Birth: 12/10/1983
Time of Birth: 08:20:30 pm
Place of Birth: Bhiwandi, Mumbai, Maharastra.
Nakshtram: Mula padam 4.

I've started Canada Visa process as my financial problems are increasing day by day. Clinic is not doing well these days.
I wanted know about:
1. My chances of going abroad to Canada.
2. When can I'll be financially stable?
3. Will going to Canada help me in achieve my financial goals?

On the same day that is 17 Nov 2017, I have erected the chart (attached) and started analyzing on the points the native raised.
1.What K P rule says on foreign going—

Foreign Job Rule
A). If 12th cusp sub lord signifies 3,9,12,6 (service) or 7 (business) or 10 (profession), one can go foreign for job or business or assignment during the DBA signifying 3,9,12,6 or 7 or 10 when trans-it agrees. (KP Reader VI p 301)
B). If 9th, 6th/7th and 11th cusp sub lords signify 6,/7,9,12, then one can go abroad for business during the DBA signifying 6,/7,9,12. (K.P. Muhurat p 123).(refer KP E Zine July 2009)
If foreign travel s thus indicated and if 12th cusp sub lord is connected with—

1.11th house-foreign travel is for pleasure and enjoyment,
2.5th house-for sports and religious matters,
3. 6thhouse- for service matters,
4. 10th house- for professional matters,
5.7th house-for business matters,
6.9th house-for higher education.

As per the native's chart—
12 cusp sub lord is Rahu which is placed in 1st house. Rahu is placed in Mars star lord of 7 (business) placed in 4th and in the sub of Rahu in1st.
Rahu represents Jupiter lord of 9 and 12 in 7th and Venus lord of 1,2 in 4th.
Thus 12th cusp sub lord Rahu signifies 7 at its star level and 2, 7, 9 and 12 promises foreign travel for the sake of his earnings.
Here 12th cusp sub lord is connected with 2- financial improvement and 7- to improve his business matters, it indicates exactly for what he has posed his questions.
This native is Physiotherapist seeking foreign assignments in his field of activity to gain good skills and knowledge to augment his present self venture of private practice.

B).As per rule B---9th cusp sub lord is Mercury signifies @SBL7, 9, 12.
7th cusp sub lord is Rahu signifies @STL 7 and @SBL 7,9,12.
11th cusp sub lord is Jupiter+ signifies @STL 7,9,12 and @SBL 7,9,12.

+ These planets do not have any planets in their stars.

All the above significations clearly indicate that this native will surely go to foreign countries for achieving his goals of augmenting his financial avenues.

Whether the change proposed is beneficial or not—
11th cusp sub lord is Jupiter+ strongly signifies 11th as sub lord as no planets are placed in Jupiter stars. Jupiter is placed in the star of Saturn lord of 10 and 11 placed in 6, and in the sub of Jupiter lord of 9 and 12 in 7th. Thus 11th cusp sub lord signifies 7- self venture business,10- connected to his profession, 9 and 12 indicating foreign journey and 11- indicates success in his endeavor. So I feel his proposed journey will be beneficial and give him success also.

Kethu represents Sat, and Rahu represents moon.

Common Fruitful signficators=Moon-Jup-Ketu-Sun-Mars-Sat-Merc-Rahu-Venus.

Moon dasa runs up to 2020 amd it is in CFS. Moon signifies 7 @its STL and 3 @its SBL.
Kethu bhukthi runs up to June 2018. Ketu is in CFS and signifies 3&7at its STL and 9 and 12 @its SBL is O.K.

Under Ketu bhukthi, Venus and Sun antra runs from 19/11/2017 to4/01/2018. It is too short a period to fulfill his visa formalities.

Next comes Moon antra period which runs from 04/01/2018 to 22/01/2018.
Moon is the Ketu star signifying 7, and in the sub of Mercury signifying 3, a change for which the native is seeking for and is trying to go to foreign countries, is O.K.

Sun will be transiting in Saturn sign Capricorn-significator of 10, 2 and 11, on Moon star(Dasa lord) from 24/1 to 6/2 agrees.

So I feel he would go to foreign countries by the 3rd week of Jan 2018, for the sake of augmenting his financial position and technical skills in his line of profession.

Facts of the case—this native left to Canada by 25 Jan 2018.

Hint:
If 10th (one's position in politics) cusp sub lord signifies 10 (one's reputation), 3 (one's ability), 11 (one's reputation as a winner) in the DBA of 3, 10, 11, then success is assured.

Cuspal Sub lord:
10th Cusp (Scorpio 01^{0}.47'.41"): The sub lord of the 10th cusp is Rahu. Rahu is in the star of Saturn and sub of Sun. Rahu is occupant of 10. Rahu is aspected by Mars and Saturn. Mars is occupant of 8 and owner of 3, 10, 11. Saturn is occupant of 8, owner of 1, 2. Star lord Saturn is occupant of 8, owner of 1, 2. Sub lord Sun is occupant and owner of 5, owner of 8. Thus 10th cusp sub lord Rahu is the significator of 8, 1, 2 and connected with 10, 8, 3, 10, 11, 1, 2, 5. Hence the success in politics is sure by signification of 3, 10, 11, but 8 is also in connection will gives delay and dejection.

Joint Period :
current running dasa period is Jupiter up to 28-09-2018.

Dasa lord Jupiter is in the star of Sun and sub of Mercury. Jupiter is occupant of 4, owner of 12. Star lord Sun is occupant of 5, owner of 8. Sub lord Mercury is occupant of 5, owner of 6. Hence Dasa lord Jupiter signifies 5, 8 and is connected with 4, 12, 5, 6. So it does not indicates 3, 10, 11 at all. Hence no chance to get success in politics till 28-09-2018.

Outcome: he did not enter in politics till today.

On arrival of a person- through horary analysis.

By: *Gunti Nagaraju* KP astrologer (M.com CAIIB, Retired Bank officer)

My brother-in-law had to go to Bangalore on 15 Feb 2018 on an urgent work and we had no prior information on his coming back home. We were worried about his long stay as there was no information on the specific date of his arrival.

On 22 /02/2018 suddenly I thought of arriving at the date of his arrival back to his home @ Secundrabad. Immediately horary number 205 struck in my mind and I erected a horary chart @ 14-23-55 hours at Secundrabad @ my residence. The chart is attached.

Hints for arrival of a person/relative/friend
Note the sub lord of the 11th cusp. 11th house indicates brother-in-law also. If the sub lord of the 11th cusp is in retrograde or deposited in a star which is in retrograde motion, friend's /relative's arrival is not promised. As per the chart, 11th cusp sub lord is Saturn+. No planets are placed in Saturn stars and so Saturn strongly signifies 11th cusp. It is not in retro motion. Saturn is Ketu star which is not in retro motion as it is node. So his arrival is promised. This also shows that there is a fulfillment of my desire.

Note: *The hoary question is raised by me and so I have not rotated the chart for anybody.*

K P rule: Lagna shows the place of the native's permanent residence and the 7th house shows (opposite to lagna) the change of one's residence /place of stay. (see page 296 of reader no.2) 7th is the person expected or other person expected by us who receive.
So if 7th cusp sub lord signifies 3rd-shot travel, 9th- long travel, 5th- one's desire to move from his place of stay and 11th one's fulfillment of desire to move.
If it signifies 4or 8 or 10 or 12 –the person who is expected will not come.

As per the horary chart
7th cusp falls in Cancer sign with MOON_MERC_RAHU as co-rulers. The sub lord Rahu is placed in Mercury star lord of 6 and 8 in 1st and in the sub lord of Venus lord of 4,5,9 in 1st cusp. Rahu represents Moon lord of 7th in 3rd cusp. Thus the 7th cusp sub lord Rahu signifies 1,6,8 at its star lord level and 1,4,5,9 at its sub lord level. It is also connected to 3rd. So as per the above rule 7th cusp sub lord Rahu signifies the relevant houses-3,5,and 9 assures the arrival of the person in question.

When is the question- during the conjoined period the significations of 3-5-9-11 houses:
Six fold significations of 3-5-9-11 houses

3rd=Mars, Ketu, Moon, Mars.
5th=Rahu, Venus.
9th=Sun, Venus, Jup, Rahu, Venus
11th=Saturn, Mars.

Period analysis
The period running at the time of judgment is---SUB DL X SUN BL X KETU AL X SATURN SL.
The dasa lord and bhukthi lord are in our CFS. Antra lord Ketu is not in CFS, so I have dropped Ketu.
And the next antra period is Venus which runs from 23-Feb-2018 to 13-March-2018.
Venus AL is in our CFS and it signifies 5 and 9 @STL is o.k.
Sun transits in Saturn (11) sign (Aquarius sign) on Rahu star (CFS) from 19/2 to 4/3 agrees.
Sun transits in Saturn (11) sign (Aquarius sign) on Jupiter star (CFS) from 04/3/ to14/3 agrees.
Under Venus antra period –
--Venus and Sun sookshma lords are already taken as DL and AL.
--Next comes Moon SL is not in CFS.
--Next comes Mars SL is in CFS and runs from 28/2/2018 to 01/3/2018. Mars signifies 3, and 11 @ STL and 6and 8@its Sub level.

As per the K P equations—
If star lord is positive + Sub lord is negative= One can expect mostly negative results.
If star lord is positive + Sub lord is positive= 100% positive result can be expected.
If star lord is negative+ Sub lord is positive=positive results with great efforts & problems.
If star lord is negative+ sub lord is negative=100% negative results only can be expected.

Note—This formula is based mainly on the pith and core of the KP System that" planet is the source, Star lord indicates the nature of the event and Sub lord decides whether the matter is favourable or not."

Basing on the above KP equation—I am doubtful about the result to be given by the Mars as sookshma lord, as it signifies 6 and 8 negative houses at its sub lord level. So I have decided to drop the Mars SL.
Next comes Rahu sookshma runs from 01/03/2018 to 04/03/2018. Rahu is in our CFs and signifies 1, 6, 8 @its star level and 1,4,5,9 @its sub lord level. Under Rahu significations there are more of negative houses except 4 at SBL level. So I have dropped Rahu also.
Next comes Jupiter sookshma lord runs from 04/03/2018 to 06/03/2018. Jupiter is in our CFS and signifies 2,9,12 at its star lord level and 1 at its sub lord level. This also signifies only 2 @its STL and sub signifies 1-negative house. So Jupiter SL is also dropped.
Next comes Saturn+ sookshma lord is in our CFS runs from 06/03/2018 to 9/03/2018.
It strongly signifies 11 as sub lord itself. It also signifies 11 at its star level. So I have decided to consider Saturn+ SL, on the basis that "if the sub lord without being placed as star lord for any planet it becomes strong as Sub lord gives the positive results fully".
During the Saturn sookshma period Moon will be transiting on 06/03/2018-Tuesday (Mars) - in Libra sign (Venus)- on Rahu star (in our CFS).

Mars, Venus and Rahu are in our significations and so the transit of Moon agrees.

So I expect my BIL to come on 06/03/2018 on Tuesday, before 21.07 hours.
Facts of the case—On 06 March 2018 my BIL arrived @06-15-00 P.M by Bangalore- Hyderabad flight that is during Sun sign lord(LEO) Sun star lord Venus sub lord.

Moon reveals the nature of query
Moon (Aries 26-25-05) is in star of Venus and sub of Ketu. Planet Moon is the occupant of 10, owner of 1. Starlord Venus is the occupant of 10, owner of 4 and 11. Sublord Ketu is the occupant of 9. Ketu conjoined with Moon and thus acts an agent of Moon. Moon is the occupant of 10, owner of 1. Moon signifies and/or in connection with the relevant house(s), hence query is genuine.

Cuspal Analysis
10th Cusp (Aries 16-03-52): The sublord of the 10th cusp Sun is in star and sub of Rahu. Planet Sun is the occupant of 11, owner of 2. Starlord and Sublord Rahu is the occupant of 3. Rahu conjoined to Saturn. Saturn, being untenanted, is the occupant of 4, owner of 7-8. Saturn aspects to 6th & 10th cusp. 10th CSL Sun signifies 3, 11 and in connection with 3-6-10. Hence, transfer in job in a nearly place from present working station is assured.

6th Cusp (Sagittarius 19-15-12): The sublord of the 6th cusp Rahu is in star of Mars and sub of Mercury. Planet Rahu is the occupant of 3. Starlord Mars is the occupant of 3, owner of 5-10. Sublord Mercury, being untenanted, is the occupant of 11, owner of 3-12, CSL of 5-7-8-11. 6th CSL Rahu signifies 3, 10 and in connection with 3-12. Hence, transfer in job in a nearly place from present working station is assured.

Planets signify the houses 3, 10 and 12 in respect to A. B, C, D, E

A = Planets in Occupant's Stars
B = Occupant of Houses
C = Planets in Owner's Stars
D = House Owner
E = Planets Conjoined or Trine (120°) Aspected (Vedic Aspects) by Significators (A), (B), (C), (D), (E)

Lagna (Aquarius 14-27-06)	Saturn – Rahu – Ketu
Moon (Aries 26-25-05)	Mars – Venus – Ketu
Day Lord (Monday)	Moon
Nodes	Rahu – Ketu

(B) 5 Direct Ruling Planets are: Moon, Mars, Venus, Saturn, Rahu, Ketu.

(c) Fruitful (common) Planets among (A) & (B): Moon, Mars, Venus, Saturn, Rahu, Ketu.

Present Dasha: Venus (from 08-11-1994 to 08-11-2014)
Venus is a fruitful (common) planet. Hence, Venus Dasha is taken into consideration.

Present Bhukti: Ketu (from 09-09-2013 to 08-11-2014)
Ketu is a fruitful (common) planet. The least planetary aspect between Venus (Dasha Lord) and Ketu (Bhukti Lord) is approx 35° which is near to **Semi-Quintile 36° - moderately good** aspect. Hence, Ketu Bhukti is taken into consideration.

In Venus Dasha and Ketu Bhukti, I prefer to select **Saturn** and **Mercury** Anthra.

Saturn Anthra (from 04-07-2013 to 09-09-2014); or Mercury Anthra (from 09-09-2014 to 08-11-2014)
Saturn is a fruitful (common) planet. 10th CSL posited in a sub of Saturn. Saturn at present is retrograde and will turn direct from 21st July 2014.

Mercury is not a fruitful (common) planet. But Mercury in chart, being untenanted, and signifies all the relevant houses i.e. 3-10-11-12 and in connection with 3-10. Hence, Mercury Anthra cannot be ignored.

My Opinion: Getting transfer in job in a nearby place is assured in between the joint-period of DBA Venus-Ketu-Saturn (from 04-07-2013 to 09-09-2014) and Venus-Ketu-Mercury (from 09-09-2014 to 08-11-2014). It seems feeble chances that job transfer within 40 days from the date of question asked by Querent (40 days from 21-06-2014 i.e. up to 30th July 2014). This is because of following reasons –

- Horary Lagna falls in movable sign (Cancer 18-33-20) indicating early fructification of event; but Lagna CSL is Ketu (a slow moving planet) and 11th CSL Mercury (a fast moving planet); and Mercury is retrograde till 1st July 2014 and further Saturn aspecting to Ketu & Moon and Lagna. All this indicate there may be some delay.

- 10th CSL posited in a sub of retrograde planet i.e. Saturn. And Saturn (delay and restricted planet) will remains retrograde up to 21-07-2014 and further does not signify 11th cusp in chart.

Hence, I will select the DBA of Venus-Ketu-Mercury (from 09-09-2014 to 08-11-2014) in preference. Rest Almighty knows better .....

Actual Fact: Prediction comes correct. The native received transfer order to join nearby place on 5th November 2014 when Sun was transiting in the sign-star-sub of Sun-Venus-Rahu (Leo 18°06'40" - 20°06'40"). Sun & Rahu are the strong significator of 3rd; while Venus is the significator of 10th.

Question. I am facing criminal charge on 19th march 2018, next Monday. Is there any jail. if yes when will i be released?
Number. 14 (out of 249)
Date of Judgment: 13-03-2018, Tuesday; **Time of Judgment:** 12:12:49 PM IST
Place of Judgment: Kankariya-Ahmedabad-Gujarat; **Lat/Long:** 23° N 02', 72° E 36',
Aynamsha: 24^0.01'.15"

Hints
If the cuspal sub lord of the 12th be the significator of 3 (away from home), 8 (misfortune) or 12 (restrictions), and connected with Mars or Saturn or Rahu or Ketu, one has to court jail during the joint period of the significators of 3, 8 and 12.

Cuspal Sub Lord
12th Cusp (Cancer 17^0.05'.22"): The sub lord of the 12th cusp is Venus. Venus is in the star of Saturn and sub of Rahu. Venus is occupant of 12, owner of 2-7. Star lord Saturn is occupant of 9, owner of 10-11. Sub lord Rahu is occupant of 6. Rahu is aspected by Mars. Mars is occupant of 8, owner of 1-8. No planet in the star of Mars and Mars is CSL of 5. 12th sub lord Venus is significator of 12-2-7-9-10-11-6-8-1-5. Hence the imprisonment is sure.

Ruling Planets
At the time of judgment, ruling planets are as under.

Joint Period
On 19-03-2018, joint period of Moon-Moon-Sun-Saturn is running till 19-03-2018.

Dasa lord Moon is in the star and sub of own. Moon is occupant of 10, owner of 4. Star and Sub lord is also Moon. Thus dasa lord Jupiter signifies 4-10. This dasa lord does not indicate 3-8-12, hence No jail at all.

My opinion: Dasa lord Moon not agree about Jail, thus I don't think any jail yoga at all.

Outcome: prediction come correct, he not go jail on 19th march 2018. Court give next date 24th May 2018 for hearing.

The ruling planets at the time of judgment correspond or agree or tally with:-
The ruling planets at the birth; or
The Signlord, starlord, sublord and sub-sublord of the Ascendant at the birth.
The signlord, starlord, sublord and sub-sublord of the Ascendant at birth are found either in the star or sub of ruling planet or planets at the time of judgment.

Ruling Planets	@ the time of Birth	@ the time of judgment.
Lagna Star lord	Mercury	Mercury
Lagna Sign lord	Moon	Jupiter
Moon Star lord	Jupiter	Venus
Moon Sign lord	Saturn	Sun
Daylord	Sun	Saturn

Except Moon, all the Planets Mercury, Jupiter, Saturn and Sun at birth are appeared directly in the RPs at the time of judgment. Moon at birth is in the Star of Jupiter and in the sub of Sun which are seen in the RPs as Lagna and Moon's signlord respectively at the time of judgment. Thus the ruling planets at the time of judgment agreed with the ruling planets at the birth.

Ascendant at the birth is in Aquarius Cancer Sign (28-42-36):-It's co-rulers are as follows:-

Signlord	Star lord	Sublord	Sub-Sublord
Moon	Mercury	Saturn	Venus

Except Moon, all the other three planets (Mercury, Saturn and Venus) are appeared in the RPs di-

rectly at the time of judgment. Moon is in the star of Jupiter and in the sub of Sun. Both are appeared in the Ruling Planets at the time of judgment. Therefore, the given birth time is 100% correct.
